

RAINBOW LACES CAMPAIGN 2020 – YOUTH TEAMS

Use the chart overleaf as a way to engage with your youth team to help younger people gain an understanding of what the Rainbow Laces campaign is.

Print the following three pages and cut out the images for the players to use.

ACTIVITY: Ask your players which of the images they think should be in each section and why. Discuss what the different images mean and how they relate to LGBT+ people in football.

Ask yourself:

- Are they aware of what inclusivity, diversity and equality means?
- Are they leaving the conversation with a better understanding?
- What else could you do to help your players understand?

What (what is the campaign/what does it mean)

Where (where does this happen/where can we support)

Why (why are we supporting/why does it happen)

How (how can we support/how can we report)
