CREATED BY THE CHARTER STANDARD & RESPECT COMMITTEE, FOR THE BENEFIT OF LOCAL GRASSROOTS FOOTBALL

RESPECT

What is THEIR GAME?

Their Game will involve coaches and spectators having minimal verbal contact throughout games, to raise awareness of the need to create a positive and pressure-free environment in which children can enjoy football and learn to love and develop in the game. We hope you will support the programme by encouraging clubs to take part and spread awareness of this fantastic initiative. Every year we look to alter the initiative from previous years based on the feedback received. Please make sure you read the Dos & Don'ts for all parties.

In this resource you can find FAQs on the initiative, ideas for how you can get involved and supporting resources for parents, coaches and referees. If your league wishes to support *Their Game*, please email Charlotte.Brown@HampshireFA.com

FAQS

Q. What is *Their Game*?

A. *Their Game* aims to create a fun, safe and developmental experience for all children in youth football by allowing them to make their own decisions, enabling them to play the game with freedom, without pressure or over-emphasis on winning at all costs.

Q. Why do Hampshire FA deliver this?

A. To recognise the achievements of clubs and leagues that already promote the values of their game, raising awareness of some of the concerns children have when playing football and ensuring consistency across the board.

Q. What are the rules of their game?

A. A code of conduct has been created for coaches, referees and parents, this can be found in this resource. In addition, all resources will be circulated to all clubs and leagues. Please read them thoroughly.

Q. What are the coaches supposed to do if they cannot communicate?

A. Coaches are encouraged to give clear instructions to players before the game starts, take notes during the game and utilise half time or designated breaks to communicate to players positively. Also, coaches can communicate to players through the captain or substitutes during suitable breaks in play.

Q. How do we know who is part of the *Their Game*?

A. A list of participating leagues will be advertised on www.HampshireFA.com, however we encourage as many teams to sign as possible, to ensure effective support of the *Their Game* message.

Q. What happens if we are playing a team that have not signed up?

A. You could hand out the promotional material and code of conduct to all spectators, encouraging them to support their game.

Q. What if a game gets called off?

A. Explore the possibility of holding a *Their Game* match with the opponent once the fixture is rearranged.

Q. What will happen if spectators do not follow the code of conduct?

A. Following the FA's Respect codes of conduct, they may be asked to leave the venue, meet with the club's committee and/or welfare officer, or be asked not to attend future games. There must be a respect steward nominated from each team from U7-13, this is to ensure the code of conduct is applied appropriately.

Q. Can we use this as a fundraising opportunity?

A. Absolutely! You can tie a sponsored their game match in with a local charity or with a national charity.

Q. How will you know if it has been successful?

A. Research will be carried out around this initiative, and the results will be used to determine future initiatives and projects.

Q. Who can I contact for more details?

A. Charlotte Brown on 01256 853 017 or Charlotte.Brown@HampshireFA.com
