RESPECT

COUNTY CUP FINALS 2023

Last season we had a couple of occasions where pyrotechnics, flares and smoke devices were brought to games.

It is important to highlight that these items are not only illegal inside a football stadium, but these prohibited items can also cause great harm to people.

If this happens again we will look to get pictures of those involved which will be passed to the police for prosecution and if identified will be barred from football in any form in the County.

These pyrotechnics and flares can burn at up to 2,000°C and can cause significant injuries to carriers and fellow spectators.

There have been a number of reported incidents that have resulted in people experiencing breathing difficulties, distress and discomfort. The potential injuries sustained as a result of someone using a pyrotechnic include:

- Serious injuries, such as loss of limb or fingers
- Severe burns, due to temperatures of up to 2,000°C
- Breathing problems, due to smoke inhalation
- Loss of hearing or sight, because of the explosive power

WELCOME

Welcome to the Oxfordshire FA Womens Cup Final and a special welcome to the supporters of both teams.

After a season of traditional British weather – snow and rain – football seems to be back to normal and being enjoyed everywhere by many.

The Womens Cup was first contested in the 1999/00 season where Launton Ladies took the inaugural title. Oxford City are the current holders following a 3-0 victory over Carterton Ladies last season. City also hold the record for the most competition wins with 15.

Looking at today's finalists Oxford United, who knocked out Oxford City in this season's semi-final stage, have four Womens Cup titles to their name last winning the competition in 2019 with a 2-0 victory over City.

East Oxford will be looking to lift the trophy for the first time in their short history today.

Our congratulations go to both Oxford United Women and East Oxford Ladies for reaching this stage of the Competition and a special thanks to the respective club and team officials for supporting their teams across the whole season. We also congratulate today's match officials on their appointments.

We would like to thank Oxford City FC and all those involved at Raw Charging Stadium for supporting us to ensure everyone has a safe, enjoyable and memorable County Cup Final experience.

Yours in sport
