Individuals under the age of 16 must not participate either as a referee or assistant referee.

Clubs who default on this requirement shall be fined a sum in accordance with the Fines Tariff and may be removed from the Competition.

- (C) Where assistant referees are not appointed each Team shall provide a Club assistant referee. Failure to comply with this Rule will result in a fine in accordance with the Fines Tariff.

In the event of the non-appearance, or injury to, an appointed Assistant Referee, a substitute Assistant Referee shall be agreed by the competing teams. Clubs who default on this requirement shall be fined a sum in accordance with the Fines Tariff and may be removed from the Competition.

- (D) (i) The appointed referee shall have power to decide as to the fitness of the Ground and that decision shall be final, which must be accepted.
- (ii) No Club may postpone the playing of a cup game because of alleged unfitness of its ground. The Referee appointed for the game shall be the only arbiter on the fitness of the ground, which they will inspect before coming to a decision, unless the weather conditions and ground condition are such as to make extremely unlikely that a game could be played. In such emergency the home Club, with the permission of the Referee appointed for the game, or the Competitions Department, must arrange for an early inspection of the ground by a local Referee of a level equivalent to or higher than the appointed Referee or, by permission of the Competitions Department, one of the appointed Assistant Referees. They will give their opinion as to the fitness of the ground to the Match Referee and the Competitions Department, if the ground is then declared unfit by the Match Referee or Competitions Department for that game, the home Club must notify its opponents, Match Officials, Essex County FA Representative and Competitions Department forthwith, to avoid all unnecessary travel expenses. If the Match Referee or Competitions Department does not declare the ground unfit after considering the early inspection report, a final decision shall be made by the Match Referee on their arrival at the ground. Any Clubs failing to comply shall be liable to a fine in accordance with the Fines Tariff. Where a match is postponed, in accordance with this rule, it shall be played on the same ground by the Saturday of the week following that date arranged for the original match. Any Referee making an early inspection shall be able to claim allowable travelling expenses at the stipulated rate for the competition.

- (E) Match Officials appointed under this Rule shall be entitled to the match fees and expenses in accordance with the Fees Tariff. In all final ties of the Competition, the Match Officials, including reserve Officials if appointed, shall be presented with mementoes in lieu of a match fee but may claim travelling expenses, in accordance with the Fees Tariff, if they so desire.

Match Officials will be paid their fees and/or expenses by the home Club immediately after the Competition Match, in the Referees' dressing room. Where there are no gate receipts, the away Club must pay the home Club fifty per cent (50%) of the payments made to the Match Officials only. Payments must be made by the away Club on the day of the match. In matches where there are gate receipts, the home Club should pay the Officials their fees, and then deduct from the gate receipts. Failure to comply with this Rule will result in a fine in accordance with the Fines Tariff.

- (F) In the event of a Competition Match not being played because of circumstances over which the Clubs have no control, the Match Officials, if present, shall be entitled to half fee plus expenses. Where a Competition Match is not played owing to one Club being in default, that Club shall be ordered to pay the Match Officials, if they attend the Ground, their full fee and expenses. If neither team is present at the ground the Match Officials may submit their claims to the Competition Secretary. The Council may order the defaulting team to reimburse the expenditure, or part of the expenditure, incurred. Failure to comply with this Rule will result in a fine in accordance with the Fines Tariff.
- (G) A referee not keeping their engagement and failing to give a satisfactory explanation as to their non-appearance, may be dealt with by Council.
- (H) Each Club shall, in a manner prescribed from time to time by The FA, award marks to the referee for each Competition Match and the name of the referee and the marks awarded shall be submitted to the Competition on the prescribed form provided. Clubs failing to comply with this Rule shall be liable to be fined (in accordance with the Fines Tariff) or dealt with as the Council shall determine.
- (I) Not in use.
- (J) The team sheet, supplied by both teams, should be retained by the Match Official for at least one month in case of query or protest. Upon request by the Competition Secretary the Match Official must supply a copy of the team sheet either in hard copy or by email.
- (K) The Referee Appointments Officer shall notify the Officials of their appointments and the Officials must acknowledge receipt within five days of receipt of the appointment notification.
