WELCOME

A special welcome to **MK Irish**, today's venue for our Berks & Bucks FA **U16 Girls' Cup** Final. It is such a joy to have our County Cup Finals return after a couple of years absence due to the pandemic.

I would like to start by congratulating both **Laurel Park FC** & **Chesham United FC** on reaching today's Final, an excellent achievement which both teams can be proud of.

On behalf of Berks & Bucks FA I would like to extend a warm welcome to all Match Officials, Players, Club and County Officials and not least the supporters of our two finalists.

In today's busy schedule of programming league and cup fixtures around Covid restrictions and the weather it is very much appreciated that the co-operation between Clubs and Leagues enable us to play today.

I sincerely hope that you all enjoy your visit to **Manor Fields** and that your time with us today will be an enjoyable one. On behalf of Berks & Bucks FA I would like to thank **MK Irish** for placing their ground and facilities at our disposal for today's Final.

In addition, I would like to personally thank our Cup Secretary, Mr Chris Penny, for his hard work in organising all of our County Cup Competitions this season.

If you would like to share your memories of today's Final with us on social media, please tag us **@berksandbucksfa** or use the hashtag **#BBFACountyCups**.

Best wishes to everyone taking part and enjoy the game.

FOR ALL

CHESHAM UNITED FC

Chesham United Ladies F.C. were formed in 1995, quickly progressing through the leagues to the FA National League under the guidance of Sian Williams & Lisa Welling.

The first team play in the fourth tier of women's football in Division One South West where they currently sit 3rd in the league.

The club provide football for females aged 5-9 years old in their SSE Wildcats, and run squads for U11's, U12's, U13's, U14's, U15's U16's, U18's and Senior team as well as small sided teams for those aged 16+.

We also have a newly forming development team for players aged 16+ who will play open age football, with a view to becoming first team players in the future.

MATCHDAY SQUAD

Lucy Bevan

Lucy's the fastest player to ever play for Chesham Utd. Her pace combined with her strong skills on the ball mean that Lucy creates changes by the bucketload.

Lilly Bircham

Lilly is a rare example of a player who can play in any position and do it better than anyone else. She usually plays in defence, but if she's sent forward she'll score goals on the other end just as easily.

Eva Brown

A player of unique talent and skill who makes football look easy with her silk touches and thunderous strikes. She's so good people come to football just to watch Eva play.

Maybell Bryant

Maybell has the skill to support the team anywhere on the pitch, be it shoring up the defence, winning possession, providing assists or just score some goals herself. Maybell can always be relied upon.

Alice Coakley

Alice is a goal-scoring machine with an intuitive eye-for-goal. She scores as easily with her left foot as her right foot and adds a few headed goals for good measure.

Martha Fleet

Martha is a versatile and gracious player who's is never far from the ball. She personifies the team's values of sportsmanship, commitment and teamwork and is a true team player.

Nancy Francis

A player with lots of talent who often pulls off something truly remarkable when you least expect it. She can create chances out of nothing and change the game with her skills and tenacity.

Eila Gitsham

Rarely does a ball get passed between 3 players without Eila being one of them. She's omnipresent in midfield and reads the game like few others. She brings solidity and creativity to the team.

Ella Head

Ella always has her eyes on the ball and it is almost impossible to get past her. She's quick, tenacious and skilled and somehow always seems in control.

Sarah Kilcoyne

Sarah wins more balls for the team than anyone and she knows what to do with it too. Many attacks start with Sarah winning and distributing the ball and we wouldn't be in this final without her.

Sienna Martin

Few players have such a fine technique as Sienna. Her touch is so delicate that watching her play is the highlight of many Saturday mornings. But she can slam the ball into the net with power too as many shaken goalkeepers can confirm.

Aliya Power

Aliya is the rock of the team and a towering presence in goal. Nothing fazes Aliya and her ball-stopping skills form the foundation that this team is built upon.

Emma Nieboer

Emma is relatively new to football and has quickly become one of the most recognisable players. She's made an immediate impact and adds a good dose of energy and enthusiasm to the team.

Lucy Riddick

In moments of crisis you want Lucy to be dealing with the situation. And she always does. She's so quick that on the rare occasion the ball gets past her, she will get herself another chance to clean up by outrunning any opposition player and just tackle them again.

Hanna Hetherington

Hanna is one of Chesham Utd's longest-serving and most promising players. Her anticipation and calm is such that she can do her shoelaces and brush her hair and still be first to the ball every single time.

Betsy Yarrow

Betsy adds style and glamour to the team. No player stays calm under pressure like Betsy does and when there's panic all around her, she confidently picks up the ball and calms things down with her assured distribution.
