

REFEREE PROGRESSION PATHWAY

WELCOME

We are delighted you have joined the referee progression pathway. This pack provides the information you need to meet the requirements and focus on developing your refereeing.

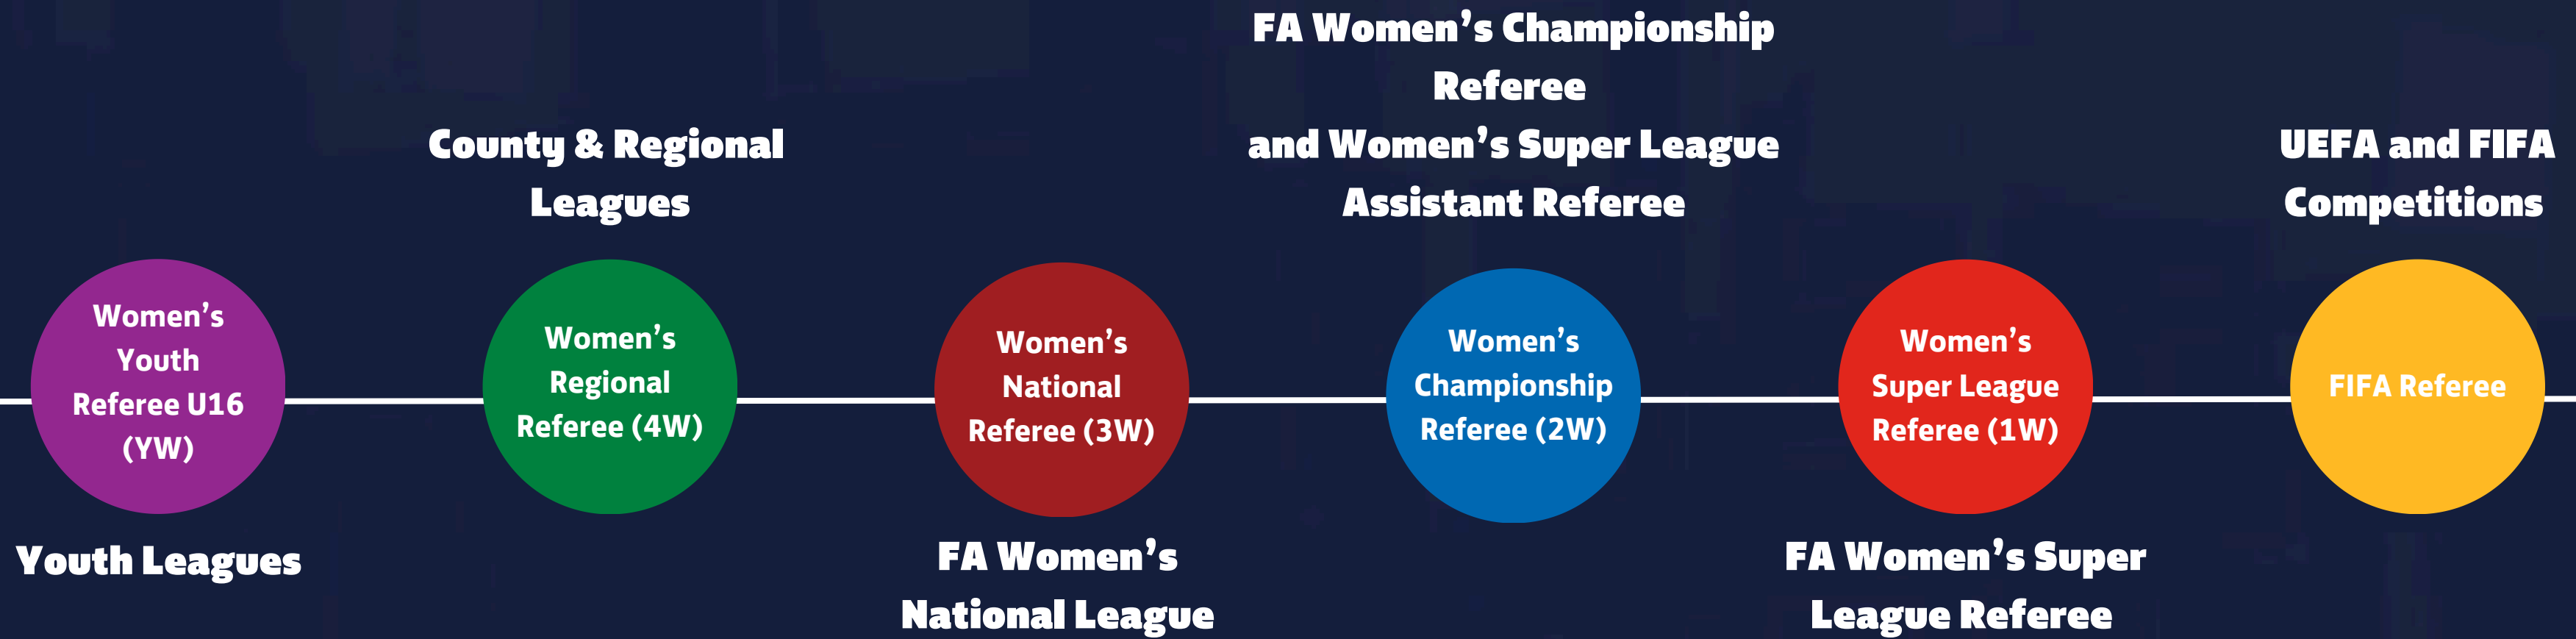

The pathway lets you control your progress up the referee ladder at your own pace. With four opportunities for Levels Y1-Y2, 7-6, and 6-5, you can achieve your goals without waiting until the end of the season. Levels 5-4 and 4W-3W follow a year-long process. With online development modules, Laws of the Game exams, Match Day Coaches and Observers, your opportunities to progress are greater than ever.

Your County FA is here to guide you through this pathway. Feel free to contact them with any questions.

Good luck and enjoy your games, on behalf of the Football Association.
