RESPECT

COUNTY CUP FINALS 2023

Last season we had a couple of occasions where pyrotechnics, flares and smoke devices were brought to games.

It is important to highlight that these items are not only illegal inside a football stadium, but these prohibited items can also cause great harm to people.

If this happens again we will look to get pictures of those involved which will be passed to the police for prosecution and if identified will be barred from football in any form in the County.

These pyrotechnics and flares can burn at up to 2,000°C and can cause significant injuries to carriers and fellow spectators.

There have been a number of reported incidents that have resulted in people experiencing breathing difficulties, distress and discomfort. The potential injuries sustained as a result of someone using a pyrotechnic include:

- Serious injuries, such as loss of limb or fingers
- Severe burns, due to temperatures of up to 2,000°C
- Breathing problems, due to smoke inhalation
- Loss of hearing or sight, because of the explosive power

WELCOME

Welcome to the Oxfordshire FA Steve Simmonds U14 Youth Cup Final and a special welcome to the supporters of both teams.

After a season of traditional British weather – snow and rain – football seems to be back to normal and being enjoyed everywhere by many.

The U14 Youth Cup was first contested in the 2002/03 season and was won by Oxford Blackbird Boys who also won the competition in 2012 following a 5-2 victory over Deddington Town Colts.

The competition was re-named the Steve Simmonds U14 Youth Cup following the sad passing of the former OFA Director in 2019. Steve had been a loyal and dedicated supporter of local football for 36 years including the Oxford Mail Youth League, where he was Secretary for over 20 years, Kidlington Youth Football Club and Oxfordshire FA where he served as a director for 16 years and ran a number of youth cup competitions including the U14 Youth Cup.

The current holders of the trophy are Oxford City who went to extra time with North Leigh and eventually came out 4-1 winners in last season's final. City hold the record for the most victories with four.

Looking to today's finalists, Tower Hill have won the competition once in 2013 and Bure Park will be looking to lift the trophy for the first time in their history.

Our congratulations go to both Tower Hill and Bure Park for reaching this stage of this year's Competition and a special thanks to the respective club and team officials for supporting their teams across the whole season. We also congratulate today's match officials on their appointments.

We would like to thank Oxford City FC and all those involved at Raw Charging Stadium for supporting us to ensure everyone has a safe, enjoyable and memorable County Cup Final experience.

Yours in sport

MANAGER:
Darren Barber

COACH:
Daniel Kilbane

Established in 2008 and based in Bicester, Bure Park FC began life as a youth “Juniors” football club when a small group of parents meeting up on a Saturday morning for a ‘kick about’ with their young children. Now they continue to grow year-on-year and are now an England football 3 star accredited club & with 32 teams and 500+ players they are Bicester’s largest football club.

They are extremely proud of the football opportunities and pathways they are developing. These include teams from U6 right through to adult football in both the male & female areas of the game. They are also very proud of our recreational offering and the very popular disability & inclusive sections which provides excellent opportunities for players in Oxfordshire and beyond, who may not otherwise be able to enjoy the beautiful game.
