## AIMEE COOK, Football Services Officer:

“The County Cup schedule is well underway as we move onto another final of a busy period of County Cup action. On behalf of Manchester FA, I offer a very warm welcome to spectators, teams and match officials to this evening's U16's Cup Final.

We welcome two good teams for this evening's final and with that, we predict this final to provide an entertaining evening for all.

I would like to thank everyone involved in making this final happen, including Chadderton FC for hosting this competition at the Falcon Fire Stadium. Finally, I would like to wish both teams the best of luck. ”

Manchester FA provides County Cup competitions for teams and players aged U12s through to U18s.

These competitions offer both male and female players the opportunity to pit their skills against teams from across Greater Manchester, most of whom they wouldn't meet otherwise.

# IRLAM JFC

Irlam JFC were founded in 2017 and started with 8 players. As of today, we currently have 150+ player signifying how far we have come in such a short period of time.

We are currently playing at Silver Street in Irlam. This is also the home of our senior section Irlam FC who are the highest ranked non-league club in Salford. They are currently playing in the 9th tier of the English football league pyramid.

We have built a real pathway for our junior section into the U18s, U21s and then hopefully the end goal of the club into the 1st Team football.

# MANAGER'S COMMENTS

## **RYAN HUTCHINSON, Irlam U16's Manager:**

“ Firstly what an incredible achievement for both clubs Irlam and Cadishead getting to the final of the Manchester County Cup the most prestigious Cup Competition in grassroots. A lot of the boys from both teams are very good friends which makes it extra special without a doubt.

Myself and Dave go way back to U8's where we both played in the same grassroots team continuing on to both playing in Irlam FC 1st team and winning this competition together.

Our boys currently play in the North West Youth Alliance League at U17s level a year up, we've had a mixed season but more importantly its helped the boys massively in terms of their development as footballers with a few boys progressing into the U18s. We have lost seven players this season to professional clubs. They have signed scholarships with these clubs and we wish them well for the future.

As current holders of this competition there is no doubt we'll be favourites! However, there is no chance myself and boys we be taking Cadishead lightly, who are having a great season and have a great group of boys themselves.

I am sure we are in for a great game and hope we all enjoy the night. ”

## **DAVE INGLE, Cadishead U16's Manager:**

“ Having won the First Division of the Warrington Junior Football League during the 2021/2022 season we gained promotion to the League's Premier Division for the current campaign and our objective was to compete at the top of this division.

It has been an incredible season so far having reached both this, the Manchester County Cup Final and the Presidents League Cup Final, something we have not managed in any previous campaign so to also be sitting at the top of the Premier Division Table is something the lads can be enormously proud of.

We all know what's at stake and the lads are just taking it one game at a time. If we can give the lads any advice it would be to go out and relish every minute of this occasion, give it your all and above all else enjoy yourselves. ”

### Want to have a say in shaping the future of football in Greater Manchester?

Here at Manchester FA we have an entirely unique operating structure built around you, our volunteer workforce.

Our Game In Manchester is a series of volunteer led working groups appointed by Manchester FA to support the development, regulation and growth of the game that we all love right across Manchester.

Each of the Our Game In Manchester working groups are made up with

volunteers from clubs, leagues, referees, parents and are headed by an independently appointed chairperson.

This chairperson is independent from the paid workforce of Manchester FA in turn providing an impartial voice to everyone when making football decisions in our great City.

Each of the groups also have a responsible officer from the Manchester FA workforce which helps steer the direction of travel for the working group.
