Disability Football Newsletter

Welcome

To our first, of hopefully many newsletters to help us promote disability football within our region.

Our objective is to assist and support grassroots football clubs in the provision of disability football. Does your club provide this facility? Is your club inclusive? If not why not?

Football is our national game, it has the power to bring people together, remove social barriers and be a force for good across all communities. Young people with disabilities deserve the opportunity to enjoy the beautiful game.

Using our comprehensive guide and targeted courses we can help you. We also have Disability Football Ambassadors who will assist with advice and sessions to get you started.

CML North Riding Ability Counts League

The Pathway - you can also play other teams in the region, we have Leagues and Cup Competitions for most age groups.

Alternatively if you need to build confidence we can arrange friendly games.

New inclusive football at Bedale Juniors FC

We are pleased to announce Bedale Juniors NEW all-inclusive Football Sessions. Jen and Alan had their first session on **Saturday 4th May** at Catterick Garrison Leisure Centre.

"We had a great time, and look forward to growing our Saturday morning sessions" - Jen (see next page for contact details).

Huge congratulations and well done to Jen & Alan at Bedale.

BLAST OFF WITH

Comets is a recreational, pan-disability football for disabled children aged 5-11.

This is open to all grassroots football clubs who do not currently have a recreational offer for disabled children aged 5-11 which in turn will help support the growth of disability football across the club(s) network.

If successful providers will receive a £500 grant, Resources, Kit and equipment, Training and Signposting.

If you are ready to start your journey to provide inclusive opportunities and experiences for disabled people contact our Football Development Team Leader Jasmine on T: **01642 717779** or E: **jasmine.morris@northridingfa.com**
