On behalf of Cumberland Football Association, I would like to welcome you to the 2021-22 Under 16 and Under 16 Girls Cup Finals.

We are delighted to be hosting our first County Cup Finals since the 2019-20 season.

With no Cup competitions since the 2019-20 season and with the phased return of football over the last 18 months, we have seen how important the return of football across the County has been to everyone, from players, volunteers, referees and supporters.

Our sincere thanks are also due to the volunteers of the host venue Penrith AFC, who's support has enabled us to provide the County Cup Final match day experience.

Special mention to the match officials who we wish good luck for the Finals. We hope all those in attendance give them support and show respect throughout.

We're expecting some entertaining and quality football to be played in these Finals.

Good luck to all involved, may the best team win.

Mr Fred Conway

Chairman, Cumberland FA

Coach Phil Pattinson: *"It is a fantastic achievement for any team at any level to reach a Cup Final and is even more special given the fact we are playing in the U16 category."*

This group of lads have been an absolute pleasure to coach. Their attitude, commitment and effort is unbelievable and is just reward for the way they conduct themselves not only in matches but also in training."

Formed in 2011, the Ability Counts League offers regular playing opportunities to disabled players aged 16 and over. Fixtures are held once a month between March and October, with teams from across Cumberland taking part at a central venue in Carlisle.
