SEASON 2012/2013

Note: FTCM are matches in the following competitions: FA Challenge Cup, FA Challenge Trophy, FA Premier League, Football League, Football League Cup, Football League Trophy, the Football Conference and The FA WSL.

1. MATCH OFFICIALS' REPORTING OF OFFENCES**(a) Caution Offences**

Referees must submit a report to The Association by 12 noon on the day following a match stating the offences and giving a description of the incidents.

(b) Sending Off Offences

Referees and Assistant Referees must submit a report to The Association by 12 noon on the day following a match stating the offence(s) and giving a description of the incident(s).

(c) If a referee omits to show the appropriate card when taking action against a player, this does not nullify the caution or sending off offence. However, the attention of the Referee should be drawn to the correct procedure.

2. CAUTION OFFENCES - Administration

A Player who has been cautioned in a FTCM, will be notified through his Club by The Association of:

- (a) the offence reported by the Referee;
- (b) the total number of cautions recorded against the Player under these procedures during the current Season; and
- (c) any punishment resulting from the accumulation of these cautions. Any such punishment will take effect regardless of whether or not the notification of it from The Association is received before it is due to take effect in accordance with these Disciplinary Procedures.

An administration fee of £10.00 will be charged to the Player through the Club for the cost of processing each report.

3. SENDING OFF OFFENCES - Administration

A Player who has been sent off in a FTCM under the provisions of Law 12 will be notified through his Club by The Association of:

- (a) the offence reported by the Referee;
- (b) that he will be subject to the standard punishment (see Section 8). Any such punishment will take effect regardless of whether or not the notification of it from The Association is received before it is due to take effect in accordance with these Disciplinary Procedures.

An administration fee of £10.00 will be charged for the cost of processing each report.

4. MISTAKEN IDENTITY

- (a) If a Player who has been cautioned or sent off in a FTCM claims that he was the victim of mistaken identity in relation to the imposition of such sanction, he may appeal to The Association. The Club on behalf of the Player must, by 1pm of the next working day

following their game, notify The Association in writing (by fax or e-mail - Fax 0844 980 0626 or e-mail Disciplinary@TheFA.com) of their intention to submit a claim.

- (b) By 1pm on the second working day following the incident, the Players and Club must submit in writing to The Association the evidence upon which the claim is founded, together with the relevant fee. Where possible, a written statement from the Player responsible for the offence should be supplied. The details must, however, include:
- (i) a signed statement by the Player reported by the Referee that he was not responsible for the offence reported and identifying specifically the name of the person responsible; and
 - (ii) a video and/or DVD of the incident.

The relevant fee, to be paid by cheque to The Football Association Limited, for Clubs in each League is as follows:

FA Premier League	£1,500
Football League Championship	£750
Football League 1	£500
Football League 2	£350
Football Conference National Division	£300

- (c) The Claim will be determined based on video and/or DVD and written evidence only. None of the Match Officials nor the Club or Player are entitled to be present or represented at the Regulatory Commission established for such purpose.
- (d) The Players and Club should note that the time limits set out above are strict. Only complete claims submitted before the relevant deadlines will be considered by The Association.
- (e) The Association will empanel a Regulatory Commission to examine the claim, that will consider the matter prior to any suspension being served. The following procedures will be used at a Regulatory Commission unless the Regulatory Commission thinks it appropriate to amend them:
- I. The Secretary of each Regulatory Commission will produce:
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements and video and/or DVD and other evidence provided in support of the claim, including details of the Player;
 - II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful.
 - III.
 - (i) If the Commission's decision is to reject the claim, it will, in every case, go on to consider whether or not the player's punishment should be increased.

If the Commission considers that the rejected claim had no prospect of success and / or amounts to an abuse of process, the Commission shall have the discretion to increase the penalty up to twice the standard punishment set out in this Memorandum.

In all other cases, the Player reported by the Referee shall serve the standard punishment set out in this Memorandum.
 - (ii) If the Commission's decision is that the claim is successful, the standard punishment set out in this Memorandum is transferred from the record of the Player reported by the Referee to the appropriate identified offender, who will serve the standard punishment transferred by the Regulatory Commission.

- IV. The decision will be conveyed to the Secretary of each Regulatory Commission, who will prepare Minutes of the decision of the Regulatory Commission and communicate the decision to the Club that day.
- (f) Should a Club have two FTCMs with no, or insufficient, working days in between for the claim for mistaken identity to be notified, lodged and heard by a Regulatory Commission, the following will apply:
- I. Where there are no working days between two matches and a Club wishes to make a claim for mistaken identity, the Club shall notify The Association by fax and e-mail (using the contact details as set out in (a) hereabove) within 24 hours of the dismissal. If, and only if, this notification is appropriately submitted, the Player will be eligible to play in the second match. Submission of evidence and the fee will still be required by 1pm on the second working day as set out in (b) hereabove.
 - II. Where there are insufficient working days between two matches for a Regulatory Commission to decide on a claim for mistaken identity, the timetable for notification and submission as set out in (a) and (b) hereabove will still apply. However, a Player will be eligible to play in matches prior to the decision of the Regulatory Commission, provided the claim for mistaken identity has been appropriately notified.

In respect of these specific circumstances, particular attention should be paid to (e) III (i) hereabove, in respect of claims brought which had no prospect of success or amounted to an abuse of process.

Should a Player play in a match without the appropriate notification having been lodged as set out hereabove, this shall constitute Misconduct (as defined in the Rules of The Association).

- (g) If, despite the fact that evidence clearly shows that there is a case of mistaken identity, a Club does not lodge a claim within the specified time limits, The Association reserves the right within seven days of the alleged misconduct to request a Regulatory Commission to review the matter.
- (h) A Club failing to lodge a claim for mistaken identity may be charged with Misconduct by The Association if there is evidence that the Club sought to gain an advantage by remaining silent on the matter.
- (i) The decision of the Regulatory Commission in relation to claims for mistaken identity is final and binding on all parties and not subject to appeal.
- (j) In the event that a claim is submitted for mistaken identity and wrongful dismissal for the same incident, the matter of mistaken identity will be considered first.

5. CLAIMS OF WRONGFUL DISMISSAL

- (a) A Player and his Club may seek to limit the disciplinary consequences of the dismissal of a Player from the Field of Play by demonstrating to The Association that the dismissal was wrongful.
- (b) A claim of wrongful dismissal may be lodged only for on-field offences which result in a sending off, except for two cautions leading to a dismissal.
- (c) The Regulatory Commission that considers a claim of wrongful dismissal is concerned with only the question of whether any sanction of a suspension from play is one which should be imposed in view of the facts of the case. This role is not to usurp the role of the Referee and the dismissal from the Field of Play will remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a first team sending off.
- (d) The Club on behalf of the Player must, by 1pm on the next working day following the game, notify The Association in writing (by fax or e-mail - Fax 0844 980 0626 or e-mail Disciplinary@

TheFA.com) of their intention to submit a claim. The claim will NOT proceed if this deadline is not met. The evidence upon which the claim is founded (which must include a video and/or DVD recording showing the incident from all available angles), must be submitted by the Player concerned or his Club, together with the relevant fee, by 1pm on the second working day following the incident. The relevant fee, to be paid by cheque to The Football Association Limited, for clubs in each league is as follows:

FA Premier League	£1,500
Football League Championship	£750
Football League 1	£500
Football League 2	£350
Football Conference National Division	£300

Important - forfeiture of fee for late withdrawal of a claim. It should be noted that where a claim is withdrawn after 5.00pm on the next working day following the game, any fee that has been submitted to The Association in respect of the claim WILL NOT be refunded. If the relevant fee has yet to be paid, the claimant will still be required to pay it to The Association. Failure to pay the fee in these circumstances will result in disciplinary action against the claimant.

Where a claim is withdrawn before the 5.00pm deadline, if any fee has been submitted, it will be refunded. If the relevant fee has yet to be paid to The Association the claimant will not be required to pay it.

- (e) The Claim will be determined based on video and/or DVD and written evidence only. None of the Match Officials nor the Club or Player are entitled to be present or represented at the Regulatory Commission.
- (f) Players and Clubs should note that the time limits set out above are strict. Only complete claims submitted before the relevant deadlines will be considered by The Association.
- (g) Once the claim is lodged with The Association it will confirm that the video and/or DVD shows the incident as reported by the Referee/Assistant Referee and the claim has conformed with the criteria.
- (h) Prior to the commencement of the suspension, a Regulatory Commission will be convened to decide the matter on any relevant documentary and video and/or DVD evidence submitted. The following procedures will be used at a Commission unless the Commission thinks it appropriate to amend them:

The Commission Secretary will produce:

- I.
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements and video and other evidence provided in support of the claim, including details of the Player;
- II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful.
- III. If the Commission's decision is to reject the claim, it will, in every case, go on to consider whether or not the player's punishment should be increased.

If the Commission considers that the rejected claim had no prospect of success and / or amounts to an abuse of process, the Commission shall have the discretion to increase the penalty up to twice the standard punishment set out in this Memorandum.

In all other cases, the Player reported by the Referee shall serve the standard punishment as set out in this Memorandum. In all cases where a claim is rejected the fee shall be retained.

- IV. If the Commission's decision is that the claim is successful, the standard punishment set out in the Memorandum is withdrawn and the fee returned. The dismissal will not be counted for the purposes of paragraph 8(g) below.

The decision shall be conveyed to the Commission Secretary who shall prepare Minutes of the decision of the Commission and communicate the decision to the Club that day. The Club must provide the Commission with contact details.

- (i) Should a Club have two FTCMs with no, or insufficient, working days in between for the claim for wrongful dismissal to be notified, lodged and heard by a Regulatory Commission, the following will apply:

I. Where there are no working days between two matches and a Club wishes to make a claim for wrongful dismissal, the Club shall notify The Association by fax and e-mail (using the contact details as set out in (d) hereabove) within 24 hours of the dismissal. If, and only if, this notification is appropriately submitted, the Player will be eligible to play in the second match. Submission of evidence and the fee will still be required by 1pm on the second working day as set out in (d) hereabove.

II. Where there are insufficient working days between two matches for a Regulatory Commission to decide on a claim for wrongful dismissal, the timetable for notification and submission as set out in (d) hereabove will still apply. However, a Player will be eligible to play in matches prior to the decision of the Regulatory Commission, provided the claim for wrongful dismissal has been appropriately notified.

In respect of these specific circumstances, particular attention should be paid to (h) III. here above, in respect of claims brought which had no prospect of success or amounted to an abuse of process.

Should a Player play in a match without the appropriate notification having been lodged as set out hereabove, this shall constitute Misconduct.

- (j) As a general guide, the following schedule will apply:

Match Day	Notice of Claim	Claim Lodged	Commission
Fri/Sat/Sun	Monday	Tuesday	Thursday

- (k) In the event that a Club submits a notification of their intention to claim wrongful dismissal but fails to complete the claim or withdraws a complete claim prior to it being considered by a Regulatory Commission, and The Association believes that the notification or claim of wrongful dismissal had no prospect of success or amounted to an abuse of process, The Association may issue a charge of misconduct under FA Rule E3.

- (l) The decision of the Regulatory Commission in relation to a claim of wrongful dismissal is final and binding on all parties and is not subject to appeal.

DISMISSALS – EXCEPTIONAL CIRCUMSTANCES

Regulations 6 and 7 below are intended to apply only in truly exceptional circumstances. Regulatory Commissions considering cases under these Regulations will be specifically instructed to approach them in this way. It is envisaged that, in the vast majority of dismissals, the standard punishments set out in this Memorandum will be appropriate and will be applied.

The facilities available under Regulations 6 and 7 are provided only so exceptional cases may be rectified. They are not intended to encourage or lead to the systematic, regular review of standard punishments, and are reserved for truly exceptional cases.

6. DISMISSALS – CLAIMS THAT THE STANDARD PUNISHMENT IS CLEARLY EXCESSIVE

- (a) A Player and his Club may in very limited circumstances seek to limit the disciplinary consequences of the dismissal of a Player from the Field of Play by demonstrating to The Association that the circumstances of a particular dismissal were truly exceptional, such that the standard punishment applicable to that dismissal (as set out in section 8 below) would be clearly excessive. A claim cannot be brought under this regulation in respect of any dismissal which is the subject of a claim for wrongful dismissal under Regulation 5 above.
- (b) All players dismissed from the Field of Play shall be subject to at least a one match suspension, save for where a successful claim for wrongful dismissal is brought.
- (c) Claims that the standard punishment is clearly excessive brought under this Regulation may be lodged only for on-field offences which result in a sending off under Law 12(6) (offensive or insulting or abusive language/gestures) 12(1) (violent conduct), 12(2) (serious foul play) or 12(3) (spitting).
- (d) Any Claimant bringing a claim under this Regulation accepts that the sending off was correct according to the Laws of the Game and waives any right to challenge that sending off via a claim for wrongful dismissal under Regulation 5 above or by any other means whatsoever.
- (e) The Regulatory Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee and the correctness of the dismissal from the Field of Play shall not be subject to any scrutiny by the Commission, will remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a first team sending off.
- (f) The Club on behalf of the Player must, by 1pm on the next working day following the game, notify The Association in writing (by fax or e-mail – Fax 0844 980 0626 or e-mail Disciplinary@TheFA.com) of their intention to submit a claim. The claim will NOT proceed if this deadline is not met. The evidence upon which the claim is founded (which must include a video and/or DVD recording showing the incident from all available angles), must be submitted by the Player concerned or his Club, together with the relevant fee, by 1pm on the second working day following the incident. The claim must explain why the case is truly exceptional. The relevant fee, to be paid by cheque to The Football Association Limited, for clubs in each league is as follows:

FA Premier League	£1,500
Football League Championship	£750
Football League 1	£500
Football League 2	£350
Football Conference National Division	£300

Important – forfeiture of fee for late withdrawal of a claim. It should be noted that where a claim is withdrawn after 5pm on the next working day following the game, any fee that has been submitted to The Association in respect of the claim WILL NOT be refunded. If the relevant fee has yet to be paid, the claimant will still be required to pay it to The Association. Failure to pay the fee in these circumstances will result in disciplinary action against the claimant.

Where a claim is withdrawn before the 5pm deadline, if any fee has been submitted, it will be refunded. If the relevant fee has yet to be paid to The Association, the claimant will not be required to pay it.

- (g) The Claim will be determined based on video and/or DVD and written evidence only. The Match Officials, Club and Player are not entitled to be present or represented at the Regulatory Commission.
- (h) Players and Clubs should note that the time limits set out above are strict. Only complete claims submitted before the relevant deadlines will be considered by The Association.
- (i) Once the claim is lodged with The Association it will confirm that the video and/or DVD shows the incident as reported by the Referee/Assistant Referee and the claim has conformed with the criteria.
- (j) If possible, prior to the commencement of the suspension, but in all cases before the second match that the Player would miss were the standard punishment to apply to the dismissal that is the subject of the claim, a Regulatory Commission will be convened to decide the matter on any relevant documentary and video and/or DVD evidence submitted. The following procedures will be used at a Commission unless the Commission thinks it appropriate to amend them:

The Commission Secretary will produce:

- I.
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements and video and other evidence provided in support of the claim, including details of the Player;
- II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful.
- III. A claim will only be successful under this Regulation where a Claimant satisfies the Commission so that it is sure that –
 - (a) The circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - (b) As a result of the truly exceptional circumstances the standard punishment would be clearly excessive.
- IV. In considering the matters at III above, the Commission shall have regard to:
 - (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
 - (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - (c) Where applicable, the level of force used;
 - (d) Any injury to an opponent caused by the dismissal offence;
 - (e) Any other impact on the game in which the dismissal occurred;
 - (f) The prevalence of the type of offence in question in football generally;
 - (g) The wider interests of football in applying consistent punishments for dismissal offences.
- V. If the Commission's decision is to reject the claim, it will, in every case, go on to consider whether or not the player's punishment should be increased. If the Commission considers that the rejected claim had no prospect of success and/or amounts to an abuse of process, the Commission shall have the discretion to increase the penalty up to twice the standard punishment set out in this Memorandum.

In all other cases where a claim is rejected, the Player reported by the Referee shall serve the standard punishment as set out in this Memorandum. In all cases where a claim is rejected the fee shall be retained.

- VI. If the Commission's decision is that the claim is successful, the standard punishment set out in the Memorandum is withdrawn.

The Commission will then decide on the punishment to be applied to the Player in respect of the dismissal. This shall be in all cases a suspension of at least one match.

In deciding on such punishment, the Commission shall have regard to:

- (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
- (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
- (c) Where applicable, the level of force used;
- (d) Any injury to an opponent caused by the dismissal offence;
- (e) Any other impact on the game in which the dismissal occurred;
- (f) The prevalence of the type of offence in question in football generally;
- (g) The wider interests of football in applying consistent punishments for dismissal offences.

The decision shall be conveyed to the Commission Secretary who shall prepare Minutes of the decision of the Commission and communicate the decision to the Club that day. The Club must provide the Commission with contact details. The fee shall be returned to the Club.

- (k) As a general guide, the following schedule will apply:

Match Day	Notice of Claim	Claim Lodged	Commission
Fri/Sat/Sun	Monday	Tuesday	Thursday

- (l) In the event that a Club submits a notification of their intention to claim but fails to complete the claim or withdraws a complete claim prior to it being considered by a Regulatory Commission, and The Association believes that the notification or claim had no prospect of success or amounted to an abuse of process, The Association may issue a charge of misconduct under FA Rule E3.
- (m) The decision of the Regulatory Commission in relation to a claim under this Regulation is final and binding on all parties and is not subject to appeal.

7. E3 CHARGE FOLLOWING A DISMISSAL WHERE STANDARD PUNISHMENT CLEARLY INSUFFICIENT

- (a) All players dismissed from the Field of Play shall be subject to at least a one match suspension, save only for where a successful claim for wrongful dismissal is brought.
- (b) A Player may be charged by The Association under Rule E3 in relation to certain on-field incidents for which the Player was dismissed, pursuant to Regulation 8(j) below, where The Association is satisfied that the standard punishment that would otherwise apply following the dismissal is clearly insufficient.
- (c) Charges may be brought under this Regulation only for on-field offences which have resulted in a sending off under Law 12(1) (violent conduct), Law 12(2) (serious foul play) or Law 12(3) (spitting).
- (d) Where The Association brings such a charge, a Referee's report showing that a Player was dismissed for violent conduct under Law 12(1), serious foul play under Law 12(2) or spitting under Law 12(3) shall be conclusive evidence that the player has breached the relevant Law and shall not be subject to challenge, save for where any such dismissal is subject to a claim for wrongful dismissal.

- (e) Charges brought under this Regulation shall be determined based on video and/or DVD and written evidence only. The Match Officials, Club and Player are not entitled to be present or represented at the Regulatory Commission.
- (f) If the Regulatory Commission decides that a charge brought under this Regulation has been proved, the Commission shall then consider only whether the standard punishment should be imposed, or whether that punishment should be increased.
- (g) The standard punishment shall be increased where The Association satisfies the Commission so that it is sure that:
- (i) The circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - (ii) The standard punishment would be clearly insufficient.
- (h) In considering the matters at (g) above, the Commission shall have regard to:
- (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
 - (b) The nature of the dismissal offence, and particular any intent, recklessness, negligence or other state of mind of the Player;
 - (c) Where applicable, the level of force used;
 - (d) Any injury to an opponent caused by the dismissal offence;
 - (e) Any other impact on the game in which the dismissal occurred;
 - (f) The prevalence of the type of offence in question in football generally;
 - (g) The wider interests of football in applying consistent punishments for dismissal offences;
- (i) If the Commission is not satisfied of the matters at (g) above, the Commission shall deliberate no further on the charge and the Player shall serve the standard punishment;
- (j) If the Commission is satisfied of the matters at (g) above, the standard punishment set out in the Memorandum shall be withdrawn, and the Commission shall then consider, having regard to the matters at (h) above, the level of punishment that should apply.
- (k) Any punishment imposed by the Commission shall be limited to a suspension from playing a specified number of matches in addition to the standard punishment applicable to the relevant dismissal. The Commission shall not impose any other punishment on the Player.
- (l) Charges brought under this Regulation must be brought by 1pm on the second working day following the game in which the relevant dismissal occurred. Such a charge must include the evidence upon which the claim is founded (which must include the Referee's report and a video and/or DVD recording showing the incident from all available angles).
- (m) A Player must submit any Reply to the charge, including all evidence in support of that response, by 6pm on the second working day following the issue of the charge. If no Reply is received by The Association, the Commission shall consider the charge as if it had been denied by the Player.
- (n) If possible, prior to the commencement of the suspension but in all cases before the second match that the Player would miss were the standard punishment to apply to the dismissal that is the subject of the charge, a Regulatory Commission will be convened to decide the matter on any relevant documentary and video and/or DVD evidence submitted.
- (o) As a general guide, the following schedule will apply:
- | Match Day | Notice and Evidence of Charge | Reply | Commission |
|-------------|-------------------------------|----------|------------|
| Fri/Sat/Sun | Tuesday | Thursday | Friday |

(j) **RULE E3 OF THE ASSOCIATION**

A charge of Misconduct (as defined in and) pursuant to Rule E3 of the Rules of The Association may be brought against a Player in relation to an incident whether or not the same incident has been dealt with by the referee and/or pursuant to this Memorandum. - (a) Any Club that has six or more individual Players cautioned or dismissed from the Field of Play in the same match will be offered a Standard Punishment according to the following table on the first occasion that this happens during the Season:

LEAGUE/DIVISION	FINE
FA Premier League	£25,000
Football League Championship	£5,000
Football League 1	£2,500
Football League 2	£1,000
Football Conference National Division	£750

- (b) For each successive occasion that this happens in the same Season, the Standard Punishment offered will be a fine that is double and then treble etc. the above amount.

All clubs offered a Standard Punishment may either accept it or request the opportunity to mitigate the punishment at a personal hearing before a Regulatory Commission. Following such mitigation the Regulatory Commission may impose, decrease or increase the Standard Punishment as it thinks fit.

- (c) Any Club whose players accumulate a total number of Penalty Points in First Team Competitive Matches between the start of the Season and 31 December (including any First Team Competitive Match played on that day) which is 40% or more above the median number of points per game average in the same League, will be required to appear before the Regulatory Commission to explain the players' conduct.

Following such explanation, the Regulatory Commission may order that a visit be made to the Club by representatives of The Association and/or PGM0 or other appropriate body, in order to discuss and/or offer advice on the Club's disciplinary record.

Any Club whose players accumulate a total number of Penalty Points in First Team Competitive Matches during the whole Season which is 40% or more above the median number of points per game average in the same League, will be required to appear before the Regulatory Commission to explain the players' conduct.

Where any Club's players accumulated a total number of Penalty Points which is between 40% and 50% (inclusive) above the median number of points per game average in the same League, any fine will normally be suspended in whole or in part for a period of one year, unless the Regulatory Commission determines that this is not appropriate, in which case it will be imposed immediately.

Where any Club's players accumulated a total number of Penalty Points which is more than 50% above the median number of points per game average in the same League, any fine will normally be imposed immediately, unless the Regulatory Commission determines that this is not appropriate, in which case it will be suspended in whole or in part for a period of one year.

In addition, the Regulatory Commission shall be entitled to order the Club to pay the cost of the Hearing to The Association. Any action taken by the Club to discipline its Players under Section 8(k) will be taken into consideration by the Regulatory Commission in its findings.

Any Club required to appear before a Regulatory Commission under this regulation must ensure that its first team manager and one of its Directors or Committee members attend the hearing.

- (d) In calculating the number of points accumulated in a Season, for the purposes of this Memorandum, the following scale will apply for each:

Recorded cautions	-	4 Points
Sending off under Law 12 (4)(5) & (7)	-	10 Points
Sending off under Law 12 (1)(2)(3) & (6)	-	12 Points

Where any sending off is subject to a successful claim for wrongful dismissal, no points shall be added to a Club's accumulated points total in respect of it.

- (e) Proceeds of fines imposed under this Section of the Disciplinary Procedures shall be disbursed as decided by The Association.
- (f) A Club required to appear before a Regulatory Commission under this provision of the Memorandum shall be represented by at least one of its Directors and the Manager.
