FOR over 150 years, we've said we're for the success of football irrespective of class or creed. And we'd like to update that by adding: regardless of gender, sexuality, ethnicity, ability or disability too. Football is a game for all. No matter how good you are. Or aren't. The FA has created leagues for the blind, deaf, amputees, wheelchair users and for those of us with cerebral palsy. We've made all the latest coaching ideas available online. We've introduced FA Girls' Football Week and created a competition open to everyone in the country. It's called The FA People's Cup because it's for the people. All of the people. We are building 100 3G pitches around the country. And on our website you can find the nearest team or pitch to you. So, if you want to take part, The FA can help you. Because, how can we be guardians of the national game, if we exclude anyone? The FA. Not just for the few. We are for
