RESPECT

COUNTY CUP FINALS 2023

Last season we had a couple of occasions where pyrotechnics, flares and smoke devices were brought to games.

It is important to highlight that these items are not only illegal inside a football stadium, but these prohibited items can also cause great harm to people.

If this happens again we will look to get pictures of those involved which will be passed to the police for prosecution and if identified will be barred from football in any form in the County.

These pyrotechnics and flares can burn at up to 2,000°C and can cause significant injuries to carriers and fellow spectators.

There have been a number of reported incidents that have resulted in people experiencing breathing difficulties, distress and discomfort. The potential injuries sustained as a result of someone using a pyrotechnic include:

- Serious injuries, such as loss of limb or fingers
- Severe burns, due to temperatures of up to 2,000°C
- Breathing problems, due to smoke inhalation
- Loss of hearing or sight, because of the explosive power

WELCOME

Welcome to the Sam Waters Sunday County Cup Final and a special welcome to the supporters of both teams.

After a season of traditional British weather – snow and rain – football seems to be back to normal and being enjoyed everywhere by many.

Sam Waters was an OFA Council member from 1947 until 1961 where he represented the City Division. He was made a Vice President of the Oxfordshire FA in the 1962 season. A big supporter of Sunday football, his contributions were recognised when this competition was founded in 1967.

The Sam Waters Sunday Cup inaugural winners were Blackfriars who won the competition five times in its first six seasons. Cold Arbour hold the record for wins with seven between 1975 and 1999. Following a break in play

due to COVID, Tackley United were victorious in 2022 and are the current holders.

Our congratulations go to both Headington Amateurs and The Village Inn for reaching this stage of the Competition and a special thanks to the respective club and team officials for supporting their teams across the whole season. We also congratulate today's match officials on their appointments.

We would like to thank Oxford City FC and all those involved at Raw Charging Stadium for supporting us to ensure everyone has a safe, enjoyable and memorable County Cup Final experience.

Yours in sport

IAN MASON
Chief Executive

HEADINGTON AMATEURS

MANAGERS:

Matty Jacob and Adam Buck

COACHES:

Jamie Buchanan Jordan Fox

The A's as Headington are known were formed in 1949 as the Britannia Football Club named after the public house in Headington where the players "trained". They joined the Hellenic League in the 70's where they have remained ever since winning numerous league titles and cups along the way! Currently playing in Hellenic Division 2 North where they sit top of the table and also in the Intermediate Cup final! They also introduced a ladies team in 19-20 who play in the Thames Valley Division 3 West. The Sunday team was formed in 21-22 as managers Matty and Adam wanted to introduce their youth team to mens football winning the division 1 title in the first season! Currently joint top of the premier and still in all cup competitors.

HEADINGTON AMATEURS

Red Shirts, Red Shorts and Red Socks

GEORGE BAKER - Very good goalkeeper also the joint manager's future son in law so nailed on to start today!

KYLE HARRIS-STEELE - Versatile defender, very strong for his size and never seems to have a bad game.

THOMAS LANDERS - Very quick winger with a peach of a left foot and our free kick specialist just a shame he's not as good as his brother.

LUKE DAY - We call him brains (think everyone knows why) strong and quick defender if we can get him out of bed.

BENJI CUFF - Oldest player in today's squad but still one of the fittest, loves a battle on and off the pitch. Never gets the round in though!

JOSH FOX - Another strong defender, good in the air and talks a great game! Lesser player of the fox brothers.

JOSH WEST - Very quick and combative centre midfielder, scored a few goals recently to everyone's shock! Another that struggles to get up early enough.

DEC STOKES-ALLEN - Self proclaimed pretty boy of the team, can play anywhere on the pitch just average at all of them so Landers tell me.

BEN GREEN - Midfield playmaker and very vocal on pitch, has to tell the missus he's only coming to watch with Noah but gets a kit on anyway!

BILLY GILLETT - Lionel Messi of the Sunday League when he turns up! still owes the squad a round after not scoring 50 goals last season.

JACOB JOSEPH - 100% Luke Day's long lost brother, hardest working player in the team mostly because he's chasing his first touch. AKA the windmill.

LUKE SURMAN - A boy beyond his years, had a beard before his step dad Andy Fordham also has a sweet left foot.

TAYLOR SMITH - Has pace to burn its just a shame he drinks on a Saturday night as quickly as he runs on a Sunday morning.

DAN COURT-MUNDY - If he was on FIFA his shooting would be 99 but the rest would be below 30! Very vocal on the pitch which is a big plus.

CHRIS PECK - Very committed player for the sunday team, he even drops himself from Saturdays squad to make sure hes in top condition for sunday morning.

CONNOR FOLEY - Rarely plays sundays which is a shame. Sometimes hits the tiles after a Saturday game then wont be seen for weeks!

DION LONG - Tall strong athletic player 100% a centre back but wants to play midfield, plays on the edge which is always fun to watch.

JORDAN FOX - All rounder this season, very committed but supports Wolves and finds Formula 1 exciting!!

CALLUM BLOOMFIELD - Quick centre back, another that struggles to make Sunday mornings wont see him unless westy plays.

LUKE CUFF - Amateur's all time leading goalscorer. Some say he cant score without bean on the pitch, fully committed and will play anywhere for the team.

THE VILLAGE INN FC

MANAGER:

Richard Hinkin and Joe Royall

PLAYER MANAGER:

Richard Hinkin

Founded in 2013

The Village Inn, formerly Dorchester United, play in the Upper Thames Valley Sunday League. They were Runners up in 2017/2018 in the Alan Alder Trophy and were Division One Champions in the 2020/21 season. They are sponsored by Andy Hines from APL Scaffolding. This is their second Sam Waters Sunday Final where unfortunately they fell short and lost to The Chequers FC in 2019.

Richard Hinkin and Joe Royall manage the team together on the weekends and have been now for a couple of seasons. Gill Royall also is a massive asset to the team by helping out behind the scenes whether that be washing the kit or running the tuck shop on the weekend.
