## Managers Notes from Iain Hamlet

Like all teams this season has been a difficult one for everyone due to the stop/start nature of the season due to the pandemic. However reaching the final has made something out of a disrupted season and we are thankful to Middlesex County FA for running the County Cups when other County FAs voided their competitions.

This season the team has done reasonably well. Playing in the Leatherhead & District league Div 2 from 12 divisions, the team has lost 3 games from 21 in all competitions to date, all of these defeats being the first games back after lockdown periods.

Players have tried to keep fit which was not easy during lockdown but we are all glad just to have the football back to give a sense of normality.

We would like to congratulate Larkspur Rovers on reaching the final. They are a club we know well as we lost the 2016 Final to them 2-1 AET.

This Final will be the teams 6th County Cup Final since 2014 (4th Middlesex, 2 Surrey) and we are hoping to make it 3 wins on the spin having lost the first 3 Finals. Either way, its just nice to be back in it.

## Managers Notes from Mikey O'Dwyer

There isn't much to say about another season that ended early, so I'll use this as an opportunity to say a few thank yous.

First of all, thank you to Middlesex FA for deciding to carry on with the Cup competitions this season, in weird times it's been a slice of normality.

A huge thank you to our club Chairman Ron Durrant, for your support in the early stages of the season, enabling me to focus on the football.

A small nod of appreciation to my team. You've made managing a team for the first time a pleasure at times, even if it feels like I've adopted 20 grown men who can't remember their own name or a pair of socks sometimes. Your hard work and effort has got us here today, give yourselves a huge pat on the back!

Finally, to everyone else at our fantastic club, who have supported the team in many different ways during this Cup run, you've definitely made life easier at times. I hope me and the boys can give you the performance you all deserve. Especially thank you for coming out today, I hope to hear you all in full voice in true Larkspurian fashion.

Mikey.
