

Senior Safeguarding Lead – Role Profile

Role purpose

To provide leadership to the Guernsey County Football Association [Limited] (CFA) so the County FA:

Acts in accordance with legislation, statutory guidance and Affiliated Football's Policy and Procedures and any associated guidance.

Guides the County FA to achieve and retain the Safeguarding Operating Standard.

Key responsibilities are to ensure:

- o Safeguarding is taken into consideration in all decision-making and that safeguarding principles underpin all areas of activity with under-18s
- o The implementation of safeguarding principles and practice are monitored, evaluated and acted upon
- o Oversight of safeguarding responsibilities and that financial and human resources are appropriate
- o Safeguarding is a standard agenda item at senior team meetings
- o Safeguarding is embedded in all job descriptions
- o Effective management of the designated safeguarding officer
- o A deputising process in their absence
- o A deputising process is in place for the DSO
- o Poor practice is addressed and work on abuse cases is in collaboration with The FA Safeguarding Case Team
- o Appropriate reporting of any concerns about the welfare of children or young people
- o The board, staff, volunteers and committee and council members receive suitable training and briefings
- o To use the whistle-blowing policy if required to ensure the integrity of processes and safeguarding of children and young people
- o All children receive the same protection regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity.

I accept this role and the responsibilities and will also sign and comply with the Safeguarding Code of Conduct – Staff.
