WELCOME FROM MANCHESTER FA

Manchester Football Association would like to welcome everyone to tonight's Sunday Amateur Cup Final.

Tonight we welcome Davyhulme Park & Glossop North End to battle it out in an attempt to win our largest Sunday amateur competition title, and with some high scoring games behind them we should be in for a treat!

Davyhulme Park currently play their games in the Cheshire & Manchester Sunday Football League whilst Glossop North End ply their trade in the North West U21 Development League

A fiercely competed competition at times, the Sunday Amateur Cup has provided us with some of our more entertaining fixtures and there is no doubt that tonight's affair will be up there with some of the greats!

CHRIS BERREVOETS, Football Services Officer:

“ They're back! On behalf of Manchester FA, I offer a very warm welcome to spectators, teams and match officials to this evening's Sunday Amateur Cup Final.

Tonight is the fourth of our action-packed County Cup programme we welcome two of Manchester's top performing clubs and with that, we hope to see an exciting spectacle.

A massive thank you to everyone involved in making this final happen, including Chadderton FC for hosting this prestigious competition at Andrew Street. Good luck to all and may the best team win! ”

MANAGER'S COMMENTS

DAVID DEVLIN, Davyhulme Park Manager:

“ This year our adults have been playing out of Manor Avenue in Sale.

We haven't found our form in the league this year and it hasn't gone to plan but we have found ourselves having a very good cup run in all 3 of our cup competitions.

Hopefully we can finish the season strong. ”

RORY FALLON, Glossop North End Manager:

“ My first season in charge of Glossop Under 21's has been a really enjoyable one that has brought many different challenges. Taking over very close to the start of the campaign meant we didn't have a huge amount of time to prepare the side for the first few games but the team quickly gelled and positive results followed. I've been really fortunate that I've recruited some fantastic players but also some great characters, throughout the season they have shown tremendous spirit and playing ability that means we are still challenging for the two trophies on offer at the start of the season.

We've had some cracking results and performances right through the season that means we are still towards the top end of the North West Under 21's Championship Division and looking to secure a play off position. This cup has been a welcome distraction from the league and the lads have loved the competition and playing against men's team. The games have been very different to the ones in our league but I reflect back on our Quarter final win over Manny sports with great pride as the lads stood up to a physically imposing team and ended up winning on penalties. Additionally, our 4-0 Semi Final win over Manchester Powerhouse was very convincing with some excellent football played in the second half.

It's been an absolute pleasure coaching and managing this group of players this season, we know that finals are very rarely comfortable and easy games but having come this far we'd love to go on and lift the trophy. Come Friday we will be doing everything we can to come out victorious. Special mention also to Taffy Jones who has helped me throughout the season and been a great character to have involved with the team ”

MATCH REPORT:

Manchester FA Saturday Amateur Cup Final

Chadderton FC's Falcon Fire Stadium hosted Manchester FA Saturday Amateur Cup final between Eccles United and AFC Middleton on 25th March.

AFC Middleton saw multiple chances to give themselves the lead but couldn't find the finish as Jordan Hamilton in Eccles United goal pulled off fantastic saves to keep his side in the game including a crucial penalty save.

The disappointment for AFC Middleton was brief as the corner kick was met by Liam Murray who headed the ball into the net on verge of half-time.

Eccles United, determined to find an equaliser, looked more of a likely side to score in the second half. Their attempts, however, did not pay off as AFC Middleton's defence fought hard to maintain their one-goal advantage until full time.

AFC Middleton's skipper, Liam Murray was awarded man of the match award. Manchester FA would like to take this opportunity to congratulate the winners of Manchester FA Saturday Amateur Cup, AFC Middleton, and thank the finalist Eccles United, match officials, fans, and Chadderton FC for providing the venue.

KEEP FOCUS ON FUNDRAISING THIS YEAR:

If you're honest with yourself, how much has your club focused on fundraising in the last couple of years? Ever-changing priorities and rules mean fundraising probably hasn't been at the top of your to-do list, especially at a time when it's needed more than ever.

A new year brings new opportunities and a regained sense of focus, and one way to keep a focus on fundraising this year and beyond is by registering your club with easyfundraising.

Who is easyfundraising?

easyfundraising is the UK's largest fundraising cashback platform. Unlike other platforms where individuals can earn cashback for themselves on their online purchases, individuals can earn cashback for their favourite good cause or charity instead. Meaning your club can earn some much-needed funds from its supporters and players shopping online.

So, what shops can we earn free funding from?

At present, there are over 6,000 online retailers your club can earn free funding from, but this number is increasing daily. easyfundraising works with everyday favourites like Amazon, Sainsbury's, Boots, and Holland and Barrett. Big department stores like John Lewis, M&S, Debenhams, and House of Fraser. Home improvement retailers, B&Q, Dunelm, Wickes, Argos, and fashion brands like ASOS, North Face, H&M, Boden, Clarks, and Pretty Green. Your supporters can even earn free funding from the likes of TUI, Thomas Cook, lastminute.com, Compare the Market, NOW, SKY, Virgin Media, and many, many more.

How much have other good causes and charities earned?

Since its establishment in 2007, easyfundraising has helped good causes, and charities raise nearly £40M. Last year alone, they raised nearly £4M, which good causes and clubs like yours have put towards exciting projects, saved for a rainy day, updated their facilities, or used to improve the support for its users.

How can easyfundraising keep your club's fundraising focused this year?

- It's free and easy to use: Not just for your club, but also for your supporters.
- Fundraise from everyday habits: Now, more than ever, your club's community is shopping online, and all they need to do to earn your club free funding is to go through the easyfundraising website or app before they shop online as usual.
- A continuous stream of income: No matter what is going on with the world, your club can fundraise all through the year.
- Complements existing activities: Your club can continue your existing fundraising activities, while easyfundraising helps you earn extra money in the background.
- Your club is never alone: easyfundraising has a wealth of content and materials to educate, engage and motivate your club's community. From social media posts, WhatsApp messages, posters, flyers, toolkits, and images, your club will have

it all at their fingertips.

Download easyfundraising's latest guide to New Year fundraising and share with the rest of your team to give them an overview of how easyfundraising works.

TODAY'S HOSTS:

A HUGE thank you to Chadderton FC for their continued support of Manchester FA's County Cup Competitions!

Chadderton FC was originally formed in 1946 under the name of Burnley Lane Estate Juniors, who joined the Middleton Youth League and played on Parkway on the Parkway Estate.

In 1947, an Open Age team was also formed and both teams moved to Mill Brow and adopted the name Millbrow Football Club. They played at the side of the canal at Mills Hill and changed at the Rose of Lancaster Pub.

Later they moved to Broadway changing their name to North Chadderton Amateurs, and changed at the Chadderton Arms Pub.

The Club adopted its present name, Chadderton FC in 1957.

The Club started life in the Oldham Amateur League, winning the Challenge Cup in 1954/55.

The following season the Club joined the Manchester Amateur League and won the League Championship in their first season.

After winning the League Championship again in 1962/63, Chadderton then joined the Manchester League winning the Second Division title in their first season 1963/64 and gaining promotion to the First Division.

The Club won the League's Murray Shield in 1964/65, their first season in Division One, and then the League title in 1966/67.

1969/70 Chadderton FC won the Manchester League Gilgryst Cup.

During the 1970's the Clubs only honours came in the form of the Manchester Challenge Trophy which they won in 1971/72, but failed to retain it in the following season, finishing runners-up.

Chadderton made the step into a higher grade of football in 1980 when they joined the Lancashire Combination. The Club made a good start in this league, finishing runners-up in 1981/82.

In 1982, Chadderton became one of the founder members of the North West Counties Football League, following the merger of the Lancashire Combination and the Cheshire County League.
