Durable

All Duralock fencing comes with a 15 year guarantee and will look just as good as the day they were installed. This is because unlike metal and wooden fencing, PVCu will not rust or rot with time.

Sustainability

We focus on creating high-quality, durable products responsibly, with a strong emphasis on sustainability. Since 2022, our PVCu products incorporate up to 91% recycled materials. We collect and reprocess PVC material across the UK and Europe, diverting thousands of tonnes from landfills.

Competition Grade Safety

The material properties of PVCu allow Duralock fences to flex in the event of a collision without breaking or shattering, significantly reducing injury.

The Offside Trust

The Offside Trust, who support survivors of sexual abuse in sport, provide branded green armbands for Suffolk referees who are under-18 to wear during matches, captain's armbands, goalkeeper gloves and corner flags. They also offer talks and awareness days for clubs. Contact Alan Arber via alan.offsidetrust@gmail.com

The Offside Trust is committed to supporting survivors of abuse not only in football but in all sports and daily life.

Our motto is that Kids can grow up as kids in a safe and supportive environment.

We are currently run by three directors Dion Raitt, Alan Arber and Chris Knowles assisted by volunteers also. The Offside Trust was formed in 2017 by Steve Walters, Chris Unsworth and other survivors of abuse.

We have been running for over 7 years now and have helped over 7000 people get assistance for their abuse via many organisations that we signpost people to such as MIND, Childline, Samaritans to name a few.

We run free awareness days, abuse and awareness seminars and provide such things as captain's armbands, and logos for banners to put at your club.

We are fully committed to support anyone that comes forward as this problem still exists and is very prevalent in all areas.

If your club, academy or league would like to get involved and host a free abuse and awareness seminar please get in touch via email to alan.offsidetrust@gmail.com for more information

Youth Retention Fund

SUFFOLK FA are continuing the Youth Retention Fund for the 2024-25 season.

The fund supports families who are facing financial challenges, meaning young players are in danger of not being able to play for an affiliated team.

The Youth Retention Fund supports the cost of young players' club membership fees and other expenses in a bid to prevent children dropping out of football simply because of the cost of playing.

For the 2024-25 season, available support has been increased to a maximum of £600 for clubs who have 1-29 affiliated youth teams, with an additional £150 available per 1-10 youth teams.

- Clubs with 1-29 youth teams – a maximum of £600 per club (max of £150 per each individual award)
- Clubs with 30-39 youth teams – a maximum of £750 per club (max of £150 per each individual award)
- Clubs with 40-49 youth teams – a maximum of £900 per club (max of £150 per each individual award)
- Clubs with 50+ youth teams – a maximum of £1050 per club (max of £150 per each individual award)

Safe Eyewear Fund

Suffolk FA are once again running their Safe Eyewear Fund for the 2024-25 season.

The fund was first introduced in the 2020-21 season to ensure players under the age of 18 experience no barriers to playing the game in Suffolk and has since been extended to include adult players.

Wearing everyday glasses whilst playing risks injury to either the player or other participants.

Within the Laws of the Game, match officials can prevent players wearing glasses from playing if the participants glasses are deemed unsafe.

For eligibility criteria and details of how to apply via the Suffolk FA website click [here](#)

Benevolent Fund

The Suffolk FA Benevolent Fund assists injured Youth and Adult players and officials in necessitous circumstances.

This is not an insurance scheme, grants will only be made where it is evident that there has been financial hardship during a period of incapacity and the club has contributed during the current or preceding season.

Clubs must assist a player financially before any claim will be considered, and medical proof must accompany a claim when a player has been off work due to their injury.

Clubs are requested to strongly advise any player who is self-employed to take out Personal Accident Cover.

For full details on the Suffolk FA website click [here](#)

Public Liability and Personal Accident Insurance Scheme

Sportsguard are the preferred insurance provider for Suffolk FA affiliated clubs for the 2024-25 season.

There are two types of insurance policies required for the season – Personal Accident Insurance and Legal Liability Insurance.

For the 2024-25 season Suffolk FA have arranged a group policy, providing cover for all affiliated adult teams and cover for all affiliated youth teams.

There is an option to upgrade your cover via Sportsguard.
