On behalf of everyone here at Middlesex FA, I'd like to start by congratulating both teams on reaching today's final. This year's competition had to be completed in a 2-month window following the restart of football on 29th March. I would like to thank everyone for their co-operation in making it possible to hold this competition. It is also great to welcome fans back for this final, we hope that you enjoy the game.

We congratulate our match officials who have been selected for this prestigious appointment in recognition of their work during the season and their commitment to Middlesex Football.

# THE VINE

## Managers Notes from James Cornish

After a stop start couple of seasons couple of seasons, it has been a tremendous effort by all of the lads to reach a cup final. Formed only in 2019, The Vine FC have come on leaps and bounds to be the team they are today. Not too bad for a pub team!

## Managers Notes from Freddie Morris

Nobody can deny that the last 18 months have been tough on everyone, but Grenfell Athletic F.C was born from tough times. The sense of togetherness that this pandemic had brought about lies at the very centre of the clubs' values. Grenfell Athletic F.C exists to provide players with an identity to be proud of, we are a brotherhood, a bond, a family. We are the fabric of the community.

These unprecedented times have simply underscored our commitment to the community and to each other. We have trained harder and we have played harder, and we have never forgotten what we stand for or who we are fighting for.

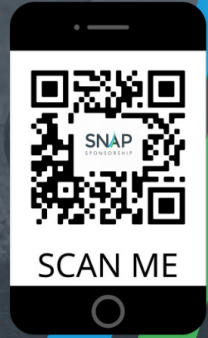

Extraordinary times are made for extraordinary teams. #Ubuntu
