Anoushka Williamson

Football Development Officer (Disability)

Anoushka is the strategic lead for disability football across Norfolk. Anoushka will help coordinate the access to the resources below and provide expert advice throughout. In most instances, Anoushka will be the first person to contact for support as you start your Journey to Inclusion.

Andy Wilson, Graeme Davies, Cara Skinner

Disability Football Ambassadors

The FA has recruited 56 ambassadors nationally to form a network to support grassroots clubs to become more socially inclusive. Graeme is one of 3 ambassadors that will be working within Norfolk (alongside Cara Skinner and Andrew Wilson) to promote disability football opportunities. Initially working with 2 and 3 star England Accredited Clubs, the ambassadors aim to provide peer-to-peer support and practical advice as we create and implement a Disability Football Game Plan in the county.

To connect to the ambassadors, please contact Norfolk FA.

Darren Hunter

Disability Coach Mentor

The FA has a network of 28 Disability Coach Mentors to support the development of coaches in grassroots disability football. These mentors have a wealth of experience coaching disability football and they can provide guidance to help coaches build confidence as they start delivering disability football sessions for the first time. Darren has worked with Norwich City Community Sports Foundation for over 10 years and has a wealth of knowledge to support coaches.
