Please see Guidelines in conjunction with Suffolk County Cup rules for your particular cup competition to avoid playing ineligible players.

General:

No club can have more than one team enter any one open age competition unless agreed by the Football Services Team.

A team can play in a higher competition if;

- They request to do so and it is agreed by the Football Services Team.
- By doing so allows a Reserve, 'A' or 'B' team to compete in a lower competition.

If a team changes from one league to another the Football Services Team shall place that team in the most appropriate competition.
