Manchester Football Association would like to welcome everyone to today's Boys Youth Cup Finals Day. We look forward to what should be four exciting back to back games ahead and a memorable day for all involved! Thankyou to Avro FC for hosting today's finals at the Vestacare Stadium.

Manchester FA provides County Cup competitions for teams and players aged U12s through to U18s. These competitions offer both male and female players the opportunity to pit their skills against teams from across Greater Manchester, most of whom they wouldn't meet otherwise.

Thank you for your support during our County Cup competitions this season.

On behalf of Manchester FA, good luck to all teams involved!

MANCHESTER FA BITS AND BOOTS

GREATER
MANCHESTER
FOOTBALL

Manchester FA have launched a new club shop consisting of pre-loved items of kit (shirts, shorts, boots etc) that will be collected from donation points across the region and re-distributed to individuals and families.

Manchester FA has partnered up with numerous organisations across Greater Manchester, to help those facing financial pressure remain in football. **Greater Manchester is home to some of the highest concentrations of poverty and deprivation in the country.** There are 620,000 people, out of a population of 2.8m, living below the poverty line in our city region.

Bits and Boots hopes to alleviate some of the pressures of the cost of living crisis and ensure people can continue to remain active in sport and improve the retention levels of people taking part in physical activity across Manchester. Kit/boots will be available online and at our pop shop within the season.

“Lots of us have unwanted and sometimes unused football kit/boots in our wardrobes and don’t know what to do with them, especially with children who grow out of kit and boots so quickly. We want to create a new initiative that helps those who need it the most during this cost of living crisis; as well as helping reduce carbon footprint by recycling unwanted clothing. We are committed in helping those who need it whilst also aiding our environment by charging a nominal fee for kit. We hope this will keep the project sustainable for the long term” - Manchester FA’s staff, Aimee Cook and Georgie Oliver.

If you need access to kit and boots, would like to refer someone or if you wish to get involved, please contact us at support@manchesterfa.com with the subject Bits & Boots.

Clayton Palmer, Manchester Corinthians Manager:

“ Firstly, I’d like to congratulate Marcus and his team on joining us in the final. It’s been a great rivalry for the last 4 years and hopefully today will be another great game.

Since the start of the season we’ve lost 4 players to academy football, to go on to win the EMJFL Prem Division and then make the county cup final and primary cup final is an outstanding achievement.

As you will see these boys will work their socks off for each other as well as playing some good football and that’s all that is ever asked of them.

It has been a brilliant cup run, playing teams we wouldn’t usually play and then unfortunately beating Corinthians Blues in the semi final. The team is yet to concede a goal in the tournament... let’s hope that continues today. ”

Marcus Francis, Curzon Ashton Manager:

“ The team’s spirit, strong mentality, and willingness to give everything for the cause are vital aspects of the culture we aimed to showcase this season. Despite facing setbacks, such as losing key players, the entire squad has demonstrated these qualities abundantly.

The semi-final presented challenges, but the players showed exceptional skill in overcoming a tough defense. Despite a slow start, the team gained momentum, displaying attractive football and ultimately winning in a penalty shootout.

We’re eagerly anticipating the final against Manchester Corinthians, a team we’re familiar with from previous encounters. They boast a great squad, and we’re aware of the effort required to emerge victorious in this match.

We hope everyone enjoys the game! UpTheNash! ”

Sean & Lee, TSC United Reds Managers:

“ The team have been on amazing journey this season so far and have learnt so many lessons on the way.

It's unbelievable to imagine that a team of mates could develop so quickly in such a short space of time, all the coaches (and I'm sure parents) are so proud of how well the lads are playing this season and the future looks really bright for the team!

At the start of the season we spoke about competing with the best teams in our league and challenging for trophies as a goal for the lads to aim for. They have certainly gone along way to achieve those goals this season and no matter what happens today it will be another important step in their football journey.

We hope that the final is a great watch for everyone that attends and wish our opponents the best of luck..... but not too much!!

Come on the Reds! ”

Ashley Williams, TSC United Blacks Manager:

“ The 2023/24 season has been a great season for TSC Blacks. Three years ago we formed this team to have fun, learn football together and hopefully make some lifelong friends. This season we have seen this happen completely. I am immensely proud of each player in our squad, the way they have conducted themselves in each training session and game has been impeccable. We have all learnt so much from each other and to see how the boys are playing football and interacting as a group is more than I could have hoped for when we started.

A special mention for the parents who have always been super supportive of our players and coaches we couldn't do it without you. I am very fortunate to be able to witness this group of players grow as players and people first hand. No matter the result today we will be forever proud of each and every one of them and I'm grateful they chose me to be their coach.

Enjoy the game! ”
