AT THE FIRST ATTEMPT

It took both teams just one season in the Sunday Premier Cup to make it this far!

TAKERS FC

Managers Notes from Reece Manning

The season of COVID started off very well, we were new to the league and were just establishing ourselves. Over that season, we started to make a real name for ourselves and were on course to winning the league and had secured a Cup Final when lockdown began. It had a real knock on effect as the Finals had to be cancelled and we were left without our big day out. During lockdown, we were keeping players motivated to go out and keep in shape. Players were also motivating each other with different running challenges and group video calls. When lockdown was eased and football came back, the players were sharp and hungry, but at the same time, sceptical as a good chunk of the year had passed and we were yet to complete a full season as a team. We were starting to build momentum and then the 2nd lockdown hit, we were in a better position to handle the situation from previous experience. As a tight family unit we continued to support each other, talking not just about football, but life and what people were dealing with as mental health was a big topic during lockdown. When football came back for the final time, the players were ecstatic the first training session back and ready to get working again as a unit. With a busy match schedule being in 2 cups and playing a lot of league double headers, the lads have dug in and impressed the critics. This season has had many ups and downs and we've been continuing to improve week in week out despite all that's gone on. Playing in this competition has given the boys a drive that has ultimately put us into the final today.

SHIRE UNITED

Managers Notes from Blieu Huskinson

Shire have had a successful season winning the Chiswick and District Sunday League Premiership title. We now have something else to look forward to the County Cup Final.
