## GETTING TO KNOW BROOMFIELD FC

The Broomfield Football Club was founded in 1911 by Leslie H. Mordle, but although it instantly made good progress it had to close down in 1914, when all of its players enlisted in the forces following the outbreak of war.

In 1919 the club was reconstructed and joined the Wood Green League. In 1926 the Club became a founder member of the Nemean Amateur League and applied for affiliation to the Amateur Football Alliance. For the next 11 years, in spite of having several changes of ground, the Club enjoyed a good measure of success winning many competitions and in January 1931 we were drawn away to Ipswich Town, who in those days were members of the Southern Amateur League, in the AFA Senior Cup. The result of the match was Ipswich Town 1 Broomfield 5.

In 1937 the Club was granted, by Southgate Borough Council, the tenancy of a pitch at Hazelwood Sports Ground which we still occupy today. In 1952 came the real breakthrough for the Club, when through the determined efforts of the Committee, the Southgate Borough Council granted a lease to the Clubhouse, Bowling Green and Tennis Courts in Hedge Lane, and following this came the formation of The Broomfield Club.

With its own headquarters steps were taken to launch a 3rd XI and the Club applied for membership of the Southern Amateur League which was accepted. In the next three years, culminating in the Club Jubilee year in 1961, the 1st XI achieved the incredible feat of winning 3rd, 2nd and 1st Senior Divisions of the SAL in consecutive seasons which was an all time record.

The last major success for our 1st XI came in the 2004/5 season when they won the SAL Senior Division One and the AFA Middlesex/Essex Senior Cup. The Club through various XI's has made fairly regular additions to our honours list.

# GETTING TO KNOW OLD PARMITERIANS

Old Parmiterians FC started life in 1898 after some former pupils and Teachers formed a team that started playing friendlies on Wanstead Flats. The club was made up exclusively of former pupils till in 1981 the School moved to Watford and the supply of players dried up. The Club made a decision to carry on and go open and we expanded rapidly from 6 to 10 teams and today run a total of 14 sides including 4 veteran teams.

We have been largely successful over the last 40 years and continue to provide football for all ages and abilities.

The 8th team started training half way throughout the 18/19 season as a means of keeping fit. It then progressed to inter-club freindlies and have finally started our first season playing competitively. We have a range of players from different backgrounds who come together on the pitch to achieve the same goal. WINNING!!!

We started off as mates having a kick around but have developed into a great team of footballers who have a passion for the game and are hungry for trophies.

Every time we step onto the pitch we are ready to give it 100% for the win whilst also enjoying the game of football together as a team.

# INTRODUCING THE OFFICIALS

REFEREE: GEOFF BLACKMORE

I qualified as a referee in December 2006, and was appointed to the AFA Junior Novets Final in 2008, so today I'm back where I started as far as AFA Cup Finals are concerned. I also admit to being a Spurs fan - my favourite player was probably Alan Gilzean - even though I played like Martin Chivers, albeit at a much lower level!!

ASSISTANT 1: DAVID WILLIAMS

David is a level 5 referee and has refereed since he was 28 years of age. David loves the beautiful game and in particular the many great people that he has met in it across his life. He has tried to bring positive thinking to everything in his life and particularly to football.

ASSISTANT 2: JOHN HOLLIS

I'm a Level 7 . Having played adult football for 24 years, I've been refereeing for 18 as I just wanted to give something back. Chelsea fan...first live game watched August 1969 aged 10. A few ups and downs for the Blues in the following 50 years!

# REFEREE DEVELOPMENT

A word from our Referee Development officer, Deryll David.

I would like to extend a massive congratulations to all match officials who have this year received an Amateur-FA Cup Final appointment. It is an appropriate reward for those who have excelled throughout the season. We hope that you enjoy the great experience and wish you all well for the game.

Selection was incredibly difficult as there was a huge number of referees to choose from, a great deal of commitment has been shown by these individuals throughout the season. They've displayed high performance levels to earn these appointments, which were assigned according to the type of game that they referee.

There is no better time to be a referee with the level of support, guidance and opportunities available and if you have the dedication and desire, who knows where your refereeing journey might take you.

Again, I'd like to extend my best wishes to Geoff, David and John in their cup final today.
