### WE'RE BACK BABY!

Having made the final last year, Springfield have made it back to get their day out!

## Managers Notes from Harry Keeler

Since the disappointment of having last years Cup Final against the Pumas called off due to Covid the lads have worked really hard on making sure we got there this year, fair play to Pumas making sure we both got to the Final again. During lockdown the boys took up a challenge to run, walk and ride as much as 100 miles a day raising £2,000 for a local hospice.

The Old Hat squad got bigger during lockdown with few of the lads having babies, we would all like to wish Cookie and Blythe a massive congratulations and good luck with their new arrival on the way.

Playing this year has become hard with all the guidelines added especially when the pub was closed, but the Hats have really shown some great sprit this year getting back into the Final and being in the mix in the League before it was cut short.

Things got harder for the Hats when cult hero David Sewell left the squad to become a pro tennis player, luckily we had top Hats youth player 6 pack clack to fill the void.

Big Thank you to Martini Consumables for their generosity.

Thank you all for coming down and supporting the Hats.

**UP THE HATS!!!**

## Managers Notes from Tommy Harris

After last seasons disappointment of reaching the Final and being unable to play it due to Covid, Pumas decided we needed a fresh start, moving leagues. We had a mixed season in the league, ending up fourth going into the Christmas break. During lockdowns we kept fit, putting competitions and forfeits in place for doing 5k runs, which helped us stay ready for the return of football. Since the return we have lost important players through injury but also gained important players that have helped fire us straight back into the Final!
