INTRODUCTION BY THE ACTING CHAIRMAN

I am very pleased to welcome you to The Football Association Handbook, the essential guide to the rules and regulations of football.

The Handbook has been published every year since 1895, excluding the war years, and should again prove an invaluable companion to people involved in football at all levels.

The FA has the privilege and the responsibility of overseeing football in England as a whole. It does so in partnership with a powerful professional game and a national game administered locally by dedicated people and played in facilities all over the country. But football is 'one game' and we approach it with one set of values.

Football has rules to protect those who take part in it and I hope that every recipient of the 2016-2017 Handbook, whatever his or her involvement in the game, will find it a helpful reference book during what I hope will be another exciting season.

STANDING ORDERS FOR THE CONDUCT OF BUSINESS AT MEETINGS OF COUNCIL OF THE FOOTBALL ASSOCIATION LIMITED (THE "COUNCIL") AND COMMITTEES OF COUNCIL adopted by Council on 29th May 2007 as revised on 9 April 2014

("THE STANDING ORDERS")

GENERAL

- 1 The powers and duties of Council shall be as stated in the Articles of Association ("the Articles") of The Football Association Limited ("The Association" or "the Company"), the Rules of The Association and these Standing Orders.

MEETINGS OF COUNCIL

- 2 Save where expressly stated to the contrary, Council may exercise any power or carry out any duty only at a meeting of Council.
- 3 There shall generally be not more than 6 meetings of Council in any period from 1 August – 31 July in any given year (the "Council Year").
- 4 Council shall determine the dates for meetings of Council at the first meeting in any Council Year, provided that a meeting takes place in June or July (the "Summer Meeting") and a meeting takes place immediately before the annual general meeting of The Association.
- 5 The time and venue of each meeting of Council shall be fixed by Council and shall ordinarily take place in London.
- 6 At any time the Board may (and on the request of 5 or more Members of Council shall) call an extraordinary meeting of Council over and above those referred to in Standing Orders 3 and 4 by giving no less than 14 days' notice to each Member of Council.
- 7 The Board may at any time postpone a meeting of Council and give no less than 4 days' notice to each Member of Council of such postponement.

NOTICE AND BUSINESS OF MEETINGS

- 8 No less than 7 days before a meeting of Council, each Member of Council shall receive an agenda of the business to be conducted. A matter which is not on the agenda shall not be considered at a meeting of Council unless accepted as an extraordinary item by a majority of 75% or more of the Members of Council present at the meeting.
- 9 A Member of Council may propose that a matter be an item on the agenda of a meeting of Council by giving no less than 14 days' written notice before the proposed date of the meeting. A matter which is proposed in compliance with this Standing Order shall be an agenda item.
- 10 The accidental omission to give notice of a Council meeting (or any committee meeting) to, or the non-receipt of notice of a meeting by, any Member of Council shall not invalidate any resolution passed or the proceedings at such meetings.

QUORUM

- 11 The quorum of a meeting of Council shall be 50% or more of the Members of Council entitled to attend and vote.

CONDUCT OF MEETINGS OF COUNCIL

- 12 The Leader of Council or, in his absence, a Vice-Chairman shall preside as chairman at a meeting of Council.
- 13 If at any meeting neither the Leader of Council nor a Vice-Chairman is present within fifteen minutes after the time appointed for holding the meeting, the Members of Council present shall choose one of their number to be chairman of the meeting.

-
- 14 The chairman of the meeting may with the consent of the meeting (and shall if so directed by the meeting) adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting, other than the business which might properly have been transacted at the meeting had the adjournment not taken place.
- 15 The chairman of the meeting may at any time without the consent of the meeting adjourn any meeting (whether or not it has commenced or a quorum is present) either without setting a time or to another time or place where it appears to him that:
- (a) the conduct of persons present prevents or is likely to prevent the orderly continuation of business; or
 - (b) an adjournment is otherwise necessary so that the business of the meeting may be properly conducted.
- 16 The conduct of a meeting of Council and the order of proceedings shall be at the discretion of the chairman of the meeting. The order of proceedings at a meeting of Council shall generally be as follows:
- (a) the minutes of the previous meeting of Council shall be presented to the meeting and voted upon. Where the minutes are approved, the chairman of the meeting shall sign them;
 - (b) any apologies or other correspondence the chairman of the meeting deems necessary or appropriate to present to the meeting shall be read out;
 - (c) the chairman of the meeting shall make a general report on matters considered by the Board and its committees since the previous meeting of Council, including a report on any changes to the Board's strategic plan for The Association;
 - (d) a member of the Board shall present any written report from the Board to Council;
 - (e) an authorised representative of the Football Regulatory Authority shall make a verbal report on regulatory issues arising since the previous meeting of Council and shall be available to answer questions on matters on the operation of the Football Regulatory Authority;
 - (f) the chairman of the meeting may invite debate by Council on any current and significant issues relating to football;
 - (g) the minutes and reports of all meetings of Committees of Council shall be presented to the meeting for debate and for adoption by the chairman of each Committee of Council, or, in his absence, a member of such Committee of Council, who shall make a summary report on matters of particular interest in the minutes and reports. The meeting shall consider the minutes and reports and any Member of Council may speak on any matter mentioned in the minutes and reports and may make a motion thereon, provided that notice of any question has been given in writing 3 days or more before the meeting. A report of a committee meeting may not be made in the absence of written minutes and reports, save with the consent of the chairman of the meeting. Where such consent is given, the meeting of Council may consider such matter as an extraordinary item;
 - (h) any proposals to amend the Articles, the Rules or any regulations shall be considered and, if thought fit, approved;
 - (i) any proposals put forwards by any of the Committees of Council, including changes to composition of Council originating from the Protocol Committee (as referred to in Standing Order 53), shall be considered and, if thought fit and be approved;
 - (j) if relevant, the appointment, re-appointment or removal of the Chairman and Leader of Council and any other appointments, removals or elections (as required) shall be considered; and

- (k) where possible, the balance sheet, the profit and loss account and the Directors' and the auditors' reports of The Association and the appointment of the auditors of The Association shall be considered and debated before they are laid before the Company in general meeting.
- 17 A Member of Council wishing to speak on any matter shall be entitled to do so only at the invitation of the chairman of the meeting. A Member of Council who is invited to speak shall rise and address the chairman of the meeting. All Members of Council other than the one speaking shall remain seated unless raising a point of order. Whenever the chairman of the meeting speaks, no other Member of Council may rise.
- 18 A Member of Council may at any time raise a point of order. Such shall be dealt with by the chairman of the meeting in such manner as he considers appropriate.
- 19 A Member of Council may at any time move that a matter be voted upon. If the chairman of the meeting requires, such motion shall be put in writing and signed by the mover. Such written motion shall be handed to the chairman of the meeting. Any such motion shall be read out by the mover before he speaks on it. A Member of Council may speak on a motion. A Member of Council shall be entitled to speak only once on the same motion unless permitted by the chairman of the meeting to speak more than once. The mover of a motion shall be entitled to reply to any point made. The mover may only answer points made by other Members of Council and may not make additional points.
- 20 A Member of Council may at any time move an amendment to a motion. Any such motion to amend shall be put in writing if required by the chairman of the meeting as if an original motion. Any number of motions to amend may be considered in relation to any motion. If any motion to amend is voted upon and carried, it shall form the motion to be considered by the meeting. Motions to amend this motion may then be considered as if it were the original motion. The mover of a motion to amend which is carried shall be entitled to reply to points made in relation to the motion.
- 21 Council may by vote resolve itself into a committee of the whole Council, and whilst in committee, there shall be no restriction as to the number of times a Member of Council may speak on a motion.

VOTING

- 22 All questions shall be determined by a show of hands, unless either: (a) a ballot; or (b) the recording of votes, is requested by any Member of Council, supported by at least 2 others. In the event of votes being recorded under (b), the names for, and against, shall be registered and entered in the minutes. In the event of there being validly supported requests for both procedures (a) and (b), the procedure to be applied shall first be determined by a ballot.
- 23 (a) Save where provided specifically to the contrary: (i) a matter shall be passed if supported by more than 50% of those Members of Council present and voting; and (ii) a Member of Council may vote only if he is present at a meeting of Council. (b) A Member of Council may appoint another Member of Council as proxy to vote on his behalf in any one or more of the following matters: (i) for the appointment and reappointment of the Chairman; (ii) for the appointment and reappointment of the Leader of Council; (iii) for elections for Vice-Chairmen; and (iv) for the appointment and reappointment of the Independent Non-Executive Directors. The form of the proxy and procedures to be employed shall be as determined by Council from time to time.
- 24 A declaration by the chairman of the meeting that a resolution has been carried or carried unanimously, or by any particular majority, or lost, or not carried by a particular majority, and an entry to that effect made in the minutes of the proceedings of the meeting, shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

- 25 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting shall be entitled to a casting vote.

WHO MAY TAKE UP BUSINESS UNDER NOTICE

- 26 Except by the consent of Council, business under any notice upon the agenda shall not be proceeded with in the absence of the Member of Council in whose name it stands, unless the member has given written authority for it to be taken up by another member.

OBJECTIONABLE BUSINESS

- 27 If the chairman of the meeting determines that any matter raised or motion moved to be made is of an objectionable character, the chairman of the meeting shall have the power either before or after the same is brought forward, to put it to the vote (on which no discussion shall be allowed) as to whether the same shall be brought forward or not. If 75% or more of the members present and voting decide not to allow such motion to be brought forward, then it shall be considered as disposed of for that day.

RECONSIDERING A DECISION

- 28 A decision of Council made at a meeting of Council may be reconsidered at the meeting of Council at which it has been made if any motion to reconsider is carried by 75% or more of the members present and voting.
- 29 No decision made at a meeting of Council may be considered within a period of 12 months from the date on which it was decided unless 75% or more of Members of Council present at a subsequent meeting vote in favour of a motion to allow reconsideration.

LEADER OF COUNCIL

- 30 Members of Council shall elect one of the non-executive Directors to be the Leader of Council. Nominations, proposed and seconded by Members of Council, shall be given to the Secretary in writing at least 21 days in advance of the date on which the election is to be held.

Where for the purposes of

- its re-allotment or disposal, a share is to be transferred to any person or body and where the holder of the share makes a default in transferring the share after having been bound aforesaid, the Board may authorise the Secretary to execute an instrument of transfer of each share to that person or body. Subject to Articles 12 and 14, the Company may register the transferee as holder of the share and an instrument of transfer so executed shall be effective as if it had been executed by the holder of the share and the title of the transferee shall not be affected by any irregularity or invalidity in the proceedings relating thereto.
- 23 A person or body, any of whose shares have been forfeited, shall cease to be a holder in respect of them and shall surrender to the Company for cancellation any certificate for the share(s) but shall remain liable to the Company for all moneys which at the date of forfeiture were presently payable by him to the Company in respect of those shares or otherwise.
- 24 Any person or body whose share(s) is/are forfeited under these Articles shall not in respect of the relevant share(s) from the time it is/they are deemed forfeited be entitled to attend or vote at any general meeting of the Company or to exercise any other right conferred by ownership of a share in relation to any such meeting.
- 25 Without prejudice to the provisions of any other Article, the forfeiture of a share shall involve the extinction at the time of forfeiture of all interest in and all claims and demands against the Company in respect of the share(s) and all other rights and liabilities incidental to the share as between the person whose share is forfeited and the Company, except only such of those rights and liabilities as are by these Articles expressly saved, or as are by the 1985 Act or 2006 Act given or imposed in the case of past Shareholders.
- 26 The Board may accept the surrender of any share. A surrendered share shall be treated as if it had been forfeited.
- 27 A statutory declaration by a Director or the Secretary that a share has been duly forfeited or surrendered on a specified date shall be conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share and the declaration shall (subject to the execution of an instrument of transfer if necessary) constitute a good title to the share. Title to the share shall not be affected by any irregularity in, or validity of, the proceedings in reference to the forfeiture, surrender, sale, re-allotment or disposal of the share.

TRANSFER OF SHARES

- 28 The instrument of transfer of a share may be in any usual form or in any other form which the Board may approve. An instrument of transfer need not be under seal.
- 29 The Board may, in its absolute discretion and without giving any reason, refuse to register the transfer of a share (whether or not such share is fully paid), unless the transfer is from the Nominee of a person who is entitled to hold a share under Article 14 to another Nominee of the same person, or to that person, and the disclosure requirements under Article 15 have been complied with.
- 30 If the Board refuses to register the transfer, it shall within two months after the date on which the instrument of transfer was lodged with the Company send to the transferee notice of the refusal.
- 31 The registration of transfers of shares or of transfers of any class of shares may be suspended at such times and for such periods (not exceeding thirty days in any year) as the Board may determine.
- 32 No fee shall be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any share.

GENERAL MEETINGS

- 38 All general meetings of the Company other than annual general meetings shall be called extraordinary general meetings.
- 39 The Board shall convene and the Company shall hold an annual general meeting in each calendar year.
- 40 Subject to the provisions of Article 39, the Board may call general meetings whenever and at such times and places as it shall determine and, on the requisition of Shareholders pursuant to the provisions of the 2006 Act, shall forthwith proceed to convene a general meeting in accordance with the requirements of the 2006 Act.

BUSINESS – PROPOSALS

- 41 The Board shall be entitled to propose such business to a general meeting as it considers appropriate, including any amendment to these Articles, the Memorandum of Association or to the Rules (PROVIDED, and subject always to the provisions of the 1985 Act and 2006 Act, that any proposal to amend the Rules, the Memorandum of Association or the Articles has the approval of Council as set out in Articles 155 and 159 respectively).
- 42 In the case of general meetings where it is proposed to amend the Rules, the Memorandum of Association or the Articles, not less than thirty-five clear days' notice shall be given by the Secretary to the Shareholders, such notice setting out the proposed changes to such documents and the date of the meeting. Notice of any proposed amendment to the proposed changes shall be given to the Secretary not less than twenty-eight clear days' prior to the date fixed for such general meeting. The Secretary shall give notice of such amendments to the Shareholders with the notice under Article 43.

NOTICE OF GENERAL MEETINGS

- 43 An annual general meeting and an extraordinary general meeting shall be called by at least fourteen clear days' notice but, subject to Article 42 a general meeting may be called by shorter notice if it is so agreed by a majority in number of Shareholders having a right to attend and vote, being a majority together not holding less than 90% of the total voting rights at a general meeting.
- 44 Subject to the provisions of these Articles and to any restrictions imposed on any shares, the notice shall be given to all the Shareholders, to each of the Directors, to the auditors for the time being of the Company and if required under the 1985 Act or 2006 Act (as applicable), the former auditors of the Company.
- 45 The notice shall specify the time and place of the meeting and shall, in the case of an annual general meeting, specify the meeting as such, and, in the case of a meeting to pass a special or extraordinary resolution, specify the intention to propose the resolution as a special or extraordinary resolution, as the case may be.
- 46 The notice shall state with reasonable prominence that a Shareholder entitled to attend and vote at the meeting being called is entitled to appoint a proxy to attend and vote instead of him, and that a proxy need not also be a Shareholder.
- 47 The accidental omission to give notice of a meeting to any person entitled to receive the same, or the non-receipt of a notice of meeting by any such person, shall not invalidate the proceedings at that meeting. Notice of a general meeting shall be deemed to have been given to any Nominee if sent to a business address of the body set out under Article 12 entitled to the share and on whose behalf the Nominee has been appointed as Nominee under Article 15.

PROCEEDINGS AT GENERAL MEETINGS

- 48 No business shall be transacted at any general meeting unless a quorum is present, but the absence of a quorum shall not preclude the choice or appointment of a chairman of the meeting, which shall not be treated as part of the business of the meeting. Ten or more Shareholders entitled to vote upon the business to be transacted, each being a Shareholder or a proxy for a Shareholder or a duly authorised representative of a corporation shall be a quorum.
- 49 If such a quorum is not present within thirty minutes from the time appointed for the meeting, or if during a meeting such a quorum ceases to be present, the meeting, if convened on the requisition of Shareholders, shall be dissolved, and in any other case shall stand adjourned to such time and place as the chairman of the meeting may determine.
- 50 If at the adjourned meeting there are less than ten Shareholders present, they shall have power to decide on all matters which might have been disposed of at the meeting from

which the adjournment took place if a quorum had been present thereat PROVIDED THAT at least three days' notice has been given to the Shareholders of such adjournment in order to enable special business to be transacted thereat by less than a quorum.

- 51 The Leader of Council or in his absence, a Vice-Chairman (or in his absence any other Director) nominated by the Board shall preside as chairman at a general meeting.
- 52 If at any meeting neither the Leader of Council nor a Vice-Chairman nor such other nominated Director (if any) is present within fifteen minutes after the time appointed for holding the meeting, the Shareholders present and entitled to vote shall choose one of their number to be chairman of the meeting.
- 53 The chairman of the meeting may with the consent of the meeting (and shall if so directed by the meeting) adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting, other than the business which might properly have been transacted at the meeting had the adjournment not taken place.
- 54 The chairman of the meeting may at any time without the consent of the meeting adjourn any meeting (whether or not it has commenced or a quorum is present) either without setting a time or to another time or place where it appears to him that:
- (a) the Shareholders wishing to attend cannot be conveniently accommodated in the place appointed for the meeting; or
 - (b) the conduct of persons present prevents or is likely to prevent the orderly continuation of business; or
 - (c) an adjournment is otherwise necessary so that the business of the meeting may be properly conducted.
- 55 If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. With the consent of the chairman of the meeting, an amendment may be withdrawn by its proposer before it is voted upon. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.
- 56 A resolution put to the vote of a meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands, a poll is duly demanded. Subject to the provisions of the 2006 Act, a poll may be demanded by:
- (a) the chairman of the meeting; or
 - (b) not less than five Shareholders present personally or by proxy having the right to vote at the meeting; or
 - (c) by Shareholders, present personally or by proxy, representing not less than one tenth of the total voting rights of all the Shareholders entitled to vote at the meeting.
- 57 Upon any resolution to amend all or any of the Articles listed in Articles 36(a) and/or 37(a) of these Articles or for the removal of, or waiver or ratification of any breach of, any of those Articles:
- (a) whether on a show of hands or on a poll, when the votes cast on that resolution have been counted, the chairman of the meeting, before any declaration of the result of that vote, shall immediately inform whichever of the Professional Game Special Shareholder and the National Game Special Shareholder is/are present at that meeting: (i) of the number of abstentions on, and of the number of votes cast in favour of, and of those cast against, the resolution; and (ii) of the number of votes cast in favour by the National Game Shareholders whether in person or by proxy;

- (b) the chairman of the meeting shall then invite the Professional Game Special Shareholder and the National Game Special Shareholder to cast the votes attached to their respective shares on that resolution, whereupon the Professional Game Special Shareholder and the National Game Special Shareholder may cast the votes attached to their respective shares on that resolution; and
- (c) any votes cast by the Professional Game Special Shareholder and/or the National Game Special Shareholder shall be counted and taken into account by the chairman of the meeting in deciding whether the resolution has been passed or has been lost.
- 58 Unless a poll is duly demanded, a declaration by the chairman of the meeting that a resolution has been carried or carried unanimously, or by any particular majority or lost or not carried by a particular majority, and an entry to that effect made in the minutes of the proceedings of the meeting, shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 59 The demand for a poll may, before the poll is taken, be withdrawn but only with the consent of the chairman of the meeting and a demand so withdrawn shall not be taken to have invalidated the result of any show of hands declared before any demand was made.
- 60 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting shall be entitled to a casting vote in addition to any other vote he may have.
- 61 A poll demanded on the election of a chairman of the meeting or on a question of adjournment shall be taken forthwith. A poll on any other matter shall be taken in such manner and either forthwith, or at such time after the date of the meeting, as may be determined by the chairman of the meeting and the result of such poll shall be deemed to be the resolution of the Company in general meeting. Without prejudice to the power of the chairman of the meeting to take a poll in such manner as may be determined, a poll may be taken by the display of voting cards sent or provided to Shareholders or holders of proxy votes for such purpose; and, in such event, a voting card shall be issued to each Shareholder present in person in respect of the vote and a separate voting card shall be issued to each proxy in respect of the number of votes exercisable by the person as proxy. A scrutineer or scrutineers (who need not be Shareholders) shall be appointed by the chairman of the meeting and the result of the voting thereby ascertained shall be deemed the resolution of the meeting on the subject in question.
- 62 A demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded.
- 63 No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.
- 64 Where for any purpose an ordinary resolution of the Company is required, a special resolution shall also be effective.

VOTES OF SHAREHOLDERS

- 65 Subject to any rights or restrictions attached to any shares, on a show of hands each Shareholder who is present in person or by proxy shall have one vote and on a poll each Shareholder present in person or by proxy shall have one vote for every share of which he is the holder.
- 66 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting or poll at which the vote objected to is tendered, and every vote not disallowed at such meeting shall be valid. Any objection made in due time shall be referred to the chairman of the meeting whose decision shall be final and conclusive.

- 67 On a poll votes may be given either personally or by proxy. A Shareholder entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.
- 68 If any votes are given or counted at a general meeting which shall afterwards be discovered to be improperly given or counted, the same shall not affect the validity of any resolution or thing passed or done at the said meeting, unless the objection to such votes be taken at the same meeting, and not in that case, unless the chairman of the meeting shall then and there decide that the error is of sufficient magnitude to affect such resolution or thing passed or done.

PROXIES AND CORPORATE REPRESENTATIVES

- 69 A proxy need not be a Shareholder.
- 70 The instrument appointing a proxy shall be executed by or on behalf of the appointer and shall be in any form approved by the Directors.
- 71 Delivery of an instrument appointing a proxy shall not preclude a Shareholder from attending and voting in person at the meeting or poll concerned, in which case any proxy shall be invalid.
- 72 The instrument appointing a proxy and any power of attorney or other written authority under which it is executed or an office or notarially certified copy or a copy certified in accordance with the Powers of Attorney Act 1971 of such power or written authority shall:
- (a) be deposited at the registered office of the Company or at such other place within the United Kingdom as is specified in the notice convening the meeting or in any instrument of proxy sent out by the Company in relation to the meeting or, if the Directors decide to accept proxy forms electronically, in the manner in which they specify, not less than forty eight hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote; or
 - (b) in the case of a poll taken more than forty eight hours after it is demanded, be deposited as aforesaid after the poll has been demanded and not less than twenty four hours before the time appointed for the taking of the poll; or
 - (c) where the poll is not taken forthwith but is taken not more than 48 hours after it was demanded, be delivered at the meeting at which the poll was demanded to the chairman of the meeting or to the Secretary or to any Director; and an instrument of proxy which is not deposited or delivered in a manner so permitted shall be invalid.

No instrument of proxy shall be valid after the expiration of two months from the date stated in it as the date of its execution. When two or more valid but differing instruments of proxy are delivered in respect of the same share for use at the same meeting, the one which was delivered last (regardless of its date or of the date of its execution) shall be treated as replacing and revoking the others as regards that share; if the Company is unable to determine which was delivered last, none of them shall be treated as valid in respect of that share.

- 73 The instrument of proxy shall, unless the contrary is stated in it, be deemed to confer authority to vote as the proxy thinks fit on any amendment of a resolution put to the meeting for which the proxy is given and on any resolution put to the meeting, whether or not notice of such resolution was given in the notice of meeting. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates. The instrument appointing a proxy shall be deemed to confer authority to demand or join in demanding a poll.

- 74 Any corporation or corporation sole which is a Shareholder of the Company may authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any separate meeting of the holders of any class of shares. A person so authorised shall be entitled to exercise the same power on behalf of the grantor of the authority as the grantor could exercise if it were an individual Shareholder of the Company and the grantor shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present at it.
- 75 A vote given or poll demanded by proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous determination of the authority of the person voting or demanding a poll unless notice of the determination was received by the Company at its registered office (marked "Urgent, for the attention of the Secretary") or at such other place at which the instrument of proxy was duly deposited not less than forty eight hours before the commencement of the meeting or adjourned meeting at which the vote is given or the poll demanded or (in the case of a poll taken otherwise than on the same day as the meeting or adjourned meeting) the time appointed for taking the poll.

Additionally, electronic mail may also be transmitted to indicate the time of posting, which will also be accepted as the time of receipt if the mailed documents are found to be in order.
- (v) When an agreement has been determined by mutual consent the Player shall not be permitted to re-register for the original Club within three months at the date of determination except with the written consent of The Association.
- (vi) The Association has power to cancel the registration of a Player at any time upon application of the Player or the Player's Club. In the event of a Club ("the Former Club") ceasing to be a member of a league within the National League System, other than by reason of promotion, relegation or expulsion, as set out in Regulation 4 of the National League System, all contract players and scholars of the Former Club may from the date of cessation elect to terminate their registration with the Former Club by advising the Former Club and The Association in writing of their intention.
The Association shall provide to such players and scholars written confirmation that their registration has been terminated, which shall stipulate the date on which such termination takes effect.
From that stipulated effective date of termination, such players and scholars shall be free agents and may sign for another Club without a transfer fee becoming payable to the Former Club.

 - (viii) the appropriate league or other Competition must report to The Association when the matter is finally determined, and the agreement and registration shall be cancelled by The Association where necessary;
 - (ix) agreements between Clubs and Players shall contain a clause showing the provisions made for dealing with such disputes and for the cancelling of the agreements and registration by The Association; and
 - (x) Clubs belonging to any league or other Competition may make similar regulations which provide for a right of appeal by either party to the Affiliated Association or to The Association.
- (m) *Disciplinary Suspension*
- (i) In the case of breach by a Player of the training or disciplinary rules or orders of the Club, a Club not wishing to use the larger powers contained in Rule C1(l) shall have the right to suspend such Player for a period not exceeding 14 days or impose a fine not exceeding two weeks' wages and shall state whether or not the Player shall receive his basic wage during the period that the Player is ordered not to attend at the Club.
 - (ii) The Club shall, within two days, notify The Association and the league(s) in which the Club's first team competes of such suspension or fine.

 - (iv) If either the Club or Player is dissatisfied with the decision of the league each is entitled to appeal to a League Appeals Committee within seven days of receipt of the decision, and be heard within 14 days of receipt of the notice of further appeal. The Player may request that an appeal made in accordance with this Rule shall be dealt with at a personal hearing.
 - (v) In any event the suspension or fine shall not operate as a termination or cancellation of the agreement between the Club and Player.
- (n) *Re-engagement of Players*
- (i) On or after 1st April of the year in which an agreement or any renewal of it expires, a Player under written contract may enter into a new agreement with and again be registered for the Club.

Where one or both clubs are members of the Football Association of Wales, a representative of that Association shall be entitled to sit on the appeals committee.
- Where the compensation fee requested by either party is less than £3,000, such appeals committee may, in using its discretion, make a determination on the basis of written submissions alone.

FOOTBALL ASSOCIATION REGULATIONS

GENERAL

Participants should be aware that any of the Football Association Regulations may be amended during the season following publication of The FA Handbook. Reference should be made to The FA's website, located at www.TheFA.com, for updated versions of the Regulations.

REGULATIONS FOR THE SANCTION AND CONTROL OF COMPETITIONS AT STEP 1 OF THE NATIONAL LEAGUE SYSTEM AND BELOW

Preamble

Competitions receive sanction from The FA or County FAs to demonstrate that each Competition comprises clubs that are affiliated to a County FA; that each set of rules complies with FA requirements and that the Competitions may benefit from the use of registered match officials, may play against other affiliated clubs and benefit from other services offered by The FA and County FAs. All Affiliated Associations sanctioning Competitions and all Competitions shall observe the Rules and Regulations of The FA. Any rule, regulation or practice of any such Association or Competition that is inconsistent with the Rules and Regulations of The FA shall be void and unenforceable. For further avoidance of doubt, the fact that a Competition has been sanctioned whether directly or indirectly by The FA shall not render enforceable any such rule, regulation or practice that would otherwise be void and unenforceable under the Rules of The FA.

In order to receive sanction from The FA or an Affiliated Association, a Competition must have its Rules approved by the sanctioning Association and provide a list of its member clubs and teams, all of which must be affiliated to an Affiliated Association for the appropriate season.

Applications to form new Competitions should be directed to the Affiliated Association which has the majority of clubs expected to participate. The application must state whether the Competition comprises new clubs/teams or whether it proposes to invite clubs/teams from existing Competitions. Applications to form a new Competition involving clubs/teams from existing Competitions must allow time for the sanctioning Association to consult with the existing Competitions and relevant Associations in order to assess the impact of the new Competition before deciding whether to approve or reject the application.

1. A Competition consisting of clubs, all of which are Members of one Affiliated Association only, shall make application for sanction to, and the Competition shall be sanctioned by, and be under the jurisdiction of that Association.
2. Competitions at Steps 1 to 6 of the National League System and competitions in the top five tiers of the Women's Pyramid shall make application for sanction to The FA. Other competitions consisting of clubs within the area of, or affiliated to, two or more Affiliated Associations shall make application for sanction to, and may be affiliated with, the Association which has the majority of the Competition's clubs in membership. In the case of any dispute as to the correct sanctioning Association, this will be determined by The FA Sanction and Registrations Committee. In its absolute discretion, The FA may vary the provisions of this Regulation as it sees fit.
3. Licensing System
 - (a) The FA shall operate a Licensing system to apply to all Clubs in Competitions at Steps 1 to 4 of the National League System ("NLS"). A Club shall be required to hold a Licence to be a member of a Competition at Steps 1 to 4 of the NLS with effect from the commencement of the 2016-2017 Playing Season. The Licensing System to be applied is included as Appendix 1.
 - (b) Each Competition at Steps 1 to 4 of the NLS shall be responsible for the operation, assessment and granting of the Licence in respect of its Clubs through the Standardised Rules as approved by the Sanctions & Registrations Committee of The FA. A Competition at Steps 1 to 4 shall take all reasonable and practical steps to co-operate with The FA in the application of the Licence.
 - (c) In the event that a Competition fails to apply the licensing requirements set out in the Standardised Rules to the satisfaction of The FA, then The FA shall have the powers of the Board of that Competition as set out in the Standardised Rules to

apply such licensing requirements. In addition, The FA may, if necessary, bring an action against the Competition for Misconduct under the Rules of The FA.

National League System Policy Body

- (d) A body shall be established by the Sanctions & Registrations Committee to oversee the Licensing system ('the NLS Licensing Policy Body' ('Policy Body')). The Policy Body shall be responsible for reporting to the Sanctions & Registrations Committee on all matters in relation to the formation, development and monitoring of the licensing system.
- (e) The Policy Body shall comprise the following:
- Four Council members, one to be nominated annually by each of the Competitions at Steps 1-4 as its representative;
 - Three Council members who are National Game Representatives and who shall be nominated annually by the Sanctions & Registrations Committee;

- (c) Should any match official be approached to supply any details, they should immediately report the matter to the Association or Affiliated Association.

GUIDE TO MARKING

The mark awarded by a club must be based on the Referee's overall performance. It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The Referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the mark range for each standard of performance.

Mark Range	Comment
100-86	The Referee demonstrated very accurate decision-making and controlled the game very well using management and communication skills effectively to add value to the game.
85-76	The Referee demonstrated accurate decision-making and controlled the game well using management and communication skills to contribute positively to the game.
75-61	The Referee demonstrated reasonably accurate decision-making and despite some shortcomings generally controlled the game well.
60 and below	The Referee demonstrated shortcomings in the accuracy of decision-making and control which affected the game.

Notes

- Club officials should use the full range of marks within each category to help distinguish between different performance levels, e.g. within the 85-76 category a mark of 84 indicates a better performance than a mark of 77.
- While some Referees may have below average performances, there will usually have been some positive aspects of their performance, so extremely low marks should be very rare.
- When club officials are marking a Referee, they should always look at the game as a whole and not isolated decisions. The result of the match should not influence the mark and disciplinary action should be judged objectively.
- When a mark of 60 or lower is awarded, an explanation must be provided to the Competition using the box provided on the marking form. The purpose of this is to assist Referees to improve their performance levels, so the comments should be as helpful as possible.

HOW TO DECIDE ON THE REFEREE'S MARK

The following questions focus on the key areas of a Referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however, worth considering them before committing yourself to a mark for the Referee.

CONTROL AND DECISION MAKING

- How well did the Referee control the game?
- Were the players' actions recognized correctly?
- Were the Laws applied correctly?
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?
- Was the Referee always within reasonable distance of incidents?
- Was the Referee well positioned to make critical decisions, especially in and around the penalty area?
- Did the Referee understand the players' positional intentions and keep out of the way accordingly?
- Did the Referee demonstrate alertness and concentration throughout the game?
- Did the Referee apply the use of the advantage to suit the mood and temperature of the game?
- Was the Referee aware of the players' attitude to advantage?
- Did the Referee use the assistants effectively?
- Did the officials work as a team, and did the Referee lead and manage them to the benefit of the game?

COMMUNICATION AND PLAYER MANAGEMENT

- How well did the Referee communicate with the players during the game?
- Did the Referee's Level of involvement/profile suit this particular game?
- Did the Referee understand the players' problems on the day – e.g. difficult ground/weather conditions?
- Did the Referee respond to the changing pattern of play/mood of players?
- Did the Referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game?
- Was the Referee pro-active in controlling of the game?
- Was the Referee's authority asserted firmly without being officious?
- Was the Referee confident and quick thinking?
- Did the Referee appear unflustered and unhurried when making critical decisions?
- Did the Referee permit undue questioning of decisions?
- Did the Referee deal effectively with players crowding around after decisions/incidents?
- Was effective player management in evidence?
- Was the Referee's body language confident and open at all times?
- Did the pace of the game, the crowd or player pressure affect the Referee negatively?

FINAL THOUGHTS

- Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game.
- Judge the performance over **the whole game**. Don't be too influenced by one particular incident.
- Don't mark the Referee down unfairly because your team was unlucky and lost the game or some disciplinary action was taken against your players.

REGULATIONS FOR THE CONTROL OF YOUTH FOOTBALL

(Players under the age of 18 on 31st August in the current season)

2. The constitution of the Youth Association, or Committee, must be submitted to The Football Association.

MEMORANDUM: CHILDREN OF SCHOOL AGE AND SCHOOL GAMES

One of the important aspects of games in school is the opportunity they afford of developing a pupil's sense of loyalty and honour. It is therefore of concern when interest in games outside the school conflict with a pupil's loyalty to the school and/or school organisations' activities.

1. It is usually the pupil of outstanding Football ability whose services are sought by any Club, and the Player is most likely to be a member of the school or association team. While schools' matches are often arranged on Saturday mornings and Club matches take place in the afternoon, it is considered that a player should not play in two matches on the same day, for the one match is likely to affect play in the other.
2. An outside Club or organisation should consult the head-teacher before selecting any child of school age to play for a team, and should accept the head-teacher's decision on these matters. Head-teachers of schools should not restrain pupils, who are not selected for school games of any kind, from playing for an outside organisation during their free time.

Step 1 and Step 2

The following does not apply to promotion from Step 1.

The Clubs finishing in the bottom four places at Step 1 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 2 for the following Playing Season. They will be replaced by the Clubs finishing in 1st position in each of the divisions at Step 2 together with a further two Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for participation at the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in the next eligible position shall take part in the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the criteria for participation in Play Off Matches the Club finishing in the next eligible position shall take part in the Play Off Matches. The Play Off Matches shall be played so that in each Step 2 division the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. The aggregate winners will play each other and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other Play Off Match and the winner of that match will be promoted. Clubs finishing below position 7 will not be considered for Play Off Matches.

Step 2 and Step 3

The Clubs in the bottom three places in each of the two divisions at Step 2 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 3 for the following Playing Season. They will be replaced by the Clubs finishing in 1st position in each of the divisions at Step 3 together with a further three Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for participation at the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in the next eligible position shall take part in the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the criteria for participation in Play Off Matches the Club finishing in the next eligible position shall take part in the Play Off Matches. The Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. At Step 2 the aggregate winners will play each other and the winner of that match will be promoted and at Step 3 the winners of each first match will play each other and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other Play Off Match and the winner of that match will be promoted. Clubs finishing below position 7 will not be considered for Play Off Matches.

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 2.

Step 3 and Step 4

The Clubs in the bottom four places in each of the three divisions at Step 3 at the end of the Playing Season will be relegated to a feeder pool and placed in the most geographically appropriate division at Step 4 for the following Playing Season. They will be replaced by the Club finishing in 1st position in each of the divisions at Step 4 together with a further six Clubs to be determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for participation at the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in the next eligible position shall take part in

the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the criteria for participation in Play Off Matches the Club finishing in the next eligible position shall take part in the Play Off Matches. The Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. The winners of each match will play each other and the winner of that match will be promoted. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other Play Off Match and the winner of that match will be promoted. Clubs finishing below position 7 will not be considered for Play Off Matches.

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 3.

Step 4 and Step 5

At the end of the Playing Season the Clubs in the bottom two places in each of the four divisions at Step 4 administered by the Northern Premier and Southern Leagues, together with the Clubs in the bottom three places in each of the two divisions administered by the Isthmian League will be relegated and placed in the most geographically appropriate League at Step 5. Irrespective of any provision contained within the Rules the Clubs finishing in bottom position in each of the six Step 4 divisions will be relegated and will not be reprieved. These Clubs will be replaced by the fourteen most suitable Clubs from the Leagues at Step 5 as determined by the LC. The suitability shall be determined as the Club finishing in 1st position in each Step 5 League which meets the entry criteria and wishes to be considered for promotion. In the event of the 1st placed Club not being eligible, the Clubs finishing in 2nd or 3rd position shall be subject to the same criteria. In usual circumstances, no more than one Club will be promoted from any one League. The Clubs to be promoted from Step 5 will be allocated to the most geographically appropriate division at Step 4.

If vacancies remain, consideration will be given to reprieving those Clubs other than bottom placed clubs relegated from Step 4 who will be ranked according to the average number of points gained per games played and the Club with the highest average shall be reprieved first. In the event of Clubs having an identical record the Club to be reprieved shall be determined by the LC.

Any Club seeking promotion from Step 5 to Step 4 must make application to the Association on the prescribed form, copied to their existing League, by 30th November in the relevant year. The application must be accompanied by the appropriate application fee, as determined by the LC, which is non refundable. Applicant Clubs must achieve a minimum E Grade by 31st March in the Playing Season when promotion is sought.

A Club seeking to be promoted to Step 4 shall also be required to apply for a Licence as set out in Appendix 1 to the Sanction and Control of Competitions Regulations.

Step 5 to Step 6 and Step 6 to Step 7

The promotion and relegation of Clubs between Steps 5, 6 and 7 shall be dealt with as follows.

Movement of Clubs between Steps 5, 6 and 7, where a League operates at each Step, shall be included in their constitutional rules and regulations. Irrespective of any provision contained within the Rules, the Clubs finishing in bottom position in each of the fourteen Step 5 divisions will be relegated to Step 6 and will not be reprieved, as determined by the LC.

Clubs seeking promotion to Step 5 from a League at Step 6 which is not linked to Step 5, must make application using the prescribed form direct to the Association, copied to their existing League, by 31st December in the relevant year. Each application must be accompanied by the agreed application fee, as determined by the LC, which is non refundable.

Clubs seeking promotion to Step 6 from a League at Step 7 which is not linked to Step 6, must make application using the prescribed form direct to the Association, copied to their existing League, by 31st December in the relevant year. In order to be considered for promotion Clubs must finish in 1st position in their Step 7 league. If the Club finishing in 1st position does not wish to be promoted or fails to meet the entry criteria then the club finishing in 2nd position will be eligible for promotion. If the club in 2nd position does not seek promotion or fails to meet the entry criteria then clubs down to 5th position may be considered for promotion provided that they meet the appropriate entry criteria. Clubs finishing below 5th position will not be considered for promotion and only one club will be considered from each League. Each application must be accompanied by the agreed application fee, as determined by the LC, which is non refundable.

5.3 Where a vacancy occurs within the NLS the following procedures will apply:-

5.3.1 (a) Where a Club notifies its decision to resign from its League at the end of the Playing Season, then a vacancy is created on the date the notification of that decision is formally recorded by that League. Such resignation can only be withdrawn by the end of that Playing Season with the consent of the Board of that League.

In all cases, that Club is treated as a relegated Club. The final table of that division is not affected.

In cases where the vacancy is created prior to the end of the Playing Season, the vacancy will be filled by the best ranked Club in that same division.

In cases where the vacancy is created after the end of the Playing Season but before the League's AGM, the vacancy will be filled in accordance with Regulation 5.3.2 below.

(b) Where, during the course of the Playing Season, a Club notifies its decision to resign from its League with immediate effect or where a Club is removed from the League for any other reason, then the playing record of that Club will be expunged and a vacancy is created on the date the resignation or removal is formally recorded by that League.

In all such cases that Club is treated as a relegated Club and the vacancy will be filled by the best ranked Club in that same division.

5.3.2 Where a vacancy occurs at Step 1 following the completion of a Playing Season the best ranked Club in a relegation position in that division is reprieved.

Where a vacancy occurs at Steps 2 and 3 following the completion of a Playing Season the best ranked Club in a relegation position across the particular Step is reprieved. The ranking to be determined by the average points gained per game played and comparable league position. The Club with the highest average shall be reprieved first. In the event of Clubs having an identical record the Club to be reprieved shall be determined by the LC.

Where a vacancy arises and Clubs at Step 4 are to be reprieved and all Step 4 Leagues have a full complement of clubs at the end of the Playing Season, the four Clubs finishing second to bottom in the Northern Premier and Southern Leagues and the two Clubs finishing third from bottom in the Isthmian League would be

ranked by the average points per game played. In the event of all of the above six Clubs being reprieved where there are further vacancies available the next two places would be allocated to the Clubs finishing second to bottom in the Isthmian League ranked on the average points per game played.

Where a vacancy arises and clubs at Step 4 are to be reprieved but for whatever reason a Step 4 division does not have its full complement of clubs at the end of the Playing Season then clubs to be reprieved will be determined by the Leagues Committee in its sole discretion.

- 5.3.3 Where a vacancy occurs after the date of a League AGM then a League is not able to replace the Club(s) concerned for the following Playing Season.
- 5.3.4 In the event that for any reason whatsoever there are more vacancies in a division before the end of a Playing Season than relegation places in that division, the question of relegation and reprieves shall be dealt with at the sole discretion of the LC.
- 5.4 Only internal changes to the constitution of a League are allowed following the holding of a League's Annual General Meeting.
- 5.5 Clubs are not allowed to enter into a ground share agreement in order to gain promotion or to retain membership at a particular Step where the Club has failed to attain or maintain the relevant Grade.
- 5.6 Ground grading requirements will be in accordance with the Rules.

In order to be considered for promotion, the following requirements will apply.

Step 1 - Clubs must comply fully with the requirements of Grade A.

Step 2 - Clubs competing at Step 2 must comply fully with the requirements of Grade B. To be considered for promotion to Step 1 or to be included in the Play Off Matches, Clubs must meet the requirements of Grade B together with any additional requirements by 31st March in the year in which they seek promotion. Clubs must also attain Grade A by 31st March in the year following promotion.

Step 3 - Clubs competing at Step 3 must comply fully with the requirements of Grade C. To be considered for promotion to Step 2 or to be included in the Play Off Matches, Clubs must meet the requirements of Grade C and attain Grade B by 31st March in the year following promotion.

Step 4 - Clubs competing at Step 4 must comply fully with the requirements of Grade D. To be considered for promotion to Step 3 or to be included in the Play Off Matches, Clubs must meet the requirements of Grade D and attain Grade C by 31st March in the year following promotion.

Step 5 - Clubs competing at Step 5 must comply fully with the requirements of Grade E. To be considered for promotion to Step 4, Clubs must meet the requirements of Grade E by 31st March in the year in which they seek promotion, and attain Grade D by 31st March in the year following promotion.

Step 6 - Clubs competing at Step 6 must comply fully with the requirements of Grade F. To be considered for promotion to Step 5, Clubs must meet the requirements of Grade F and attain Grade E by 31st March in the year following promotion.

Step 7 - Clubs competing at Step 7 must comply fully with the minimum requirements in force. To be considered for promotion to Step 6, Clubs must meet the requirements of Grade H and attain Grade G by 31st March in the year following promotion. Clubs can be promoted from Step 7 to 6 without floodlights provided that all other requirements of Grade H are met by 31st March in the Playing Season in which the Club wishes to gain promotion and that the Club has the following in place:-

- Planning permission for floodlights
- Funding applications submitted if required
- Quotations/estimates for the work to be carried out
- A development/business plan
- That by 30th September following promotion the floodlights are installed and in working order.

Failure to install floodlights in working order by 30th September following promotion will result in a sanction being imposed at the discretion of the League of which the Club is a member. If by 31st March in the year following promotion the floodlights are still not installed then the Club will be a relegated Club and be dealt with accordingly.

- 5.7 If a Club is relegated for not achieving the required Grade for the Step at which it is playing it will not be eligible for promotion again until it has attained the required Grade for the Step to which it wishes to be promoted. The Club must have that Grade at 31st March in the year in which it seeks promotion.

6. The Movement of Clubs within the National League System other than by Promotion or Relegation

- 6.1 Movement of a Club from participation in one League to another is not permitted other than by promotion and relegation or otherwise as set out in League Rules save with the approval of the LC.

It may be necessary from time to time to move Clubs laterally at the same Step. Each year the LC will consider whether any lateral movements may be necessary at each Step; if so the Clubs likely to be affected shall be notified and given the opportunity to present a case if that Club does not wish to be moved laterally. The final decision shall rest with a sub-committee of the LC. This sub-committee may include members of Step 5 or Step 6 Leagues if appropriate. Any appeal shall be to the LC using members who have not been involved in the original decision. The decision of that appeal shall be final and binding subject only to Arbitration under FA Rule K.

In coming to its decision the LC will have regard to any representations made by any party, the distance to be travelled by any Club to be moved compared to the distance travelled in the Playing Season prior to movement; the financial impact on the Club to be moved, the frequency with which the Club has been moved in the past; the number of Clubs both in the division to which the Club is to be moved and in the division from which the Club is moved, and any other matter that it considers to be relevant.

- 6.2 Any Club proposing to move from one League to another must make application in writing to The Association on or before 31st March in each year to be effective for the following Playing Season. In the event of such application being successful the League from which the Club is moving shall not levy a financial penalty on that Club.

- 6.3 (i) If a Club (whether a Members' Club or a Company) is wound up, liquidated, or is removed from its League or withdraws from football competition ('the Former Club'), and a new Club ('the New Club') is established which wishes to be placed within the NLS, it will be allowed to make an application only to join a League/division at Step 5 of the NLS unless the Former Club was in either Step 4 or Step 5 when the event which caused it to cease its membership occurred in which case it must re-join the NLS at a minimum of two Steps below the level at which it was at the time the event occurred, or withdrew from football competition, whichever is lower. Where the Former Club was a member of The FA Premier League or Football League then the LC shall at its absolute discretion determine in which League the New Club shall be placed for the following Playing Season and will set out at its complete discretion the requirements to be met by the New Club.

In order for consideration to be given to the placement in the NLS of the New Club in the following Playing Season, an initial application must be received by the LC by 1st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March.

The full application accompanied by all necessary documents including evidence of security of tenure having been granted to the New Club and affiliation to a County Football Association must be received by 31st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March. The application shall be copied to the League of which membership is being requested. The application will be determined by the LC.

In considering any application, the LC will set out at its sole discretion the requirements to be met by the New Club.

In the event of more than one application being received within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, the LC will consider at its discretion which application will be considered in accordance with this Regulation.

- (ii) If a Club is removed from its League and wishes to remain in the NLS it shall apply to the LC within five working days of it receiving written notification of its removal from its League. The LC will consider such application and will place the Club in what it considers at its sole discretion to be the most appropriate League/division for the following Playing Season.

- 6.4 If a Club (whether a Members' Club or a Company) ceases to be a member of its league and that Club (that is not a New Club as defined at 6.3 above) wishes to be placed within the NLS for the immediately following Playing Season, then unless otherwise determined by the LC, it may be allowed to make an application to join a League/division below the most recent League/division of which the Club was a member.

In order for consideration to be given to the placement in the NLS by the Club in the immediately following Playing Season, an initial application must be received by the LC in accordance with the procedures set out at 6.3 above. The application shall be copied to the League of which membership is being requested. The application will be determined by the LC at its absolute discretion.

In considering any application, the LC will set out at its sole discretion the requirements to be met by the Club in determining whether to approve the application.

- 6.5 If two or more Clubs ("the Merging Clubs") are proposing a transaction or series of transactions that result in the merging or consolidation ("the Proposed Merger") of those Clubs into one Club ("the Merged Club") then a formal application to do so must be received by the LC and the league(s) of which the Merging Clubs are members by 31st December to be valid for the following Playing Season.

A Deed of Agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The LC shall determine at its absolute discretion where the Merged Club is to be included in the NLS for the following Playing Season subject to the provisions of item 6.5.5 below.

In arriving at its decision the LC may apply the following minimum criteria:

- 6.5.1 The requirements of Standardised Rule 2.9 for the current Playing Season must be met by each of the Merging Clubs. If one or more of the Merging Clubs is subject to an insolvency event then Standardised Rule 2.9.2 shall be applied to such club(s), otherwise Standardised Rule 2.9.1 shall be applied;

- 6.5.2 The proposed playing name of the Merged Club must be acceptable to the LC; and
- 6.5.3 The Merged Club must have security of tenure to a ground that meets the relevant ground grading requirements;
- 6.5.4 Any other criteria that the LC may from time to time deem to be appropriate;
- 6.5.5 The Merged Club will ordinarily be placed at the lower of the Steps at which the Merging Clubs ended the Playing Season in which the application is made. For the purposes of this Regulation, if one of the Merging Clubs has finished that Playing Season in a relegation place, then they will be deemed to have ended the Playing Season at the Step to which they would have been relegated without the Proposed Merger proceeding.

Any decision regarding whether a proposed transaction or series of transactions falls to be considered under this Regulation shall be determined by the LC at its absolute discretion.

7. Placement of a Club into a League

- 7.1 Usually a club can only enter the NLS at Step 7. However a League may seek approval from the LC to receive a club not currently in membership of a League within the NLS provided that there is: (a) exceptional circumstances, (b) a vacancy within its constitution, (c) the club meets the entry criteria and (d) promotion and relegation issues have been satisfied. Such request must be received from the League by no later than 1st February. Any decision shall only be capable of Appeal to The FA by the affected League.
- 7.2 Reserve teams, including a team from a club or Club which is not considered by the LC to be sufficiently separate from another club or Club, will not be permitted to compete above Step 6 in the NLS. There must be a minimum of two Steps between a first and reserve team. This does not apply at Steps 6 & 7. No two teams from the same Club can play at the same Step. Reserve teams currently at Step 5 can remain unless relegated, once relegated they will not be permitted to be promoted back to Step 5.
- 7.3 Teams from Higher Education or Further Education establishments are not permitted to compete above Step 5. This does not prevent any such establishment forming a Club which complies with all entry criteria and which is separate from the establishment itself.
- 7.4 Where a Club moves from one League to another, for whatever reason, the League from which it is being moved must provide the League to which the Club is being moved with a certificate confirming that the Club being moved does not owe any money or other property of any nature to the League from which it is being moved. The Club being moved cannot compete in its new League until such certification has been provided and the onus will be on the Club being moved to ensure that it has cleared all indebtedness to its previous League.

8. Procedures for the Determination of any Matter, Dispute or Difference by the Leagues Committee

- 8.1 The LC may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set out at Regulation 1. The LC may require the attendance at a meeting or the written observations of any League or Club, as it considers appropriate to assist its determination.
- 8.2
 - (a) Any dispute or difference between a League and a Club relating to promotion and relegation issues, lateral movement and/or other eligibility criteria must be referred for determination to the LC; such determination shall be final and binding subject only to Arbitration in accordance with Rule K.
 - (b) Any decision of the LC shall be subject to a right of appeal to an Appeal Board. The decision of that Appeal Board shall be final and binding on all parties.

All referrals of appeals shall be conducted in accordance with the Regulations for Football Association Appeals save for appeals in relation to Ground Grading decisions where the procedures are outlined in 8.2(c) below.

- (c) Procedures for Ground Grading Appeals
- (i) The ratification of the Ground Grading decision must be sent in writing within 14 days of the final decision date, currently 31st March.
 - (ii) Appeals in relation to Ground Grading Appeals must be submitted to The FA Judicial Services Department within seven days from the date of the written decision outlining the Grounds of Appeal, with a copy to The FA Leagues & Clubs Department.
 - (iii) The Ground Grading Technical Panel will appear before an Appeal Board with the Appellant to respond to the application and there is no requirement to make a formal response in writing.
 - (iv) In all cases the Ground Grading Technical Panel will submit any documentation including the Ground Grading report that was considered by the Ground Grading Technical Panel in relation to the Ground Grading decision, (which the appellant would already have received).
 - (v) Dates would be set annually in advance by the Judicial Services Department for the hearing of Ground Grading appeals and details of the dates would be notified to all Clubs in the correspondence from the Ground Grading Technical Panel notifying the decision of the Ground Grading assessment.
- 8.3 The LC may, at its discretion, delegate the resolution of any matter, dispute or difference arising under these Regulations to any body it considers to be appropriate (including a sub-committee or commission which may include members of council not on the LC or a body constituted by a County Football Association).
9. **Arbitration**
- The fact of participation in the NLS and signifying agreement to be bound by the Regulations shall constitute an agreement between each League and Club to refer to Arbitration any challenge in law arising out of, or in relation to, the Regulations in accordance with the provisions of FA Rule K.
10. **Precedence**
- In the case of conflict between the Regulations for the Operation of the National League System and the Rules, the Regulations take precedence.

REGULATIONS FOR THE ESTABLISHMENT AND OPERATION OF THE WINTER WOMEN'S FOOTBALL PYRAMID, THE FA WSL AND GIRLS' FOOTBALL

1. INTRODUCTION

The Winter Women's Football Pyramid shall comprise a system by which promotion and relegation links shall exist between participating leagues (the "Leagues") and shall be operated in accordance with these regulations.

The aims and objectives of the Winter Women's Football Pyramid are:

- (a) To provide clubs with a level of competitive football appropriate to their playing ability, stadium/ground facilities and economic means.
- (b) To provide a framework for discussion on matters of policy and common interest to leagues and clubs.
- (c) To allow the seasonal movement of clubs.

All leagues, and clubs participating from time to time in such leagues (the "Clubs"), shall be bound by these regulations until such time they resign in writing from the Winter Women's Football Pyramid. All leagues will be required to sign a copy of these regulations as and when required by the FA Women's Football Committee ("FAWFC").

2. POSITION OF A LEAGUE IN THE WOMEN'S FOOTBALL PYRAMID

- 2.1 The structure of the Women's Winter and Summer Football Pyramids are set out at Appendix A.

Reserve Sections/Divisions sit outside of the Winter and Summer Pyramids.

- 2.2 Any league wishing to become part of the Winter Women's Football Pyramid at Step W5 must advise The Football Association in such form and/or providing such information as shall be required by the FAWFC from time to time. The decision as to whether or not a league should be admitted to, and their position in the Winter Women's Football Pyramid shall be made by the FAWFC.
- 2.3 Any league whose membership of the Winter Women's Football Pyramid is suspended or withdrawn by the FAWFC, or due to resignation by the league, will not be eligible to participate in any business of the Winter Women's Football Pyramid, including the promotion and relegation process, during the period of suspension or after the date of such withdrawal or resignation of membership.

3. RULES AND REGULATIONS FOR PROMOTION AND RELEGATION

- 3.1 The Winter Women's Football Pyramid shall provide for the seasonal promotion and relegation of clubs between Steps within the system. A league that signifies its acceptance to be bound by these regulations must be in a position to promote and relegate clubs at the conclusion of each season. In extenuating circumstances, where a league is not in a position to relegate due to that league not being up to strength, they must obtain the permission of the FAWFC.
- 3.2 A club shall be promoted or relegated to the correct designated league in the Winter Women's Football Pyramid according to their County FA affiliation, unless complying with the provisions of Regulation 4.2.

4. DETAILED PROMOTION AND RELEGATION ISSUES

- 4.1 Eligibility criteria, including ground grading, shall be agreed between the FAWFC and the various leagues. Details of the requirements at each Step are contained in the Winter Women's Football Pyramid Ground Grading Document as published by The Football Association.

- 4.2 It may be necessary from time to time to move clubs between leagues at the same Step to accommodate the movement of clubs by normal promotion and relegation. Where this is necessary, no club will be asked to move more than once in any three seasons, unless it would be advantageous to do so earlier than three seasons, as determined by the FAWFC.
- 4.3 Subject to any potential and subsequent changes to the competition structure referred to below, at the conclusion of each Season, (unless set out otherwise below), the following procedures will apply:

Step W1 and Step S2

For the 2016/2017 season only, the club crowned champion of The FA Women's Premier League at the end of The FA Women's Premier League season will be promoted to The FA WSL 2 (Step S2). Any such promotion will be in accordance with the league rules of The FA Women's Premier League and The FA Women's Super League and the competition structure in place following the relevant club's promotion*.

*The current structure of The FA WSL and women's summer football pyramid is under review and promotion to The FA WSL will be promotion to the competition structure agreed in respect of The FA WSL by The Women's Football Board and The FA WSL Management Committee.

Step W1 and Step W2

The Clubs in the bottom two places in each of the two divisions at Step W1 (FAWPL Northern and Southern Divisions) will be relegated to Step W2 (FAWPL Division Ones). They will be replaced by the Clubs finishing in 1st position in each of the Leagues at Step W2 subject to the ground grading criteria for Step W1.

Step W2 and Step W3

The Clubs in the bottom two places in each of the four divisions at Step W2 will be relegated to Step W3 (Regional League Premier Divisions). They will be replaced by the Clubs finishing in 1st position in each of the Leagues at Step W3. Should a Club finishing in 1st position not wish to be considered for promotion, then the Club finishing in 2nd or 3rd place may take its place. Clubs finishing lower than 3rd place will not be considered for promotion.

Step W3 and Step W4

The Clubs in the bottom two places in each of the eight Leagues at Step W3 will be replaced by the Clubs finishing in 1st place in each of the divisions at Step W4 (Regional Leagues 1st Divisions). Should the ground of a Club finishing in 1st position be deemed not suitable by the respective management committee for Step W3, then a Club finishing in 2nd (or 3rd) may take its place, provided that its ground does meet the requirements of Step W3.

Other promotions and relegations can occur if agreed by the Clubs in Membership or in the case of the South East Region, by the Joint Liaison Committee and with the approval of the FAWFC.

Step W4 to Step W5

The movement of Clubs between Steps W4 and W5 (County Leagues) will be via a promotion pool.

The Clubs at Step W5 can apply to the FAWFC to be considered for promotion to the relevant League at Step W4. Application must be made by 31 March and priority will be based on the finishing positions of the Clubs at Step W5. In the event that the Champion Club at Step W5 has not applied for promotion by the deadline date, they should still be considered for promotion to Step W4.

The FAWFC, in consultation with the relevant Joint Liaison Committee, shall decide which Clubs shall be promoted taking into account the number of vacancies after any relegation has occurred.

Play-Off Matches

Where the appropriate Joint Liaison Committee decides that a number of play-off matches are required for promotion and relegation, then these play-off matches shall be organised at the end of the Season, provided that the Clubs were given notice prior to the start of that Season or, if such notice is not possible due to circumstances during the Season, in agreement with all Clubs involved with these play-off matches.

Steps within the same League

In exceptional circumstances, the promotion and relegation within the Steps in the same League may be decided by majority of those Clubs and the League Management Committee eligible to vote and in attendance at a Special General Meeting or Annual General Meeting, subject to approval of the FAWFC.

Reserve Teams

The FAWFC shall decide, in its absolute discretion, whether this exception shall apply.

9. **FA GIRLS' ENGLAND TALENT PATHWAY FOOTBALL**

9.1 *Player Eligibility*

Players are licenced in 4 categories as outlined below:

- A International Football and FA Regional Excellence Camps
- B The FA Girls' Regional Talent Club Programme
- C All Schools Football
- D Local Youth Leagues including County Representative Matches

9.1.1 International Football

Players in The FA Girls' Regional Talent Club Programme selected for any England Women U15, U16 and U17 squads are not permitted to play in English Schools FA camps or fixtures.

Players shall be released to play in County FA and County Schools Under 14 and Under 16 representative competitions, provided the fixtures fall on an open weekend.

9.1.2 Regional Excellence Camps – U16s and U14s

Players will be identified by FA Regional Elite Women's Coach Developers and invited to trial for a Regional Excellence Camp. Players eligible will be those registered at Regional Talent Clubs as well as those playing in Advanced Coaching Centres, Grassroots football, Boys football and County Schools' football.

9.1.3 Regional Talent Clubs

Players registered with a Regional Talent Club cannot be signed to any other club.

U12 and U10 players will participate through their Regional Talent Club in an appropriately identified local Charter Standard Boys League fixtures programme. This would be organised by the Regional Talent Club who must follow entry procedures.

9.2 *Recommended Number of Games*

The recommended number of games for a player per season is up to 40. This figure has been worked out based on these principles:

The average:

1. number of league, cup, friendly and international fixtures
2. length of the season
3. of one game per week

The conclusion and recommendation is to prevent overuse, especially in young players, burn out and encourage longevity and greater practice to match ratios.

Regional Talent Club players must not play more than 1 game in any given weekend.

It will be the responsibility of the Technical Director of the Regional Talent Club to monitor the number of games in which the player takes part.

9.3 *Avoidance of Conflict of Fixtures*

It is hoped that conflict will be avoided between Schools, Counties and FA Regional Talent Clubs football.

A national programme of fixtures for U16s and U14s will be provided by The Football Association and each club is asked to provide this information to their County Schools and County FA representatives. This programme will include a number of Open Weekends where priority will be given on those dates to County FA and County Schools Under 14 and Under 16 representative matches.

County Football Associations, The English Schools Football Association and the Independent Schools Football Association will advise, in writing, the dates of their matches to a Regional Talent Club with which the player is registered, no less than 14 days prior to the match. Except in the case of postponed matches where the rearranged date shall be agreed by mutual consent and preferably during mid-week. This mid-week rearranged date will take priority over a club training evening.

9.4 *Regional Talent Club Trialists*

Once a player has been identified by a Regional Talent Club member of staff as having potential to be in the Club, then the member of staff must inform the Regional Talent Club Manager.

- #### 9.4.1
- The Regional Talent Club must give seven clear days' notice of approach to the player's registered Club.

- 9.4.2 Players, including registered players and trialists, must only play 1 game in any given weekend. Clubs may include no more than two players from one junior team and no more than four in total on a trial basis in any one match. The normal trial period shall be regarded as four matches after which players must either become signed to the Club or released. Clubs can apply to The Football Association for a longer trial period for goalkeepers.

County Football Associations, the English Schools Football Association and the Independent Schools Football Association will advise, in writing, the dates of their matches to a Regional Talent Club with which the player is registered, no less than 14 days prior to the match. Except in the case of postponed matches where the rearranged date shall be agreed by mutual consent and preferably during mid-week. This mid-week rearranged date will take priority over a club training evening.

11. REFERRING SAFEGUARDING CONCERNS

Any concern about the welfare of a young player will be managed in line with The FA's Safeguarding Children Policy and Procedures. It is essential that staff recognise it is not their responsibility to decide if abuse is happening but to refer the concern on for the professionals to manage. If any staff member has concern about the way a concern is being managed they may make use of the FAs Whistle Blowing Policy which is stated below.

“Whistle-blowing”

Whistle-blowing is an early warning system. It is about revealing and raising concerns over misconduct or malpractice within an organisation or within an independent structure associated with it.

Any adult or young person with concerns about a colleague can also use whistle-blowing by contacting The FA Safeguarding Case Team on 0800 169 183 Ex.6300. Alternatively you can go direct to the Police or Children's Social Care and report your concerns there.

REGULATIONS RELATING TO ADVERTISING ON THE CLOTHING OF PLAYERS, CLUB OFFICIALS AND MATCH OFFICIALS

Introduction

These Regulations are made pursuant to FA Rule J2 and The Football Association's Regulation's for the Registration and Control of Referees.

All references to a club or clubs in these Regulations include any team, whether or not part of a club. Clubs participating in International competitions must also comply with all relevant regulations of FIFA, UEFA and other Confederations.

It is recommended that clubs and football boot and clothing manufacturers seeking clarification of any of the regulations do so by referring to the specific competition rules and The Football Association.

We would encourage clubs and football boot and clothing manufacturers to seek feedback at the earliest possible time, in relation to designs and advertising from The Football Association and their specific competition. Clubs and manufacturers are reminded to obtain the necessary permissions before manufacture.

The Football Association have produced an on-line version of these regulations providing a practical guide on how to apply these formal regulations. This can be found at www.TheFA.com/football-rules-governance/more/kitadvertising

A. GENERAL

1. Save as set out in these Regulations, advertising on clothing and football boots is prohibited during the period of a Match. This applies to Players, including substitutes, any others in the Technical Area, including Club Officials and to Match Officials. The rules of an Affiliated Association or Competition may provide that for matches under their jurisdiction a Club is obliged to obtain permission for any of the advertising listed in Section C below, subject always to these Regulations. Clubs must seek the permission of the Competition organiser in order to wear any items of clothing during any pre-match warm-up bearing a slogan or

message not otherwise covered by these regulations eg a message of support regarding an ill team-mate.

2. Where the rules of an Affiliated Association or Competition require a Club to obtain permission under A(1), a new application for permission must be made to the appropriate body each time it is proposed to amend the advertising. Subject to the provisions of Section B2 and Section C(5) below, or any relevant provisions of the appropriate Competition, there is no restriction on the number of such applications that may be made during the course of each season.
3. Disciplinary action in accordance with the Rules may be taken against a Club, Player, Club Official or Match Official for any breach of these Regulations.
4. The appearance on, or incorporation in, any item of clothing (including football boots) of any distasteful, threatening, abusive, indecent, insulting, discriminatory or otherwise ethically or morally offensive message, or any political message, is prohibited. The advertising of tobacco products is prohibited.
5. A Club shall observe all recognised advertising standards and in particular those of the Advertising Standards Authority.
6. Advertising entailing the use of numerals is permitted only if such numerals clearly form part of the advertising and cannot in any way be confused with Players' shirt numbers.
7. No colour or design may be used in advertising that might create problems of identification for Match Officials and/or opponents. The colour and design of the clothing of opponents, goalkeepers and match officials must be taken into account.
8. Without limiting the effect of the above, in the case of a team comprising players all under the age of 18 years on 31 August in the current season, the appearance on or incorporation in any item of clothing of any reference whatsoever to a product, service or other activity which is considered by The Football Association as detrimental to the welfare, health or general interest of young persons, or is otherwise considered inappropriate, having regard to the age of the players, is prohibited.

It is the view of The Football Association that examples of such products, services or related activities would include, but are not limited to, alcohol and gambling. Generally, reference to a public house or restaurant may be permissible, unless the establishment primarily or exclusively exists for the supply and consumption of alcohol (which is likely to be reflected in its alcohol licensing conditions). Alcoholic drinks, breweries and products, services or activities related to gambling are unlikely to be permissible under any circumstances.

Prior to entering into any contractual agreement with a product, activity or service that may be considered to be detrimental or inappropriate to young persons, clubs should contact The Football Association to seek approval.

9. Any issues arising in relation to the interpretation or effect of these Regulations shall be referred to The Football Association for its determination, which shall be final and binding (subject to provisions relating to Match Officials).
10. A Club shall supply on demand to The Football Association any item of clothing for consideration as to whether it complies with these Regulations.

THE ASSOCIATION'S SAFEGUARDING CHILDREN POLICY

Every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from abuse. This is the responsibility of every adult involved in football, thus every club is required to endorse and adhere to The Association's Safeguarding Children Policy.

The Association recognises its responsibility to safeguard the welfare of children and young people who play or participate in football by protecting them from abuse and harm. The Association is committed to working to provide a safe environment for all children and young people to participate in the sport to the best of their abilities for as long as they choose to do so.

The Association recognises that the terms 'child or young person', 'abuse' and 'harm' are open to interpretation and challenge but for the purpose of this Safeguarding Children policy they are defined as follows:

A **child or young person** shall be defined as:

'anyone who has not yet reached their 18th birthday.'

Abuse shall be defined as:

'a violation of an individual's human or civil rights by any other person or persons and, for the purposes of safeguarding children, shall include physical abuse, emotional abuse, sexual abuse, neglect, bullying and hazing.'

Harm shall be defined as:

'ill treatment and forms of ill treatment (including sexual abuse and forms of ill-treatment which are not physical) and also the impairment of or an avoidable deterioration in physical or mental health and the impairment of physical, intellectual, emotional, social or behavioural development.'

'**Harm**' may be caused by acts of commission and acts of omission.

The Safeguarding Children Policy is supported by The Association's **Respect** programme to address verbal abuse and bullying of youngsters by parents and coaches on the sidelines. The Association's Safeguarding Children Policy principles are that:

- The child's welfare is, and must always be, the paramount consideration;
- All children and young people have a right to be protected from abuse regardless of their age, gender, disability, culture, language, race, faith, belief or sexual orientation;
- All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately; and
- Working in partnership with other organisations, children and young people and their parents and carers is essential.

The Association is committed to working in partnership with the Police, Children's Services Departments, Local Safeguarding Children's Boards (LSCB) and the Disclosure and Barring Service (DBS) in accordance with their procedures. This is essential to enable these organisations to carry out their statutory duties to investigate concerns and protect all children and young people.

The Association's Safeguarding Children Policy is in response to government legislation and guidance, developed to safeguard the welfare and development of children and young people.

- 13.2 The Case Manager shall notify the individual in writing of the order and shall invite the individual to make any written representations within 14 days as to why the order should not be ratified by the Safeguarding Review Panel.
- 13.3 All such orders shall be reviewed at the next meeting of the Safeguarding Review Panel. In reviewing the order the Safeguarding Review Panel shall consider any written material submitted by the individual in accordance with Regulation 13.2, together with all written material submitted by the Case Manager. ORDER FOLLOWING RISK ASSESSMENT

15. In addition to The Association's powers under Regulations 3, 13 and 14 the Safeguarding Review Panel shall have the power to make any order that it considers appropriate, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate, if it is satisfied that the individual poses or may pose a risk of harm to a child or children and/or that the individual is or was in a position of trust in relation to any person and has engaged in sexual activity and/or an inappropriate relationship with that person.
16. Cases may be referred to the Safeguarding Review Panel in order to seek an order under Regulation 15 by the Case Manager where the Case Manager has reasonable cause to suspect that there are grounds for concern about an individual's continued participation in football activity involving a child or children.
17. The Case Manager shall reach this decision on the basis of a risk assessment of that individual's suitability for such participation. This risk assessment may be in such form and prepared by any person, as the Case Manager, at his/her discretion, considers appropriate.
18. Before a referral is made under Regulation 16, the individual must be notified in writing. Such written notification must explain the order sought and the reason for it, and include a copy of the risk assessment and all other written material that the Case Manager intends to rely upon in seeking the order, save for any exceptional material dealt with under Regulation 24.

If the written material is relied upon, any response by the individual must also be considered by the Safeguarding Review Panel.

22. The Safeguarding Review Panel shall determine all procedural matters for the conduct of a case referred to it under Regulation 16. Unless the Safeguarding Review Panel in its discretion exceptionally allows the individual and the Case Manager to address it in person, the case shall be considered on the basis of the following written material only:

 - 22.2 The reply, if any, and all other written material submitted by the individual in response to the written notification;
 - 22.3 Any further written material provided by the Case Manager to the individual subsequently to the written notification; and
 - 22.4 Any response from the individual to such further written material and all other written material submitted with that response.

 - 23.1 Whether the terms of any order under consideration would affect the individual's paid employment within football;
 - 23.2 Whether exceptional material is to be put before the Safeguarding Review Panel; and/or
 - 23.3 Whether an oral hearing has previously been conducted pursuant to Regulation 9 in relation to the same matter.

EXCEPTIONAL MATERIAL

- 24.2 Exceptionally, in respect of any of the matters set out at Regulation 24.1, the Case Manager may make an application to an Exceptional Material Panel for permission to submit material to the Safeguarding Review Panel that has not been sent to the individual ("exceptional material"), where the Case Manager considers that the exceptional material concerned should not be sent to the individual for any one or more of the following reasons:
 - 24.2.1 Revealing it to the individual may create a risk of harm to any person or persons, and/or
 - 24.2.2 Revealing it to the individual may amount to a criminal offence or otherwise be unlawful.
- 24.3 Where the Case Manager makes an application to an Exceptional Material Panel for permission to submit exceptional material to the Safeguarding Review Panel under Regulation 24.2 above, the Case Manager shall give notice of the application to the individual in writing at least fourteen days before the Exceptional Material Panel considers the application, unless the Case Manager considers that such written notice should not be given, as to give such notice may in itself:
 - 24.3.1 Create a risk of harm to any person or persons; and/or
 - 24.3.2 Amount to a criminal offence or otherwise be unlawful.
- 24.4 Any reply by an individual to a notice referred to in Regulation 24.3 must be passed to the Exceptional Material Panel for consideration.

- 24.5 The Exceptional Material Panel may, at its discretion, allow or reject the application in whole or in part.
- 24.6 In the event that the Exceptional Material Panel grants an order allowing the exceptional material to be submitted to the Safeguarding Review Panel, the Exceptional Material Panel shall give consideration as to whether either or both of the following may be provided to the individual:

- 24.6.2 A summary of the exceptional material.
- 24.7 An Exceptional Material Panel shall be made up of one or more of the members of the Safeguarding Review Panel. OTHER ORDERS AVAILABLE FOLLOWING RISK ASSESSMENT

THE FOOTBALL ASSOCIATION'S SAFEGUARDING VULNERABLE ADULTS POLICY

The FA is committed to football being inclusive and providing a safe and positive experience for everyone involved in the game.

Whilst it is hoped that the law, the **Respect** programme, The FA's Equality Policy and positive approaches to training and education are sufficient to safeguard all adults in football, The FA recognises that it has a responsibility to safeguard vulnerable adults from abuse and harm and to respond where abuse and harm are perceived to have occurred.

This Policy will seek to provide guidance as to how to prevent harm, give clarity on how to report harm, to ensure investigation into harm and to respond to the outcome of such investigations in such a way so as to reduce the risk of further harm to the individual vulnerable adult and to other vulnerable adults who may be affected in the future.

The FA recognises that the terms '**vulnerable adult**', '**abuse**' and '**harm**' are open to interpretation and challenge but for the purpose of this vulnerable adult Policy they will be defined as follows:

Vulnerable adult shall be defined as:

'A person aged 18 or over who is or who may be in need of community care services by reason of mental or other disability, age or illness; and who is or who may be unable to take care of himself or herself, or unable to protect himself or herself against significant harm or exploitation'.

Abuse shall be defined as:

'Abuse is a violation of an individual's human and civil rights by any other person or persons'.¹

Harm shall be defined as:

'Ill treatment and forms of ill treatment (including sexual abuse and forms of ill-treatment which are not physical) and also the impairment of, or an avoidable deterioration in physical or mental health and the impairment of physical, intellectual, emotional, social or behavioural development'.¹

'Harm' may be caused by acts of commission and acts of omission.

The responsibility taken by this Policy is to:

- Safeguard the welfare of vulnerable adults in football by protecting them from any significant physical, sexual and emotional harm and from neglect, bullying and financial harm within the game. This may include providing training and codes of practice amongst other strategies for reducing risk;
- Safeguard the welfare of vulnerable adults in football by making use of such vetting as is available to The Football Association when seeking to establish suitability for a new or pre-existing role with vulnerable adults in football;
- Report to the appropriate authorities any concerns about abuse or harm to vulnerable adults whether this occurs within the game or elsewhere and whether this be a criminal offence or other concern. The appropriate authorities may be internal or external to the game. This will include identifying reporting frameworks and developing guidelines for reporting;
- Ensure appropriate investigations and responses to concerns about abuse or harm within the game including football sanctions as appropriate. This will include work in partnership with the Police and other statutory agencies charged with investigating and responding and with the vulnerable adult who is believed to be at risk or believed to have been harmed;

¹ 'No Secrets: Guidance on developing and implementing multi-agency policies and procedures to protect vulnerable adults from abuse (Departments of Health and Home Office, 2000)

- Following such investigations, act to put appropriate safeguards in place to safeguard the vulnerable adult in the future and to reduce the risk of harm to other vulnerable adults in the game.
- Report when appropriate to the Disclosure and Barring Service (DBS) anybody in the game who is believed by The Association to be a risk of harm to vulnerable adults.
- Seek to develop internal skills and knowledge based on research, Government guidance and learning from experience.
- Review the Policy from time to time.
- Report when appropriate to the Disclosure and Barring Service (DBS) anybody in the game who is believed by The Association to be a risk of harm to vulnerable adults.
- Seek to develop internal skills and knowledge based on research, Government guidance and learning from experience.
- Review the Policy from time to time.

THE ASSOCIATION'S SAFEGUARDING VULNERABLE ADULTS REGULATIONS

PREAMBLE

This Preamble is provided for guidance. If there is any inconsistency between the Preamble and the operative parts of the Safeguarding Vulnerable Adults Regulations below, the operative parts shall prevail.

As set out in The Football Association's Safeguarding Vulnerable Adults Policy, The Association is committed to safeguarding vulnerable adults within football and has Case Management procedures in place to assess the suitability of individuals to be involved with vulnerable adults in football.

In assessing that suitability, vulnerable adults' welfare is the paramount consideration.

Towards this, The Association has the power under the Safeguarding Vulnerable Adults Regulations to issue an order where any one or more of the following applies:

- (i) The individual fails to comply with any part of The Association's Criminal Records Check (CRC) process;
- (ii) The individual has been barred by the Independent Safeguarding Authority (ISA) or the Disclosure and Barring Service (DBS) from engaging in regulated activity relating to vulnerable adults;
- (iii) The individual is included on the Disclosure and Barring Service (DBS) Adults Barred List;
- (iv) The individual has been convicted of, or made the subject of a caution for, an "Offence" defined in Regulation 1.1; or
- (v) Following a risk assessment, The Association is satisfied that the individual poses or may pose a risk of harm to vulnerable adults.
- (vi) Following a risk assessment, The Association is satisfied that the individual is or was in a position of trust in relation to another person and has engaged in sexual activity and / or an inappropriate relationship with that person.

GENERAL

- 1.1 In these Regulations the expression "Offence" shall mean any one or more of the offences contained in the Schedules of the Criminal Justice and Court Services Act 2000 and any other criminal offence which reasonably causes The Association to believe that the person accused of the offence poses or may pose a risk of harm to a vulnerable adult or adults.
The expression "position of trust" shall mean any position where an individual is in a relationship of trust with any person with responsibility and / or authority in relation to that person and shall include without limitation those who care for, advise, supervise, train, coach, teach, manage, tutor, mentor, assess, develop, guide, treat or provide therapy to vulnerable adults.
- 1.2 The Safeguarding Review Panel shall determine its own procedures save that in making findings of fact the test that the Safeguarding Review Panel shall apply shall be the civil standard of the balance of probability. Where a case is referred to the Safeguarding Review Panel pursuant to these Regulations it shall have the discretion to depart from the procedures set out in these Regulations where it considers it appropriate to do so.
- 1.3 The actions that may be taken under these Regulations by a Case Manager may also be taken by the Case Manager's nominee.
- 1.4 The Association may notify other parties of the terms of any order imposed under these Regulations where the Case Manager considers that such notification is appropriate in order to give effect to the terms of the order.
- 1.5 Where urgent cases arise under these Regulations the Chairman of the Safeguarding Review Panel may exercise the functions and powers of the Safeguarding Review Panel

as provided for by these Regulations, on an interim basis. An interim decision taken by the Chairman of the Safeguarding Review Panel shall not be final until such time as it has been ratified by the Safeguarding Review Panel, which shall have the right to ratify, modify or make any other order as it considers appropriate in relation to the decision taken by the Chairman of the Safeguarding Review Panel.

2. For these purposes, the term vulnerable adult means any person who is within any one or more of the following definitions of vulnerable adult:
 - 2.1 The definition contained in section 2.3 of the Department of Health paper – No secrets: Guidance on developing and implementing multi-agency policies and procedures to protect vulnerable adults from abuse (2000);
 - 2.2 The definition contained in section 59 of the Safeguarding Vulnerable Groups Act 2006; and
 - 2.3 The definition contained in section 80 of the Care Standards Act 2000.

THE ASSOCIATION'S SAFEGUARDING VULNERABLE ADULTS PROCESS

3. Any person, regardless of their age, applying for or currently in such positions that The Association in its discretion considers relevant whose duties include regularly caring for, training, supervising, administering treatment and/or therapy or being in sole charge of a vulnerable adult or adults may be required by The Association to comply with the requirements of The Association's Safeguarding Vulnerable Adults process. These requirements are:
 - 3.1 To obtain and provide to The Association a DBS Enhanced Criminal Records Check (to include the Adults Barred List check where the duties fall within the definition of "Regulated Activity" under the Protection of Freedoms Act 2012);
 - 3.2 To provide any such further detail, explanation or clarification of any part of the matters disclosed pursuant to Regulation 3.1 above as may be required by The Association;
 - 3.3 To comply with any other request or requirement which may assist The Association in progressing or completing any investigation, risk assessment or other enquiry as part of the Safeguarding Vulnerable Adults process;
 - 3.4 Where required, to provide at least two references that attest to their suitability to be involved in football involving vulnerable adults. The spouse or partner of the person subject to this requirement cannot act as a referee for this purpose. Any reference provided by a spouse or partner will not be accepted; and
 - 3.5 To comply with each of the requirements set out in Regulations 3.1-3.4 within any such time limit as The Association may stipulate.
 - 3.6 To comply with any order imposed by the Safeguarding Review Panel.

Any person who fails to comply with any of the requirements set out in Regulation 3 shall be subject to an immediate suspension from football activity, on such terms and for such period as The Association may stipulate.

Any requirement under this Regulation 3, or any suspension arising from any failure to comply with any requirement of this Regulation, shall apply whether or not a person withdraws their application or ceases to hold the relevant position at any time before, during or after the investigation, risk assessment or final order of the Safeguarding Review Panel.

 - 4.1 Notification that an individual has been charged with an Offence;
 - 4.2 Notification that an individual is the subject of an investigation by the Police or any other authority relating to an Offence; or

- 5.2 An interim order may be issued without prior notice to the individual where, having given consideration to the factors set out in Regulation 5.1, the Case Manager considers that an interim order should be imposed immediately.
- 5.3 All interim orders will be reviewed at the next meeting of the Safeguarding Review Panel. The Panel may ratify, modify or remove any interim order, or make any other order as it considers appropriate.

The opportunity to make written representations shall be in accordance with the deadline set by the Case Manager for such written representations to be made.
- 8 Appeals under Regulation 7 shall be considered by the Safeguarding Review Panel. None of the members of the Safeguarding Review Panel hearing the appeal shall have been a member of the Safeguarding Review Panel which conducted the initial review under Regulation 5.3.

In each case the notice must request an appeal and state the grounds for that appeal. The appellant may submit any written material in support of the appeal. Such material must be submitted to the respondent (who will be either The Association or individual as appropriate) and the Safeguarding Review

- Panel within 14 days of giving such notice or it may not be considered by the Safeguarding Review Panel.
- 10 The Safeguarding Review Panel shall determine all procedural matters for the conduct of the appeal, including requiring more information from either the appellant or the respondent. THE FOOTBALL ASSOCIATION ANTI-DOPING PROGRAMME

ANTI-DOPING REGULATIONS
& PROCEDURAL GUIDELINES

Produced by The Football Association Football Regulation & Administration Division

THE FOOTBALL ASSOCIATION ANTI-DOPING PROGRAMME REGULATIONS (the “ANTI-DOPING REGULATIONS”)

PREAMBLE

This Preamble is a binding part of these Regulations.

Any term used in these Regulations denoting the masculine gender includes the feminine gender.

The headings contained in the Anti-Doping Regulations are provided for the purposes of convenience only and do not form part of and shall not affect the construction of the Anti-Doping Regulations.

Definitions are contained in Schedule Two to the Anti-Doping Regulations and Rule A2 of the Rules of The Football Association.

1. EFFECTIVE VERSION

The amendments to these Regulations shall come into full force and effect on 22 July 2016 (the “effective date”). Anti-Doping Rule Violations by a Participant that occurred prior to the effective date shall be taken into consideration for the purposes of determining whether a Violation committed by that Participant under these Regulations is a first, second or subsequent Violation.

The limitation period of ten years for bringing disciplinary action contained in Regulation 22 applies retroactively unless the period has already expired by the effective date. Otherwise, these Regulations shall not apply retroactively to matters arising prior to that date; provided, however, that any case pending prior to the effective date, or brought after that date but based on an Anti-Doping Rule Violation that occurred prior to that date, shall be governed by the version of The FA’s Anti-Doping Regulations in force at the time of the Anti-Doping Rule Violation, subject to any application of the principle of *lex mitior* by the tribunal hearing the case.

Where a period of suspension imposed under a version of The FA’s Anti-Doping Regulations in force prior to the effective date has not yet expired as at the effective date, any Participant who is so suspended may apply to The FA for a reduction in the period of suspension in light of any amendments made by these Regulations. To be valid, such application must be made before the period of suspension has expired.

Participants should be aware that the current version of the Anti-Doping Regulations may not be the version published in The FA Handbook. The current version will be published on The FA’s website, located at www.TheFA.com.

These Regulations may be supplemented by further instructions or guidelines issued by The FA from time to time (“Supplemental Guidance”). Such Supplemental Guidance is binding on Participants.

2. AIMS OF ANTI-DOPING

Doping has become a constant concern of international sports organisations and national governments.

The fundamental aims of anti-doping are threefold:

- to uphold and preserve the ethics of sport;
- to safeguard the physical health and mental integrity of Players; and
- to ensure that all Players have an equal chance.

The above fundamental aims are laid down by FIFA, WADA and The FA.

3. PARTICIPANTS' RESPONSIBILITIES

Participants accept the Anti-Doping Regulations as a condition of participation in football and shall be bound by them.

In particular, Players must –

- Be aware of and comply with all applicable anti-doping policies and Rules and Regulations adopted by The FA;
- Be aware in particular of what constitutes an Anti-Doping Rule Violation under the Anti-Doping Regulations, including what substances and methods are prohibited under the Anti-Doping Regulations;
- Make themselves available for Sample collection at all times and provide whereabouts information as required;
- Take responsibility for all substances that they ingest and for all substances and methods that they Use;
- Inform medical personnel of their obligation not to Use Prohibited Substances and Prohibited Methods and to take responsibility to ensure that any medical treatment received does not contravene the Anti-Doping Regulations;
- Inform The FA and FIFA of any decision by a body that is not a signatory to the World Anti-Doping Code of an Anti-Doping Rule Violation committed by the Player in the last ten years; and
- Co-operate with any investigation regarding a potential Anti-Doping Rule Violation.

In particular, Player Support Personnel must –

- Be aware of and comply with all applicable anti-doping policies and Rules and Regulations adopted by The FA;
- Co-operate with The FA's Anti-Doping Programme;
- Use their influence on Player values and behaviour to foster anti-doping attitudes;
- Inform The FA and FIFA of any decision by a body that is not a signatory to the World Anti-Doping Code of an Anti-Doping Rule Violation committed by the Player Support Personnel in the last ten years; and
- Co-operate with any investigation regarding a potential Anti-Doping Rule Violation.

The Anti-Doping Rule Violations set out in the Anti-Doping Regulations may be committed by Participants. Where appropriate, the Anti-Doping Regulations stipulate if a particular Anti-Doping Rule Violation can only be committed by a certain category of Participants, such as Players or Player Support Personnel.

4. DRUG TESTING

Players are obliged to undergo drug tests as set out in these Anti-Doping Regulations. Testing may take place In Competition (i.e. on the day of a match up until the time that the testing procedures have been completed) or Out of Competition (i.e. at any other time) and at any location without any advance notice.

5. PROHIBITED SUBSTANCES AND PROHIBITED METHODS

Prohibited Substances and Prohibited Methods are set out or referenced in the List of Prohibited Substances and Prohibited Methods (the "Prohibited List"). Participants should note that the Prohibited List may be updated from time to time by WADA independently of the Anti-Doping Regulations. Any changes made to the Prohibited List by WADA will be immediately recognised and enforced by The FA. Any substance or method that is added to the Prohibited List by WADA shall immediately be deemed a Prohibited Substance or

Prohibited Method (as applicable) for the purpose of the Anti-Doping Regulations. The version of the Prohibited List that is current at any given time will be available on WADA's website located at www.wada-ama.org and on The FA's website, located at www.TheFA.com/anti-doping.

WADA's determination of the prohibited substances and methods that will be included in the Prohibited List is final. Neither that determination nor the determination of how such substances or methods are to be classified on the Prohibited List (for example and without limitation, as banned at all times or just In Competition; or as a Specified Substance) may be challenged in any way by any Participant.

In the event that WADA expands the Prohibited List by adding a new class of Prohibited Substances, WADA's Executive Committee shall determine whether any or all of the Prohibited Substances within the new class of Prohibited Substances shall be considered Specified Substances.

6. **STRICT LIABILITY**

Adverse Analytical Findings and the Use of Prohibited Substances and Prohibited Methods will be dealt with as strict liability violations. This means, for example, that a Player will be guilty of an Anti-Doping Rule Violation if a Prohibited Substance or any of its Metabolites or Markers is present in that Player's body. It is not necessary to demonstrate intent, Fault, negligence or knowing Use on the Player's part to establish an Anti-Doping Rule Violation for such presence, or for Use of a Prohibited Substance or Prohibited Method; and a Player's alleged lack of intent, Fault, negligence or knowledge is not a valid defence to a charge that such an Anti-Doping Rule Violation has been committed.

7. **MANDATORY PENALTIES**

Participants should note that there are a number of mandatory penalties set out in the Anti-Doping Regulations, which are based on the penalties stipulated by WADA. It is only in exceptional circumstances that these penalties may be reduced.

8. **ENQUIRIES**

DOPING REGULATIONS

PART ONE - ANTI-DOPING RULE VIOLATIONS

General

1. These Anti-Doping Regulations are intended to implement the mandatory provisions of the World Anti-Doping Code (the "Code") and should be interpreted in accordance with that purpose. The comments annotating the mandatory provisions of the Code shall be used to assist in the understanding and interpretation of these Regulations. In addition, where these Anti-Doping Regulations bring into effect the provisions of the 2015 FIFA Anti-Doping Regulations, in the event of any conflict between these Anti-Doping Regulations and the FIFA Anti-Doping Regulations the provisions set out in the FIFA Anti-Doping Regulations shall prevail.
2. The term "Anti-Doping Rule Violation" means a breach of any one of Regulations 3-12 (inclusive). Committing an Anti-Doping Rule Violation will be regarded as a breach of the Anti-Doping Regulations, and therefore as a breach of Rule E 25 of the Rules of The Football Association.

Anti-Doping Rule Violations

3. Presence of a Prohibited Substance or its Metabolites or Markers in a Player's Sample:
 - (a) The presence of a Prohibited Substance or any of its Metabolites or Markers in a Sample provided by a Player is prohibited unless the Player establishes that the presence is consistent with a Therapeutic Use Exemption that has been granted to the Player.
 - (b) Sufficient proof that an Anti-Doping Rule Violation has been committed pursuant to Regulation 3 is established by any of the following: the presence of a Prohibited Substance or its Metabolites or Markers in the Player's "A" Sample where the Player waives analysis of the "B" Sample and the "B" Sample is not analysed; or, where the Player's "B" Sample is analysed and the analysis confirms the presence of the Prohibited Substance or its Metabolites or Markers found in the Player's "A" Sample; or, where the Player's "B" Sample is split into two bottles and the analysis of the second bottle confirms the presence of the Prohibited Substance or its Metabolites or Markers found in the first bottle.
 - (c) It is a Player's duty to ensure that no Prohibited Substance enters his body, and a Player is therefore strictly responsible for any Prohibited Substance or its Metabolites or Markers found to be present there. It is not necessary that intent, Fault, negligence or knowing Use on the Player's part be demonstrated in order to establish an Anti-Doping Rule Violation pursuant to Regulation 3. A Player's lack of intent, Fault, negligence or knowledge is not a valid defence to a charge that an Anti-Doping Rule Violation has been committed pursuant to Regulation 3.
 - (d) Subject to Regulation 3(e), the presence of any quantity of a Prohibited Substances or its Metabolites or Markers in a Player's Sample will constitute an Anti-Doping Rule Violation.
 - (e) The Prohibited List may make special provision for substances which have a quantitative reporting threshold and/or which can be produced endogenously.
 - (f) The penalties set out in Regulation 51 apply to this violation.
4. Use or Attempted Use by a Player of a Prohibited Substance or a Prohibited Method:
 - (a) The Use or Attempted Use of a Prohibited Substance or Prohibited Method by a Player is prohibited unless the Player establishes that the Use or Attempted Use is consistent with a Therapeutic Use Exemption that has been granted to the Player.

-
- (b) It is a Player's duty to ensure that no Prohibited Substance enters his body and that he does not Use any Prohibited Method. It is not necessary that intent, Fault, negligence or knowing Use on the Player's part be demonstrated in order to establish an Anti-Doping Rule Violation of Use pursuant to Regulation 4. A Player's lack of intent, Fault, negligence or knowledge is not a valid defence to a charge that an Anti-Doping Rule Violation of Use has been committed pursuant to this Regulation. However, it is necessary to demonstrate intent on the Player's part to establish an Anti-Doping Rule Violation of Attempted Use pursuant to Regulation 4.
 - (c) The success or failure of the Use or Attempted Use of the Prohibited Substance or Prohibited Method is irrelevant.
 - (d) Out of Competition Use of a substance that is only prohibited In Competition is not an Anti-Doping Rule Violation pursuant to Regulation 4. If, however, a Sample collected In Competition returns an Adverse Analytical Finding for such a substance or any of its Metabolites or Markers, that constitutes an Anti-Doping Rule Violation pursuant to Regulation 3 even if the Adverse Analytical Finding was caused by Use of the substance Out of Competition.
 - (e) The penalties set out in Regulation 51 apply to this violation.
5. Evading, Refusing or Failing to Submit to Sample Collection:
- (a) It is prohibited for a Player to evade Sample collection, or (without compelling justification) to refuse or fail to submit to Sample collection after notification by a Competent Official.
 - (b) The penalties set out in Regulation 52 apply to this violation.
6. Registered Testing Pool Whereabouts Failures:
- (a) It is prohibited for a Player who is in a Registered Testing Pool to have three filing failures and/or missed tests (as those terms are defined in the International Standard for Testing and Investigations) within a twelve month period.
 - (b) Players who are included in FIFA's International Registered Testing Pool ("IRTP Players") or in the National Registered Testing Pool ("NRTP Players") will be notified in writing by The FA of that fact. IRTP Players are subject to the applicable requirements of FIFA's Anti-Doping Regulations, which can be found at www.fifa.com. NRTP Players will be subject to equivalent requirements set out in the International Standard for Testing and Investigations, which will be notified to them when they are notified that they have been included in the NRTP. For the avoidance of doubt, IRTP Players and NRTP Players also remain subject to all of the requirements of the Anti-Doping Regulations, save only the requirements that Regulation 15 makes applicable to Players who are not in the IRTP or NRTP.
 - (c) It is the responsibility of all IRTP and NRTP Players and their Clubs to ensure that they are aware of the applicable requirements for Players in a Registered Testing Pool, including the requirements to file whereabouts information and to be available for testing at that whereabouts, and a Player's liability for an Anti-Doping Rule Violation based on three failures in any 12 month period to file the required whereabouts information and/or to be available for testing at the whereabouts specified in such filing.
 - (d) IRTP Players must file the whereabouts information required by FIFA with The FA, In accordance with FIFA's Anti-Doping Regulations, and The FA will submit that information to the FIFA Anti-Doping Unit.
 - (e) The penalties set out in Regulation 53 apply to this violation.

7. Tampering or Attempted Tampering with any part of Doping Control:
 - (a) Tampering or Attempted Tampering with any part of Doping Control by a Participant is prohibited. Tampering is conduct which subverts the Doping Control process but which would not otherwise be included in the definition of Prohibited Methods. Tampering shall include, without limitation, intentionally interfering or Attempting to interfere with a Doping Control official, providing fraudulent information to an Anti-Doping Organisation, or intimidating or Attempting to intimidate a potential witness.
 - (b) The penalties set out in Regulation 52 apply to this violation.
8. Possession of a Prohibited Substance or a Prohibited Method:
 - (a) Each of the following – (i) Possession by a Player In Competition of any Prohibited Method or any Prohibited Substance; (ii) Possession by a Player Out of Competition of any Prohibited Method or any Prohibited Substance that is prohibited Out of Competition; (iii) Possession by a Player Support Personnel In Competition of any Prohibited Method or any Prohibited Substance; and (iv) Possession by a Player Support Personnel Out of Competition, but in connection with a Player, a Match or a training session, of any Prohibited Method or any Prohibited Substance that is prohibited Out of Competition - is prohibited unless the Player or Player Support Personnel establishes that the Possession is consistent with a Therapeutic Use Exemption that has been granted to a Player or other acceptable justification.
 - (b) The penalties set out in Regulation 51 apply to this violation.
9. Trafficking or Attempted Trafficking in any Prohibited Substance or Prohibited Method:
 - (a) Trafficking or Attempted Trafficking in a Prohibited Substance or a Prohibited Method by a Participant is prohibited.
 - (b) The penalties set out in Regulation 54 apply to this violation.
10. Administration or Attempted Administration of a Prohibited Substance or Prohibited Method:
 - (a) The Administration or Attempted Administration of a Prohibited Substance or a Prohibited Method to a Player (with or without his or her knowledge) by a Participant is prohibited, unless it is (i) Administration or Attempted Administration that is consistent with a Therapeutic Use Exemption that has been granted to the Player; or (ii) Administration or Attempted Administration Out of Competition of a substance that is not prohibited Out of Competition.
 - (b) The penalties set out in Regulation 54 apply to this violation.
11. Complicity:
 - (a) The following is prohibited: assisting, encouraging, aiding, abetting, conspiring in, covering up or any other type of intentional complicity by a Participant involving an Anti-Doping Rule Violation, Attempted Anti-Doping Rule Violation, or contravention of Regulation 42(a) by another Participant.
 - (b) The penalties set out at Regulation 55 apply to this violation.
12. Prohibited Association:
 - (a) It is prohibited for a Participant to associate in a professional or sport-related capacity with any person falling within the definition of Player Support Personnel who (i) if subject to the authority of an Anti-Doping Organisation, is serving a period of suspension; or (ii) if not subject to the authority of an Anti-Doping Organisation, and where the issue of suspension has not been addressed in a results management process pursuant to the Code, has been convicted of or

- found in a criminal, disciplinary or professional proceeding to have engaged in conduct which would have constituted a violation of anti-doping rules if Code-compliant rules had been applicable to that person (the disqualifying status of such person shall be in force for the longer of six years from the criminal, professional, or disciplinary decision or the duration of the criminal, professional or disciplinary sanction imposed); or (iii) is acting as a front or intermediary for any person described in (i) or (ii).
- (b) In order for this Regulation 12 to apply, it is necessary (i) that the Participant has been advised previously in writing by The FA, WADA or another Anti-Doping Organisation with jurisdiction over him or her of the Player Support Personnel's disqualifying status and therefore of the potential consequences of prohibited association with the Player Support Personnel; and (ii) that the Participant can reasonably avoid such association.
 - (c) The FA, WADA or other Anti-Doping Organisation shall use reasonable efforts to advise the Player Support Personnel who is the subject of the notice to the Participant that the Player Support Personnel may, within 15 days, provide an explanation as to why the criteria in Regulation 12(a)(i) or (ii) do not apply.
 - (d) This Regulation 12 applies even if the Player Support Personnel's disqualifying conduct occurred before the effective date of these Regulations.
 - (e) The burden shall be on the Participant to establish that any association with a Player Support Personnel described in Regulation 12(a)(i) or (ii) is not in a professional or sport-related capacity.
 - (f) The penalties set out at Regulation 56 apply to this violation.

Misconduct

- 13. Breach of any of Regulations 14-17 (inclusive) does not constitute an Anti-Doping Rule Violation but instead shall constitute Misconduct within the meaning of Rule E.1 of the Rules of The Football Association, for which the Regulatory Commission shall have at its disposal all of the penalties set out in Regulation 8.1 of the Regulations for Football Association Disciplinary Action, save that for a proven breach of Regulation 15 the penalty set out at Regulation 15(f) of these Regulations shall apply.
- 14. Club whereabouts information:
 - (a) All Clubs must furnish The FA upon request with any whereabouts information The FA requires from time to time in respect of any Players who are not IRTP Players or NRTP Players. That information shall include as a minimum:
 - (i) training dates;
 - (ii) start and finish times of training;
 - (iii) the address at which such training will take place; and
 - (iv) the home address for a Player and any other address at which a Player regularly resides overnight.
 - (b) The FA (whether through the Anti-Doping Unit or otherwise) may issue directions from time to time about:
 - (i) the type of whereabouts information to be submitted by Clubs; and/or
 - (ii) the manner and time frame in which such whereabouts information must be submitted.
 - (c) It shall be a breach of this Regulation 14 for a Club to fail to provide regular details of the times, dates and venues of the Club's training sessions in the manner directed by The FA.

- (d) It shall also be a breach of this Regulation 14 by the Club if the information contained in such reports is either initially inaccurate or has not been updated by the Club as necessary to ensure it remains accurate.
15. Missed tests (Players not in the IRTP or NRTP):
- (a) A Player who is not an IRTP Player or an NRTP Player shall be deemed to be aware of the whereabouts information provided by his Club to The FA further to Regulation 14, and must be present and available for drug testing in accordance with that whereabouts information. If such Player is not present and available for drug testing in accordance with that whereabouts information on any occasion, then (subject only to Regulations 15(b) and 15(c)) he shall be deemed to have missed a test and will be so notified by The FA. Any Player who is deemed to have missed a test may be targeted for testing. It is a breach of this Regulation 15 for a Player who is not an IRTP Player or an NRTP Player to miss three tests within any 12 month period.
- (b) Any Player born on or before 31 August 1998 who is not present and available for drug testing at the squad time and location stated in the whereabouts information provided by his Club will be deemed to have missed a test unless he satisfies the following two conditions:
- (i) In advance of such absence, he provides The FA with details of an alternative venue at which he will be present and available for drug testing, which must include a stipulated 60 minute time slot during which such testing may take place. This time slot must be on the same day as the Player's absence, must be between 6am and 11pm, and must not commence for at least two hours from the time that the Player notifies The FA of his absence; and
- (ii) He is present and available for drug testing at that alternative venue for the whole of the 60 minute time slot stipulated by him.
- (c) Any Player born on or after 1 September 1998 at a Club with an Under 18 squad in Professional Development League 1 (this excludes Professional Development Leagues 2 and 3) who is not present and available for drug testing at the squad time and location provided in the whereabouts information submitted by his Club will be deemed to have missed a test unless he satisfies one of the following two conditions:
- (i) He notifies The FA of his absence in advance of that absence; or
- (ii) Following that absence, he provides The FA with independent corroborative evidence of the reason for that absence.
- (d) It is the responsibility of each Player to make himself familiar with and to comply with any and all requirements of this Regulation that apply to him.
- (e) This Regulation does not apply to Players who are included in the IRTP or the NRTP for the period that they are so included.
- (f) For a violation of Regulation 15, a minimum of one year's suspension and a maximum of two years' suspension must be imposed, based on the Player's degree of Fault.
16. Interference:
- (a) Interference with the conduct of a drug test or any other aspect of the Anti-Doping Programme by a Participant will be a breach of this Regulation 16. In addition, a Participant is liable for any such interference by a third party of which that Participant has knowledge. The actions set out in Regulations 16(b) - (e)

- (inclusive) are a non-exhaustive list of examples of conduct that shall be regarded as a breach of this Regulation 16.
- (b) The independent private testing/screening of a Player for a Prohibited Substance for any reason whatsoever.
 - (c) Interference in the drug testing process that falls short of the Tampering/ Attempted Tampering violation set out in Regulation 7, including (for example but without limitation) handling Samples when not permitted or authorised to do so by a Competent Official.
 - (d) A Club failing to comply with the reasonable instructions of The FA or a Competent Official with regard to the adequacy of the Doping Control Station (which must contain the minimum facilities set out in the Procedural Guidelines).
 - (e) Conduct intended to procure that a Player is not presented for drug testing or is delayed from being presented for drug testing. This may include (by way of example and without limitation):
 - (i) a Club either failing to allow a Competent Official access to a Player to notify him of a test, or delaying such access;
 - (ii) a Club intentionally or negligently causing a failure to notify a Player or a delay in notifying a Player that he is required to submit to testing;
 - (iii) a delay in the Player submitting himself for testing following such notification (provided that a delay in the Player submitting himself for testing following notification may be treated as a failure to submit to drug testing and so as an Anti-Doping Rule Violation under Regulation 5);
 - (iv) a Club failing to present a selected Player for testing due to the Player sustaining a serious injury, where the Club fails to provide satisfactory evidence of the Player's admission to hospital and/or attendance at a medical consultation in relation to that injury to The FA within 14 days of the intended drug test. A serious injury is one which renders a Player incapable of taking a test and/or requires immediate attendance at hospital for medical treatment;
 - (v) where The FA has attended a Club for Out of Competition testing and the Club fails to present a selected Player for testing due to a scheduled medical appointment, where the Club fails to provide satisfactory evidence of the prior arrangement of the appointment and the Player's attendance at that appointment to The FA within 14 days of the intended drug test.
 - (f) Nothing in this Regulation 16 shall prevent any of the conduct mentioned being pursued as an Anti-Doping Rule Violation under Regulation 5, Regulation 7 and/or Regulation 11 where appropriate.
17. Possession or Use of a Prohibited Substance by a Player Support Personnel:
- (a) It is a breach of this Regulation 17 for a Player Support Personnel to Use any Prohibited Substance or to Possess any Prohibited Substance without valid justification.
 - (b) Possession of a Prohibited Substance by a Player Support Personnel that constitutes an Anti-Doping Rule Violation under Regulation 8 shall be dealt with as an Anti-Doping Rule Violation pursuant to that Regulation.
 - (c) Possession of a Prohibited Substance by a Player Support Personnel that does not constitute an Anti-Doping Rule Violation under Regulation 8 shall be dealt with as Misconduct pursuant to this Regulation 17 (or, where appropriate, under The FA's Social Drugs Policy Regulations).

18. For the avoidance of doubt, Regulations 13-17 do not restrict The FA's general power to bring proceedings for Misconduct pursuant to Rule E.1 of the Rules of The Football Association in any circumstances that it deems appropriate, whether related to The FA's Anti-Doping Programme or otherwise. Instead, Regulations 13-17 simply identify specific examples of conduct related to The FA's Anti-Doping Programme that may be treated as Misconduct pursuant to that Rule E.1.

PART TWO – DRUG TESTING AND INVESTIGATIONS PROCEDURES

19. The FA will carry out drug testing:
 - (a) without giving advance notice to Participants; and
 - (b) both In Competition and Out of Competition, at any time and place.
20. Where more than one member of a team has been notified of an Anti-Doping Rule Violation in connection with a Competition, The FA shall conduct appropriate target testing of the team during that Competition in the same playing season.
21. Administrative and procedural guidelines for the conduct of drug testing are set out in the Procedural Guidelines for the Conduct of Drug Testing and Investigations (the "Guidelines") contained in Schedule One. Procedural guidelines for Sample collection are also set out in the International Standard for Testing and Investigations (the "ISTI"), a copy of which is available on WADA's website (www.wada-ama.org). To the extent that the Guidelines are inconsistent with the ISTI, the ISTI shall prevail.

PART THREE – DISCIPLINARY PROCEEDINGS FOR ANTI-DOPING RULE VIOLATIONS

Disciplinary proceedings

22. Where:
 - (a) a laboratory detects the presence of a Prohibited Substance in a Sample; or
 - (b) a laboratory or The FA discovers evidence of the Use or Attempted Use of a Prohibited Substance or a Prohibited Method; or
 - (c) other evidence comes to The FA's attention suggesting that any Anti-Doping Rule Violation may have been committed;

The FA shall consider the evidence available and decide whether to charge a Participant with an Anti-Doping Rule Violation. The FA may not issue a charge unless the Participant has been notified of the alleged Anti-Doping Rule Violation, or notification has been reasonably attempted, within ten years of the date on which the Anti-Doping Rule Violation is alleged to have occurred.

23. Prior to issuing any such charge, The FA shall inform the Participant, and (in the case of a Player) a senior representative of his Club and (if the Player is a member of The Professional Footballers' Association ("The PFA"), and the Player consents) a representative of the PFA, and shall invite the Participant to give an explanation for the evidence of the commission of an Anti-Doping Rule Violation. The FA may require a written explanation from the Participant within a designated time, and may also require that the Participant attends a personal interview. The Participant is entitled to be accompanied by one representative of his Club, a legal adviser, and (where applicable) a representative of The PFA. Such an interview may be recorded and may be used by The FA in any disciplinary proceedings brought against such Participant or in any related disciplinary proceedings.
24. If no satisfactory explanation is provided, The FA will generally decide to commence disciplinary proceedings against the Participant. Such proceedings will be conducted in accordance with the Regulations for Football Association Disciplinary Action and any other applicable regulations, save to the extent contrary provisions are included in these Anti-Doping Regulations. As one such contrary provision, in any case where each of The FA,

- Participant, WADA and UKAD consents, proceedings alleging an Anti-Doping Rule Violation may be heard directly at CAS without any other prior hearing.
25. The ability of The FA to impose a Provisional Suspension under this Regulation 25 is separate from, and operates independently of, Rule E16.
- (a) The FA shall provisionally suspend a Player from the date that The FA's notification of an Adverse Analytical Finding in respect of an A Sample for a Prohibited Substance other than a Specified Substance is communicated to the Player (a "mandatory Provisional Suspension").
 - (b) The FA may provisionally suspend a Participant in all other Anti-Doping Rule Violation cases (an "optional Provisional Suspension").
 - (c) If a Provisional Suspension is based on an A Sample Adverse Analytical Finding, and subsequent analysis of the B Sample does not confirm that Adverse Analytical Finding, then any Provisional Suspension that was imposed on a Player based on that Adverse Analytical Finding shall be lifted without delay.
 - (d) In the event a Provisional Suspension is imposed, the Participant shall be entitled to either (i) a Provisional Hearing on a timely basis after its imposition; or (ii) an expedited hearing and determination of the charge against him.
 - (e) At a Provisional Hearing, a Provisional Suspension may only be lifted where –
 - (i) In respect of a mandatory Provisional Suspension only, the Player establishes that the Anti-Doping Rule Violation is likely to have involved a Contaminated Product; or
 - (ii) In respect of either a mandatory or an optional Provisional Suspension, either (A) the Anti-Doping Rule Violation charged has no realistic prospect of being upheld due to a fundamental flaw in the case; or (B) there is a strong, arguable case that in the circumstances of the particular case no period of suspension is likely to be imposed.
 - (f) A Regulatory Commission's decision not to lift a mandatory Provisional Suspension due to a Player's assertion regarding a Contaminated Product shall not be appealable. Other decisions relating to Provisional Suspensions may be appealed in accordance with Regulation 74.

Burden and standard of proof

26. Notwithstanding that a different burden and / or standard of proof may apply in other disciplinary proceedings brought pursuant to FA Rules and Regulations, in proceedings alleging an Anti-Doping Rule Violation The FA shall bear the burden of proving, to the comfortable satisfaction of any Regulatory Commission or Appeal Board or any other relevant commission or board (as applicable), bearing in mind the seriousness of the allegations that are made, that an Anti-Doping Rule Violation has taken place. This standard of proof is greater than a mere balance of probability but less than proof beyond a reasonable doubt. For the avoidance of doubt, this Regulation 26 does not apply to a charge for Misconduct for breach of any of Regulations 14-17.
27. Where these Anti-Doping Regulations place the burden of proof on a Participant to rebut a presumption or establish specific facts or circumstances, the standard of proof shall be on the balance of probabilities.

Methods of proving Anti-Doping Rule Violations

28. Facts relating to Anti-Doping Rule Violations may be established by any reliable means, including but not limited to admissions and data collected as part of the Athlete Biological Passport or other profiling data.
29. Analytical methods or decision limits approved by WADA after consultation within the relevant scientific community and which have been the subject of peer review are

presumed to be scientifically valid. Any Participant seeking to rebut this presumption of scientific validity shall (as a condition precedent to any such challenge) first notify WADA of the challenge and the basis of the challenge. CAS may also inform WADA of any such challenge of its own volition. At WADA's request, the CAS panel shall appoint an appropriate scientific expert to assist the panel in its evaluation of the challenge. Within 10 days of WADA's receipt of such notice, and WADA's receipt of the CAS file, WADA shall also have the right to intervene as a party, appear amicus curiae or otherwise provide evidence in such proceeding.

30. WADA-accredited laboratories and other laboratories approved by WADA are presumed to have conducted Sample analysis and custodial procedures in accordance with the International Standard for Laboratories. A Participant may rebut this presumption by establishing that a departure from the International Standard for Laboratories occurred that could reasonably have caused the Adverse Analytical Finding (or the factual basis for any other Anti-Doping Rule Violation with which the Participant is charged). If the Participant does so, then The FA shall have the burden of establishing that such departure did not cause the Adverse Analytical Finding (or the factual basis for the other Anti-Doping Rule Violation with which the Participant is charged).
31. Departures from any other International Standard, the Guidelines or any other Anti-Doping Regulation, rule or policy which did not cause an Adverse Analytical Finding or the factual basis for any other Anti-Doping Rule Violation with which a Participant is charged shall not invalidate such evidence. It is for the Participant to establish that such a departure occurred which could have reasonably caused the Adverse Analytical Finding or the factual basis for the other Anti-Doping Rule Violation. If the Participant does so, then The FA shall have the burden of establishing that such departure did not cause the Adverse Analytical Finding or the factual basis for the other Anti-Doping Rule Violation charged.
32. Facts established by a decision of a court or professional disciplinary tribunal which is not the subject of a pending appeal shall be irrebuttable evidence of those facts against the Participant to whom the decision pertained unless that Participant establishes that the decision contravened principles of natural justice. To the extent that this Regulation differs from Regulation 6.9 of the Regulations for Football Association Disciplinary Action, this Regulation shall prevail. This Regulation applies only to Anti-Doping Rule Violation cases.
33. A Regulatory Commission hearing an Anti-Doping Rule Violation charge may draw any such adverse inference as it sees fit against a Participant based on the Participant's refusal to appear at the hearing or answer questions relating to the charge, after any request that he does so that is made in reasonable time.

PART FOUR – THERAPEUTIC USE EXEMPTIONS

34. A Player may request that The FA grants him permission to Use, for therapeutic purposes, substances or methods on the Prohibited List the Use of which would otherwise be prohibited. The FA may delegate the question of whether a Therapeutic Use Exemption ("TUE") should be granted to the NADO or any such other body The FA considers appropriate. The procedure and criteria for the grant of a TUE are attached as Schedule Five to these Anti-Doping Regulations.
35. The only way in which it may be established that the Use of a Prohibited Substance or a Prohibited Method constituted a legitimate medical treatment is through the grant of a TUE in respect of such Prohibited Substance or Prohibited Method.

PART FIVE – PENALTIES (GENERAL)

Imposition of penalties

36. In disciplinary proceedings brought pursuant to these Regulations, if it is found that an Anti-Doping Rule Violation has been committed, a penalty shall be imposed in accordance with

Parts Six and Seven of these Regulations. Unless the Participant establishes that there are grounds to eliminate or reduce such penalty in accordance with any applicable provision of Part Eight, the Regulatory Commission or Appeal Board shall have no discretion to reduce those penalties. Subject only to paragraph 2.11 of Schedule 1 to these Anti-Doping Regulations, a mandatory element of each penalty for an Anti-Doping Rule Violation is the Public Disclosure of that penalty.

37. A fine may also be imposed for an Anti-Doping Rule Violation, but only where the maximum period of suspension specified in Part Six or Seven has been imposed, and only where doing so is in accordance with the principle of proportionality. Where a fine or costs order is imposed in respect of an Anti-Doping Rule Violation, this shall not be considered as grounds for reducing any period of suspension applicable under these Regulations.
38. Where a Player commits an Anti-Doping Rule Violation In-Competition, any awards received by the Player due to participation in the relevant Match will be forfeited by the Player.

Commencement of suspensions

39. Subject to Regulations 40 and 41, a period of suspension shall commence from the date of the final hearing decision providing for suspension or (if the Participant waives the right to a hearing or there is otherwise no hearing) on the date that the Player is notified of the period of suspension.
40.
 - (a) Where there have been substantial delays in the hearing process or other aspects of Doping Control that are not attributable to the Participant, the period of suspension may be deemed to have started at any time from the date the Anti-Doping Rule Violation occurred (e.g. the date of the Sample collection) to take account of such delays.
 - (b) The period of any Provisional Suspension, where it is adhered to by the Participant, will count towards the total period of suspension imposed. However no period before the imposition of a Provisional Suspension shall count towards the total period of suspension imposed even if the Player voluntarily did not participate in football activity during this time or was suspended from doing so by his Club.
 - (c) Where a period of suspension is imposed upon a team in accordance with Regulation 57, unless fairness requires otherwise, the period of suspension shall start on the date of the final hearing decision providing for suspension or, if the hearing is waived, on the date suspension is accepted or otherwise imposed. Any period of team Provisional Suspension shall be credited against the total period of suspension to be served.
41. Where the Participant promptly admits the Anti-Doping Rule Violation (which means, in all cases, before he participates in football activity again) after being notified of it by The FA, the period of suspension may be deemed to have started at any time from the date the Anti-Doping Rule Violation occurred (e.g. the date of the Sample collection). However, in all cases where this Regulation is applied the Participant must serve at least one half of the period of suspension starting from the date that the Participant accepted the imposition of the suspension, the date of a hearing decision imposing a sanction, or the date that the sanction is otherwise imposed. This Regulation does not apply where the period of suspension has been reduced under Regulation 72 due to a prompt admission.

Status during a suspension

42.
 - (a) A Participant who is suspended pursuant to these Regulations cannot during the period of suspension participate in any capacity in any Match or any other football-related activity or in any activities under the jurisdiction of another Code signatory or member of a Code signatory, other than anti-doping education or

rehabilitation programmes. As an exception to the foregoing, The FA may (in its absolute discretion) permit a Player who has been suspended for six or more months pursuant to these Regulations to return to training and/or other football-related activity with a Club (but not participate in any Match) prior to the end of his suspension, during the shorter of (i) the last two months of the period of suspension; or (ii) the last quarter of such a period of suspension. No such return is permitted unless agreed in writing in advance by The FA.

- (b) A Participant who is subject to a period of suspension pursuant to these Regulations that is longer than four (4) years may, after completing four (4) years of the period of suspension, participate in local sport events not sanctioned or otherwise under the jurisdiction of a Code signatory or member of a Code signatory but only so long as the local sport event is not at a level that could otherwise qualify such Participant directly or indirectly to compete in (or accumulate points toward) a national championship or International Event and does not involve the Participant working in any capacity with Minors.
43. For an Anti-Doping Rule Violation not involving a Specified Substance, in addition to any period of suspension The FA will withhold some or all of any sports-related payments otherwise due to the Participant from The FA during the period of suspension.
44. Where any Participant contravenes Regulation 42(a), a new period of suspension equal in length to the original suspension imposed on the Participant shall be added to the end of the original suspension. The additional period of suspension may be adjusted based on the Participant's degree of Fault and other circumstances of the case. A Regulatory Commission shall determine whether such a contravention has occurred and (if so) whether and the extent to which the additional period of suspension specified in this Regulation 44 should be adjusted.
45. Where any Participant assists any other Participant's contravention of Regulation 42(a), such assistance may be pursued as an Anti-Doping Rule Violation under Regulation 11 (complicity).

Reinstatement testing

46. A Player who is the subject of a suspension pursuant to these Regulations remains subject to these Regulations (including, without limitation, the requirement to submit to drug testing to determine compliance with these Regulations) during the period of suspension. Therefore, he must make himself available for testing during that period of suspension and must at the request of The FA (or other sports governing body if the Player moves outside of The FA's jurisdiction) provide details of his whereabouts to The FA (or other sports governing body, as applicable) to allow such testing to take place.
47. Any Player who retires from football while he is the subject of a suspension pursuant to these Regulations must make himself available for testing if he seeks to participate in any other sports competition. Where any such Player seeks a return to football activity, he may only make such return once he has notified The FA of his intention to return and has made himself available for Out of Competition testing for a period equal to the period of suspension he remained subject to when he retired, or six months, whichever is the longer.
48. If a Player who is not suspended retires from football, such that he is no longer subject to testing by The FA or any other relevant authority, he may not return to participate in football activity unless he notifies The FA in writing at least six months before he expects to resume football activity and makes himself available for Out of Competition testing and (if requested) complies with the whereabouts requirements during that six month period. WADA in association with the NADO may grant an exemption from this six month written notice requirement where its application would be manifestly unfair to the Player.

Counselling, treatment and rehabilitation

49. The Regulatory Commission may consider whether a period of assessment, counselling, treatment or rehabilitation is appropriate. In deciding upon a course of assessment, counselling, treatment or rehabilitation, the Regulatory Commission may make such a course subject to such conditions as it considers appropriate in the circumstances. If the Regulatory Commission imposes a period of assessment, counselling, treatment or rehabilitation and the Player refuses to undergo, or fails to complete, such a period, The FA may commence disciplinary proceedings against that Player under Rule E25 of the Rules of The Football Association, or impose a pre-existing penalty such as a deferred suspension as if no period of assessment, counselling, treatment or rehabilitation had taken place.

PART SIX - PENALTIES FOR A FIRST ANTI-DOPING RULE VIOLATION

50. The term "intentional" as used in this Part Six is meant to identify those Participants who cheat. The term therefore requires that the Participant engaged in conduct which he knew constituted an Anti-Doping Rule Violation or knew that there was a significant risk that the conduct might constitute or result in an Anti-Doping Rule Violation and manifestly disregarded that risk. An Anti-Doping Rule Violation resulting from an Adverse Analytical Finding for a substance which is only prohibited In-Competition shall be rebuttably presumed to be not intentional if the substance is a Specified Substance and the Participant can establish that the Prohibited Substance was Used Out-of-Competition. An Anti-Doping Rule Violation resulting from an Adverse Analytical Finding for a substance which is only prohibited In-Competition shall not be considered intentional if the substance is not a Specified Substance and the Participant can establish that the Prohibited Substance was Used Out-of-Competition in a context unrelated to sport performance.
51. Subject to the relevant provisions of Part Eight of these Regulations, for a violation committed by a Player under Regulation 3 (presence) or Regulation 4 (Use or Attempted Use), or committed by a Player or Player Support Personnel under Regulation 8 (Possession), the following penalties must be imposed:
- (a) Where the Anti-Doping Rule Violation does not involve a Specified Substance, 4 years' suspension, unless the Player or Player Support Personnel establishes that the violation was not intentional, in which case 2 years' suspension;
 - (b) Where the Anti-Doping Rule Violation does involve a Specified Substance, 2 years' suspension, unless The FA establishes that the violation was intentional, in which case 4 years' suspension.
52. Subject to the relevant provisions of Part Eight of these Regulations, for a violation committed by a Player under Regulation 5 (evading, refusing or failing to submit to Sample collection) or by any Participant under Regulation 7 (Tampering or Attempted Tampering), 4 years' suspension must be imposed, unless the Player establishes that an Anti-Doping Rule Violation contrary to Regulation 5 was not intentional, in which case 2 years' suspension must be imposed.
53. Subject to the relevant provisions of Part Eight of these Regulations, for a violation committed by a Player under Regulation 6 (Registered Testing Pool Whereabouts Failures), a minimum of one year's suspension and a maximum of two years' suspension must be imposed, based on the Player's degree of Fault. The flexibility between one year and two years' suspension is not available in any case where a pattern of last-minute whereabouts changes or other conduct raises a serious suspicion that the Player was trying to avoid being available for Testing. In such cases a penalty of two years' suspension must be imposed.
54. Subject to the relevant provisions of Part Eight of these Regulations, for a violation committed by a Player or any other Participant under Regulation 9 (Trafficking or Attempted Trafficking) or Regulation 10 (Administration or Attempted Administration), the following penalties must be imposed:

- (a) A minimum of 4 years' suspension, up to a lifetime suspension, depending on the seriousness of the violation in question. Any violation involving a Minor shall be considered particularly serious for these purposes. If the violation involves a Participant administering or trafficking to a Minor, the violation shall result in a lifetime suspension unless the violation involves only a Specified Substance.
 - (b) Any significant violations that may also breach non-sporting laws and / or regulations shall be reported to the competent authority.
55. Subject to the relevant provisions of Part Eight of these Regulations, for a violation committed by a Participant under Regulation 11 (complicity) the penalty shall be a minimum of two years' suspension up to a maximum of four years' suspension, depending on the seriousness of the violation.
56. Subject to the relevant provisions of Part Eight of these Regulations, for a violation committed by a Participant under Regulation 12 (prohibited association) the penalty shall be a minimum of one year's suspension up to a maximum of two years' suspension, depending on the Participant's degree of Fault and the other circumstances of the case.

Sanction on a Club

57. If more than two Players of a team are found to have committed Anti-Doping Rule Violations during a Competition and in the same playing season, whilst registered to play for that team, a Regulatory Commission shall impose a sanction on that team or its Club, in addition to any sanctions imposed on the Players who committed such Anti-Doping Rule Violations. This sanction shall automatically follow from the Anti-Doping Rule Violations committed by the Players. The team or Club will not be entitled to challenge the findings of the Regulatory Commission or Appeal Board in relation to the Anti-Doping Rule Violations committed by the Players, but shall be entitled only to address a Regulatory Commission in mitigation as to the sanction to be imposed on the team or Club.
58. The sanctions available to a Regulatory Commission in such circumstances shall be as follows –
- (a) A points deduction;
 - (b) Forfeit of a match or matches;
 - (c) Exclusion of a team from a competition;
 - (d) A fine.

PART SEVEN - SANCTIONS FOR MULTIPLE VIOLATIONS

59. Prior Anti-Doping Rule Violations:
- (a) For the purpose of determining whether an Anti-Doping Rule Violation committed by a Participant under these Regulations should be treated as a first, second or subsequent violation for sanctioning purposes:
 - (i) Anti-Doping Rule Violations by the same Participant that occurred prior to the effective date of these Regulations shall be counted. Where the sanction for the first violation was determined based on a previous version of these Regulations, the period of suspension applicable under these Regulations shall be applied for the purposes of determining the suspension under Regulation 60.
 - (ii) Anti-Doping Rule Violations by the same Participant that were committed pursuant to the Regulations of FIFA, UEFA, or any other sports governing body (wherever located in the world and whether or not such other bodies govern football) shall be counted, provided that those violations are consistent with the Code and within that other body's authority. The

Regulatory Commission has the discretion to take any prior violations that do not meet these criteria into account.

- (b) Notwithstanding Regulation 59(a) or any other provision of these Regulations:
 - (i) An Anti-Doping Rule Violation for which a Participant has established No Fault or Negligence shall not be considered a prior violation under this Part Seven, and nor shall any breach of any of Regulations 14-17.
 - (ii) A previous Anti-Doping Rule Violation must take place within the same ten year period as the Anti-Doping Rule Violation for which a sanction is being determined in order to be taken into account under this Part Seven.
60. For a violation that is a Participant's second Anti-Doping Rule Violation, the period of suspension shall be the greater of -
- (a) Six months; or
 - (b) One half of the period of suspension imposed for the first Anti-Doping Rule Violation, without taking into account any reduction under Regulations 70-72 (Substantial Assistance/ admission in the absence of other evidence / prompt admission); or
 - (c) Twice the period of suspension otherwise applicable to the second Anti-Doping Rule Violation treated as if it were a first violation, without taking into account any reduction under Regulations 70-72 (Substantial Assistance/ admission in the absence of other evidence / prompt admission).
61. Any period of suspension established in accordance with Regulation 60 may be further reduced by the application of Regulations 70-72 (Substantial Assistance/ admission in the absence of other evidence / prompt admission).

Subsequent Anti-Doping Rule Violations

62. A third or subsequent Anti-Doping Rule Violation will always result in a lifetime period of suspension, unless it fulfils the conditions for elimination or reduction of the period of suspension due to No Fault or Negligence or No Significant Fault or Negligence under Regulations 66-69, or involves an Anti-Doping Rule Violation under Regulation 6 (Registered Testing Pool Whereabouts Failures). In these particular cases, the period of suspension shall be from eight years to a lifetime.

Additional rules for multiple Anti-Doping Rule Violations

63. Second or subsequent Anti-Doping Rule Violations may only be taken into account for sanctioning purposes if The FA establishes that the Participant committed the second or subsequent violation after the Participant received notice or The FA made a reasonable attempt to give notice of the previous Anti-Doping Rule Violation. If The FA is unable to meet this burden, for sanctioning purposes the Anti-Doping Rule Violations shall be considered as one single violation and the penalty imposed shall be the more severe penalty.

Additional rules for prior, but later-discovered Anti-Doping Rule Violations

64. If, after the establishment of a first Anti-Doping Rule Violation, The FA discovers facts involving an Anti-Doping Rule Violation by the Participant that occurred prior to notification regarding the first Anti-Doping Rule Violation, then The FA shall impose an additional sanction based on the sanction that could have been imposed if the two Anti-Doping Rule Violations had been dealt with by a Regulatory Commission at the same time.

PART EIGHT - REDUCTION OF PENALTIES FOR EXCEPTIONAL OR SPECIFIC CIRCUMSTANCES

General

65. If the Participant establishes any of the applicable conditions set out in this Part Eight, the Regulatory Commission may replace the penalties set out in Part Six of these Regulations with the penalties stipulated in this Part Eight.

Elimination of the period of suspension based on No Fault or Negligence

66. If a Participant establishes in an individual case that he bears No Fault or Negligence for the Anti-Doping Rule Violation in question, then any otherwise applicable period of suspension will be eliminated. This Regulation only applies in exceptional circumstances.
- (a) This Regulation 66 may only be applied to Anti-Doping Rule Violations under Regulation 3 (presence), Regulation 4 (Use or Attempted Use) or Regulation 8 (Possession). It may not be applied to any other Anti-Doping Rule Violation.

Reduction of the period of suspension based on No Significant Fault or Negligence

67. Where the Anti-Doping Rule Violation involves a Specified Substance, and the Participant can establish that he bears No Significant Fault or Negligence for that violation, then the penalty shall be (at a minimum) a reprimand and no period of suspension, and (at a maximum) two years' suspension, depending on the Participant's degree of Fault.
68. In cases where the Participant can establish No Significant Fault or Negligence and that the Prohibited Substance in question came from a Contaminated Product, then the period of suspension shall be (at a minimum) a reprimand and no period of suspension, and (at a maximum) two years' suspension, depending on the Participant's degree of Fault.
69. If a Participant establishes in an individual case where Regulations 67 and 68 are not applicable that he bears No Significant Fault or Negligence, then, subject to further reduction or elimination as provided in Regulations 70-72 (Substantial Assistance/ admission in the absence of other evidence / prompt admission), the otherwise applicable period of suspension may be reduced based on the Participant's degree of Fault, but the reduced period of suspension may not be less than one-half of the period of suspension otherwise applicable. If the otherwise applicable period of suspension is a lifetime, the reduced period may be no less than eight years.
- (a) This Regulation 69 may be applied to any Anti-Doping Rule Violation except those where intent is an element of the violation or an element of a particular sanction or another Regulation already specifies a range of periods of suspension for the violation based on the Participant's degree of Fault.
70. Substantial Assistance in Discovering or Establishing Anti-Doping Rule Violations:
- (a) The FA or Regulatory Commission may suspend a part of any period of suspension imposed in an individual case where the Participant has provided Substantial Assistance to The FA, NADO, UEFA, FIFA or another national football association or an Anti-Doping Organisation, criminal authority or disciplinary body, which results in The FA, NADO, UEFA, FIFA, the national association or other Anti-Doping Organisation discovering or bringing forward an Anti-Doping Rule Violation by another person or which results in a criminal authority or disciplinary body discovering or bringing forward a criminal offence or the breach of professional rules committed by another person and the information provided by the Participant providing Substantial Assistance is made available to the Anti-Doping Organisation with results management responsibility. If the decision to suspend the suspension on account of Substantial Assistance is made after a final decision following an appeal from a decision of a Regulatory Commission in respect of an Anti-Doping Rule Violation or the expiration of time in which an appeal must be brought, then the approval of WADA or FIFA is required.
- (b) Subject to Regulation 70(a), the extent to which the otherwise applicable period of suspension may be suspended shall be based on the seriousness of the Anti-Doping Rule Violation committed by the Participant and the significance of the Substantial Assistance provided by the Participant to the effort to eliminate doping in sport.

- (c) No more than three-quarters of the otherwise applicable period of suspension may be suspended. If the otherwise applicable period of suspension is a lifetime, the non-suspended period under this section must be no less than eight years.
 - (d) If the FA or Regulatory Commission suspends any part of the otherwise applicable period of suspension under Regulation 70(a), it shall promptly provide a written justification for its decision to each Anti-Doping Organisation having a right to appeal the decision.
 - (e) If the Participant fails to continue to cooperate and to provide the complete and credible Substantial Assistance upon which a suspension of the period of suspension was based, the Anti-Doping Organisation that suspended the period of suspension shall reinstate the original period of suspension. If an Anti-Doping Organisation decides to reinstate an original period of suspension or decides not to reinstate an original period of suspension, that decision may be appealed by any person entitled to appeal under Regulation 74.
 - (f) To further encourage Participants to provide Substantial Assistance to Anti-Doping Organisations, at the request of the Anti-Doping Organisation conducting results management or at the request of the Participant who is asserted to have committed an Anti-Doping Rule Violation, WADA may agree at any stage of the results management process, including after a final appeal decision, to what it considers to be an appropriate suspension of the otherwise-applicable period of suspension and other penalty. In exceptional circumstances, WADA may agree to suspensions of the period of suspension and other penalties for Substantial Assistance greater than those otherwise provided for in Regulation 70(a), or even no period of suspension, and/or no return of prize money or payment of fines or costs. WADA's approval shall be subject to reinstatement of sanction as provided in Regulation 70(e). WADA's decisions in this context may not be appealed by any other Anti-Doping Organisation.
 - (g) If an Anti-Doping Organisation suspends any part of an otherwise applicable sanction because of Substantial Assistance, then notice providing justification for the decision shall be provided to the other Anti-Doping Organisations with a right to appeal. In unique circumstances where WADA determines that it would be in the best interest of anti-doping, WADA may authorise an Anti-Doping Organisation to enter into appropriate confidentiality agreements limiting or delaying the disclosure of the Substantial Assistance agreement or the nature of Substantial Assistance being provided.
71. Admission of an Anti-Doping Rule Violation in the absence of other evidence
- Where a Participant voluntarily admits to having committed an Anti-Doping Rule Violation before having received notice of a Sample collection that could establish that Anti-Doping Rule Violation or, in the case of an Anti-Doping Rule Violation other than under Regulation 3 (presence of a Prohibited Substance), before receiving first notification of the admitted violation pursuant to these Regulations, and that admission is the only reliable evidence of the violation at the time of admission, then the period of suspension may be reduced, but not below one half of the period of suspension otherwise applicable.
72. Prompt Admission of an Anti-Doping Rule Violation after being Confronted with a Violation of Regulation 5 or Regulation 7
- A Participant who is potentially subject to a four-year suspension for evading or refusing Sample collection or Tampering with Sample collection may, by promptly admitting the asserted Anti-Doping Rule Violation after being confronted by an Anti-Doping Organisation, and also upon the approval and at the discretion of both WADA and The FA, receive a reduction in the period of suspension down to a minimum of two years, depending on the seriousness of the violation and the Participant's degree of Fault.

73. Reduction in sanction under more than one provision
- Before applying any reduction or suspension under this Part Eight, the otherwise applicable period of suspension shall be determined. If the Participant establishes entitlement to a reduction or suspension of the period of suspension under two or more provisions of this Part Eight, then the period of suspension may be reduced or suspended, but not below one quarter of the otherwise applicable period of suspension.

PART NINE - APPEALS

74. The following decisions may be appealed exclusively as provided in this Part Nine: a decision that an Anti-Doping Rule Violation was committed, a decision imposing or not imposing a sanction for an Anti-Doping Rule Violation, or a decision that no Anti-Doping Rule Violation was committed; a decision that an Anti-Doping Rule Violation proceeding cannot go forward for procedural reasons (including, for example, prescription); a decision by WADA not to grant an exception to the six months' notice requirement for a retired Player to return to Competition under Regulation 48; a decision by WADA assigning results management; a decision by The FA not to bring forward an Adverse Analytical Finding or an Atypical Finding as an Anti-Doping Rule Violation, or a decision not to go forward with an Anti-Doping Rule Violation after an investigation; a decision to impose a Provisional Suspension as a result of a Provisional Hearing; The FA's failure to comply with Regulation 25 (provisional suspensions); a decision that The FA lacks jurisdiction to rule on an alleged Anti-Doping Rule Violation or any resulting sanction; a decision to suspend, or not suspend, a period of suspension or to reinstate, or not reinstate, a suspended period of suspension under Regulation 70; a decision under Regulation 44 (punishment of Participant for contravening Regulation 42(a)); and a decision by The FA not to recognise another Anti-Doping Organisation's decision.
75. In addition to The FA and the Participant who is the subject of the decision, FIFA, the NADO and WADA shall also have the right to appeal against a decision referenced in Regulation 74. Such decisions shall be notified immediately to FIFA, the NADO and WADA. The deadline for FIFA, the NADO and / or WADA to lodge such an appeal shall be 21 days from receipt of the decision and any case file from The FA. Any Regulation that stipulates a time limit applicable to other appellants in the Regulations for Football Association Appeals shall not apply to FIFA, the NADO or WADA in such cases. Both the Participant who is the subject of the decision and The FA shall have the right to act as a Respondent where an appeal is brought by FIFA, the NADO or WADA. Any Anti-Doping Organisation that is a party to an appeal shall promptly provide the appeal decision to the Participant and to the other Anti-Doping Organisations that would have been entitled to appeal.
76. FIFA and WADA shall also have the right to appeal to CAS against any decision of the Appeal Board in relation to an Anti-Doping Rule Violation that would otherwise be final and binding under the Regulations for Football Association Appeals. Such decisions of the Appeal Board shall be sent immediately to FIFA and WADA. The deadline for FIFA and WADA to lodge such an appeal shall be 21 days from receipt of the decision and any case file from The FA. Cross appeals and other subsequent appeals by any respondent named in cases brought to CAS under the Code are specifically permitted. Any party with a right to appeal under this Regulation must file a cross appeal or subsequent appeal at the latest with the party's answer.
77. Notwithstanding any other provision of these Regulations, where WADA has a right of appeal under these Regulations against a decision, and no other party has appealed against that decision, WADA may appeal that decision directly to CAS without having first to exhaust any other remedy, including (without limitation) without having to appeal to the Appeal Board. Where The FA fails to render a decision with respect to whether an Anti-Doping Rule Violation was committed within a reasonable deadline set by WADA, WADA

may elect to appeal directly to CAS as if The FA had rendered a decision finding no Anti-Doping Rule Violation. If CAS determines that an Anti-Doping Rule Violation was committed and that WADA acted reasonably in electing to appeal directly to CAS, WADA's costs and legal fees shall be reimbursed by The FA.

78. The scope of review for any appeal pursuant to these Regulations includes all issues relevant to the matter and is expressly not limited to the issues or scope of review before the initial decision maker. In making its decision in any appeal, CAS need not give deference to the discretion exercised by the body whose decision is being appealed.

PART TEN – MISCELLANEOUS

79. The FA will recognise testing, hearing results or other final adjudication of any signatory of the Code that are consistent with the Code and within the signatory's authority. The FA will recognise the same actions of bodies that are not signatories of the Code if the rules of those bodies are otherwise consistent with the Code.
80. Where doping control has been carried out in accordance with FIFA's Anti-Doping Regulations, whether by FIFA or another confederation or association, The FA shall recognise the results of such doping control.
81. The FA shall recognise and render effective decisions taken by FIFA or another national association regarding a breach of FIFA's Anti-Doping Regulations.
82. Personal information that is provided pursuant to these Regulations shall be collected, stored, processed and/or disclosed in compliance with the applicable law and the International Standard for the Protection of Privacy and Personal Information. Any Participant providing such information shall be deemed to have consented to such treatment.

SCHEDULE ONE

Procedural Guidelines for the Conduct of Drug Testing and Investigations

PART ONE – GENERAL PROVISIONS

1. General
 - 1.1. Testing will be carried out in conformity with the International Standard for Testing and Investigations and these Guidelines (as amended from time to time). The FA has drug testing jurisdiction over all Participants. Players may be drug tested at any place and any time, including during any period of suspension. Drug testing may be conducted on both male and female Players and reference in these Regulations and Guidelines to “a Player” includes either gender, as appropriate. Testing shall only be undertaken for anti-doping purposes, although Samples collected in such testing may also be analysed to determine compliance with The FA’s Social Drugs Policy Regulations prohibiting the Out of Competition use of social drugs (as defined in those Regulations).
 - 1.2. Drug testing refers to the collection of both blood and urine Samples. The decision to collect blood and/or urine Samples at a test event is at the absolute discretion of the NADO and The Football Association. The minimum requirements for blood testing set out in clause 6.1 only apply to Premier League and Football League Championship Clubs. Any Player may be subject to blood testing regardless of which league he participates in.
 - 1.3. Drug testing may be conducted on Minors and should be carried out in accordance with the International Standard for Testing and Investigations Annex C (Modifications for Athletes who are Minors). Where a Minor is to be tested, any consent or signature that is required by these Regulations is to be given by a representative of the Player’s Club. It is the responsibility of each Club to ensure that it has obtained, from a person with parental responsibility for any Minor, prior written consent to the conduct of drug testing upon such a Minor. No Minor may participate in any football activity without such consent being obtained.
 - 1.4. Players are obliged to undergo drug testing as set out in these Regulations and Guidelines. In particular, every Player designated to undergo a drug test by a Doping Control Officer, or Blood Collection Official, whether as a result of target testing or random selection, is obliged to provide a urine Sample and, if requested, a blood Sample, and to cooperate promptly and fully with all Competent Officials.
2. Confidentiality
 - 2.1. A Player has the right to access information relevant to his test held in relation to the Anti-Doping Programme. The FA may however refuse such access if, for example but without limitation, the release of such information:
 - (a) would jeopardise any charges brought or to be brought by The FA or jeopardise an ongoing investigation whether or not this involves the Player who was being charged;
 - (b) would jeopardise the rights of third parties (including the source(s) of information received by The FA); or
 - (c) appears to be sought by the Player for an improper or collateral purpose.
 - 2.2. Periodically The FA may publish to the NADO and the public in general, in summary and anonymised form, reports of tests undertaken on Players.
 - 2.3. In the event of an Adverse Analytical Finding, The FA shall notify the NADO, and FIFA by no later than completion of the results management process described in part 6 below, and shall notify the same organisations where it has withdrawn such an allegation, imposed a Provisional Suspension, or agreed with a Participant to the imposition of a sanction without a hearing. The FA may also notify UEFA of the results of any Sample analysis.

- 2.4 The NADO and FIFA shall be regularly updated on the status and findings of any review or proceedings conducted pursuant to these Regulations with a prompt written reasoned explanation or decision explaining the resolution of the matter.
- 2.5 In the event The FA charges a Participant with commission of an Anti-Doping Rule Violation, The FA shall notify the NADO and FIFA simultaneously with the issue of the charge to the Participant. Notification shall include: the Participant's name, country and discipline within football, the Participant's competitive level, whether the test (if any) was In-Competition or Out-of-Competition, the date of Sample collection, the analytical result reported by the laboratory, and other information as required by the International Standard for Testing and Investigations, or, for Anti-Doping Rule Violations other than under Regulation 3, the rule violated and the basis of the alleged violation.
- 2.6 The FA shall notify the NADO and FIFA of the decision of any FA Regulatory Commission and/or Appeal Board considering an Anti-Doping Rule Violation.
- 2.7 The recipient organisations shall not disclose any of this information beyond those persons with a need to know (which would include the appropriate personnel at the applicable Club) until The FA has made Public Disclosure or has failed to make Public Disclosure of this information.
- 2.8 Any information relating to a whereabouts-related failure in respect of a Player shall not be disclosed beyond those persons with a need to know unless and until that Player is found to have committed an Anti-Doping Rule Violation or Misconduct based on such whereabouts-related failure. Such persons who need to know shall also maintain the confidentiality of such information until the same point.
- 2.9 The FA shall not comment publicly on the specific facts of a pending case, except in response to public comments attributable to the Participant concerned or his representatives.
- 2.10 In the event of an Anti-Doping Rule Violation being determined by a final decision in disciplinary proceedings, including any appeal proceedings, The FA shall make Public Disclosure by publishing on its website the details of the decision, including the Anti-Doping Rule Violation, the name of the Participant who committed the violation, the Prohibited Substance or Prohibited Method involved (where applicable), and the penalty imposed. Where the final decision is that no Anti-Doping Rule Violation has been committed, the decision may only be Publicly Disclosed, whether in its entirety or in redacted form, with the consent of the Participant. The FA shall use reasonable efforts to obtain such consent. Public Disclosure on The FA's website of any decision pursuant to this paragraph 2.10 shall be for the longer of either one month or the duration of any suspension imposed on the Participant.
- 2.11 The mandatory requirement to make Public Disclosure of decisions contained in paragraph 2.10 shall not apply where the Participant who has committed an Anti-Doping Rule Violation is a Minor, or in the case of decisions finding Misconduct contrary to any of Regulations 14-17. Any publication by The FA in relation to such cases will be entirely at its discretion.
- 2.12 Notwithstanding paragraph 2.10, the Regulatory Commission or Appeal Board may order that some or all of the text of any decision it reaches in an anti-doping case may not be published, where there are compelling reasons not to publish. In such cases, only the outcome may be published.

PART TWO – DRUG TESTING

3. Doping Control Form
- 3.1 It should be noted that the Doping Control Form used in the Anti-Doping programme is generic and not specific to football. In the event of any conflict between the terms of any form and the Anti-Doping Regulations or these Guidelines, the Anti-Doping Regulations and Guidelines shall prevail.

4. Test Distribution Planning
 - 4.1. The NADO will draw up the test distribution plan for football in consultation with The FA Anti-Doping Unit. The test distribution plan must be compliant with the WADA Technical Document for Sport Specific Analysis (TDSSA) and the requirements of the International Standards for Testing and Investigations. The FA will provide a copy of its test distribution plan to WADA upon request. Players shall be selected for Sample collection using random selection methods and targeted testing, as required.
 - 4.2. Target testing shall be based on an assessment of the risks of doping and the most effective use of resources to ensure optimum detection and deterrence. Target testing conducted Out of Competition shall be as determined by the NADO in consultation with The FA Anti-Doping Unit, or by The FA Anti-Doping Unit independently. During In Competition periods, the DCO and / or The Football Association Supervising Officer ("FASO") may also select additional Players for Sample collection, e.g. based on behaviour indicating doping. If more than one Player in a team has tested positive, target testing may be performed on all Players in the team.
 - 4.3. For individual Players, target testing may be performed as a consequence of:
 - (a) behaviour indicating doping;
 - (b) abnormal biological parameters (blood parameters, steroid profiles etc.);
 - (c) injury;
 - (d) repeated, or suspicious failure to make whereabouts filings;
 - (e) player test history;
 - (f) the conditions of a disciplinary order;
 - (g) reinstatement following a period of suspension; or
 - (h) any other reason determined by The FA or the NADO.Neither The FA nor the NADO is obliged to provide the Player or Club representative with a reason for the Player's selection for a target test.
 - 4.4. Testing that is not target testing shall be determined by random selection.

General

5. Notification of Drug Testing
 - 5.1. The Sample collection will be carried out by Doping Control Officers (DCOs), Chaperones or Blood Collection Officers (BCO's). During testing conducted In Competition and during testing conducted using the whereabouts information specified in Regulation 15, a FASO may also be present (i) to act as a point of liaison between the Club and Player and the DCO(s)/BCO(s)/ Chaperone(s), and (ii) to facilitate the conduct of drug testing and (iii) to report any matters of interest or concern to The FA.
 - 5.2. Before drug testing is carried out, if requested by the Player and/or any Club official, the Competent Officials must show their identification cards. The Competent Officials are under no obligation to present their identification cards where the circumstances render this unreasonable.
 - 5.3. On arriving at a venue for In Competition drug testing or for testing using the whereabouts information specified in Regulation 15, the Competent Officials will attempt to make contact with an official from the relevant Club. For an In Competition test the official would be the Secretary of the home Club or (if the Secretary is not present or otherwise unavailable) another official from the home Club.
 - 5.4. If requested by a DCO, BCO, FASO or Chaperone, any Player selected for drug testing may be required to produce photographic identification to prove his identity.

6. Facilities for the Collection of Samples
 - 6.1. At all venues used for drug testing, Clubs are obliged to provide as a minimum the following secure areas (collectively known as the "Doping Control Station") for the collection of Samples:
 - (a) A clean, adequately lit private waiting area, with sufficient seating for the Players waiting to be tested;
 - (b) A clean, private working area of sufficient size to comfortably accommodate the persons referred to in paragraph 13.3 below, which should contain clean fixed surfaces for sampling equipment and Samples;
 - (c) Private toilets; and
 - (d) Where blood testing is being conducted, a comfortable chair and/or bed for the Player to use during the provision of a blood Sample, and sufficient space for the Player to lie down.
 - 6.2. The Doping Control Station must be allocated for the sole use of the Competent Officials for the duration of the doping control process. Where practical, all areas required for the Doping Control Station must be linked with or proximate to each other. The Doping Control Station must be clearly identified. The Doping Control Station should be made available in a usable condition and should be clean.
 - 6.3. The Competent Officials will provide the equipment that is required for the drug testing, including (where applicable) collection vessels, containers, Sample bottles, and approved sealing equipment.
 - 6.4. Prior to the start of testing, the Competent Officials should satisfy themselves that the Doping Control Station facilities are adequate. Clubs must comply with any reasonable requests made by Competent Officials who do not believe that the facilities are adequate. The FA may make a written request for a Club to alter or improve its Doping Control Station or the facilities used for the same, and the Club shall alter or improve its Doping Control Station to meet the request within a reasonable timeframe to be stipulated by The FA.
 - 6.5. The DCO(s) will make every effort to collect Samples as discreetly as possible and with maximum privacy, but it must be recognised that circumstances may impose difficulties upon a DCO that cannot easily be overcome.
 - 6.6. Once the Competent Officials have confirmed their satisfaction with the facilities provided, only those people listed in paragraph 13.3 of these Guidelines should be allowed into the Doping Control Station until completion of the doping control process.
 - 6.7. It is recommended that the Club arranges for a security guard/steward to be positioned outside the Doping Control Station to keep unauthorised persons from entering the Station. A 'No Entry' sign should be displayed.
7. Verification of whereabouts information
 - 7.1. On occasion, The FA may send officials to training venues in order to verify in any respect the accuracy of the whereabouts information submitted by a Club or Player. Such verification may be conducted separately to or in conjunction with drug testing. Clubs must provide FA staff attending for this purpose with all necessary assistance to complete this task satisfactorily. Any inaccuracy of the whereabouts information submitted by a Club or Player that is discovered in this manner may be treated as a breach of Regulation 14 and/or Regulation 15, as appropriate.
8. Random selection of Players
 - 8.1. The selection of Players for drug testing shall be determined by the NADO in consultation with The FA Anti-Doping Unit, or by The FA Anti-Doping Unit independently. If it is decided to select Players on a random basis, the random selection by a draw of required Players will be conducted by the Lead DCO witnessed by the Competent Officials.

- 8.2. Only the Competent Officials need to be present for the draw. Although official(s) from the relevant Club(s) whose Players are subject to testing may be invited to be present, the absence of such officials will not invalidate the draw.
- 8.3. Additional “reserve” Players will be drawn in case a Player drawn is unable and/or fails to submit to the doping control process. For the avoidance of doubt, if a Player is determined to have failed without compelling justification to submit to the doping control process, he may be charged with an Anti-Doping Rule Violation under Regulation 5.
- 8.4. The timing of the draw will be at the complete discretion of The FA and the NADO, but in the case of an In Competition test it will not ordinarily take place later than half-time.
- 8.5. During any test event, target testing of further Players may also be conducted at that time as a separate matter.
9. Target testing
 - 9.1. In addition to random testing, the NADO in consultation with The FA Anti-Doping Unit, or The FA Anti-Doping Unit independently, may conduct target testing on Clubs or Players, including Players in the current representative England team squads. Target testing may be requested by the Professional Footballers’ Association and/or Clubs.
 - 9.2. Target testing will take place at a date and time determined by the NADO in consultation with The FA Anti-Doping Unit, or The FA Anti-Doping Unit independently. The Player may be required to supply whereabouts information to The FA to allow such testing to take place.
10. Player rights and responsibilities
 - 10.1. The Player’s rights in relation to the drug testing process include the right to:
 - (a) have the team physician or other representative and (if required) an interpreter present; and
 - (b) be informed and ask for additional information about the Sample collection process.
 - 10.2. The Player’s obligations in relation to the drug testing process include the requirement to:
 - (a) report immediately for a test following notification, unless there are valid reasons for a delay, as determined at the absolute discretion of the DCO or BCO;
 - (b) remain within direct observation of the BCO, DCO or the Chaperone at all times from the point of notification until completion of the Sample collection; and
 - (c) comply with Sample collection procedures (where practicable the Player shall be advised of the possible consequences of failure to comply).
11. Notification of Players
 - 11.1. An appropriate Club representative will be notified of the Players selected for testing. For In Competition testing this will be via a written notice in the form set out in Schedule 4.
 - 11.2. The Club and all Club officials must ensure that the Competent Officials are given clear and unobstructed access to Players selected for testing without delay. Clubs and Club officials must provide the Competent Officials with all reasonable assistance they may require to locate the Player and carry out the notification process and Sample collection as expeditiously and as efficiently as possible. Clubs and Club officials must do all in their power to ensure that the Competent Officials make contact with Players selected for testing as soon as reasonably practicable. Any failure to comply with the above may be treated as a breach of Regulation 7 (Tampering or Attempted Tampering) or Regulation 16 (interference with the drug testing process), as appropriate.
 - 11.3. Once contact has been made between the selected Player and the Competent Official, the Player will be notified of his selection for drug testing and must (in accordance with paragraph 13.1) immediately report to the Doping Control Station. The Player must allow

- himself to be chaperoned at all times following the notification. Save only where written acknowledgement is clearly impracticable at the time of notification, upon notification the Player must acknowledge that he has been selected for drug testing by signing the relevant section of the Doping Control Form. In those exceptional cases where written acknowledgement is impracticable at the time of notification, the Player should confirm the notification when he gets to the Doping Control Station, by signing the relevant section of the form at that point.
- 11.4. If a Player is determined to have avoided notification without compelling justification, he may be charged with an Anti-Doping Rule Violation under Regulation 5 (evading or refusing or failing to submit to Sample collection) or (if Regulation 5 does not apply) with Misconduct.
12. Authorisation not to test
- 12.1. At the absolute discretion of the FASO, a Player may be excused participation in a test if the Player has sustained a serious injury which renders him incapable of taking a drug test and/ or requires immediate attendance at hospital for medical treatment. The FA reserves the right for a Competent Official to accompany the injured Player to allow a test to be carried out following the required medical treatment.
- 12.2. If the injured Player is not accompanied to hospital, the Player and/or the Club must provide evidence to The FA of the Player's admission to hospital or of other medical treatment arising from that injury within 14 days of the day of the intended test.
- 12.3. Where a Sample cannot be collected from a Player due to injury, a Sample will be taken from another Player of the same team, either selected at random or pre-selected as a reserve. Clubs and Club officials must ensure that a Player pre-selected as a reserve does not leave the stadium, training ground or other relevant venue until the Player has checked with a DCO that he is not required for drug testing.
13. Collection of Samples
- 13.1. Having been notified, a Player must immediately report to the Doping Control Station. On reporting to the Doping Control Station, the Player must (if he has not done so already) acknowledge that he has been selected for drug testing by signing the relevant section of the Doping Control Form. He must then remain there until the testing process is completed. He may leave the Doping Control Station only under exceptional circumstances with the prior permission of the Lead DCO and then only if chaperoned by a DCO or Chaperone at all times until his return to the Doping Control Station.
- 13.2. If a Player fails or refuses to report to provide a Sample, reports but then refuses to provide a Sample, or otherwise fails to follow the directions of the Competent Officials, he may be subject to penalties for an Anti-Doping Rule Violation under Regulation 5 or Regulation 7 or (if neither Regulation 5 nor Regulation 7 applies) for Misconduct.
- 13.3. Only the following persons should be allowed into the working room of the Doping Control Station:-
- (a) the FASO;
 - (b) the DCO(s);
 - (c) the BCO(s);
 - (d) the Chaperone(s);
 - (e) the Player;
 - (f) the team physician or other representative nominated by the Player (and interpreter if required); and
 - (g) any other person specified by the NADO and/or The FA.

- The Competent Officials may reasonably refuse access to the Doping Control Station to any person not listed in this paragraph 13.3.
- 13.4. Where a Sample is to be taken from a Player who is a Minor, the Player will be given the opportunity to have a representative, selected by and of the same gender as the Player, where practicable, present during the doping control process at all times.
 14. Failure to comply with doping control
 - 14.1. When any Competent Official becomes aware of any matters occurring before, during or after a Sample collection session that may lead to a determination of a failure to comply, he must inform the FASO and Lead DCO immediately.
 - 14.2. The Lead DCO shall then:
 - (a) inform the Player or other party concerned of the consequences of a possible failure to comply if practicable;
 - (b) complete the Player's Sample collection session, if possible;
 - (c) provide a detailed written report of any possible failure to comply to The FA and the NADO.
 - 14.3. The FA shall then:
 - (a) inform the Player or other party concerned of the possible failure to comply in writing and grant the Player an opportunity to respond;
 - (b) instigate an investigation of the possible failure to comply based on all relevant information and documentation;
 - (c) document the evaluation process.
 - 14.4. If The FA determines that there has been a potential failure to comply, it shall promptly notify the Player or other party in writing of the possible consequences, i.e. that a potential failure to comply will be investigated and that appropriate follow-up action will be taken in accordance with the Anti-Doping Regulations.
 - 14.5. Any additional necessary information about the potential failure to comply shall be obtained from all relevant sources, including the Player or other party, as soon as possible and recorded.
 - 14.6. The FA shall investigate the potential failure to comply and take appropriate follow-up action in accordance with the Anti-Doping Regulations and any applicable disciplinary regulations.
 - 14.7. The FA Anti-Doping Unit shall establish a system for ensuring that the outcomes of its investigation into the potential failure to comply are considered for the purposes of results management and, if applicable for further planning and target testing.
 15. Urine Samples
 - 15.1. As soon as a Player feels that he is ready to provide a urine Sample, he may select a Sample collection vessel and a lid from a number of clean, unused vessels/lids and proceed to provide the Sample. The collection of the Sample should be witnessed by a DCO who is the same gender as the Player.
 - 15.2. Each Player is to be requested to provide a minimum of 90ml of urine. However, any 'shortfall' in the amount of urine provided shall not invalidate the test provided there is sufficient Sample for the analysis to be adequately performed.
 - 15.3. If initially a Player is unable to provide the required amount of urine, the Sample should be sealed and kept secure in the Doping Control Station. If a Competent Official permits him to leave the Doping Control Station (under chaperone), the Player must satisfy himself that the partial Sample has been sealed and safely stored prior to leaving the Doping Control Station. When ready to add to the Sample previously provided, the Player may return to

- the relevant area and provide a further Sample in accordance with the procedure set out in paragraph 15.1 of these Guidelines.
- 15.4. Once the DCO is satisfied that a sufficient amount of urine has been collected, the Player will be asked to select a box containing two tamper-evident Sample bottles and to pour his Sample from the collection vessel into the bottles. One Sample bottle will be used as the "A" Sample and the other as the "B" Sample.
 - 15.5. If one or more further Samples are provided pursuant to paragraph 15.3 of these Guidelines, such Sample(s) will be mixed together by the Player (or in exceptional circumstances where the Player is unable to do so, by a DCO) to create a single Sample.
 - 15.6. The DCO will carry out a test on the residue of the Sample left in the collection vessel to check the specific gravity of the Sample to ensure that it falls within the range required by the International Standard for Testing and Investigations. If the Sample does not fall within the required range, the Player must provide further Sample(s) in accordance with the procedure set out in paragraph 15.1 of these Guidelines until a Sample is provided that falls within the required range. The number of additional Samples to be collected is at the sole discretion of the DCO conducting the test, who may decide to abandon the test if circumstances prevent the collection of further Samples. For the avoidance of doubt, a Sample may still be analysed if it falls outside of the specified range.
 - 15.7. The urine Sample must be divided by the Player (or in exceptional circumstances where the Player is unable to do this, by a DCO in the presence of the Player) into the two bottles. It is recommended that the "A" Sample consists of at least 60ml and the "B" Sample of at least 30ml of urine.
 - 15.8. The two bottles must be closed and sealed by the Player (or in exceptional circumstances where the Player is unable to do this, by a DCO in the presence of the Player) and inserted into the box for transit to the laboratory. The Player should ensure that the code on each bottle is the same as the code entered by the DCO on the Doping Control Form.
 - 15.9. The Player, any accompanying representative and the DCO present at the Doping Control Station must sign the Doping Control Form, confirming that the above procedures were carried out satisfactorily. If the Player thinks that the procedures were not carried out satisfactorily, he should declare so in writing on the Doping Control Form and state his reasons for dissatisfaction. If the Player does not indicate any dissatisfaction with the testing procedure, this shall amount to conclusive evidence that the test was properly conducted and the Player will be deemed to have waived a claim to any irregularity in the collection of the Sample.
16. Blood Samples
 - 16.1. Upon arrival at the Doping Control Station, the Player will be provided with an opportunity to hydrate. The Player will be required to sit, and to remain seated and relaxed for a time specified by the DCO before providing the blood Sample. Should the Player not comply with this request, this will be recorded by the DCO.
 - 16.2. The DCO or BCO will ask the Player to provide information in relation to each of the following:
 - (i) the Player's use of medication that may affect the Sample collection, particularly any medication that may affect blood clotting; and
 - (ii) any disorder suffered by the Player that may affect bleeding.
 - 16.3. If the Player provides any information in relation to either of the above, this should be recorded on the Doping Control Form, and the BCO (after consultation with the DCO) may determine in his or her sole discretion not to proceed with the collection procedure, in which case the DCO shall complete the Doping Control Form stating the reason why the BCO did not proceed with the collection.

- 16.4. After the required rest period, the DCO shall direct the Player to choose three sealed packs of blood collection kit from a selection of at least six. The DCO/BCO will then direct the Player to choose one blood Sample storage kit (containing an A and B Sample bottle) from a selection of at least three.
- 16.5. If, in assessing the Player's veins, the BCO considers that a butterfly needle is required for Sample collection, the Player shall be asked to select a butterfly needle from a selection of sealed needles.
- 16.6. The BCO will then insert the needle into the Player's vein and attach the appropriate number of container(s) to the needle to collect the blood from the Player.
- 16.7. In the event that the BCO is unable to draw sufficient blood from the first attempt, the BCO will undertake a second attempt to collect the blood Sample from a different puncture site and using a new collection kit. No more than three attempts in total to insert a needle into the Player's body will be made on a Player at any one blood collection session. Should all three attempts fail, the blood collection session will be terminated and the DCO or BCO will record the reasons for terminating the collection session. The entire blood Sample collection session will be carried out (to the extent reasonably practicable) in full view of the Player.
- 16.8. Once the BCO has collected the blood from the Player, the blood Sample containers will be inverted gently to mix the blood with the anti-coagulant (if required) and then placed on a table in full view of the Player and the BCO.
- 16.9. The DCO/BCO or Player will then place one blood Sample container into each of the A and B Sample bottles and seal the bottles. The DCO/BCO will then record the blood Sample bottle codes onto the Doping Control Form and record the time of sealing.
- 16.10. The Player shall be provided with an opportunity to document on the Doping Control Form any blood transfusions that he/she may have undergone over the last six months and/or to indicate any medications taken by him or her over the past seven days. The Player will also be required to complete the 'Consent for Research' section of the Doping Control Form to document whether the Player consents for his Sample to be used for research.
- 16.11. The Player, any accompanying representative and the DCO/BCO present at the Doping Control Station must sign the Doping Control Form, confirming that the above procedures were carried out satisfactorily. If the Player considers that the procedures were not carried out satisfactorily, he should declare so in writing on the Doping Control Form and state his reasons for dissatisfaction. If the Player does not indicate any dissatisfaction with the testing procedure, this shall amount to conclusive evidence that the test was properly conducted and the Player will be deemed to have waived a claim to any irregularity in the collection of the Sample.

PART THREE – PROCEDURES SPECIFIC TO IN COMPETITION TESTING

17. Selection of Matches
- 17.1. Drug testing may be conducted at any Match involving Participants and no prior notice needs to be given either to the Clubs concerned or to the Players.
- 17.2. The Matches at which the drug tests are to be conducted will be decided by The FA in consultation with the NADO, or by The FA independently. All Matches are open to testing.
18. Procedures following the selection of Players
- 18.1. Once Players have been selected the Club must allow the Competent Officials access to observe the Players from the tunnel area and or from an adjacent or nearby area of the pitch or stand where the Competent Officials can easily accompany the selected Players from the field of play in the event of substitution, injury or other reason for leaving the field of play.

PART FOUR – PROCEDURES SPECIFIC TO OUT OF COMPETITION TESTING

19. General

In association with the NADO or any other body so designated by The FA, The FA may conduct unannounced Out Of Competition testing on any Player at any place and any time, whether or not such place and/or time has been provided by the Club or Player as part of the provision of whereabouts information.
20. Procedures following the selection of Players
- 20.1. Once Players have been selected, the Competent Officials must give Players a reasonable time to complete training or any other activity in which they are engaged before giving the verbal notification in accordance with paragraph 11.3 above.
- 20.2. The Club must allow the Competent Officials access to observe the Players complete training or any other activity in which they are engaged.

PART FIVE – STORAGE, DESPATCH AND ANALYSIS OF SAMPLES

22. Storage and Despatch of Samples
- 22.1. All Samples should be stored in a secure place pending despatch to the laboratory.
- 22.2. Where blood Samples are collected, the A and B Sample bottles may (depending on the transportation system being used) be placed into a plastic sleeve under the observation of the Player. The bottles will be placed into a temperature-controlled container for transportation, whatever the transportation system used.
- 22.3. Samples should be sent to the laboratory as soon as is reasonably practicable.
23. Use of accredited laboratories
- 23.1. Analysis of the Samples shall be carried out in WADA-accredited laboratories or laboratories otherwise approved by WADA. The choice of WADA accredited laboratory (or other laboratory or method) used for the Sample analysis shall be determined exclusively by The FA or by any other body as may be designated by The FA.
24. The purpose of Sample analysis and Investigations
- 24.1. Samples shall be analysed to detect Prohibited Substances and Prohibited Methods identified in the Prohibited List and other substances as may be directed by WADA, and/or to assist the NADO and/or The FA in profiling relevant parameters, including DNA or genomic profiling, or for any other legitimate anti-doping purpose. They may also be analysed to determine compliance with The FA's Social Drugs Policy Regulations. Samples may be collected and stored for future analysis.
- 24.2. Investigations shall be undertaken in relation to Atypical Findings and Adverse Passport Findings, and in relation to other indications of potential Anti-Doping Rule Violations, to gather intelligence or evidence (including, in particular, non-analytical evidence) in order to determine whether an Anti-Doping Rule Violation has occurred.
25. Research on Samples
- 25.1. No Sample may be used for research without the Player's written consent.
26. Analysis of Samples
- 26.1. Laboratories shall analyse Samples and report results in conformity with the International Standard for Laboratories. The head of the laboratory shall send the test results to the NADO. The head of the laboratory may also send results to The FA.
- 26.2. Any Sample may be subject to further analysis by The FA or NADO at any time before both the A and B Sample analytical results (or A Sample result where B Sample analysis has been waived or will not be performed) have been communicated to the Player as the asserted basis for an Anti-Doping Rule Violation contrary to Regulation 3. A Sample may be stored and subject to further analyses for the purposes of paragraph 24.1 at any time exclusively

- at the direction of The FA, WADA or the NADO (any Sample storage or further analysis initiated by WADA shall be at WADA's expense). Further analysis of Samples shall be conducted in substantial conformity with the requirements of the International Standard for Laboratories and the International Standard for Testing and Investigations.
- 26.3. All Samples provided by Players further to doping control under the responsibility of The FA are the property of the designated Sample collection body. The designated Sample collection body shall immediately following Sample provision by the Player concerned transfer ownership of that Sample to The FA. Following consultation with The FA, the NADO may make reasonable directions in relation to the re-analysis of Samples based on knowledge and information arising after the initial analysis. The FA shall comply with such reasonable directions.
 - 26.4. The FA will endeavour to ensure that the analysis of the "A" Sample is carried out as soon as possible after arrival at the designated laboratory.
 - 26.5. Access to the laboratory during analysis should be restricted to authorised members of the laboratory and to authorised observers.
 - 26.6. If at any stage any question, issue or problem arises in relation to the Sample, the laboratory may conduct any further or other tests necessary to clarify or resolve the matter at issue. The results of such tests may be relied upon by The FA in any disciplinary proceedings.

PART SIX – RESULTS MANAGEMENT

27. Communication of Results
- 27.1. Following notification of an Adverse Analytical Finding or other Anti-Doping Rule Violation, the matter shall be subject to the results management process set out below.
- 27.2. The results management process shall be conducted by the NADO and/or The FA Anti-Doping Unit as agreed between them. For the avoidance of doubt, The FA shall be the body that conducts the results management process unless The FA agrees otherwise.
- 27.3. For the purpose of this Part, references hereafter to the NADO and the FA Anti-Doping Unit shall, where appropriate, be understood as meaning the relevant person or body of The FA and references to the Participant shall, where appropriate, be understood as meaning any Player Support Personnel or other person.
- 27.4. If the Player is under 18 years of age at the time of the above notification, the Player will be asked to provide consent for The FA to notify his or her parent(s)/guardian(s).
28. Initial review regarding Atypical Findings and notification
- 28.1. Upon receipt of an Atypical Finding, the NADO or The FA shall conduct a review to determine whether:
 - (a) The finding is consistent with a valid and applicable TUE that has been granted to the Player (and if the Player has applied for a retroactive TUE then the review may be stayed pending determination of that application); or
 - (b) There has been any apparent departure from the International Standard for Laboratories or the International Standard for Testing and Investigations that caused the finding.
- 28.2. If the initial review does not reveal an applicable TUE or an apparent departure that caused the Atypical Finding, the NADO or The FA shall conduct the required investigation. After the investigation has been completed, the Player and his Club, and WADA shall be notified whether or not the Atypical Finding will be brought forward as an Adverse Analytical Finding. Notice of an Atypical finding will not be provided before completion of the investigation unless it is determined that the B Sample should be analysed, in which case the Player will be notified.

29. Initial review regarding Adverse Analytical Findings and notification
- 29.1. Upon receipt of an Adverse Analytical Finding, the NADO or The FA shall conduct a review to determine whether:
 - (a) The finding is consistent with a valid and applicable TUE that has been granted to the Player (and if the Player has applied for a retroactive TUE then the review may be stayed pending determination of that application); or
 - (b) There has been any apparent departure from the International Standard for Laboratories or the International Standard for Testing and Investigations that caused the Adverse Analytical Finding.
- 29.2. If the initial review does not reveal an applicable TUE or departure that caused the Adverse Analytical Finding, the NADO or The FA shall at once confidentially notify a representative of The FA Integrity Department. Before giving any person notice of an alleged Anti-Doping Rule Violation, The FA shall refer to ADAMS or another system approved by WADA and contact WADA and other relevant Anti-Doping Organisations to determine whether the Player has any prior Anti-Doping Rule Violation.
- 29.3. The FA shall then notify the Player and his Club simultaneously. This notification will include details of the following:
 - (a) the Adverse Analytical Finding;
 - (b) the relevant Anti-Doping Rule Violation(s);
 - (c) the Player's right to promptly request the analysis of the "B" Sample and of the fact that the "B" Sample analysis may be deemed waived if such request is not received within the time limit set by The FA Anti-Doping Unit;
 - (d) the fact that analysis of the "B" Sample analysis may be conducted at the request of The FA regardless of the Player's decision in this respect;
 - (e) the scheduled date, time and place for the "B" Sample analysis;
 - (f) the opportunity for the Player and/or the Player's representative to attend the "B" Sample opening and analysis; and
 - (g) the Player's right to request copies of the "A" and "B" Sample laboratory documentation package, which includes information as required by the International Standard for Laboratories.
30. Analysis of the "B" Sample in Adverse Analytical Findings
- 30.1. The Player has the right to request the analysis of the "B" Sample within 5 calendar days of being notified of an Adverse Analytical Finding. The request for analysis of the "B" Sample has no impact on a provisional suspension of the Player.
- 30.2. A Player may accept an "A" Sample analytical result by waiving his right to the "B" Sample analysis. The FA may however request the analysis of the "B" Sample at any time if it believes that such analysis will be relevant to consideration of the Player's case.
- 30.3. The FA shall, either via the NADO or directly itself, communicate the request for analysis of the "B" Sample immediately to the head of the laboratory where the "B" Sample is stored. The analysis of the "B" Sample shall be carried out as soon as possible. Any delay in processing of the 'B' Sample shall not be considered as a departure from the International Standard for Laboratories that may invalidate the analytical procedure or results. No reason shall be accepted for changing the date of the "B" Sample analysis.
- 30.4. The Player and/or his representative shall be allowed to be present at the opening of the "B" Sample analysis and to attend the analysis throughout. A representative of the Player's association or club may also be present and attend throughout, as may a representative of The FA and/or the NADO.

31. Results management
- 31.1. The results of the "B" Sample analysis shall be sent immediately to the NADO to determine whether they confirm the Adverse Analytical Finding made in respect of the "A" Sample.
32. Review of Atypical Passport Findings and Adverse Passport Findings.
- 32.1. Review of Atypical Passport Findings and Adverse Passport Findings shall take place as provided in the International Standard for Testing and Investigations and International Standard for Laboratories. At such time as the NADO or The FA is satisfied that an Anti-Doping Rule Violation has occurred, it shall promptly notify the Player and the Player's Club of the alleged Anti-Doping Rule Violation, and the basis for that allegation.
33. Review of Whereabouts Failures.
- 33.1. Review of potential filing failures and missed tests for Players in a Registered Testing Pool shall take place as provided in the International Standard for Testing and Investigations. At such time as The FA is satisfied that a Regulation 6 Anti-Doping Rule Violation has occurred, it shall promptly notify the Player and the Player's Club of the alleged Anti-Doping Rule Violation, and the basis for it.
34. Review of other Anti-Doping Rule Violations
- 34.1. In the case of any possible Anti-Doping Rule Violation where there is no Adverse Analytical Finding and no Atypical Finding, The FA shall conduct any investigation based on the facts of the case that it deems to be necessary.
- 34.2. At such time as The FA has reason to believe that an Anti-Doping Rule Violation might have occurred, it shall promptly notify the Player and the Player's Club of the alleged Anti-Doping Rule Violation, and the basis for it.
35. Response to Charge
- 35.1. Where a Player is charged with an Anti-Doping Rule Violation, he shall be given a time limit to respond to the charge.
35. Retirement from sport
- 35.1. If a Player retires while a results management process is under way, The FA retains jurisdiction to complete its results management process.
- 35.2. If a Player retires before any results management process has begun, The FA has jurisdiction to conduct results management in respect of any matter occurring prior to such retirement.

However, this definition shall not include the actions of bona fide medical personnel involving a Prohibited Substance or Prohibited Method used for genuine and legal therapeutic purposes or other acceptable justification and shall not include actions involving Prohibited Substances which are not prohibited in Out-of-Competition Testing unless the circumstances as a whole demonstrate that such Prohibited Substances are not intended for genuine and legal therapeutic purposes or are intended to enhance sport performance;

“Adverse Analytical Finding” means a report from a laboratory or other WADA-approved entity that identifies in a Sample the presence of a Prohibited Substance or its Metabolites or Markers (including elevated quantities of endogenous substances) or evidence of the Use of a Prohibited Method, consistently with the International Standard for Laboratories and related technical documents;

SCHEDULE FIVE

GUIDE TO THERAPEUTIC USE EXEMPTIONS

1. INTRODUCTION

- 1.1. The Anti-Doping Regulations permit Players to apply for permission to use, for therapeutic purposes, substances or methods on the Prohibited List whose use is otherwise prohibited under the Anti-Doping Regulations. In order to excuse the presence or Use or Possession or Administration of a Prohibited Substance or Prohibited Method that would otherwise amount to an Anti-Doping Rule Violation, a TUE must be obtained that covers such presence or Use or Possession or Administration. The process for obtaining a TUE will be managed by the NADO on behalf of The FA, in accordance with this Guide.
- 1.2. Any Player who consults a doctor and is prescribed treatment or medication shall enquire whether the prescription contains any Prohibited Substances or involves the Use of any Prohibited Methods. If so, the Player must request alternative treatment. If alternative treatment is not available, an application for a TUE should be made in accordance with this Guide.
- 1.3. The International Standard for Therapeutic Use Exemptions (the "International Standard for TUEs") sets out the circumstances in which Players may claim such a therapeutic use exemption (or "TUE"). This Guide adopts and incorporates the International Standard for TUEs, as amended from time to time. All persons shall be deemed to accept the International Standard for TUEs and any such amendments thereto as binding upon them without further formality. In the case of any discrepancy between the International Standard for TUEs and this Guide, the International Standard for TUEs shall prevail.
- 1.4. This Guide may be updated at any time by The FA to take account of changes in the International Standard for TUEs or any other procedural changes. The version of this Guide in force at any given time will be published on The FA's website, at www.TheFA.com.
- 1.5. Subject only to paragraph 1B2 (which identifies limited circumstances in which a retroactive TUE may be granted), the following Players must obtain a TUE, by following the process for TUE applications detailed in Sections 1A and 1B of this Guide, prior to Using or Possessing the Prohibited Substance or Prohibited Method in question:

For clubs in the Premier League, Championship, League 1 or League 2:

Registered professional Players

Registered scholars and Apprentices at clubs competing in Professional Development League 1 (Category 1 clubs)

Any other Player who trains or competes with either of the above two groups of Players.

Any Player not in any of the categories identified above does not need a TUE in advance but instead may apply for it after a test, in accordance with paragraph 1B2(c), provided that use of a Prohibited Substance or a Prohibited Method prior to that time shall be at the Player's own risk.

- 1.6. Players must take note that TUEs issued to them by the NADO in accordance with this Guide may not be automatically recognised by UEFA or FIFA or organisers of other competitions in which they participate. It is the Player's responsibility to ensure that he complies with any additional TUE requirements placed on him by FIFA or UEFA or such other competition organiser. Any TUE granted by the NADO will not be valid for purposes of UEFA or FIFA or other competitions unless and until it is recognised by them. The FA and/or the NADO will support the Player in seeking such recognition. If FIFA refuses to recognise that TUE, then the review and appeal rights set out in Article 4 of the World Anti-Doping Code will apply, but if those rights are not exercised or if they are exercised unsuccessfully, then that

- TUE will become invalid for all purposes, including for purposes of The FA's Anti-Doping Regulations.
- 1.7. A Player may not apply to more than one body for a TUE. A Player who applies for a TUE pursuant to the rules of FIFA, UEFA or another body shall report the grant or denial of the application immediately to both The FA and the NADO by sending them copies of the application and the decision.
- 1.8. The FA will recognise and respect any TUE granted to a Player by FIFA or UEFA or other body provided that the grant is consistent with the Code and the International Standard for TUEs and is within the grantor's authority. If it does not think the TUE should be recognised, the review and appeal rights set out in Article 4 of the World Anti-Doping Code will apply, but if those rights are not exercised or if they are exercised unsuccessfully, then that TUE will become valid for all purposes, including for purposes of The FA's Anti-Doping Regulations.
- 1.9. A Player who seeks a TUE from the NADO consents to the processing of the TUE application as set out in this Guide, including:
- (a) the disclosure by the Player's physician(s) of any further information required by the NADO or the UK TUE Committee to process his/her TUE application;
 - (b) the communication by the NADO of the information in the application and/or supplemental information from the Player's physician(s) to members of the UK TUE Committee and (as required) on an anonymised basis to other independent medical or scientific experts consulted by the UK TUE Committee; and
 - (c) the communication of the grant or denial of a TUE, including the details of any conditions or restrictions on such grant, and any supporting documentation or information, to The FA, FIFA, WADA and other Anti-Doping Organisations.
- 1.10. Should the Player wish to revoke the consent set out in the preceding paragraph, he or she must notify the NADO and his/her physician(s) in writing of the fact, provided that upon such revocation of consent the application for a TUE (or for renewal of an existing TUE) will be deemed denied.

Section 1A: Process for applying for a Therapeutic Use Exemption (TUE)

1A1 An application for a TUE:

- must not be made simultaneously to both the NADO and another body;
- should be made on forms provided by the NADO, UEFA or FIFA, provided that they are in English and comply with the International Standard for TUEs;
- must be completed legibly, fully and accurately, in English, and must be signed by the Player and by any physician(s) supporting the application;
- must specify the dose, frequency, route and duration of proposed administration of the otherwise Prohibited Substance or Prohibited Method;
- must include a statement by an appropriately qualified physician: (a) identifying the Player's condition requiring treatment; and (b) attesting that all of the conditions for the grant of a TUE that are set out at paragraph 1A7 are met;
- must also include a comprehensive medical history of the Player and the results of all clinical examinations, laboratory investigations and imaging studies relevant to the application. For TUE applications involving imaging studies and respiratory function tests, copies of images or physiological data should be submitted, as well as any interpretative reports that may have been produced;
- must also enclose copies of any prior application(s) that the Player has made for the TUE, to whomever made, and the decision made on such application(s), or else must confirm that the Player has not made any prior application for the TUE;

- must provide completely accurate and up-to-date contact details for the Player and for each physician supporting the application, including in each case a current mailing address and phone number; and
 - must be sent to the NADO either by post, e-mail or fax to the following address, in an envelope marked “Private and confidential TUE Application”:
TUE
UK Anti-Doping
Third Floor, Fleetbank House,
2-6 Salisbury Square, London
EC4Y 8JX
or by confidential fax: 0800 298 3362
or by e-mail: tue@ukad.org.uk
- 1A2 Players should retain a copy of the application and enclosures sent to the NADO, along with proof of the date of mailing/emailing/faxing.
- 1A3 The NADO will make best efforts to carry out an administrative review of the application within three (3) working days of receipt to confirm that the application:
- falls within the NADO’s TUE jurisdiction. If the Player falls under the TUE jurisdiction of UEFA or FIFA, then the NADO will forward the application to UEFA or FIFA (as applicable) for review. Any delay shall be at the risk of the Player, who is responsible for making the application to the correct authority in the first place;
 - has been completed fully and accurately in accordance with paragraph 1A1, above; and
 - is accompanied by sufficient medical information to process the application.
- 1A4 If the application is incomplete and/or otherwise does not meet the necessary requirements, it will be returned to the Player with an explanation to that effect, and he/she shall be invited to re-apply in compliance with the necessary requirements. Any delay shall be at the risk of the Player, who is responsible for submitting a proper and complete application.
- 1A5 If the application passes the administrative review, the NADO will forward it to three members of the UK TUE Committee, one of whom will be designated as the Chair. The Chair will coordinate the responses of the UK TUE Committee and provide a final decision to the NADO with respect to the application. The Chair shall also be responsible for requesting, where necessary, further specialist input to support the UK TUE Committee in making a final decision. Timeframes for the review of TUE applications are set out in Section 1D.
- 1A6 The members of the UK TUE Committee shall meet the following criteria:
- each of them shall be a physician with experience in the care and treatment of Players and a sound knowledge of clinical, sports and exercise medicine;
 - if the Player has an impairment, at least one UK TUE Committee member must possess specific expertise in relation to the care and treatment of Players with impairments, or possess specific experience in relation to the Player’s particular impairment; and
 - a majority of the UK TUE Committee members must not have any official responsibility within football. At the discretion of the Chair, however, one of the three physicians may be a Football Association medical officer, in order to provide sport-specific expertise, provided that such person must otherwise satisfy these criteria; and
 - each UK TUE Committee member must provide the NADO with evidence that he/she satisfies the foregoing criteria, and in addition must confirm that (a) (save in the case of a Football Association medical officer or other representative) they are

- not aware of any conflict of interest in their consideration of the application, and (b) they will observe confidentiality with respect to the entire TUE process.
- 1A7 The UK TUE Committee will review the application, including the medical information provided, and make a decision as soon as reasonably practicable. The UK TUE Committee will only grant the TUE if the Player demonstrates to the satisfaction of the Committee, on the balance of probabilities, that all four of the following conditions are met:
- (a) The Prohibited Substance or Prohibited Method in question is needed to treat an acute or chronic medical condition, such that the Player would experience a significant impairment to health if the Prohibited Substance or Prohibited Method were withheld.
 - (b) The Therapeutic use of the Prohibited Substance or Prohibited Method in question is highly unlikely to produce any additional enhancement to performance beyond what might be anticipated by a return to the Player's normal state of health following the treatment of the acute or chronic medical condition.
 - (c) There is no reasonable Therapeutic alternative to the Use of the Prohibited Substance or Prohibited Method.
 - (d) The necessity for the Use of the Prohibited Substance or Prohibited Method is not a consequence, wholly or in part, of the Player's prior Use (without a TUE) of a substance or method which was prohibited at the time of such Use.
- 1A8 Where it does not need any further information to process the application, the UK TUE Committee will make best efforts to make a decision within seven (7) days of its receipt of the application. Where it considers it appropriate to seek further medical or scientific opinion or information in relation to the application, whether from the Player or his physician or from a third party, the UK TUE Committee shall do so as quickly as is practicable, provided that the identity of the applicant shall not be disclosed to any third party. The UK TUE Committee shall make its decision as soon as reasonably practicable after receipt of the further information or opinion.
- 1A9 The UK TUE Committee's decision to grant a TUE must be unanimous to be valid.
- 1A10 If the UK TUE Committee grants the TUE, it shall detail in its decision (a) the duration of the exemption granted; and (b) any conditions or requirements that the Player must satisfy.
- 1A11 If the UK TUE Committee denies the TUE or imposes any conditions or requirements on this grant, it shall state its reasons for doing so in the decision itself.
- 1A12 The NADO will send copies of the UK TUE Committee's decision, on a confidential basis, to the Player and The FA as soon as possible, and The FA may send a copy on to UEFA/FIFA. The NADO will also send a copy of the decision on a confidential basis to WADA and other Anti-Doping Organisations, in accordance with paragraph 1.9(c), above.
- 1A13 If the UK TUE Committee denies the TUE application or imposes any conditions or requirements on its grant beyond simply confirming the dose, frequency and route of administration requested in the application, then at the same time as the NADO sends a copy of the decision to the Player, it shall also advise him/her of the right to appeal the decision to the UK TUE Appeal Panel in accordance with Section 1D of this Guide.
- 1A14 The submission of false or misleadingly incomplete information in support of a TUE application (including but not limited to the failure to advise of the unsuccessful outcome of a prior application to another Anti-Doping Organisation for such a TUE) may result in the bringing of disciplinary charges for breach of Regulation 7 of the Anti-Doping Regulations (Tampering or Attempted Tampering) or (as appropriate) for Misconduct.

Section 1B: Timing of Applications for TUEs and Effective Dates for TUE Grants

1B1 In accordance with the International Standard for TUEs, subject only to the exceptions set out in paragraph 1B2, a Player is required to obtain a TUE in advance of Using or Possessing the Prohibited Substance or Prohibited Method in question. He must apply for the TUE as soon as the requirement for the TUE arises and no less than 21 days before participating in an event or competition.

Retroactive TUE applications

1B2 A Player may only be granted a retroactive TUE for his prior Use of a Prohibited Substance or Prohibited Method if all four of the conditions set out at paragraph 1A7 are met and:

- (a) emergency treatment or treatment of an acute medical condition was necessary; or
- (b) due to other exceptional circumstances, there was insufficient time or opportunity for the Player to submit, or for the UK TUE Committee to consider, an application for the TUE prior to Doping Control; or
- (c) the Player falls into the category of Players allowed to apply for a retroactive TUE under paragraph 1.5; or
- (d) it is agreed by WADA and the body with jurisdiction to grant the TUE to the Player that fairness requires the grant of a retroactive TUE.

1B3 An application for a TUE covering emergency treatment or treatment of an acute medical condition should be made within five working days of the commencement of Use of the Prohibited Substance or Prohibited Method in question. The NADO may extend this deadline if the Player provides compelling reasons why it should do so.

1B4 If a Player is tested who falls into the category of Players allowed to apply for a retroactive TUE under paragraph 1.5, the Player must submit an application for a retroactive TUE in accordance with Section 1A of this Guide so that it is received by the NADO no later than five (5) working days after an Adverse Analytical Finding is reported in respect of the Sample collected from the Player. The NADO may extend this deadline if the Player provides compelling reasons why it should do so.

Effective dates for TUE grants

1B5 A Player may not assume that his/her application for a TUE (or for renewal of a TUE) will be granted. Any Use or Possession of a Prohibited Substance or Prohibited Method before an application has been granted shall be entirely at the Player's own risk.

1B6 A TUE granted by a UK TUE Committee may be cancelled if the Player does not promptly comply with any requirements or conditions imposed by the UK TUE Committee upon grant of the TUE.

1B7 On expiry of the term of a TUE granted by the UK TUE Committee, a Player who wishes to continue to use the Prohibited Substance or Prohibited Method in question must again apply for a TUE in accordance with Section 1A of this Guide.

1B8 there is a change to the dose, frequency, route or duration of the administration of the Prohibited Substance or Prohibited Method where a TUE has been granted, the TUE will no longer be valid and the Player must apply for a new TUE immediately.

Section 1C: Expiration or Cancellation of a TUE

1C1 A TUE granted pursuant to this Guide:

- (a) shall expire in accordance with paragraph 1A.10 at the end of any term for which the TUE was granted;
- (b) may be cancelled by the NADO if the Player does not promptly comply with any requirements or conditions imposed by the UK TUE Committee upon grant of the TUE; or

- (c) may be withdrawn by the UK TUE Committee (as applicable) if it is subsequently determined that the criteria for grant of a TUE are not in fact met.
- 1C2 Expiration of a TUE pursuant to paragraph 1C1(a) shall take effect automatically at the end of the term for which the TUE was granted without the need for any further notice or other formality.
- 1C3 Cancellation of a TUE pursuant to paragraph 1C1(b) or withdrawal of a TUE pursuant to paragraph 1C1(c) shall be notified by the NADO to the Player, with a copy to The FA and all other relevant Anti-Doping Organisations. Such notice shall take effect upon receipt. The FA may notify FIFA and/or UEFA.
- 1C4 In the event of an expiration, cancellation or withdrawal of the TUE pursuant to paragraph 1C1, the Player shall not be subject to any consequences based upon his/her Use or Possession of the Prohibited Substance or Prohibited Method in question in accordance with the TUE at any time prior to the effective date of expiry, cancellation or withdrawal of the TUE. If the analysis of the Player's "A" Sample indicates the presence of a Prohibited Substance or the Use of a Prohibited Method, The FA shall consider whether such finding is consistent with Use of the Prohibited Substance or Prohibited Method prior to that date, in which case there shall be no case to answer.

Section 1D: Process for Appealing a Denial or Conditional Grant of a Therapeutic Use Exemption

- 1D1 A Player who wishes to appeal a decision of the UK TUE Committee must lodge written notice of the appeal with the NADO within ten (10) working days of the date of receipt of the decision in question. The only available grounds of appeal shall be that the decision is not consistent with the requirements of the International Standard for TUEs.
- 1D2 The notice should be sent to the NADO at the following address, in an envelope marked "Private and confidential TUE Appeal":
- TUE
UK Anti-Doping
Third Floor, Fleetbank House,
2-6 Salisbury Square, London
EC4Y 8JX
or by confidential fax: 0800 298 3362
or by e-mail: tue@ukad.org.uk
- 1D3 The NADO will pass the notice of appeal, along with the complete file of the original TUE application, to the UK TUE Appeal Panel. The UK TUE Appeal Panel will be made up of three (3) members meeting the criteria set out at clause 1A7, but who were not involved in the decision being appealed.
- 1D4 The UK TUE Appeal Panel will review the application, including the medical information provided, and make a decision as soon as reasonably practicable, in accordance with the requirements set out in the International Standard for TUEs and without being bound in any way by the decision being appealed.
- 1D5 The UK TUE Appeal Panel must make its decisions unanimously for a TUE to be granted. Where it considers it appropriate to seek further medical or scientific opinion or information in relation to the appeal, whether from the Player or his physician or from a third party, the UK TUE Appeal Panel shall do so as quickly as is practicable, provided that the identity of the applicant shall not be disclosed to any third party. The UK TUE Appeal Panel shall make its decision as soon as reasonably practicable after receipt of the further information or opinion. The Chair of the UK TUE Appeal Panel will provide a copy of the written decision to the NADO as soon as practicable, the target being within two (2) working days of the decision being made.
- 1D6 If the UK TUE Appeal Panel grants the TUE, it shall detail in its decision (a) the duration of the exemption; and (b) any conditions or requirements that the Player must satisfy.

- 1D7 If the UK TUE Appeal Panel denies the TUE or imposes any conditions or requirements on its grant, it shall state its reasons for doing so in the decision itself.
- 1D8 The NADO will send copies of the UK TUE Appeal Panel's decision, on a confidential basis, to the Player and The FA as soon as possible. The FA will then notify FIFA and UEFA as soon as possible. The NADO will also send a copy on a confidential basis to WADA and other Anti-Doping Organisations, in accordance with paragraph 1.9(c), above.
- 1D9 The foregoing provisions of this Section 1D shall be without prejudice to:
- (a) the right of a Player to appeal to the UK TUE Appeal Panel against any decision of the UK TUE Committee denying a TUE, on the grounds that such decision did not comply with the International Standard for TUEs;
 - (b) the right of a Player to request that WADA exercise its discretion to intervene and overturn any decision of the UK TUE Appeal Panel, on the grounds that such decision did not comply with the International Standard for TUEs;
 - (c) the right of WADA, on its own initiative, to reverse a TUE decision if it determines that such decision did not comply with the International Standard for TUEs;
 - (d) the right of The FA or the NADO to appeal to CAS against any decision of the UK TUE Appeal Panel; and
 - (f) the right of the Player or the NADO (or FIFA or UEFA in accordance with their rules) to appeal to CAS against any decision made by WADA reversing a TUE decision made pursuant to this Guide.
- 1D10 Until such time as the grant of a TUE application made pursuant to this Guide has been reversed by WADA, or the denial of a TUE application made pursuant to this Guide has been reversed by WADA, or overturned on appeal, such grant or denial shall remain in full force and effect.
- 1D11 Where the NADO fails to take action on a properly submitted application for a TUE within a reasonable time, this failure to decide may be considered a denial of the application for the purpose of the appeal rights provided in this schedule.

 - 2.3.1 The term “Club” has the same meaning as it is given in FA Rule A2.
 - 2.3.2 The following terms have the same meaning as they are given in the FA Anti-Doping Regulations, reading in the alterations that are required to reflect the different context (e.g., references to Prohibited Substances and/or Prohibited Methods shall be read as references to Social Drugs; and references to anti-doping rule violations shall be read as references to breaches of these Social Drugs Policy Regulations): Administration; Adverse Analytical Finding; Attempt; In Competition; Marker; Metabolite; Minor; No Fault or Negligence; Out of Competition; Player; Player Support Personnel; Possession; Provisional Hearing; Provisional Suspension; Sample; Trafficking; and Use.
 - 2.3.3 Terms denoting the male gender shall be read to include as an alternative the female gender.
 - 2.3.4 Unless otherwise indicated, references to a “Regulation” are to particular provisions in these Social Drug Policy Regulations.
3. Purpose
 - 3.1 These Social Drugs Policy Regulations are not concerned with the presence, Use, etc. of Social Drugs during the In Competition period or with the illicit enhancement of sports performance. Such concerns are addressed solely and exclusively by The FA’s Anti-Doping Regulations. To that end, nothing in these Social Drugs Policy Regulations is intended or should be interpreted or applied in a manner that undermines the strict application and enforcement of The FA’s Anti-Doping Regulations in accordance with their terms. In particular, if any conduct that would constitute a breach of these Social Drugs Policy Regulations also constitutes a breach of the Anti-Doping Regulations, it shall be pursued as a breach of the Anti-Doping Regulations, and not as a breach of these Social Drugs Policy Regulations.

-
- 3.2 Instead, these Social Drugs Policy Regulations have been adopted because experience shows that, due to their age, spare time, disposable income, etc., Players are at risk of being exposed to Social Drugs while Out of Competition, with the following potential consequences:
- 3.2.1 Damage to the physical and/or mental health and welfare of a Player using Social Drugs (and so to his career, as well as to his general well-being), both in the short-term and (because of the addictive qualities of Social Drugs) in the long-term.
 - 3.2.2 Players under the influence of Social Drugs injuring themselves or others during training, due to the negative effect that Social Drugs can have on both mental and physical functioning (such as motor functioning, reaction time, altered perception, concentration, judgment, and decision-making).
 - 3.2.3 Players testing positive immediately after a match for a Social Drug taken Out of Competition (because metabolites of the drug remain in the system for several days or even weeks), and consequently being banned from the sport for a lengthy period under the FA Anti-Doping Regulations.
 - 3.2.4 Harm to public health where Players' Use of Social Drugs is copied by young players and fans who see them as role models.
 - 3.2.5 Damage to the image and reputation of the sport, with parents potentially being deterred from permitting their children to pursue a career in the sport and/or commercial partners potentially being deterred from associating their brands with the sport.
- 3.3 The purpose of these Social Drugs Policy Regulations is to prevent these damaging consequences to the health and welfare of Players and/or of those who regard Players as role models, and also to protect the image and reputation of the sport, by providing for (i) courses of education, counselling and treatment, where appropriate, to rehabilitate Players who have become involved with Social Drugs while Out of Competition; and (ii) the imposition of proportionate sanctions when necessary to address such conduct and to deter similar conduct in the future.
- 3.4 These Social Drugs Policy Regulations are to be interpreted and applied (including where an issue arises that is not expressly provided for in these regulations) by reference to the foregoing objectives. This purposive interpretation and application will take precedence over any strict legal or technical interpretations that may otherwise be proposed.
- 4 Prohibited Conduct
- 4.1 Subject always to Regulation 4.3, each of the following shall constitute a breach of these Social Drugs Policy Regulations (whether or not it takes place in connection with a training session or other activity organised by a Club):
- 4.1.1 The presence of a Social Drug or its Metabolite(s) or Marker(s) in a Sample provided by a Player while he is Out of Competition.
 - 4.1.1.1 Such presence is a strict liability offence, i.e., to establish a breach of Regulation 4.1.1 no proof is required that the Player ingested the Social Drug intentionally, recklessly, negligently or even knowingly; and nor is proof of lack of such intent, recklessness, negligence or knowledge a defence to a charge for breach of Regulation 4.1.1.
 - 4.1.1.2 The following evidence shall be sufficient to establish the presence of a Social Drug or its Metabolite(s) or Marker(s) in a Sample collected from the Player while he was Out of Competition: an Adverse Analytical Finding for the Social Drug or its Metabolite(s) or Marker(s) in the A Sample, where either (a) the Player waives analysis of the B Sample or

- (b) analysis of the B Sample confirms the Adverse Analytical Finding made in respect of the A Sample.
- 4.1.2 The Use or Attempted Use of a Social Drug by a Player while he is Out of Competition.
- 4.1.2.1 Such Use is a strict liability offence, i.e., to establish the offence of Use of a Social Drug by a Player while he is Out of Competition, in breach of Regulation 4.1.2, no proof is required that the Player Used the Social Drug intentionally, recklessly, negligently or even knowingly; and nor is proof of lack of such intent, recklessness, negligence or knowledge a defence to a charge of Use in breach of Regulation 4.1.2.
- 4.1.2.2 In contrast, to establish the offence of Attempted Use of a Social Drug by a Player while Out of Competition, The FA must prove intent on the part of the Player.
- 4.1.3 Possession of a Social Drug by a Player while he is Out of Competition.
- 4.1.3.1 For purposes of Regulation 4.1.3, in addition to bearing the meaning given to it in the Anti-Doping Regulations, the term “Possession” shall also encompass circumstances where a Player Support Personnel or other third party is holding a Social Drug on behalf of the Player while he is Out of Competition, at the direction of the Player and/or with the Player’s knowledge and acquiescence.
- 4.1.3.2 For the avoidance of doubt, a Player Support Personnel who holds a Social Drug on behalf of a Player while the Player is Out of Competition may be charged with a breach of Regulation 4.1.4 (whether or not the Player is charged with a breach of Regulation 4.1.3).
- 4.1.4 Possession of a Social Drug by a Player Support Personnel on behalf of a Player while the Player is Out of Competition.
- 4.1.5 Administration or Attempted Administration of a Social Drug by a Player or Player Support Personnel to a(nother) Player (with or without his knowledge) while the (other) Player is Out of Competition.
- 4.1.6 Trafficking or Attempted Trafficking of one or more Social Drugs by a Player or Player Support Personnel.
- 4.1.7 Assisting, encouraging, aiding, abetting, conspiring to commit, covering up, or any other type of intentional complicity by a Player or Player Support Personnel in a breach by another Player or Player Support Personnel of these Social Drugs Policy Regulations.
- 4.2 All Players and Player Support Personnel are responsible for ensuring that they know what substances have been designated Social Drugs and what conduct is prohibited under these Social Drugs Policy Regulations. Professed ignorance of these Social Drug Regulations shall not be a defence to a charge of breach of these Social Drugs Policy Regulations. Nor shall it be a defence that the breach did not have any effect on any Player’s sports performance.
- 4.3 A Player with a documented medical condition may apply in advance in writing to The FA for permission to Use a Social Drug for a defined period to treat that condition. Such application must be accompanied by accurate and complete medical evidence justifying such Use. The FA may grant or deny such application, conditionally or otherwise, in its absolute discretion. Any permission granted must be in writing in order to be valid for these purposes. Any presence of a Social Drug in a sample, or any Use, Possession, Administration or supply of a Social Drug that is consistent with such permission shall not amount to a breach of these Social Drugs Policy Regulations.

- 5 Monitoring/Investigating Compliance
- 5.1 In accordance with its general power under Rule F to monitor compliance with its Rules and regulations, The FA may monitor compliance with these Social Drugs Policy Regulations as it sees fit, including (without limitation) by having Samples that are collected Out of Competition pursuant to the Anti-Doping Regulations analysed for the presence of Social Drugs.
- 5.1.1 Samples may be collected for this purpose at any time and place during Out of Competition periods, without any advance notice, including (without limitation) in reliance on whereabouts information provided pursuant to the Anti-Doping Regulations.
- 5.1.2 The procedures set out in the Anti-Doping Regulations for the collection and analysis of Samples, altered as necessary to reflect the different context, shall apply to Samples that are collected Out of Competition and analysed for the presence of Social Drugs in accordance with Regulation 5.1.
- 5.2 The FA may also exercise its powers of inquiry under Rule F to investigate possible instances of breach of these Social Drugs Policy Regulations.
- 5.3 The private testing/screening of Players for Social Drugs by any Participant is prohibited, and amounts to Misconduct contrary to Rule E. A Club may refer any good faith concerns that it has about a Player's or Player Support Personnel's compliance with these Social Drugs Policy Regulations to The FA, which shall address such concerns as it sees fit.
- 5.4 Where The FA has evidence that it considers may justify a charge of Misconduct based on a breach of these Social Drugs Policy Regulations, prior to issuing any charge The FA may inform the Player or Player Support Personnel in question of that evidence, and give him the opportunity to provide a written explanation within a designated time.
- 5.4.1 If the Player or Player Support Personnel is a Player, the letter may also be sent to a senior representative of his Club and (if the Player is a member of the PFA and consents to the letter being sent to a representative of the PFA) to a representative of the PFA.
- 5.4.2 Instead of or in addition to any written explanation, The FA may require the Player or Player Support Personnel to attend a personal interview. He may be accompanied at the interview by one representative of his Club, a legal adviser, and/or (where relevant) a representative of the PFA. Such interview may be recorded, and the recording may be used by The FA in any disciplinary proceedings brought against such Player or Player Support Personnel or others.
- 6 Rehabilitation of Players through Education, Counselling and/or Treatment
- 6.1 The FA will identify options for rehabilitation through education, counselling and/or treatment of Players who breach these Social Drugs Policy Regulations, for consideration by the Regulatory Commission in the exercise of its powers under Regulation 8.1.1(a) and Regulation 8.6.1 to refer the Player for education, counselling and/or treatment. Where the Player so consents, The FA will identify such options in close consultation with the PFA.
- 6.2 If The FA has evidence that it considers may justify a charge against a Player of Misconduct based on a breach of these Social Drug Policy Regulations, it may at any time require that Player to meet with a specialist in drug misuse and addiction for assessment and evaluation, the report shall be provided to The FA.
- 6.3 The Regulatory Commission may at any time order a Player charged with breach of the Social Drugs Policy Regulations to meet with a specialist in drug misuse and addiction for assessment and evaluation, in order to assist the Regulatory Commission in deciding whether to exercise its powers under Regulation 8.1.1(a) or Regulation 8.6.1.

7 Disciplinary Proceedings

- 7.1 A breach of these Social Drugs Policy Regulations shall constitute Misconduct contrary to Rule E. Accordingly, The FA may bring disciplinary proceedings for Misconduct pursuant to Rule E1(b) against the Player or Player Support Personnel involved in the breach. The Regulations for Football Association Disciplinary Action shall apply to such proceedings, as amended/supplemented below.
- 7.2 The FA may provisionally suspend a Player or Player Support Personnel on or at any point after the date that it notifies him of an Adverse Analytical Finding or charges him with a breach of these Social Drugs Policy Regulations. No appeal shall lie against the imposition of a Provisional Suspension, but the Player or Player Support Personnel who is the subject of the Provisional Suspension shall be entitled to an expedited hearing and determination of the charge against him.
- 7.3 Where an Adverse Analytical Finding is reported for the presence of a Social Drug in a Player's A Sample collected Out of Competition, The FA shall afford the Player involved the same rights in respect of confirmatory analysis of the B Sample as he would have if the Adverse Analytical Finding had been issued under the Anti-Doping Regulations. The Player may exercise or waive those rights as he sees fit. If analysis of the B Sample does not confirm the presence of a Social Drug or its Metabolite(s) or Marker(s) in the B Sample, then the entire test shall be considered negative, any charge based on the Adverse Analytical Finding shall be withdrawn, and any Provisional Suspension that has been imposed based on the Adverse Analytical Finding shall be lifted.
- 7.4 The FA must prove an alleged breach of these Social Drugs Policy Regulations on the balance of probabilities. It may prove facts establishing that breach by any reliable means. Where it relies on an Adverse Analytical Finding and/or other analytical evidence from the testing of Samples collected under the Anti-Doping Regulations, Regulations 24-28 of the Anti-Doping Regulations shall apply, reading in the alterations that are required to reflect the different context.

8 Sanctions

8.1 Subject to the provisions of Regulation 8.4 (where applicable):

8.1.1 For a breach of Regulation 4.1.1 (presence in a Sample), Regulation 4.1.2 (Use or Attempted Use), or Regulation 4.1.3 (Possession), the following sanction shall be imposed:

- (a) if it is the Player's first breach of these Social Drugs Policy Regulations, then the Regulatory Commission shall issue a warning and/or require the Player to undergo a course of assessment/evaluation, education, counselling and/or treatment. The Regulatory Commission may also impose a period of suspension on the Player within the range 0 to 3 months. The Regulatory Commission shall consider the following factors when determining whether or not to impose a suspension:
- (i) The credibility of a Player's account of the events leading to the finding;
 - (ii) Any assessment report produced by a specialist in drug misuse and addiction;
 - (iii) Any factors which indicate the Player may be a risk to other Participants and/or himself should he train and/or compete;
 - (iv) Any aggravating factors;
 - (v) Any mitigating factors.

However, if the Player refuses or fails to complete the course of assessment/evaluation, education, counselling and/or treatment to

the satisfaction of The FA, then (i) any suspended period of suspension imposed by the Regulatory Commission shall be enforced with immediate effect; or (ii) where no suspended period of suspension was previously imposed by the Regulatory Commission, The FA may refer the matter back to the Regulatory Commission to determine what (if any) further consequences should apply;

- (b) if it is the Player's second breach of these Social Drugs Policy Regulations – a suspension in the range of 6 to 12 months;
- (c) if it is the Player's third breach of these Social Drugs Policy Regulations – a suspension in the range of 18 to 24 months; and
- (d) if it is the Player's fourth breach of these Social Drugs Policy Regulations – 24 months to a lifetime suspension.

A Regulatory Commission may choose to suspend any suspension it has imposed in accordance with Regulation 8.1.1, or any part thereof. Any sanction imposed shall be in addition to any provisional suspension the Player is, or has been subject to in accordance with Regulation 7.2.

8.1.2 For a breach of Regulation 4.1.3.1 (Possession by a Player Support Personnel), a sanction within the following range shall be imposed:

- (a) if it is the Player Support Personnel's first breach of these Social Drugs Policy Regulations – a warning and/or suspension in the range of 0 to 3 months;
- (b) if it is the Player Support Personnel's second breach of these Social Drugs Policy Regulations – a suspension in the range of 6 to 12 months;
- (c) if it is the Player Support Personnel's third breach of these Social Drugs Policy Regulations – a suspension in the range of 18 to 24 months; and
- (d) if it is the Player Support Personnel's fourth breach of these Social Drugs Policy Regulations – 24 months to a lifetime suspension.

8.1.3 For a breach of Regulation 4.1.5 (Administration or Attempted Administration) or Regulation 4.1.6 (Trafficking or Attempted Trafficking), a sanction within the following range shall be imposed:

- (a) if it is the Player's or Player Support Personnel's first breach of these Social Drugs Policy Regulations – a suspension in the range of 6 to 12 months;
- (b) if it is the Player's or Player Support Personnel's second breach of these Social Drugs Policy Regulations – a suspension in the range of 12 to 48 months;
- (c) if it is the Player's or Player Support Personnel's third breach of these Social Drugs Policy Regulations – a suspension in the range of 48 months to a lifetime; and
- (d) if it is the Player's or Player Support Personnel's fourth breach of these Social Drugs Policy Regulations – a lifetime suspension.

8.1.4 For a breach of Regulation 4.1.7 (complicity), the mandatory sanction shall be the same as if the Player or Player Support Personnel had personally committed the breach in which he was complicit.

8.1.5 For a breach of Regulation 5.3 (private testing for Social Drugs), the general powers for sanctioning Misconduct set out at Regulation 8.1 of the Regulations for Football Association Disciplinary Action shall apply.

- 8.2 For purposes of Regulation 8.1, a breach of the predecessor Rules and/or regulations to these Social Drugs Policy Regulations shall be treated as a prior breach of these Social Drugs Policy Regulations even though it took place prior to the Effective Date, provided that it took place within ten years of the breach of the Social Drugs Policy Regulations for which a sanction is now being determined.
- 8.3 Where Regulation 8.1 provides for imposition of a suspension within a specified range, the Regulatory Commission shall fix a period of suspension within that range by reference to the degree of fault of the Player or Player Support Personnel, and by reference to what is required to achieve the purposes of these Social Drugs Policy Regulations. Any Administration or Attempted Administration or Trafficking or Attempted Trafficking to a Minor shall be treated as a serious aggravating factor.
- 8.4 Notwithstanding any other provision in these Social Drugs Policy Regulations:
- 8.4.1 If a Player or Player Support Personnel establishes in any case that he bears No Fault or Negligence for the breach in question, any otherwise applicable period of suspension will be eliminated. No Fault or Negligence will only be found in exceptional circumstances.
- 8.4.2 Where a Player or Player Support Personnel voluntarily admits to having committed a breach of these Social Drugs Policy Regulations before receiving notice that The FA is investigating such breach or notice of a Sample collection that could establish such breach, and that admission is the only reliable evidence of the breach at the time of admission, then the otherwise applicable period of suspension may be reduced by up to one half, even if that takes it below the minimum period specified in Regulation 8.1.
- 8.5 Generally, a period of suspension shall start running from the date that such suspension is imposed. However:
- 8.5.1 The Player or Player Support Personnel will be given credit for any period of Provisional Suspension that he has served.
- 8.5.2 Where the Player or Player Support Personnel admits the breach promptly after being notified of it by The FA, the Regulatory Commission may deem the period of suspension to have started on or at any time after the date that the breach occurred. This discretion may not be exercised, however, where the period of suspension has been reduced under Regulation 8.4.2.
- 8.6 In any case that is brought before a Regulatory Commission for breach by a Player of these Social Drugs Policy Regulations, in addition to applying the foregoing provisions of this Part 8:
- 8.6.1 The Regulatory Commission may refer the Player for evaluation and assessment by one or more specialists in drug misuse and addiction, in order to determine whether it is appropriate to require the Player to attend a course of education, counselling and/or treatment designed to assist in his rehabilitation.
- 8.6.2 The Regulatory Commission may order that the Player be tested with or without prior notice, including during any period of suspension and/or any course of education, counselling and/or treatment, in order to monitor his ongoing compliance with these Social Drugs Policy Regulations.
- 9 Disciplinary Decisions
- 9.1 Any decision by a Regulatory Commission to uphold or not to uphold a charge for breach of these Social Drugs Policy Regulations, and/or imposing consequences or failing to impose consequences for such a breach, may be appealed by the Player or Player Support Personnel in question and/or The FA to an Appeal Board, in accordance with Rule H and the Regulations for Football Association Appeals.

-
- 9.2 In addition to its powers of publication pursuant to Regulation 4 of the “General Provisions relating to Inquiries, Commissions of Inquiry, Regulatory Commissions of The Association, other Disciplinary Commissions, Appeal Boards and Safeguarding Review Panel Hearings”, The FA shall decide in its absolute discretion whether or not to publish any detail or information relating to a charge brought for breach of these Social Drugs Policy Regulations and/or all or part of any decision issued by a Regulatory Commission and/or Appeal Board under these Social Drugs Policy Regulations. In addition, The FA may respond to public comments on the matter attributed to the Player or Player Support Personnel or his representatives. Subject thereto and to Regulation 10.1, cases arising under these Social Drugs Policy Regulations shall be kept confidential by all involved.
- 10 Miscellaneous
- 10.1 Each Player and Player Support Personnel is deemed to have agreed, both pursuant to the Data Protection Act 1998 and otherwise, that any of his personal information that is provided to The FA by him or on his behalf pursuant to these Social Drugs Policy Regulations shall be collected, stored, processed and/or disclosed in accordance with these Social Drugs Policy Regulations and in compliance with applicable law.
- 10.2 The FA may report any breach of these Social Drugs Policy Regulations that may also constitute a breach of non-sporting laws and/or regulations to the competent authority. If that authority decides to investigate and/or bring charges against a Player or Player Support Personnel in relation to the matter so reported, The FA may stay any related investigation and/or proceedings that it has previously commenced for breach of these Social Drugs Policy Regulations.

FA REGULATIONS ON WORKING WITH INTERMEDIARIES

INTRODUCTION AND INTERPRETATION

These Regulations are made in accordance with the FIFA requirement that National Associations have regulations governing the engagement of services provided by Intermediaries and must be read in conjunction with the FIFA Regulations on Working with Intermediaries which come into force on 1 April 2015. In the event of a conflict between these Regulations and the FIFA Regulations on Working with Intermediaries, these Regulations shall apply.

These Regulations are made in accordance with Rule J and are binding on all Participants.

Any decision by The Association pursuant to these Regulations shall be made by or under the authority of the Council of The Association, the Football Regulatory Authority or a Regulatory Commission as appropriate and shall be made at their absolute discretion.

Unless otherwise stated, definitions are as set out in Rule A of The Association and Appendix I of these Regulations. Words denoting the singular number include the plural number and vice versa; words denoting the masculine gender include the feminine gender.

These Regulations come into effect on 1 April 2015 and supersede The FA Football Agents Regulations.

A GENERAL PRINCIPLES

- 1 Only an Intermediary may be used and paid by a Player or Club in relation to any Intermediary Activity. Alternatively, a Player or Club may represent themselves in any matter relating to a Transaction.
- 2 A Player or Club must not use or pay any person for Intermediary Activity unless that person is registered as an Intermediary and is entitled to act under a valid Representation Contract. An Intermediary must not carry out any Intermediary Activity in the place of, or on behalf of, or as agent or representative of, any person other than the Player and/or the Club he is engaged to act for (unless in accordance with Regulation B6).
- 3 A Club, Player, Intermediary or other Participant must not so arrange matters as to conceal or misrepresent the reality and/or substance of any matters in relation to a Transaction.
- 4 Any party to a Transaction is prohibited from:
 - (a) proposing in any way, either directly or indirectly, to any other party to the Transaction that the Transaction is dependent upon a Player's agreement to contract with a specific Intermediary; or
 - (b) making the Transaction conditional on a Player's agreement to contract with a specific Intermediary.
- 5 A Club shall use reasonable endeavours to ensure that its Club Officials and Manager comply with the requirements of these Regulations.
- 6 An Intermediary, Club and Player must ensure that all relevant contracts and documents contain the name, signature and registration number of each and every Intermediary carrying out any Intermediary Activity in relation to a Transaction (whether directly or indirectly), as well as any other information as may be required by The Association from time to time. If a Player or Club has not used the services of an Intermediary at any time in a Transaction, this fact must be stated in all relevant documents in respect of such Transaction.

B. REPRESENTATION CONTRACT

- 1 An Intermediary and a Player or a Club (as applicable) must have entered into a validly executed written Representation Contract prior to that Intermediary carrying out any Intermediary Activity on his or its behalf.
- 2 The Representation Contract must contain the entire agreement between the parties in relation to the Intermediary Activity, and shall, at a minimum, contain all Obligatory Terms of the relevant Standard Representation Contract. The parties may add other terms so long as they are consistent with the Obligatory Terms of the Standard Representation Contract and the requirements of these Regulations and the FIFA Regulations on Working with Intermediaries.
- 3 All parties to a Representation Contract must ensure that copies of any and all Representation Contracts to which they are a party are lodged with The Association in any manner as may be prescribed from time to time. Representation Contracts must be lodged within 10 days of being executed and in any event no later than at the time of the registration of a Transaction by The Association.
- 4 Any term of a Representation Contract that breaches the requirements of these Regulations or the FIFA Regulations on Working with Intermediaries is not permitted. In such cases, The Association shall have the power to notify the parties of any such breach whereupon the parties shall remedy the breach by making the necessary amendments as notified. Failure to remedy any breach shall constitute a breach of these Regulations, separate from and in addition to the initial breach.
- 5 All parties to a Representation Contract must inform The Association in writing of any early termination, novation, variation or other event that affects the validity or status of a Representation Contract (save for the natural expiry of the contract), within 10 days of such event.
- 6 Where an Intermediary assigns or subcontracts any Intermediary Activity duties or services or responsibilities in relation to a Player and/or a Club to another Intermediary, the Intermediary must:
 - (a) lodge a copy of the Representation Contract between the assigning or subcontracting Intermediary and the Player and/or Club in accordance with Regulation B3;
 - (b) record the terms upon which those obligations are assigned or subcontracted and incorporate the written consent of the Player and/or Club in a single document; and
 - (c) complete and lodge such document in the same way as for a Representation Contract under Regulation B3.
- 7 Where a Player has a Representation Contract with an Intermediary, a Club must deal with that Intermediary in relation to any Transaction concerning the Player unless the Player provides a prior written request to the Club requesting it not to do so, such written request also to be provided by the Player to the Intermediary as soon as reasonably practicable and in any event prior to the Transaction taking place.
- 8 An Intermediary must not, either directly or indirectly, make any approach to, or enter into any agreement with, a Player in relation to any Intermediary Activity before the 1st day in January of the year of the Player's sixteenth birthday.
- 9 An Intermediary cannot enter into a Representation Contract with a Minor unless it is countersigned by the Minor's parent or legal guardian with parental responsibility.
- 10 An Intermediary can only enter into a Representation Contract with a Player for a maximum duration of two years.

C. REMUNERATION

- 1 An Intermediary may be remunerated by the Club or the Player for whom he acts. Payment must be made in accordance with the terms of either the Representation Contract between the parties or the relevant paperwork submitted to The Association to register the Transaction.
- 2 Where an Intermediary undertakes Intermediary Activity for a Player, the Player may discharge his obligations to pay the Intermediary as specified in either the Representation Contract between the parties or the relevant paperwork submitted to The Association to register the Transaction in one, or more, of the following ways only:
 - (a) the Player may pay the Intermediary directly; and/or
 - (b) only where the Player makes a request in writing to the Club, the Club may:
 - (i) make an actual deduction in periodic instalment(s) from a Player's net salary in favour of the Intermediary, so that the sums are deducted and paid in discharge of the Player's obligation to the Intermediary contained in the relevant Representation Contract or the relevant paperwork submitted to The Association; and/or
 - (ii) discharge the Player's liability towards his Intermediary, as contained in the relevant Representation Contract or the relevant paperwork submitted to The Association, on the Player's behalf as a taxable benefit.
- 3 Where the Intermediary and the Player agree in the Representation Contract that a commission (either by way of lump sum or by instalments) is to be paid in respect of a Transaction, it shall be calculated on the basis of the Player's Basic Gross Income as set out in the employment contract concluded by the Player in respect of which he was represented by the Intermediary.
- 4 Where the Intermediary and the Player agree periodic instalments and the Player's employment contract in respect of which he was represented by the Intermediary lasts longer than the Representation Contract, the Intermediary is entitled to the agreed instalments after expiry of the Representation Contract, until the Player's employment contract expires or, if earlier, until the Player signs a new employment contract without the involvement of that Intermediary.
- 5 Any and all remuneration or payments of whatever nature, and howsoever arising, and whether direct or indirect, made to any person in relation to any Intermediary Activity for or on behalf of a Club, must be made by the Club only, and must be fully recorded in the accounting records of the Club. This does not prevent an Intermediary acting for a Club from paying another Intermediary with whom he has assigned or sub-contracted any Intermediary Activity duties or services or responsibilities in accordance with Regulation B6.
- 6 Any payment by a Club to an Intermediary in relation to any Intermediary Activity, whether direct or indirect, other than a payment made by a Club under Regulation C2.(b)(i), must be made through The Association, using the relevant designated account and in accordance with The Association's clearing house protocol as may be prescribed by The Association from time to time.
- 7 Where the Intermediary and the Club agree that such a commission is to be paid, they shall also agree in the Representation Contract what the commission shall be and whether the Club shall remunerate the Intermediary with a lump sum payment at the start of the employment contract of the Player who was the subject of the Transaction or whether the Club will pay by periodic instalments and/or whether such commission (or any instalment or part thereof) shall be conditional in any way.

- 8 Save when acting further to Regulation B6, an Intermediary, or an Intermediary's Organisation, must not pass any remuneration directly relating to Intermediary Activity to any other person. This does not affect the ability of an Organisation to pay its employees or contractors pursuant to their employment or other contracts or any other parties for purposes unrelated to any Intermediary Activity.
- 9 A Club which pays to a club a compensation payment and/or any Solidarity Payment and/or Training Compensation Payment, or other sum properly payable as consideration for, or in connection with, a Transaction must ensure that it pays any such amount(s) only to the club and/or any other clubs and/or persons to whom the same is payable in accordance with any applicable competition rules and/or the Rules and/or Regulations of The Association. A Club must not pay any amount to any other third party (including but not limited to any Intermediary involved in the Transaction) save with the express consent of the appropriate governing body in respect of the Transaction in question.
- 10 Players and/or Clubs that engage the services of an Intermediary when negotiating an employment contract and/or a transfer agreement are prohibited from making any payments to such Intermediary if the Player concerned is a Minor.
- 11 As a recommendation, Players, Clubs and Intermediaries may adopt the following benchmarks:
- (a) The total amount of remuneration per Transaction due to Intermediaries who have been engaged to act on a Player's behalf should not exceed three per cent (3%) of the Player's Basic Gross Income for the entire duration of the relevant employment contract.
 - (b) The total amount of remuneration per Transaction due to Intermediaries who have been engaged to act on a Club's behalf in order to conclude an employment contract with a Player should not exceed three per cent (3%) of the Player's eventual Basic Gross Income for the entire duration of the relevant employment contract.
 - (c) Subject to Regulation E5, the total amount of remuneration per Transaction due to Intermediaries who have been engaged to act on a Club's behalf in order to conclude a transfer agreement should not exceed three per cent (3%) of the eventual transfer compensation paid in connection with the relevant transfer of the Player.

D. DISCLOSURE AND PUBLICATION

- 1 The Association shall be entitled to publish the name and registration number of every Intermediary, as well as, where applicable, the name of the Organisation (or legal person registered as an Intermediary) he is connected with.
- 2 The Association shall be entitled to publish, in any manner and at any time it considers appropriate, a list of every Transaction in which any Intermediary has been involved.
- 3 The Association shall be entitled to publish, in any manner and at any time it considers appropriate, the total consolidated amount of all payments made by all Players to Intermediaries and the total consolidated amount of all payments made by each Club to Intermediaries.
- 4 The Association shall be entitled to publish any decision made pursuant to these Regulations, in any manner and at any time it considers appropriate, including the name and any other relevant information relating to an Intermediary in respect of whom a disciplinary decision has been made, including where a Registration is suspended or withdrawn. This is in addition to The Association's powers to publish contained in the General Provisions Relating to Inquiries, Commissions of Inquiry, Regulatory Commissions of The Association, Other Disciplinary Commissions, Appeal Boards and Safeguarding Review Panel Hearings, or elsewhere in its Rules and regulations.

E. CONFLICTS OF INTEREST**Consent to Dual/Multiple Representation**

- 1 An Intermediary may only act for one party to a Transaction save where the Intermediary and other relevant parties comply in full with the requirements regarding consent for dual/multiple representation set out at Regulations E2 and E3. The content of Regulations E2 and E3 must also be complied with prior to any situation where two or more Connected Intermediaries are proposing to act for more than one party to a Transaction. In that case, the Connected Intermediaries will collectively be required to comply with the requirements of Regulations E2 and E3.
- 2 An Intermediary may undertake Intermediary Activity for more than one party in relation to a Transaction, only where the following requirements are met in full:
 - (a) The Intermediary has a pre-existing Representation Contract with one party to the Transaction (“the first party”) and the Representation Contract has been lodged with The Association in accordance with the requirements of Regulation B; alternatively the Intermediary has entered into a sub-contract agreement in relation to the first party in accordance with the requirements of Regulation B6; and
 - (b) The Intermediary obtains all parties’ prior written consent to him providing services to any other party to the Transaction (“the other party(ies)”) in the form prescribed by The Association from time to time; and
 - (c) Once the Intermediary and the other party(ies) have agreed terms, (but prior to them entering into a Representation Contract), the Intermediary must inform all parties in the form prescribed by The Association from time to time of the full particulars of the proposed arrangements including, without limitation, the proposed fee (if any) to be paid by all parties to the Intermediary; and
 - (d) All parties are given the reasonable opportunity to take independent legal advice and/or, in the case of a Player, to take advice from the Professional Footballers’ Association prior to providing written consent in the form prescribed by The Association from time to time; and
 - (e) Having been given such opportunity, all parties provide their express written consent for the Intermediary to enter into a Representation Contract with the other party(ies) on the proposed terms in the form prescribed by The Association from time to time.
- 3 Where any party does not provide its express consent in accordance with the above requirements, the Intermediary is not permitted to proceed with the provision of services to the other party(ies), or to receive any remuneration from the other party(ies) in respect of the relevant Transaction, and the other party(ies) are not permitted to receive any services from the Intermediary or make any payment to the Intermediary in respect of the relevant Transaction. The Intermediary may continue to represent the first party (only) in respect of the relevant Transaction and be paid for such services in accordance with Regulation C and the terms of the relevant Representation Contract.

Restriction on Conflict of Interest

- 4 An Intermediary or an Intermediary’s Organisation shall not have an interest in a Club. Similarly, a Player, Club, Club Official or Manager shall not have any interest in the business or affairs of an Intermediary or an Intermediary’s Organisation.

Such interest shall be defined as:

- (a) beneficial ownership of more than 5% of any entity, firm or company through which the activities of the Club or Intermediary (as applicable) are conducted and/or

- (b) being in a position or having any association that may enable the exercise of a material, financial, commercial, administrative, managerial or any other influence over the affairs of the Club or Intermediary (as applicable) whether directly or indirectly and whether formally or informally.

An interest for the purposes of clauses (a) and (b) above includes an interest of:

- (i) a spouse, child, stepchild, parent or sibling of the Intermediary, Player, Club Official or Manager (as applicable); and/or
 - (ii) a company in which any legal or beneficial interest or any proportion or share is held by the Intermediary, Player, Club Official or Manager or any spouse, child, stepchild, parent or sibling of the Intermediary, Player, Club Official or Manager (as applicable) (save for a holding of less than 5%); and/or
 - (iii) a company over whose affairs financial, commercial, administrative, managerial or any other control or influence can be exercised by the individual or any spouse, child, stepchild, parent or sibling of the Intermediary, Player, Club Official or Manager (as applicable).
- 5 An Intermediary must not have, either directly or indirectly, any interest of any nature whatsoever in relation to a registration right or an economic right. This includes, but is not limited to, owning any interest in any transfer compensation or future transfer value of a Player. This does not prevent an Intermediary acting solely for a Club in a Transaction being remunerated by reference to the total amount of transfer compensation generated by this Transaction.
- 6 An Intermediary must not give, offer or seek to offer, any consideration of any kind, either directly or indirectly, to any Club, Club Official, Manager or Player as a result of, or in connection with, a Transaction or in return for any benefit, service, favour or any kind of preferential treatment in respect of the Club's Players, access to those Players or the promotion of the Intermediary's services with those Players. Clubs, Club Officials, Managers and Players are prohibited from accepting such offers or receiving such consideration.
- 7 An Intermediary must not give, offer or seek to offer, any consideration of any kind, either directly or indirectly, to a Player (or any family member of that Player) in relation to entering into a Representation Contract with that Intermediary. Players are prohibited from accepting such offers or receiving such consideration.

Duty to Disclose

- 8 A Player, Club, Club Official or Manager must disclose to The Association any agreement or contractual or other arrangement whether formal or informal that exists between any Player, Club, Club Official or Manager and any Intermediary (or an Intermediary's Organisation) whereby any money is paid by or on behalf of such Intermediary (or such Intermediary's Organisation) to such Player, Club, Club Official or Manager. Such disclosure must be made within ten days of the Intermediary entering into such a contractual or customary arrangement with the Player, Club, Club Official or Manager.
- 9 An Intermediary must disclose to The Association any agreement or contractual or other arrangement whether formal or informal that exists between that Intermediary and any Club Official, Manager or Club in respect of a Club Official or Manager whereby such Intermediary represents the interests of any such Club Official, Manager or Club in respect of a Club Official or Manager. Such disclosure must be made within 10 days of:
- (a) the Intermediary entering into such an agreement or contractual or other arrangement with a Club Official, Manager or Club in respect of a Club Official or Manager; or
 - (b) an individual becoming a Club Official or Manager and having a pre-existing agreement or contractual or other arrangement with an Intermediary; or

- (c) a person registering as an Intermediary and having a pre-existing agreement or contractual or other arrangement with a Club Official, Manager or Club in respect of a Club Official or Manager.
- 10 Intermediaries, Players, Clubs, Club Officials and Managers shall disclose in writing any actual or potential conflict of interest they might have in relation to a Transaction and shall obtain the express written consent of the other parties involved in the matter (in the form prescribed by The Association from time to time) in order for their activity in the Transaction to continue. A copy of this form shall be disclosed to The Association within 10 days of being completed and in any event no later than at the time of the registration of a Transaction by The Association.

1. Any breach of these Regulations shall be Misconduct in accordance with Rule E1(b). Any charge for Misconduct shall be dealt with in accordance with the Rules of The Association and shall be determined by a Regulatory Commission of The Association.

- 2 An Intermediary who operates through an Organisation is responsible for ensuring that any employees of the Organisation who are not FA Registered Intermediaries are prohibited from carrying out any Intermediary Activity. The Intermediary should also use reasonable endeavours to ensure that the Organisation through which he operates shall comply fully with the requirements of the Rules of The Association and these Regulations in relation to any Intermediary Activity carried out by that Intermediary.
- Transitional Provisions**
- 3 An Intermediary can conduct Intermediary Activity pursuant to a Representation Contract lodged with The Association before 1st April 2015 if this Representation Contract is resubmitted to The Association within 10 days of the Intermediary registering with The Association in accordance with Appendix II.
- 4 A Representation Contract between an Intermediary and a Minor lodged with The Association before 1st April 2015 will only be enforceable if the Intermediary is authorised to deal with Minors.

THIRD PARTY INTEREST IN PLAYERS REGULATIONS

PREAMBLE

These Regulations are made in accordance with Rule C.1.(b)(iii) of The Association and are binding on all Participants. These Regulations are founded on the principle that no party, other than a Club itself, should be placed in a position where it may be able to influence the manner in which a Club operates, its policies or the performance of its teams. The Association considers that a party holding an interest in the registration, federative, economic or similar rights of a Player may, as a consequence of that interest, have such ability. The purpose of these Regulations is to ensure that no such 'third party' interests are held in Players playing for Clubs.

Any breach of these Regulations shall be Misconduct and shall be dealt with in accordance with the Rules of The Association and shall be determined by a Regulatory Commission of The Association. All other decisions by The Association pursuant to these Regulations shall be made by or under the delegated authority of the Football Regulatory Authority and shall be made at its absolute discretion.

In dealing with any issue under these Regulations, regard shall be given to the substance of any dealings or arrangements and not just their legal form.

Definitions are set out in Rule A, Appendix I of The Association's Regulations on Working with Intermediaries and Section E of these Regulations.

These Regulations come into effect on 31 May 2015.

These provisions came into effect on 1 August 2014.

GENERAL

- 1.1 It should be borne in mind that the bodies subject to these provisions are not courts of law and are disciplinary, rather than arbitral, bodies. In the interests of achieving a just and fair result, procedural and technical considerations must take second place to the paramount object of being just and fair to all parties.
- 1.2 All parties involved in proceedings subject to these provisions shall act in a spirit of co-operation to ensure such proceedings are conducted expeditiously, fairly and appropriately, having regard to their sporting context.
- 1.3 The bodies subject to these provisions shall have the power to regulate their own procedure.
- 1.4 Without limitation to the authority of the bodies subject to these provisions to regulate their own procedure, where at any time in the course of any proceedings, there has been a breach of procedure by The Association or a failure by The Association to follow any direction given, including any time limit, this shall not invalidate the proceedings or its outcome unless the breach has been such as to seriously and irremediably prejudice the position of the Participant Charged.
- 1.5 Save where otherwise stated, the applicable standard of proof shall be the civil standard of the balance of probability.

EVIDENCE

- 2.1 A Commission of Inquiry, Regulatory Commission, Disciplinary Commission, Appeal Board and a Safeguarding Review Panel shall not be bound by any enactment or rule of law relating to the admissibility of evidence in proceedings before a court of law.
- 2.2 A Commission of Inquiry, a Regulatory Commission, a Disciplinary Commission, Appeal Board and a Safeguarding Review Panel may draw such inference from the failure of a witness (including the Participant Charged) to give evidence or answer a question as it considers appropriate.

REPRESENTATION

- 3.1 A Participant Charged attending a personal hearing may be represented by one individual. (For instance, a Player may be represented by a Club Official of a Club with which he/she is associated or by a representative of the Professional Footballers' Association, and a Referee may be represented by a representative of the Referees' Association).
- 3.2 A Participant Charged appearing before a Regulatory Commission or an Appellant before an Appeal Board, or a Participant before a Safeguarding Review Panel, and any individual or body assisting in any way an inquiry of The Association or a Commission of Inquiry, may be legally represented provided that he/she notifies The Association of the fact that he/she is to be legally represented by the date on which the Reply is served.
- 3.3 An individual acting as representative for a Participant Charged shall not be allowed to give evidence.

CONFIDENTIALITY/PUBLICATION OF PROCEEDINGS

- 4.1 The proceedings of a Commission of Inquiry, a Regulatory Commission, a Disciplinary Commission, Appeal Board and Safeguarding Review Panel shall take place in private.

- 4.2 Subject to Rules 4.4 and 4.5 below, all oral or written representations, submissions, evidence and documents created in the course of any proceedings are confidential between The Association and the individual or body concerned.
- 4.3 All oral or written representations, submissions, evidence and documents created in the course of any proceedings shall be subject to qualified privilege.
- 4.4 The Association shall have the power to publish in the public press, on a web site or in any other manner considered appropriate:
- the outcome of any inquiry (irrespective of whether a Charge is issued in respect of that inquiry);
 - reports of any hearing, order, requirement, instruction, decision, proceedings, acts, resolution, finding and penalty;

- Each Participant shall be deemed to have consented to any inquiry or Commission of Inquiry, a Regulatory Commission, a Disciplinary Commission, Appeal Board and a Safeguarding Review Panel and to the publication of any report.
- 4.5 The Association shall have the right to use and rely upon any representations, submissions, evidence and documents that are provided to it during the course of any inquiry and/or are created or otherwise generated during the proceedings of a Commission of Inquiry, a Regulatory Commission, a Disciplinary Commission, Appeal Board and Safeguarding Review Panel for the purpose of carrying out its regulatory functions and monitoring and implementing compliance with its Rules and Regulations (including taking action against any Participant under Rule E).

CONSOLIDATED PROCEEDINGS

- 8.1 Notwithstanding the power of The Association pursuant to Regulation 3.3 of the Regulations for Football Association Disciplinary Action, where the subject matter of or facts pertaining to a Charge or Charges against one or more Participant(s) is sufficiently

linked (including, but not limited to, where offences are alleged to have been committed in the same match or where there is common Association or defence evidence) OR where a Commission believes it appropriate for the timely and efficient disposal of the proceedings, the relevant Commission shall have the power to consolidate proceedings so that they are conducted together and the Charges may be determined at a joint hearing. Evidence adduced by or on behalf of a Participant shall be capable of constituting evidence against another Participant. The relevant Commission shall give appropriate weight to such evidence. Participants or their representatives shall be entitled to cross-examine other Participants and their witnesses.

The relevant Commission may hear evidence in any order and shall have complete discretion to take matters out of order for the timely, efficient and appropriate disposal of the proceedings.

OTHER PROCEEDINGS

- 9.1 The fact that the Participant is liable to face or has pending any other criminal, civil or disciplinary proceedings in relation to the same matter shall not prevent or fetter The Association conducting proceedings under the Rules of The Association.

REGULATIONS FOR FOOTBALL ASSOCIATION DISCIPLINARY ACTION

1 INTRODUCTION

- 1.1 These Regulations set out the way in which proceedings under Rules E and G of the Rules of The Association shall be conducted.
- 1.2 More guidance as to the specific disciplinary procedures and sanctions that are to apply to specific competitions may be found in the Memoranda entitled "Disciplinary Procedures Concerning Field Offences" attached to these Regulations as Sections A-D.

2 THE COLLECTION OF EVIDENCE

- 2.1 All Participants must take all reasonable measures to assist The Association in the collection of evidence. Where The Association requests the production of evidence from any Participant, that Participant shall (subject to considerations of legal professional privilege) be under an obligation to provide it.
- 2.2 Where on-field offences are concerned, The Association may request that a Club deliver or procure the delivery of video and/or DVD evidence to it to assist it in investigating possible Misconduct (as defined in the Rules of The Association). Clubs must deliver such video and/or DVD evidence to The Association as soon as reasonably practicable and in any event no later than by 12 noon on the next working day following The Association's request. Failure to provide such evidence within this deadline may result in The Association bringing a charge of Misconduct against the Club.

3 THE CHARGE

- 3.1 The decision that facts or matters may give rise to Misconduct and that a Charge be brought will be made by the Chief Regulatory Officer (or his nominee) on behalf of The Association.
- 3.2 Where any facts or matters give rise to alleged Misconduct by a Participant under Rule E1 (b)-(f) of the Rules of The Association, The Association will serve on the Participant concerned (the "Participant Charged") a written Charge ("the Charge") which shall:
 - (a) State briefly the nature of the alleged Misconduct;
 - (b) Identify the provision(s) alleged to have been breached;
 - (c) Provide copies of documents or other material referred to in the Charge.

The Charge may include a request for the provision of a summary of the current terms and conditions of employment of a Participant.

- 3.3 Where the subject matter of or facts pertaining to a Charge or Charges against one or more Participant(s) is sufficiently linked (including, but not limited to, where offences are alleged to have been committed in the same match or where there is common Association or defence evidence), The Association may charge the Participant(s) and consolidate the disciplinary proceedings so that they are conducted together and the Charges shall be determined at a joint hearing.
- 3.4 A copy of the Charge shall be forwarded to the Chairman of the Judicial Panel (or his nominee) who shall appoint a Regulatory Commission in accordance with, and subject to, the terms of reference of the Judicial Panel (as defined in the Articles of Association from time to time).

Where a Participant is charged under Rule E1 (b) - (f) the Secretary of the Regulatory Commission shall forward to both parties a copy of the Regulatory Commission's Standard Directions and/or the date of the proposed Directions Hearing convened in accordance with Regulation 4 below.

- 3.5 A single Charge may be issued against the Participant Charged in respect of more than one instance of Misconduct, but the Charge shall state separately the nature of each alleged

Misconduct and the provision(s) alleged to have been breached and shall have effect as separate Charges.

4 DIRECTIONS

Introduction

4.1 This Regulation gives effect to the general principle that it is in the interest of the timely and efficient disposal of disciplinary proceedings that directions be given whenever a Charge is brought against a Participant. In the case of complex matters, these directions may, at the discretion of the Regulatory Commission, be the subject of a Directions Hearing in the form and manner set out in Regulations 4.9 - 4.12 below.

Where less complex matters are concerned, these may be the subject of Standard Directions. The applicable Standard Directions are to be found at Schedules A – C to these Regulations.

Preliminary Applications and Preliminary Hearings

4.2 (a) A party to the disciplinary proceedings may apply for issues to be dealt with on a preliminary basis (a "Preliminary Application"). A Preliminary Application must be made as soon as practicable following service of the Charge, and in any case no later than 10 working days prior to the full hearing date.

In the event that a party wishes to have the Preliminary Application determined by a separate Regulatory Commission the party may submit the Preliminary Application to the Judicial Panel Chairman who shall determine whether it will be considered by the Regulatory Commission appointed to determine the Charge or by a separate Regulatory Commission.

The relevant Regulatory Commission, or the Chairman of the relevant Regulatory Commission shall have the power to decide the procedure to be followed in determining the Preliminary Application, including for the Preliminary Application to be heard by the Regulatory Commission Chairman alone.

In determining the Preliminary Application the relevant Regulatory Commission shall have the power to:

- Dismiss the Preliminary Application summarily.
- Order that the issues raised in the Preliminary Application be dealt with as part of the main proceedings and not on a preliminary basis.
- Allow or dismiss the Preliminary Application in full or in part.
- Make such further order as it considers appropriate.

The decision of a Regulatory Commission as to matters subject to a Preliminary Application shall be final and binding and there shall be no right of further challenge.

(b) In respect of a Provisional Suspension imposed pursuant to the Anti-Doping Regulations only, the Participant subject to the Provisional Suspension may apply for a Provisional Hearing (as defined in the Anti-Doping Regulations) in respect of it, whether before or after the Participant has been Charged with the Anti-Doping Rule Violation to which the Provisional Suspension relates,

Where the Participant has not been Charged, the Participant may apply to the Judicial Panel Chairman for the Provisional Hearing. The Judicial Panel Chairman will appoint a Regulatory Commission to conduct the Provisional Hearing.

Where the Participant has been Charged and wishes to have the Provisional Hearing determined by a separate Regulatory Commission, the Participant may apply to the Judicial Panel Chairman who shall determine whether the Provisional

Hearing will be conducted by the Regulatory Commission appointed to determine the Charge or by a separate Regulatory Commission. In the absence of such an application, the Provisional Hearing will be conducted by the Regulatory Commission appointed to determine the Charge.

Save that the Provisional Hearing may be conducted orally or in writing, the relevant Regulatory Commission shall have the power to decide the procedure to be followed in conducting the Provisional Hearing.

At the Provisional Hearing the relevant Regulatory Commission shall have the power to:

- Order that the issues raised in the Provisional Hearing be dealt with as part of the main proceedings and not at the Provisional Hearing; or
- Order that the Provisional Suspension be removed or remain in place, save that it may order the Provisional Suspension be removed only on one or more of the bases provided for this in the Anti-Doping Regulations; or
- Make such further order as it considers appropriate.

The decision of a Regulatory Commission at a Provisional Hearing conducted under this Regulation shall be subject to appeal only as provided for in the Anti-Doping Regulations.

General Procedures

4.3 In all cases other than those referred to in Regulations 4.14 to 4.16 below, the procedure shall be as set out below.

4.4 The Participant Charged must within seven days of the service of the Charge serve on The Association a written reply (the "Reply") which:

- (a) admits or denies each Charge or part of a Charge; and
- (b) states whether the matter is to be dealt with:
 - (i) on written submissions alone under Regulation 5 below; or
 - (ii) at a hearing under Regulation 6 below, in which case a fee of £100 must be submitted by cheque made payable to The Football Association Ltd; and
- (c) includes a summary of the current terms and conditions of employment of a Participant who is a Player or Manager or where otherwise requested in the Charge.

4.5 The Reply shall also include:

- (a) a clear explanation of the nature and extent of the Participant's admission or denial of the Charge(s) or any part of a Charge;
- (b) a list of witnesses upon whom the Participant intends to rely together with a written statement signed by each witness setting out his/her evidence in full; and
- (c) copies of any documentation, evidence, mitigation, or other relevant material (of whatever nature) on which the Participant intends to rely at a hearing.

The above must be provided within 7 days of service of the Charge. In complex matters or in exceptional cases, a Participant may apply to the Chairman of the Judicial Panel (on notice to The Association) for an extension of time in which to provide the Reply.

4.6 Where the Participant Charged:

- (a) Fails within seven days of the service of the Charge to serve a Reply on The Association and the Regulatory Commission is satisfied that the Charge was served; or

(b) Fails to indicate in the Reply whether he wishes the matter to be dealt with at a Hearing or on written submissions; or

(c) Fails to comply with each of the requirements at Regulations 4.4 and 4.5; the Regulatory Commission will determine the Charge in such manner and upon such evidence as it considers appropriate.

4.7 Upon review of a Participant's Reply, The Association may provide to the Participant and the Regulatory Commission any further evidence or relevant material on which it intends to rely.

Where The Association has served upon the Participant any such further material, the Participant shall provide to The Association such further evidence or other relevant material upon which it intends to rely at a hearing, provided that it does so at the earliest opportunity and in any event no later than 7 days before the hearing. Evidence or other material not provided within time may not be relied upon at the hearing.

The purpose of the scheme here described at Regulations 4.4-4.7 is to:

(a) Clarify for all parties and the Regulatory Commission the issues to be determined at a hearing; and

(b) Ensure the just, timely and efficient disposal of the case.

The parties shall cooperate with one another in so far as they are able in order to achieve this purpose.

4.8 Any party who is to go before a Regulatory Commission for a hearing under Regulation 6 below only (this provision does not apply to matters falling within Regulations 4.14 to 4.16 below, which are dealt with under the Standard Directions set out at Schedules A - C to these Regulations), may make an application to the Judicial Panel Chairman, within seven days of the charge being issued and upon notice to all other parties, for an order that the chairman of that Regulatory Commission shall be a Specialist Panel Member who is a Solicitor or Barrister of seven or more years' standing.

Approval by the Judicial Panel Chairman of such application shall not be unreasonably withheld or delayed and any additional costs incurred in respect of having such a Specialist Panel Member as the chairman of that Regulatory Commission (whether or not the applicant be successful in the relevant hearing before such Regulatory Commission), shall be borne by the party who made the application.

4.9 The Regulatory Commission may give any directions considered necessary for the proper conduct of the proceedings, including but not limited to:

(a) Establishing the date, time and place of the Hearing;

(b) Extending or abridging any time limit;

(c) Amending or dispensing with any of the procedural steps set out in these Regulations;

(d) Instructing that a transcript be made of the proceedings;

(e) Determining that issues be dealt with as preliminary issues, or at a preliminary hearing;

(f) Requiring that the parties make written submissions, or submit skeleton arguments in advance of the Regulatory Commission's Hearing;

(g) Requiring that the disclosure be made of specific and identifiable documents in the possession of The Association, the Participant Charged or any third party Participant which are considered by the Regulatory Commission to be relevant to the Charge.

(h) Determining who shall attend a Hearing.

- 4.10 The Regulatory Commission may order for there to be a Directions Hearing which may take the form of an oral hearing or may be conducted by telephone conference, video link or by written submissions at the direction of the Regulatory Commission. If satisfied that all matters are agreed prior to the time set for the Directions Hearing, the Regulatory Commission may direct that no hearing take place and that the agreed directions shall stand as the decision of the Regulatory Commission.
- 4.11 The decision of the Regulatory Commission on matters referred to in this Regulation 4 is final and not subject to appeal.
- 4.12 The Regulatory Commission will circulate a note of its directions within three working days after the Directions Hearing.

Application

- 4.13 Save as stated below, the following Regulations 4.14 to 4.16 apply to the Participants of Clubs of the FA Premier League, the Football League, the National League and The FA WSL. Regulation 4.16 also applies to Participants of Clubs of the National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League. Regulations 4.14 to 4.16 do not apply to Misconduct Charges for any of the following;

- The conduct of a Club's spectators and/or supporters and/or followers;
- Betting or any conduct relating to match or "spot" fixing, including but not limited to breaches of Rule E5, E8 and E14;
- Any breach of the Anti-Doping Regulations;
- Any Aggravated Breach of Rule E3(1);

or where it is thought any such charge may arise when an investigation is initiated.

Incidents concerning Players on the Field of Play which fall within Law 12, which were not seen by Match Officials, but caught on video (serious foul play, violent conduct, spitting at an opponent or any other person, offensive, insulting, abusive language or gestures).

- 4.14 Where a Player is charged with Misconduct contrary to Rule E1 of The Association, for a matter on the Field of Play (which falls within Law 12 but was not seen by Match Officials during the period of the game), the proceedings shall follow the specific procedures and time limits set out in the relevant directions concerning such matters as determined by Council from time to time (the "Standard Directions – Incidents on the Field of Play which fall within Law 12, which were not seen by Match Officials, but caught on video (serious foul play, violent conduct, spitting at an opponent or any other person, offensive, insulting or abusive language or gestures)" – see Schedule A). In the event of an appeal the procedures set out in Schedule C - "Standard Directions for Appeals against decisions of Regulatory Commissions" will then apply.
- 4.15 Where a Player is charged with Misconduct contrary to Rule E1 of The Association, for a matter on the Field of Play (which falls within Law 12 but was not seen by Match Officials during the period of the game), which the Chief Regulatory Officer (or his nominee) considers would not have resulted in the dismissal of the Player from the Field of Play, disciplinary proceedings shall not follow the course set out in Regulation 4.14 above. Rather, these will be dealt with in accordance with Regulation 4.16 below.

Incidents of Misconduct on or around the field of play (including the tunnel area), incidents outside the jurisdiction of Match Officials but reported to The Football Association and media comments.

- 4.16 In all cases involving Charges brought under Rule E1 (b) – (f) for a matter which has been brought to the attention of The Association relating to facts or matters on or around the Field of Play (including the tunnel area), incidents outside the jurisdiction of the Match

Officials and media comments (save those matters specifically excluded in the Schedule), the proceedings and the time limits shall be as set out in the "Standard Directions for incidents of Misconduct on or around the field of play (including the tunnel area), incidents outside the jurisdiction of Match Officials but reported to The Football Association and media comments" as determined by Council from time to time (see Schedule B), save that any time limit provided for in that Schedule shall not apply in respect of proceedings involving Participants of Clubs of the National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League. In the event of an appeal the procedures set out in Schedule C – "Standard Directions for Appeals against decisions of Regulatory Commissions" will then apply.

Exceptional Circumstances

- 4.17 Where the circumstances of a case are such that the Chief Regulatory Officer (or his nominee) or a Participant considers that it would be impractical or unfair for a Charge to be processed in the time limits set out in these Regulations, the various memoranda of Disciplinary Procedures Concerning Field Offences (Sections A - D) or in any Standard Directions, the Chief Regulatory Officer (or his nominee) or a Participant may apply to the Judicial Panel Chairman (or his nominee) for an order that the relevant time limits be amended, suspended, abridged or dispensed with.
- 4.18 Examples of circumstances in which the processing of a charge would be impractical or unfair within the time limits set out in these Regulations, the relevant Memorandum of Disciplinary Procedures Concerning Field Offences (Sections A - D) or in any Standard Directions are where:
- (a) there is a pending police investigation; or
 - (b) the seriousness or complexity of the matter necessitates a longer period of investigation; or
 - (c) substantial evidence needs to be obtained from non-Participants.

5 DETERMINATION ON WRITTEN SUBMISSIONS

- 5.1 Where the Participant Charged states in the Reply that he wishes the matter to be dealt with on written submissions, the Regulatory Commission may dispense with oral hearing and determine the Charge, and consequent sanction in the event the Charge is found proven, in the absence of the Participant Charged and make whatever penalty or other order it thinks appropriate.
- 5.2 Where the Participant Charged admits Misconduct in the Reply and wishes it to be dealt with under this Regulation 5, he may set out in the Reply submissions in mitigation.

6 DETERMINATION AT A HEARING

- 6.1 Where the Participant Charged states in the Reply that the matter is to be dealt with at a Hearing, the Regulatory Commission will proceed as set out in this Regulation 6, except where cases falling within Regulations 4.14 to 4.16 are concerned. Cases falling within Regulations 4.14 to 4.16 will be determined by the procedure set out in the relevant Standard Directions attached as a Schedule to these Regulations.
- 6.2 References to a party or parties mean The Association and any Participant Charged.
- 6.3 The Participant Charged must, if an individual, attend a Hearing of the Regulatory Commission in person. If the Participant Charged is not an individual, it shall attend through an Officer or Club Official as appropriate, unless otherwise ordered by the Regulatory Commission.
- 6.4 The Association, through the Chief Regulatory Officer, shall nominate an individual or individuals to present the Charge to the Regulatory Commission and call evidence and make submissions in support of the Charge.

- 6.5 The Regulatory Commission may adjourn a hearing for such period and upon such terms (including as to costs of the Regulatory Commission) as it thinks appropriate.
- 6.6 The Regulatory Commission has the power on the application of a party or otherwise to require a Participant to attend before the Regulatory Commission to provide information (in which case questions may be put by the Regulatory Commission and the parties) or to produce documents or records to the Regulatory Commission either before or during a Hearing.
- 6.7 Any Participant Charged appearing before the Regulatory Commission has the right to choose to be represented by any person who may speak on his or its behalf, including a legal representative. In the event that a party is to be represented, the Regulatory Commission must be notified of that fact and the identity of the representative at the time of the Reply.
- 6.8 In any proceedings before a Regulatory Commission, the Regulatory Commission shall not be obliged to follow the strict rules of evidence, may admit such evidence as it thinks fit and accord such evidence such weight as it thinks appropriate in all the circumstances.
- 6.9 Where the subject matter of a complaint or matter before the Regulatory Commission has been the subject of previous civil or criminal proceedings, the result of such proceedings and the findings upon which such result is based shall be presumed to be correct and true unless it is shown, by clear and convincing evidence, that this is not the case. For these purposes, civil proceedings include disciplinary or regulatory proceedings, whether public or private in nature.
- 6.10 Where a Participant Charged gives evidence in their own defence, they must give their evidence first i.e., before any other defence witness gives evidence. All other witnesses of fact for the defence who attend the Hearing cannot enter the Hearing until they are called to give their evidence.
- 6.11 The Regulatory Commission may proceed at a Hearing in the absence of the Participant Charged where it is satisfied that there are no reasonable grounds for the failure to attend and will do so in such manner as it considers appropriate.
- 6.12 In the event of a party failing to comply with an order, requirement, direction or instruction of the Regulatory Commission, it may take any action it considers appropriate in relation to such failure and may make an award of costs against the offending party.

7 DETERMINING THE CHARGE AND PENALTY

- 7.1 The Regulatory Commission will first consider whether or not a Charge is proven. In doing so the Regulatory Commission will have regard to any admission of the Charge or a part of the Charge made by the Participant. Where a Charge is denied, or where it is admitted but there remains a factual dispute between the Participant Charged and The Association, the Regulatory Commission shall consider the witness and other evidence placed before it together with each party's submissions in order to make findings in respect of any factual dispute(s) in order to determine: (i) whether a Charge is proven; (ii) if so proven or admitted, the factual basis on which the Charge is proven.
- 7.2 The Regulatory Commission shall retire to deliberate in private. A decision shall be determined by majority. Each member of the Regulatory Commission shall have one vote, save that the Chairman of the Regulatory Commission shall have a second and casting vote in the event of a deadlock.

Announcement of the decision on the Charge

- 7.3 The Regulatory Commission shall announce its decision as to (i) whether a Charge is proven; and (ii) if so, the factual basis on which the Charge is proven. The Commission may cite such findings as it considers appropriate to enable the parties to understand its decision. The Commission shall announce its decision as soon as reasonably practicable and in such manner as it considers appropriate. Where such decision is reached at a Hearing at which

the Participant Charged is present it should be announced immediately, save where the Regulatory Commission considers it appropriate to act otherwise.

Matters relevant to penalty

- 7.4 Where a Charge is proven (other than in accordance with Regulation 5.1), the parties shall be invited to address the Regulatory Commission as to any matter relevant to its consideration of penalty, which shall include the disciplinary record of the Participant Charged and any mitigation raised.
- 7.5 Where a Charge is proven in accordance with Regulation 5.1, the Regulatory Commission shall then consider the disciplinary record of the Participant together with any mitigation, and any other matters it considers relevant in its consideration of penalty.

Announcement of decision on penalty

- 7.6 The Regulatory Commission shall retire to deliberate in private. It shall announce its decision as to any penalty or other order to be imposed as soon as is reasonably practicable and in such manner as it deems appropriate. Where such decision is reached at a Hearing at which the Participant Charged is present it should be announced immediately, save where the Regulatory Commission considers it appropriate to act otherwise.

8 PENALTIES

- 8.1 The Regulatory Commission shall have the power to impose any one or more of the following penalties on the Participant Charged:
- (a) a reprimand and/or warning as to future conduct;
 - (b) a fine;
 - (c) suspension from all or any specified football activity from a date that the Regulatory Commission shall order, permanently or for a stated period or number of matches;
 - (d) the closure of a ground permanently or for a stated period;
 - (e) the playing of a match or matches without spectators being present, and/or at a specific ground;
 - (f) any order which may be made under the rules and regulations of a Competition in which the Participant Charged participates or is associated, which shall be deemed to include the deduction of points and removal from a Competition at any stage of any Playing Season;
 - (g) expulsion from a Competition;
 - (h) expulsion from membership of The Association or an Affiliated Association;
 - (i) such further or other penalty or order as it considers appropriate.
- 8.2 While the Memoranda dealing with disciplinary procedures concerning field offences and offences on or around the Field of Play set out standard sanctions, these sanctions may be increased by the Regulatory Commission where the facts of an individual case so dictate, where a particular act of Misconduct is sufficiently serious that the guideline sanction would not constitute a sufficient penalty for the Misconduct that has taken place.

Suspended Penalty

- 8.3 (a) Save where any Rule or regulation expressly requires an immediate penalty to be imposed, and subject to sub-paragraphs (b) – (d) below, The Regulatory Commission may order that a penalty imposed is suspended for a specified period or until a specified event and on such terms and conditions as it considers appropriate.

- (b) The Regulatory Commission must consider suspending a portion of the penalty to be imposed in any case where a Participant –
 - (i) has committed a breach of Rule E5, E8 or E14; and,
 - (ii) has provided assistance and / or information to The Association, UEFA, FIFA, any other national football association, a law enforcement agency or professional disciplinary body; and,
 - (iii) the assistance and / or information provided results in the discovery or establishment of a criminal offence or the breach of disciplinary rules by another person relating to betting or integrity (not including anti-doping, in respect of which the Anti-Doping Programme Regulations shall apply) in football or sport generally.
- (c) If in any such case the Regulatory Commission, in its discretion, considers it to be appropriate to suspend a portion of the penalty to be imposed, the extent to which the otherwise applicable penalty may be suspended will be based on the significance of the assistance provided by the Participant to the effort to eliminate corruption from sport.
- (d) If the penalty to be imposed is a suspension, no more than three-quarters of any such suspension may be suspended. If the period of such a suspension is a lifetime, the non-suspended period must be no less than eight years.

Drug Rehabilitation and Counselling

- 8.4 Where a Participant has breached the provisions of any anti-doping regulations ("a Doping Offence") a Regulatory Commission may order a compulsory period of target testing, rehabilitation and counselling, and attach such conditions as it considers appropriate.

Compensation Orders

- 8.5 The Regulatory Commission may, where it considers it appropriate, order the Participant Charged to pay compensation to any Participant ("the Claimant"), instead of or in addition to any penalty or other order.
- 8.6 An order to pay compensation to a Claimant may be for such amount as the Regulatory Commission considers appropriate.
- 8.7 The Regulatory Commission may order compensation only:
- (a) on receipt in advance of its determination of whether or not a Charge has been proved of a written claim by or on behalf of the Claimant setting out the amount claimed and detailed reasons for the claim; and
 - (b) where it is satisfied that the Claimant has suffered loss as a consequence of the Misconduct of the Participant Charged; and
 - (c) where the Participant Charged has had an opportunity of seeing the claim in advance and of making submissions to the Regulatory Commission on it.

Costs Orders

- 8.8 (a) Any costs incurred in bringing or defending a Charge will be borne by the party incurring the costs.
- (b) Any costs incurred in relation to the holding of a Regulatory Commission considered by the Chairman of the Regulatory Commission to be appropriate (including but not limited to the travel and accommodation of members appointed and any individual carrying out the secretariat functions and the provision of meeting rooms, ancillary rooms, facilities, services and security) may be ordered to be paid in full or part by either party.

- (c) A notice of appeal against a decision of a Regulatory Commission of The Association shall be deemed not to have been lodged unless:
 - (i) Either all financial orders, including costs orders, relating to the Participant in question have been paid in full, or
 - (ii) The Chairman of the Regulatory Commission has made an order to set aside the relevant financial orders pending the outcome of the Appeal. In the event of an appeal being lodged, payments of costs made will be held in escrow by The Association.
- (d) Any appeal against only the quantum of costs awarded shall be heard and determined by a single person appointed by the Sports Dispute Resolution Panel (SDRP) (or similar independent body as determined by The Association from time to time). Such appointed person shall sit alone.

Compliance with Penalties/Orders Imposed

- 8.9 Unless the Regulatory Commission determines otherwise, a penalty or order shall come into effect immediately at the date of the announcement of the decision.
- 8.10 A Regulatory Commission may issue such further order, requirement or instructions as it considers appropriate for the purpose of giving effect to its decision. Where a Regulatory Commission is satisfied that a Participant Charged has failed to observe or comply with a penalty or order imposed by the Regulatory Commission, it shall have the power to order that the Participant Charged be suspended immediately from all or any football activity for such period and on such conditions as it considers appropriate.
- The Regulatory Commission shall consider any such matter in accordance with Regulation 4 (Directions).
- 8.11 A Regulatory Commission shall have the power on application by the Participant Charged to suspend the effectiveness of any order pending the outcome of an appeal made pursuant to the Rules of The Association.
- The obligation of the Participant Charged to comply with a penalty or order of the Regulatory Commission may be stayed where:
- (a) the Participant Charged has made a written application to the Regulatory Commission; and
 - (b) the Participant Charged has made an appeal under the Rules against the decision of the Regulatory Commission; and
 - (c) the Regulatory Commission had in its absolute discretion allowed a stay.

Payment of Administration Fees, Fines and Compensation Orders

- 8.12 Payment of any administration fee, fine or compensation shall be made to The Association by such deadline and under such terms as ordered by the Association at the time of the written notification or decision. Compensation shall be forwarded by The Association to the person in whose favour the order was made within seven days of receipt by it.
- 8.13 The failure to make payment within the deadline ordered may result in an automatic increase of 25% of the amount due. Failure to pay within a further 14 days from the deadline ordered may result in the automatic suspension of the Participant until such time as payment has been received. Where the Participant is a person, such suspension will be from all football and football activity. Where the Participant is a Club, such suspension will be from playing in any Match or Competition as defined in Rule A2.

9. WRITTEN STATEMENT OF DECISION

- 9.1 The Regulatory Commission shall as soon as practicable send to the Participant Charged and the Chief Regulatory Officer (or his nominee), a written statement of its decision, which shall state:
- (a) the Charge(s) considered and whether admitted or denied;
 - (b) the decision as to whether Misconduct has been proved or not; and
 - (c) any penalty or other order imposed.
- 9.2 The written statement shall be signed and dated by the Chairman of the Regulatory Commission and be the conclusive record of the Regulatory Commission's decision. A copy of the written decision shall be forwarded to The Association.
- 9.3 The Regulatory Commission shall, upon the written request of the Chief Regulatory Officer (or his nominee) or Participant Charged lodged with the Secretary of the Regulatory Commission within seven days of the date of the written statement of its decision, state in writing:
- (a) the findings of fact made by it; and
 - (b) the reasons for its decision finding the Charge(s) proved; and
 - (c) the reasons for any penalty or order.
- 9.4 Participants and The Football Association shall have the right to appeal a decision of a Regulatory Commission to an Appeal Board. Such appeals shall be conducted in accordance with the Regulations for Football Association Appeals. There shall be no further right of challenge in respect of decisions of the Regulatory Commission, which are otherwise final and binding.

Standard Directions in Schedules A, B and C

These Standard Directions are subject to the terms of the Regulations for Football Association Disciplinary Action and the relevant Memorandum. In the case of any conflict, first the Regulations and then the relevant Memorandum will apply.

These are Standard Directions only which give effect to the general principle that it is ordinarily in the interest of the timely and efficient disposal of disciplinary proceedings that Standard Directions be given (typically for less complex matters). The Standard Directions may be deviated from at the discretion of the Chairman of the Judicial Panel or the Regulatory Commission dealing with any given case if the circumstances of that case so dictate. Where there has been a breach of procedure or failure to follow these Standard Directions by The Association, this shall not invalidate the proceedings or its outcome unless the breach has been such as to seriously and irremediably prejudice the position of the Participant charged.

These Standard Directions do not apply to Misconduct Charges for any of the following –

- The conduct of a Club's spectators and / or supporters and / or followers;
- Betting or any conduct relating to match or "spot" fixing, including but not limited to breaches of Rule E5, E8 and E14;
- Any breach of the Anti-Doping Regulations;
- Any Aggravated Breach of Rule E3(1);

or where it is thought any such charge may arise when an investigation is initiated.

Schedule A

Standard Directions for Incidents on the Field of Play which fall within Law 12, which were not seen by Match Officials, but caught on video (serious foul play, violent conduct, spitting at an opponent or any other person, offensive, insulting or abusive language or gestures)

For Players of Clubs of The FA Premier League, Football League, National League and The FA WSL competing in FTCM.

(a) General Principles

These Standard Directions will apply where The Association charges a Player with Misconduct under the Rules of The Association for incidents on or around the Field of Play, excluding the tunnel area, that are caught on camera but not seen and dealt with by the Match Officials at the time. The Charge may be accompanied by an offer of the standard punishment that would apply to the offence had it been seen and reported by the Match Official(s) during the match.

In exceptional circumstances, where The Association is satisfied that the standard punishment that would otherwise apply is clearly insufficient, no standard punishment offer will be made in the charge letter.

Where the Player charged in accordance with these Standard Directions has been suspended due to a dismissal (save where the Player has successfully claimed that the dismissal was a case of mistaken identity or wrongful dismissal) or otherwise suspended in accordance with these Standard Directions in the same season prior to the issue of the charge, the penalty offered shall be increased to include, in addition to the applicable standard punishment, one game for each occasion that the player has been so suspended. For these purposes a dismissal in, or suspension arising from, a non first team competitive match prior to issue of the Charge will only be taken into account where it is for violent conduct, serious foul play or spitting.

Where one or more of the Match Officials sees only part of an incident, an act of Misconduct that occurs during or immediately after that incident may be regarded as not seen by the Match Officials for the purposes of these Standard Directions where, without limitation –

- (i) An act of violent conduct occurs secondarily to a challenge for the ball, and so is not seen as the Match Officials are concentrating on the challenge for the ball;
- (ii) The Match Officials' view of the incident was such that none of them had an opportunity to make a decision on any act of Misconduct that took place within it.
- A written statement by Match Officials that they did not witness a particular incident shall be conclusive evidence of that fact.

(b) Timings

(i) *The Charge*

A Charge shall ordinarily be issued within the period of two working days of the incident (i.e. for a Saturday/Sunday game, a Charge shall ordinarily be issued prior to 6pm on the Tuesday). The Charge will be accompanied by all evidence, documents and written submissions upon which The Association intends to rely.

Where the Charge is not accompanied by an offer of the standard punishment, the Charge will state that The Association claims that the standard punishment would be clearly insufficient, and will set out the basis for that claim.

(ii) *The Reply*

The Player is required to respond to the Charge in writing by 6pm on the first working day following receipt of the Charge (either by fax 0844 980 0626 or by e-mail Disciplinary@TheFA.com). In the absence of a Reply, the matter will be dealt with directly at the next available Regulatory Commission, and submissions from the Player may not be admitted.

Where the offer of the standard punishment is made in the Charge the Player may accept or deny the Charge.

In accepting the Charge, the Player may also accept the standard punishment offered, or claim that the standard punishment would be clearly excessive having regard to the factors set out at (d)(i) below.

In the event that the offered punishment is accepted, the suspension will commence forthwith upon receipt by The Association of the consent of the chairman of the Judicial Panel (or his nominee).

In denying the Charge, the Player may also claim that the standard punishment would be clearly excessive having regard to the factors set out at (d)(i).

Where no offer of the standard punishment is made in the Charge, the Player may accept or deny the Charge, and in either case may contest any claim by The FA that the standard punishment would be clearly insufficient.

(iii) *Submissions*

Along with the Reply, by 6pm on the first working day following the Charge, the Club or Player must provide The Association and the Regulatory Commission with copies of all evidence, documents and written submissions upon which the Club or the Player intends to rely. If the evidence, documents and written submissions are not submitted within this time limit, they may not be considered by the Regulatory Commission.

As a guide the following schedule will ordinarily apply:

Incident	Charge	Reply	Submissions	Commission
Sat/ Sun	Tuesday	Wednesday	Wednesday	Thursday

(c) Regulatory Commission Procedures

The following procedures shall be followed at the Regulatory Commission unless the Regulatory Commission thinks it appropriate to amend them:

- (i) Reports along with any other evidence, including video evidence, in support of the Charge, shall be put before the Regulatory Commission by the Secretary of the Regulatory Commission;
- (ii) All statements and video or other evidence in defence of the Charge shall be put before the Regulatory Commission by the Secretary of the Regulatory Commission.

Where the subject matter of or facts pertaining to a Charge or Charges against one or more Participant(s) is sufficiently linked (including, but not limited to, where offences are alleged to have been committed in the same match, or where there is common Association or defence evidence), the Regulatory Commission shall hear all Charges at the same hearing. Evidence adduced by or on behalf of a Player shall be capable of constituting evidence against another Player. The Regulatory Commission shall give appropriate weight to such evidence. The Regulatory Commission may hear evidence in any order and shall have complete discretion to take matters out of order for the timely, efficient and appropriate disposal of the proceedings.

(d) **Decisions**

Where a Charge is denied, the Regulatory Commission will decide whether the Charge is proved or not proved.

In the event that the Charge is not proved, the Charge will be dismissed.

In the event that a Charge is proved or admitted, the Regulatory Commission will decide on the penalty to be served by the Player. The standard punishment may be decreased or increased by the Regulatory Commission only in the exceptional circumstances set out at (i) and (ii) below. In all other cases, the penalty shall be the standard punishment.

(i) *Decreasing the standard punishment*

Where the offer of the standard punishment is made in the charge letter, the Regulatory Commission may only decrease that standard punishment where the Player has claimed in their Reply to the Charge that the standard punishment would be clearly excessive.

In such cases the Regulatory Commission shall decrease the standard punishment only where it is satisfied so that it is sure that the circumstances of the incident under review are truly exceptional, such that the standard punishment should not be applied, and the standard punishment would be clearly excessive, having regard to the following –

- a. The applicable Law(s) of the Game and any relevant FIFA instructions and / or guidelines;
- b. The nature of the incident including the Player's state of mind, in particular any intent, recklessness or negligence;
- c. Where applicable, the level of force used;
- d. Any injury to an opponent caused by the incident;
- e. Any other impact on the game in which the incident occurred;
- f. The prevalence of the type of incident in question in football generally;
- g. The wider interests of football in applying consistent punishments for dismissal offences.

If the Regulatory Commission is so satisfied, the Player shall not be subject to the standard punishment applicable to the incident. The Commission shall determine what level of punishment shall apply instead, having regard to the factors at a-g above.

If the Regulatory Commission is not so satisfied, the player shall be subject to the standard punishment applicable to the incident.

(ii) *Increasing the standard punishment*

Where no offer of the standard punishment is made in the charge letter, the Regulatory Commission may only increase the applicable standard punishment where The FA has claimed in the Charge that the standard punishment would be clearly insufficient.

In such cases, the Regulatory Commission shall increase the standard punishment only where it is satisfied so that it is sure that the circumstances of the incident under review are truly exceptional, such that the standard punishment should not be applied, and the standard punishment would be clearly insufficient, having regard to the following –

- a. The applicable Law(s) of the Game and any relevant FIFA instructions and / or guidelines;

- b. The nature of the incident and the Player's state of mind, in particular any intent, recklessness or negligence;
- c. Where applicable, the level of force used;
- d. Any injury to an opponent caused by the incident;
- e. Any other impact on the game in which the incident occurred;
- f. The prevalence of the type of incident in question in football generally;
- g. The wider interests of football in applying consistent punishments for dismissal offences.

If the Regulatory Commission is so satisfied, the Player shall not be subject to the standard punishment applicable to the incident. The Commission shall determine what level of punishment shall apply instead, having regard to the factors at a-g above.

If the Regulatory Commission is not so satisfied, the player shall be subject to the standard punishment applicable to the incident.

In all cases, the Regulatory Commission may increase any punishment that it imposes if it believes a denial of the Charge or any claim by the Player that the standard punishment would be clearly excessive in their case, to have been an abuse of process or without any significant foundation.

The decision of the Regulatory Commission will be communicated verbally to the Player/ Club on the same day as the decision is reached, and in writing by the end of the following working day.

(e) **Right of Appeal**

The Player will have a right of appeal only (i) in the event that the penalty imposed (in addition to the automatic suspension) is in excess of three matches; (ii) on the single ground that the additional suspension is excessive; and (iii) in respect of that part of the additional suspension in excess of the additional three matches, not accounting for any additional matches included in the penalty as a result of a Player having served a suspension earlier in the same season. For example, where a Player is suspended for 8 matches following a dismissal for violent conduct, he may appeal only in respect of the two matches in excess of the three standard and three additional match suspension). No other appeal (for instance, against the decision that the Charge was pursued) is allowed.

Information regarding the appeals process is set out in the Standard Directions for Appeals against decisions of Regulatory Commissions (see Schedule C).

(f) **Written Reasons**

A request for written reasons in respect of the decision of the Regulatory Commission may be lodged with the Regulatory Commission, in which case the request must be made at the time of verbal notification of the decision (i.e. on the same day as the Regulatory Commission). If requested, written reasons will be supplied to parties by 6pm on the first working day following the Regulatory Commission.

(g) **Representation**

A Player does not have the right to be present or represented at a hearing of a Regulatory Commission in respect of incidents covered by this Standard Direction. The matter will be dealt with on video and written evidence only.

Schedule B

Standard Directions for incidents of Misconduct on or around the field of play (including the tunnel area), incidents outside the jurisdiction of Match Officials but reported to The Football Association and media comments. These Standard Directions do not apply to any incident of Misconduct subject to the Standard Directions at Schedule A.

For Participants of the FA Premier League, Football League, National League and The FA WSL.

AND for Participants of the National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League (together "Steps 2-4"), save that any time limits provided for in this Schedule shall not apply at Steps 2-4.

(a) General Principles

These Standard Directions will apply where The Association charges a Participant with Misconduct under the Rules of The Association for an incident before, during, or after a game, on or around the Field of Play (including the tunnel area), for an incident outside the jurisdiction of Match Officials but reported to The Football Association or for media comments.

In addition, the Judicial Panel Chairman may order, of his own volition or following the application of any party, that any disciplinary action brought against any Participant in respect of any incident of alleged Misconduct be subject to these Standard Directions. Such an order may be made, but is not limited to such cases, where the incident concerned arises from the same facts as, or is otherwise sufficiently linked to, an incident which is subject to these Standard Directions.

(b) Charging Timing and Procedures

(i) *The Charge*

A Charge shall ordinarily be issued within the period of three working days of the incident, or within three working days of any media comments being brought to the attention of The Association, or where observations on media comments are requested from a Participant, three working days from the deadline for the provision of those observations to The Association, ending at 6pm on the third working day. (i.e. for a Saturday/Sunday game, a Charge shall ordinarily be issued prior to 6pm on the Wednesday).

(ii) *Standard Penalties in Standard Cases*

Explanatory note: These Standard Directions give effect to the principle that credit, in the form of a reduction in the applicable penalty, should be given to a Participant who admits a Charge. To achieve this, where a Standard Penalty is offered with a Charge in a Standard Case it will incorporate a reduction, usually of approximately one third. Should the Charge be denied and subsequently found proved, a higher Standard Penalty will apply which will not incorporate that reduction.

For the purposes of cases subject to these Standard Directions only, when issuing a Charge in a particular case, The Association may designate that case as a Standard Case. Whether or not a particular case is designated as a Standard Case shall be at the discretion of The Association.

In exercising that discretion, The Association shall not designate any case as a Standard Case where any one or more of the following exceptional circumstances applies -

- Where the particular facts of the alleged offence are of a serious and / or unusual nature, as determined by The Association;
- Where the Participant Charged has been Charged with Misconduct for a similar matter, as determined by The Association, that took place in the preceding 12 months, and that Charge was found proved;

- Where the Charge is for media comments made by the Participant;
- Where the Charge is for incidents outside the jurisdiction of Match Officials but reported to The Football Association.

The Association may determine from time to time a Tariff of Standard Penalties to apply to Standard Cases. Where any case has been designated as a Standard Case, Standard Penalties determined in accordance with the Tariff shall be used in that case as follows -

- Standard Penalty 1 - The Standard Penalty which shall be offered in the Charge letter in a Standard Case and come into effect when such a Charge is admitted and the Standard Penalty is accepted, and
- Standard Penalty 2 - The second, higher Standard Penalty which shall come into effect when in a Standard Case the Charge is denied and subsequently found proved by a Regulatory Commission. In such cases Standard Penalty 1 shall not apply.

In all cases, Standard Penalty 1 shall be lower than Standard Penalty 2, usually by approximately one third.

Where a case is not designated as a Standard Case, a Standard Penalty will not be offered in the Charge letter, and where such a Charge is admitted or found proved, the Regulatory Commission shall have a discretion to impose any such penalty as it considers appropriate.

(iii) *The Reply, Submissions and Evidence – all cases*

The Participant Charged is required to respond to any Charge in writing, and to provide The Association and the Regulatory Commission with copies of all submissions, evidence and any other relevant material upon which it is intended to rely, along with the appropriate hearing fee of £100 where relevant, by 6pm on the third working day following receipt of the Charge.

Submissions, evidence and any other relevant material may be sent either by fax to 0844 980 0626 or e-mail Disciplinary@TheFA.com. If the submissions, evidence and any other relevant material are not submitted within this time limit, they may not be considered by the Regulatory Commission.

- A. *Where a case is designated as a Standard Case, by way of Reply to that Charge, the Participant may –*
- Admit the Charge and accept Standard Penalty 1. In such cases, Standard Penalty 1 shall come into effect immediately upon receipt of the consent of the Chairman of the Judicial Panel (or his nominee).
 - Admit the Charge and submit general mitigation in writing and / or an application for Standard Penalty 1 to be reassessed due to the level of the Participant's income, for a Regulatory Commission to consider at a hearing not attended by either the Participant or The Association (a "paper hearing"). This hearing will take place within three working days of receipt of the Reply by The Association.
 - Deny the Charge and contest it at a personal hearing before a Regulatory Commission which both the Participant and The Association shall be entitled to attend (a "personal hearing"). This hearing will take place within ten working days of receipt of the Reply by The Association, or any response to that Reply by The Association being received by The Participant.
 - Deny the Charge and submit written material for a Regulatory Commission to consider at a paper hearing. This hearing will take place within three working days of receipt of the Reply by The Association, or any response to that reply by The Association being received by the Participant.

Where a Charge is denied and subsequently found proved by a Regulatory Commission, the Regulatory Commission may consider any general mitigation and / or an application for Standard Penalty 2 to be reassessed due to the level of the Participant's income, as submitted by the Participant with the Reply to the Charge, before it determines the level of penalty.

In any case where general mitigation and / or an application for a Standard Penalty to be reassessed due to the level of the Participant's income is submitted to the Regulatory Commission, the Commission shall proceed as at paragraph (e) below.

- B. Where a case is not designated as a Standard Case, by way of Reply to that Charge, the Participant may –*
- i. Admit the Charge and submit written mitigation for a Regulatory Commission to consider at a paper hearing. This hearing will take place within three working days (subject to Schedule B, paragraph (b)(v) below) of receipt of the Reply by The Association.*
 - ii. Admit the Charge but request a personal hearing before a Regulatory Commission in order to present mitigation. This hearing will take place within three working days (subject to Schedule B, paragraph (b)(v) below) of receipt of the Reply by The Association.*
 - iii. Deny the Charge and contest it at a personal hearing before a Regulatory Commission. Such a hearing will take place within ten working days (subject to Schedule B, paragraph (b)(v) below) of receipt of the Reply by The Association, or any response to that Reply by The Association being received by the Participant.*
 - iv. Deny the Charge and submit written evidence and representations for a Regulatory Commission to consider at a paper hearing. This hearing will take place within three working days (subject to Schedule B, paragraph (b)(v) below) of the Reply being received by The Association, or any response to that Reply by The Association being received by the Participant.*

In the absence of a Reply, or if the Participant fails to pay the appropriate fee, within the applicable time limit, the matter will be dealt with directly at the next available Regulatory Commission, and submissions from the Participant may not be admitted.

(iv) Responses

Where a Participant denies the Charge, The Association will have three working days to provide its responses, if any, to the Reply, submissions, evidence and any other relevant material provided by the Participant. The Association's responses must be provided to the Participant and the Regulatory Commission. Submissions, evidence and any other relevant material not submitted within this time limit may not be considered by the Regulatory Commission.

Where a Participant admits a charge but submits mitigation or any other material for a Regulatory Commission to consider which the Association considers constitutes a denial of part or all of the Charge, the Association reserves the right to respond to the Reply. Any such response must be provided to the Participant and the Regulatory Commission within three working days of the Reply.

(v) Personal Hearings

Where a Participant denies the Charge and requests a personal hearing, The Regulatory Commission will conduct personal hearings at the earliest available opportunity and in any event:

- a) If no response is to be provided by The Association to the Reply, no later than ten working days from the date of confirmation by The Association to the Participant that it does not intend to provide a response;
or
- b) In the event that The Association provides a response to the Reply, no later than ten working days from the date of receipt by the Participant of that response;
or
- (c) In the instance of a case concerning incidents outside the jurisdiction of Match Officials but reported to The Association, wherever possible the hearing will take place prior to the next match in which the Player would be eligible to play.

(c) Regulatory Commission Procedures

The following procedures shall be followed at a personal hearing before the Regulatory Commission unless the Regulatory Commission considers it appropriate to amend them:

- (i) The part of the Charge(s) stating the nature of the alleged Misconduct, and identifying the provisions breached or not complied with, will be read out to the Participant Charged (or their representative where the Participant is a Club or other entity) by the Chairman of the Regulatory Commission and the Participant asked whether each Charge is admitted or denied, to which the Participant shall respond;
- (ii) The Association may then address the Regulatory Commission, summarise the case against the Participant, and then call its evidence;
- (iii) After the conclusion of the evidence of The Association, the Participant may summarise its case and call evidence of any matter of which notice has been given in the Reply;
- (iv) Each party in turn may question witnesses as they give evidence and the Regulatory Commission may question parties and witnesses at any time;
- (v) After the conclusion of the evidence of the Participant, The Association and the Participant in turn may make closing submissions;
- (vi) Where the Participant admits the Charge(s), the Regulatory Commission may dispense with hearing the evidence and consider submissions from The Association and the Participant in turn. Where the Participant denies a Charge or part thereof, or where it is admitted but there remains a factual dispute between the Participant Charged and The Association, the Regulatory Commission shall consider the witness and other evidence placed before it together with each party's submissions in order to make findings in respect of any factual dispute(s) in order to determine: (i) whether a Charge is proven; (ii) if so proven or admitted, the factual basis on which the Charge is proven.

Where the subject matter of or facts pertaining to a Charge or Charges against one or more Participant(s) is sufficiently linked (including, but not limited to, where offences are alleged to have been committed in the same match or where there is common Association or defence evidence), the Regulatory Commission shall hear all Charges at the same hearing. Evidence adduced by or on behalf of a Participant shall be capable of constituting evidence against another Participant. The Regulatory Commission shall give appropriate weight to such evidence. Participants or their representatives shall be entitled to cross-examine other Participants and their witnesses. The Regulatory Commission may hear evidence in any order and shall have complete discretion to take matters out of order for the timely, efficient and appropriate disposal of the proceedings.

(d) Decisions

The Regulatory Commission will decide whether each denied Charge is proved or not proved in respect of each Participant Charged. In the event that a Charge is proved, subject

to the application of any Standard Penalty, the Regulatory Commission will have the power to impose any one or more of the following penalties on the Participant:

- (i) A reprimand or warning as to future conduct;
- (ii) A fine;
- (iii) A suspension from all or any specified football activity permanently or for a stated period;
- (iv) Such further or other penalty as it considers appropriate.

In the event that a Charge is not proved, no penalty shall be imposed by the Regulatory Commission.

The decision of the Regulatory Commission will be communicated verbally to the Participant on the same day as the decision is reached, and in writing by the end of the following working day.

(e) The level of penalty to be imposed by the Regulatory Commission

Explanatory note: These Standard Directions aim to ensure that in a Standard Case, either Standard Penalty 1 or Standard Penalty 2 shall not be reduced unless truly exceptional mitigation exists, or a Participant can demonstrate that the Standard Penalty would be disproportionately harsh due to their level of income.

- A In a Standard Case, where a Participant either
- Admits the Charge and does not accept the Standard Penalty offered, or
 - Denies the Charge and it is subsequently found proved by a Regulatory Commission, the Participant may submit general mitigation and / or an application for the applicable Standard Penalty to be reassessed due to the level of the Participant's income, before the Regulatory Commission imposes any penalty on the Participant.

In such circumstances, the Regulatory Commission shall proceed as follows –

- i. Where the Participant submits general mitigation

Following the consideration of general mitigation, the Regulatory Commission will have a discretion to impose any penalty that it considers appropriate, including increasing the penalty above the applicable Standard Penalty. A Regulatory Commission shall decrease the Standard Penalty that would otherwise apply only where it is satisfied that any mitigation put forward is truly exceptional.

Where a Regulatory Commission does accept that any general mitigation put forward is truly exceptional and so merits a reduction in the applicable Standard Penalty, it may impose any penalty that it considers to be appropriate in accordance with its general powers. This includes a suspended penalty.
 - ii. Where the Participant submits an application for reassessment of the Standard Penalty

Where a Participant can demonstrate that any financial element of a Standard Penalty would be disproportionately harsh due to the level of their income, the Participant may make an application to have the financial element of the penalty reassessed by reference to that income.

Where such an application is made, and the Regulatory Commission does accept that the Standard Penalty would be disproportionately harsh, the Standard Penalty will not apply and the Regulatory Commission may impose any penalty that it considers to be appropriate in accordance with its general powers.
- B Where a case is not designated as a Standard Case and the Charge is admitted or found proved, the Regulatory Commission shall have a discretion to impose any such penalty as it considers appropriate.

(f) **Right of Appeal**

The Participant and the Association will have a right of appeal in respect of the decision of the Regulatory Commission (against the decision and / or penalty ordered). Information regarding the appeals process is set out in the Standard Directions for Appeals against decisions of Regulatory Commissions (see Schedule C).

(g) **Written Reasons**

A request for written reasons in respect of the decision of the Regulatory Commission may be lodged with the Regulatory Commission, in which case the request must be made at the time of verbal notification of the decision. If requested, written reasons will be supplied to parties by 6pm on the third working day following the hearing.

(h) **Representation**

In the event that a Participant wishes to be represented at any hearing of a Regulatory Commission at which a Participant is entitled to be present, this fact, together with the identity of any representative, shall be submitted at the same time as the Reply, as set out in (b) above.

Failure to submit this information within the specified time limit will result in the right to representation being forfeited. The date of any personal hearing that takes place pursuant to these Standard Directions shall be in accordance with the timings set out in these Standard Directions, regardless of the availability or otherwise of the Participant's chosen representative.

(i) **Costs**

Any costs incurred in bringing, or responding to a Charge shall be borne by the party incurring the costs. Any costs incurred in relation to the convening of the Regulatory Commission may be ordered by the Regulatory Commission to be paid by either party.

Schedule C

Standard Directions for Appeals against decisions of Regulatory Commissions in relation to:

- (A) Incidents on the Field of Play which fall within Law 12, which were not seen by Match Officials, but caught on video (serious foul play, violent conduct, spitting at an opponent or any other person, offensive, insulting or abusive language or gestures), dealt with under the Standard Directions at Schedule A;
- or
- (B) Incidents of Misconduct on or around the field of play (including the tunnel area), incidents outside the jurisdiction of Match Officials but reported to The Football Association and media comments, dealt with under the Standard Directions at Schedule B;
- or
- (C) Penalties imposed in respect of 'Dismissals – Claims that the Standard Punishment is Clearly Insufficient' pursuant to:
- paragraph 7 of the Disciplinary Procedures Concerning Field Offences for Players of Clubs of the FA Premier League, Football League, National League and The FA WSL in FTCM (Section A);
 - paragraph 7 of the Disciplinary Procedures Concerning Field Offences for Players of Clubs of the FA Premier League, Football League, National League and The FA WSL in NFTM (Section B); or
 - paragraph 10 of the Disciplinary Procedures Concerning Field Offences for Players associated with teams competing in the National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League (together "Steps 2-4") (Section D).

(a) Criteria

An appeal may be lodged against the decision of a Regulatory Commission subject to the following criteria:

(i) For Incidents dealt with under the Standard Directions at Schedule A – an appeal may be lodged only by a Participant and only; (i) in the event that the penalty imposed (in addition to the automatic suspension) is in excess of three matches; (ii) on the single ground that the additional suspension is excessive; and (iii) in respect of that part of the additional suspension in excess of the additional three matches, not accounting for any additional matches included in the penalty as a result of a Player having served a suspension earlier in the same season. For example, where a Player is suspended for 8 matches following a dismissal for violent conduct, he may appeal only in respect of the two matches in excess of the three standard and three additional match suspension).

No other appeal (for instance, against the decision that the Charge was pursued) is allowed.

(ii) For incidents dealt with under the Standard Directions at Schedule B – an appeal may be lodged by either a Participant or The Association on any of the grounds set out at Schedule C, paragraph (d)(vi) below. However, an appeal may not be lodged in order only to challenge the Tariff of Standard Penalties determined by The Association as applicable to Standard Cases.

N.B. In respect of appeals by The Association or by Participants in respect of incidents concerning Participants of Clubs at Steps 2-4, any time limits provided for in this Schedule shall not apply.

(iii) For appeals against penalties imposed in respect of 'Dismissals – Claims that the Standard Punishment is Clearly Insufficient' – an appeal may be lodged only by a Participant and only (i) in the event that the penalty imposed (in addition to the automatic suspension) is in excess of three matches; (ii) on the single ground that the additional suspension is excessive; and (iii) in respect of that part of the additional suspension in excess of the additional three matches (for example, where a Player is suspended for 8 matches, he may appeal only in respect of the two matches in excess of the three automatic and three additional match suspension).

(b) Written Reasons

A request for written reasons in respect of the decision of the Regulatory Commission may be lodged with the Regulatory Commission, in which case the request must be made at the time of verbal notification of the decision. In these circumstances written reasons will be supplied to parties by 6pm on the third working day following the Regulatory Commission.

(c) Timings**(i) Notification**

If the Participant or The Association intends to lodge an appeal, The Association must be notified in writing (either by fax 0844 980 0625 or by e-mail Disciplinary@TheFA.com)

- (a) by 12 noon on the first working day following the Regulatory Commission; or
- (b) in cases where written reasons are requested, by 12 noon on the first working day following receipt of the written reasons, i.e. the fourth working day after the Regulatory Commission.

(ii) Submissions

By 6pm on the first working day following notification of intention to appeal, the Appellant (whether the Club, Player or The Association as appropriate) must

provide The Association and the Chairman of the Judicial Panel (or his nominee) with copies of all submissions, evidence and any other relevant material upon which it intends to rely, along with the appropriate appeal fee of £100. If the submissions, evidence and any other relevant material are not submitted within this time limit, they may not be considered by the Appeal Board.

An appeal shall be by way of a review of documents and oral submissions only and shall not involve a rehearing of the evidence considered by the Regulatory Commission. However, new evidence may be admitted with the permission of the Chairman of the Appeal Board. The Football Regulatory Authority will ensure that all documents relating to the original Regulatory Commission hearing are provided to the Appeal Board.

(iii) *Responses*

The Respondent (whether the Club, Player or The Association as appropriate) will have two working days to provide its responses to the appeal submissions, evidence and any other relevant material provided by the Appellant. The responses must be provided to the Appellant and the Appeal Board. Submissions, evidence and any other relevant material not submitted within this time limit may not be considered by the Appeal Board.

(iv) *Hearing*

The Appeal Board will hear the appeal at the earliest available opportunity, but, in any case, no earlier than on the second day after submission of responses.

(d) **Appeal Board Procedures**

The following procedures shall be followed at the Appeal Board unless the Appeal Board considers it appropriate to amend them:

- (i) A summary of the matter appealed will be put forward by the Appellant. The Respondent will then put forward a summary of the points to be raised on its behalf;
- (ii) All evidence, of which notice will have been given, to be presented on behalf of the Appellant;
- (iii) All evidence, of which notice will have been given, to be presented on behalf of the Respondent;
- (iv) Each party shall have the opportunity to put questions in respect of the evidence presented by the other party, and the Appeal Board may question parties at any time;
- (v) After the conclusion of the evidence, the Appellant and the Respondent in turn may make closing submissions;
- (vi) The Appeal Board will decide whether the appeal is allowed or dismissed.

Save where otherwise stated, the grounds of appeal available to The Association, shall be that the Regulatory Commission:

- (1) misinterpreted or failed to comply with the rules or regulations relevant to its decision; and/or
- (2) came to a decision to which no reasonable such body could have come and/or
- (3) imposed a penalty, award, order or sanction that was so unduly lenient as to be unreasonable

Save where otherwise stated, the grounds of appeal available to Participants shall be that the Regulatory Commission:

- (1) failed to give the Participant a fair hearing and/or
- (2) misinterpreted or failed to comply with the rules or regulations relevant to its decision; and/or

- (3) came to a decision to which no reasonable such body could have come and/or
- (4) imposed a penalty, award, order or sanction that was excessive

(e) **Decisions**

A decision of the Appeal Board shall be final and binding and there shall be no right of further challenge.

The Appeal Board shall have power to:

- (i) Allow or dismiss the appeal;
- (ii) Increase or decrease the penalty, award or sanction originally imposed;
- (iii) Make such further or other order as it considers appropriate.

(f) **Representation**

A Participant has the right to be present at a hearing of an Appeal Board. A Participant may also be represented at a hearing of an Appeal Board. In the event that a Participant wishes to be represented, this fact, together with the identity of any representative, shall be submitted at the same time as the notification, as set out in (c) above. Failure to submit this information within the specified time limit will result in the right to representation being forfeited.

An Appeal Board may also conduct a hearing on the basis of written submissions only, should the Appellant not wish to be present or represented.

(g) **Costs**

Any costs incurred in bringing, or responding, to an appeal shall be borne by the party incurring the costs. Any costs incurred in relation to the convening of the Appeal Board may be ordered by the Appeal Board to be paid by either party.

 - (5) where appropriate, apply for leave to present new evidence under 2.6 below.
- 1.5 The grounds of appeal available to The Association, shall be that the body whose decision is appealed against:

 - (2) came to a decision to which no reasonable such body could have come and/or
 - (3) imposed a penalty, award, order or sanction that was so unduly lenient as to be unreasonable
- 1.6 The grounds of appeal available to Participants shall be that the body whose decision is appealed against :
- (1) failed to give the appellant a fair hearing and/or

- 1.7 (1) Only where a decision made by a league is being appealed, within 7 days of the lodging of the Notice of Appeal, the league (the Respondent) may submit in writing an application for the Appeal Board to require a bond to be lodged by the Appellant before the appeal may progress.

- (2) Whilst such a bond application is being processed in accordance with this regulation, no Response to the Notice of Appeal will be due from the Respondent in accordance with regulation 2.4.

 - (5) Whether or not the Appellant has provided any response to it, the Appeal Board shall consider the bond application as soon as practicable after the seventh day following its submission. The Appeal Board may, in its discretion, consider the bond application on papers alone, or require the parties to attend a personal hearing. Any such personal hearing shall be conducted according to such timings and procedure as the Appeal Board may determine at its discretion.
 - (6) Notwithstanding the terms of 3.5 below, only following a bond application by the Respondent submitted pursuant to this regulation, the Appeal Board may order the Appellant to lodge a bond with The Association on such date and in such amount as it considers appropriate, where it is satisfied that –
 - i. The Respondent will incur legal costs [in excess of XX] in responding to the Notice of Appeal; and
 - ii. There is a real risk that the Appellant will not pursue the Appeal to a final determination by the Appeal Board.

The Appeal Board's decision in this respect shall be final and binding with no further right of appeal.
 - (7) Where an Appeal Board orders a bond to be lodged with The Association, the Appeal may not proceed until the bond is duly lodged. In any such appeal, notwithstanding the terms of 2.4 below, the Respondent shall serve its response to the Notice of Appeal within 14 days from the date that the bond is lodged with The Association.

 - (9) Any bond lodged with The Association pursuant to (6) above will be held by The Association until the final determination of the appeal by an Appeal Board. Following such final determination, the bond shall in all cases be returned to the Appellant in full.
 - (10) Notwithstanding the terms of 3.5 below, in any case where a bond has been lodged with The Association, and the appeal is not pursued by the Appellant to a final determination by the Appeal Board, the Appeal Board shall have a discretion to order the forfeiture of any part or all of the bond, such amount to be paid in full to the Respondent to cover any costs it has so far incurred in responding to the appeal.
- 1.8 Once an appeal has been commenced, it shall not be withdrawn except by leave of the Appeal Board, with such order for costs, or such order in respect of any bond lodged pursuant to 1.7 above, as the Appeal Board may consider appropriate.

APPEAL PROCEEDINGS

- 2.1 An Appeal Board shall proceed as set out below.
- 2.2 Reference to a party or parties means:
- (1) the appellant (the "Appellant"); and

- 2.3 The Association, whether acting as Appellant or Respondent, shall nominate an individual or individuals to represent it before the Appeal Board.
- 2.4 The Respondent shall serve a written reply to the Notice of Appeal (the "Response") on an Appellant and the Appeal Board within 21 days of the lodging of the Notice of Appeal. Where appropriate, the Response must include any application for leave to present new evidence under 2.6 below.
- 2.5 The parties shall be entitled to make oral submissions to the Appeal Board but an appeal shall be by way of a review on documents only, without oral evidence, except where the Appeal Board gives leave to present new evidence under 2.6 below.
- Appeal Board proceedings shall be conducted how, when and where the Appeal Board considers appropriate.
- Reasonable notice shall be given by the Appeal Board of the date, time and venue of the appeal. An Appeal Board shall not be bound by any enactment or rule of law relating to the admissibility of evidence in proceedings before a court of law.
- An Appeal Board shall proceed as follows:
- 2.6 The Appeal Board shall hear new evidence only where it has given leave that it may be presented. An application for leave to present new evidence must be made in the Notice of Appeal or the Response, setting out the nature and the relevance of the new evidence, and why it was not presented at the original hearing. Save in exceptional circumstances, the Appeal Board shall not grant leave to present new evidence unless satisfied with the reason given as to why it was not, or could not have been, presented at the original hearing and that such evidence is relevant. The Appeal Board's decision shall be final.
- 2.7 The chairman of an Appeal Board may upon the application of a party or otherwise, give any instructions considered necessary for the proper conduct of the proceedings, including but not limited to:

- (5) the notification of decision appealed against and where they have been given the reasons for the decision;
- (6) any new evidence;
- (7) the Notice of Appeal;
- (8) the Response.

Where the Regulatory Commission or other body appealed against has not stated the reasons for its decision, either;

- (i) the Appellant shall request written reasons from that body which shall be provided to the Appeal Board; or
- (ii) the Appeal Board shall require that a member of the body that made the decision shall attend (in which case, questions may be put by the Appeal Board at a hearing to satisfy itself as to the reasons for the decision. Cross-examination by the Appellant or Respondent shall not be permitted. Representations may be made by the parties to the Appeal Board who may then put questions to the member of the body that made the decision).

- 2.10 Appeal hearings shall be conducted how, when and where the Appeal Board considers appropriate. Reasonable notice shall be given by the Appeal Board of the date, time and venue of the appeal.

Where an application to present new evidence has been made, the party making the application shall address the Appeal Board in support of the application and the other party may respond; the Appeal Board shall then determine whether or not it will receive the new evidence. The following procedures shall be followed at an appeal hearing unless the Appeal Board thinks it appropriate to amend them:

- (1) The Appellant to address the Appeal Board, summarising its case;
- (2) Any new evidence to be presented by the Appellant;

- 2.11 The Appeal Board shall proceed in the absence of any party, unless it is satisfied that there are reasonable grounds for the failure of the party to attend, and shall do so in such manner as it considers appropriate.

- 2.12 The Appeal Board may, in the event of a party failing to comply with an order, requirement or instruction of the Appeal Board, take any action it considers appropriate, including an award of costs against the offending party.

APPEAL BOARD DECISIONS

- 3.1 A decision, order, requirement or instruction of the Appeal Board shall (save where to be made under the Rules of The Association by the chairman of the Appeal Board alone) be determined by a majority. Each member of the Appeal Board shall have one vote, save that the chairman shall have a second and casting vote in the event of deadlock.

- 3.2 The Appeal Board shall announce its decision to the parties as soon as practicable in such a manner as it considers appropriate; and unless it directs otherwise, its decision shall come into effect immediately.
- 3.3 The Appeal Board shall have power to:
- (1) allow or dismiss the appeal;
 - (2) exercise any power which the body against whose decision the appeal was made could have exercised, whether the effect is to increase or decrease any penalty, award, order or sanction originally imposed;
 - (3) remit the matter for re-hearing;
 - (4) order that any deposit be forfeited or returned as it considers appropriate;
 - (5) make such further or other order as it considers appropriate, generally or for the purpose of giving effect to its decision.
 - (6) order that any costs, or part thereof, incurred by the Appeal Board be paid by either party or be shared by both parties in a manner determined by the Appeal Board.
- 3.4 Decisions of the Appeal Board shall be final and binding and there shall be no right of further challenge, except in relation to appeals to CAS brought by FIFA or WADA pursuant to the Anti-Doping Regulations, or in respect of the amount of costs any party is ordered to pay by the Appeal Board, as set out below.

OTHER COSTS

- 3.5 Any costs incurred in bringing, or responding to, an appeal shall normally be borne by the party incurring the costs. In exceptional circumstances the Appeal Board may order one party to pay some or all of the other party's costs. Such costs will not include any legal costs. Any applications for such costs must be made at the Appeal Board and must include details of the exceptional circumstances.
- 3.6 An appeal against only the amount of costs ordered to be paid shall be heard and determined by a single person appointed by such independent body as determined by The Association from time to time. That person shall decide all matters of procedure for how such an appeal will be conducted.

WRITTEN DECISION

- 3.7 As soon as practicable after the hearing, the Appeal Board shall publish a written statement of its decision, which shall state:
- (1) the names of the parties, the decision(s) appealed against and the grounds of appeal;
 - (2) whether or not the appeal is allowed; and
 - (3) the order(s) of the Appeal Board.
- The written statement shall be signed and dated by the chairman of the Appeal Board and be the conclusive record of the decision.
- 3.8 The Appeal Board shall, upon the request of the Appellant or the Respondent (such request to be received at The Association within three days of the date of the announcement of the decision), give written reasons for the decision.

FIELD OFFENCES & FAST TRACK

SECTION A

DISCIPLINARY PROCEDURES CONCERNING FIELD OFFENCES in First Team Competitive Matches (FTCM)

For Players and Officials of Clubs of the FA Premier League, Football League, the National League and The FA WSL.

Note: FTCM are matches in the following competitions: FA Challenge Cup, FA Challenge Trophy, FA Premier League, Football League, Football League Cup, Football League Trophy, the National League and The FA WSL.

1. MATCH OFFICIALS' REPORTING OF OFFENCES

(a) *Caution Offences*

Referees must submit a report to The Association by 12 noon on the day following a match stating the offences and giving a description of the incidents.

(b) *Sending Off Offences*

Referees and Assistant Referees must submit a report to The Association by 12 noon on the day following a match stating the offence(s) and giving a description of the incident(s).

(c) If a referee omits to show the appropriate card when taking action against a player, this does not nullify the caution or sending off offence. However, the attention of the Referee should be drawn to the correct procedure.

2. CAUTION OFFENCES - Administration

A Player who has been cautioned in a FTCM, will be notified through his Club by The Association of:

(a) the offence reported by the Referee;

(b) the total number of cautions recorded against the Player under these procedures during the current Season; and

(c) any punishment resulting from the accumulation of these cautions. Any such punishment will take effect regardless of whether or not the notification of it from The Association is received before it is due to take effect in accordance with these Disciplinary Procedures.

An administration fee of £10.00 will be charged to the Player through the Club for the cost of processing each report.

3. SENDING OFF OFFENCES - Administration

A Player who has been sent off in a FTCM under the provisions of Law 12 will be notified through his Club by The Association of:

(a) the offence reported by the Referee;

(b) that he will be subject to the standard punishment (see Section 8). Any such punishment will take effect regardless of whether or not the notification of it from The Association is received before it is due to take effect in accordance with these Disciplinary Procedures.

An administration fee of £10.00 will be charged for the cost of processing each report.

4. MISTAKEN IDENTITY

(a) If a Player who has been cautioned or sent off in a FTCM claims that he was the victim of mistaken identity in relation to the imposition of such sanction, he may appeal to The Association. The Club on behalf of the Player must, by 1pm of the next working day

following their game, notify The Association in writing (by fax or e-mail - Fax 0844 980 0626 or e-mail Disciplinary@TheFA.com) of their intention to submit a claim.

- (b) By 1pm on the second working day following the incident, the Players and Club must submit in writing to The Association the evidence upon which the claim is founded. Where possible, a written statement from the Player responsible for the offence should be supplied. The details must, however, include:
- (i) a signed statement by the Player reported by the Referee that he was not responsible for the offence reported and identifying specifically the name of the person responsible; and
 - (ii) a video and/or DVD of the incident.

The relevant fee for Clubs in each League is as follows:

FA Premier League	£1,500
Football League Championship	£750
Football League 1	£500
Football League 2	£350
National League	£300

The fee is only payable in the event that the claim is unsuccessful. The Association may collect the fee in any manner it deems appropriate.

- (c) The Claim will be determined based on video and/or DVD and written evidence only. None of the Match Officials nor the Club or Player are entitled to be present or represented at the Regulatory Commission established for such purpose.
- (d) The Players and Club should note that the time limits set out above are strict. Only complete claims submitted before the relevant deadlines will be considered by The Association.
- (e) The Association will empanel a Regulatory Commission to examine the claim, that will consider the matter prior to any suspension being served. The following procedures will be used at a Regulatory Commission unless the Regulatory Commission thinks it appropriate to amend them:
- I. The Secretary of each Regulatory Commission will produce:
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements and video and/or DVD and other evidence provided in support of the claim, including details of the Player;
 - II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful.
 - III. (i) If the Commission's decision is to reject the claim, it will, in every case, go on to consider whether or not the Player's punishment should be increased.

If the Commission considers that the rejected claim had no prospect of success and / or amounts to an abuse of process, the Commission shall have the discretion to increase the penalty up to twice the standard punishment set out in this Memorandum.

In all other cases, the Player reported by the Referee shall serve the standard punishment set out in this Memorandum.
 - (ii) If the Commission's decision is that the claim is successful, the standard punishment set out in this Memorandum is transferred from the record of the Player reported by the Referee to the appropriate identified offender,

who will serve the standard punishment transferred by the Regulatory Commission.

- IV. The decision will be conveyed to the Secretary of each Regulatory Commission, who will prepare Minutes of the decision of the Regulatory Commission and communicate the decision to the Club that day.
- (f) Should a Club have two FTCMs with no, or insufficient, working days in between for the claim for mistaken identity to be notified, lodged and heard by a Regulatory Commission, the following will apply:
- I. Where there are no working days between two matches and a Club wishes to make a claim for mistaken identity, the Club shall notify The Association by fax and e-mail (using the contact details as set out in (a) hereabove) within 24 hours of the dismissal. If, and only if, this notification is appropriately submitted, the Player will be eligible to play in the second match. Submission of evidence will still be required by 1pm on the second working day as set out in (b) hereabove.
 - II. Where there are insufficient working days between two matches for a Regulatory Commission to decide on a claim for mistaken identity, the timetable for notification and submission as set out in (a) and (b) hereabove will still apply. However, a Player will be eligible to play in matches prior to the decision of the Regulatory Commission, provided the claim for mistaken identity has been appropriately notified.

In respect of these specific circumstances, particular attention should be paid to (e) III (i) hereabove, in respect of claims brought which had no prospect of success or amounted to an abuse of process.

Should a Player play in a match without the appropriate notification having been lodged as set out hereabove, this shall constitute Misconduct (as defined in the Rules of The Association).

- (g) If, despite the fact that evidence clearly shows that there is a case of mistaken identity, a Club does not lodge a claim within the specified time limits, The Association reserves the right within seven days of the alleged misconduct to request a Regulatory Commission to review the matter.
- (h) A Club failing to lodge a claim for mistaken identity may be charged with Misconduct by The Association if there is evidence that the Club sought to gain an advantage by remaining silent on the matter.
- (i) The decision of the Regulatory Commission in relation to claims for mistaken identity is final and binding on all parties and not subject to appeal.
- (j) In the event that a claim is submitted for mistaken identity and wrongful dismissal for the same incident, the matter of mistaken identity will be considered first.

5. CLAIMS OF WRONGFUL DISMISSAL

- (a) A Player and his Club may seek to limit the disciplinary consequences of the dismissal of a Player from the Field of Play by demonstrating to The Association that the dismissal was wrongful. In order to demonstrate that a dismissal was wrongful for the purposes of this regulation, the Player and his Club must establish that the Referee made an obvious error in dismissing the Player.
- (b) A claim of wrongful dismissal may be lodged only for on-field offences which result in a sending off, except for two cautions leading to a dismissal.
- (c) The Regulatory Commission that considers a claim of wrongful dismissal is concerned with only the question of whether any sanction of a suspension from play is one which should be imposed in view of the facts of the case. This role is not to usurp the role of the Referee

and the dismissal from the Field of Play will remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a first team sending off.

- (d) The Club on behalf of the Player must, by 1pm on the next working day following the game, notify The Association in writing (by fax or e-mail - Fax 0844 980 0626 or e-mail Disciplinary@TheFA.com) of their intention to submit a claim. The claim will NOT proceed if this deadline is not met. The evidence upon which the claim is founded (which must include a video and/or DVD recording showing the incident from all available angles), must be submitted by the Player concerned or his Club by 1pm on the second working day following the incident. The relevant fee for clubs in each league is as follows:

FA Premier League	£1,500
Football League Championship	£750
Football League 1	£500
Football League 2	£350
National League	£300

The fee is only payable in the event that the claim is unsuccessful. The Association may collect the fee in any manner it deems appropriate.

Important - forfeiture of fee for late withdrawal of a claim. It should be noted that where a claim is withdrawn after 5pm on the next working day following the game, any fee that has been submitted to The Association in respect of the claim WILL NOT be refunded. If the relevant fee has yet to be paid, the claimant will still be required to pay it to The Association. Failure to pay the fee in these circumstances will result in disciplinary action against the claimant.

Where a claim is withdrawn before the 5pm deadline, if any fee has been submitted, it will be refunded. If the relevant fee has yet to be paid to The Association the claimant will not be required to pay it.

- (e) The Claim will be determined based on video and/or DVD and written evidence only. None of the Match Officials nor the Club or Player are entitled to be present or represented at the Regulatory Commission.
- (f) Players and Clubs should note that the time limits set out above are strict. Only complete claims submitted before the relevant deadlines will be considered by The Association.
- (g) Once the claim is lodged with The Association it will confirm that the video and/or DVD shows the incident as reported by the Referee/Assistant Referee and the claim has conformed with the criteria.
- (h) Prior to the commencement of the suspension, a Regulatory Commission will be convened to decide the matter on any relevant documentary and video and/or DVD evidence submitted. The following procedures will be used at a Commission unless the Commission thinks it appropriate to amend them:

The Commission Secretary will produce:

- I.
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements and video and other evidence provided in support of the claim, including details of the Player;
- II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful. A claim will only be successful where the Commission is satisfied that the Referee made an obvious error in dismissing the Player.

- III. If the Commission's decision is to reject the claim, it will, in every case, go on to consider whether or not the player's punishment should be increased.
- If the Commission considers that the rejected claim had no prospect of success and / or amounts to an abuse of process, the Commission shall have the discretion to increase the penalty up to twice the standard punishment set out in this Memorandum.
- In all other cases, the Player reported by the Referee shall serve the standard punishment as set out in this Memorandum. In all cases where a claim is rejected the fee shall be retained.
- IV. If the Commission's decision is that the claim is successful, the standard punishment set out in the Memorandum is withdrawn and the fee returned. The dismissal will not be counted for the purposes of paragraph 8(h) below.
- The decision shall be conveyed to the Commission Secretary who shall prepare Minutes of the decision of the Commission and communicate the decision to the Club that day. The Club must provide the Commission with contact details.
- (i) Should a Club have two FTCMs with no, or insufficient, working days in between for the claim for wrongful dismissal to be notified, lodged and heard by a Regulatory Commission, the following will apply:
- I. The Club shall notify The Association by e-mail (using the contact details as set out in (d) above) by 1pm on the next day following the dismissal. Submission of evidence will be required by 5pm on the next day following the dismissal as set out in (d) above.
- II. In such cases the Commission will consider the claim as follows:
- (i) Where there are insufficient working days between the two FTCMs, no later than 1pm on the next working day and in all cases no later than 6pm on the day before the next fixture.
- (ii) Where there are no working days between the two FTCMs, no later than 6pm on the day before the next fixture.
- In respect of these specific circumstances, particular attention should be paid to (h) III. here above, in respect of claims brought which had no prospect of success or amounted to an abuse of process.
- Should a Player play in a match without the appropriate notification having been lodged as set out hereabove, this shall constitute Misconduct.
- (j) As a general guide, the following schedule will apply:
- | Match Day | Notice of Claim | Claim Lodged | Commission |
|-------------|-----------------|--------------|------------|
| Fri/Sat/Sun | Monday | Tuesday | Thursday |
- (k) In the event that a Club submits a notification of their intention to claim wrongful dismissal but fails to complete the claim or withdraws a complete claim prior to it being considered by a Regulatory Commission, and The Association believes that the notification or claim of wrongful dismissal had no prospect of success or amounted to an abuse of process, The Association may issue a charge of misconduct under FA Rule E3.
- (l) The decision of the Regulatory Commission in relation to a claim of wrongful dismissal is final and binding on all parties and is not subject to appeal.

DISMISSALS – EXCEPTIONAL CIRCUMSTANCES

Regulations 6 and 7 below are intended to apply only in truly exceptional circumstances. Regulatory Commissions considering cases under these Regulations will be specifically instructed to approach them in this way. It is envisaged that, in the vast majority of

dismissals, the standard punishments set out in this Memorandum will be appropriate and will be applied.

The facilities available under Regulations 6 and 7 are provided only so exceptional cases may be rectified. They are not intended to encourage or lead to the systematic, regular review of standard punishments, and are reserved for truly exceptional cases.

6. DISMISSALS – CLAIMS THAT THE STANDARD PUNISHMENT IS CLEARLY EXCESSIVE

- (a) A Player and his Club may in very limited circumstances seek to limit the disciplinary consequences of the dismissal of a Player from the Field of Play by demonstrating to The Association that the circumstances of a particular dismissal were truly exceptional, such that the standard punishment applicable to that dismissal (as set out in section 8 below) would be clearly excessive.
- (b) All players dismissed from the Field of Play shall be subject to at least a one match suspension, save for where a successful claim for wrongful dismissal is brought.
- (c) Claims that the standard punishment is clearly excessive brought under this Regulation may be lodged only for on-field offences which result in a sending off under Law 12(6) (offensive or insulting or abusive language/gestures), 12(1) (serious foul play), 12(2) (violent conduct), or 12(3) (spitting).
- (d) The Regulatory Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee and the correctness of the dismissal from the Field of Play shall not be subject to any scrutiny by the Commission, will remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a first team sending off.
- (e) The Club on behalf of the Player must, by 1pm on the next working day following the game, notify The Association in writing (by fax or e-mail – Fax 0844 980 0626 or e-mail Disciplinary@TheFA.com) of their intention to submit a claim. The claim will NOT proceed if this deadline is not met. The evidence upon which the claim is founded (which must include a video and/or DVD recording showing the incident from all available angles), must be submitted by the Player concerned or his Club by 1pm on the second working day following the incident. The claim must explain why the case is truly exceptional. The relevant fee for clubs in each league is as follows:

FA Premier League	£1,500
Football League Championship	£750
Football League 1	£500
Football League 2	£350
National League	£300

The fee is only payable in the event that the claim is unsuccessful. The Association may collect the fee in any manner it deems appropriate.

Important – forfeiture of fee for late withdrawal of a claim. It should be noted that where a claim is withdrawn after 5pm on the next working day following the game, any fee that has been submitted to The Association in respect of the claim WILL NOT be refunded. If the relevant fee has yet to be paid, the claimant will still be required to pay it to The Association. Failure to pay the fee in these circumstances will result in disciplinary action against the claimant.

Where a claim is withdrawn before the 5pm deadline, if any fee has been submitted, it will be refunded. If the relevant fee has yet to be paid to The Association, the claimant will not be required to pay it.

- (f) The Claim will be determined based on video and/or DVD and written evidence only. The Match Officials, Club and Player are not entitled to be present or represented at the Regulatory Commission.
- (g) Players and Clubs should note that the time limits set out above are strict. Only complete claims submitted before the relevant deadlines will be considered by The Association.
- (h) Once the claim is lodged with The Association it will confirm that the video and/or DVD shows the incident as reported by the Referee/Assistant Referee and the claim has conformed with the criteria.
- (i) If possible, prior to the commencement of the suspension, but in all cases before the second match that the Player would miss were the standard punishment to apply to the dismissal that is the subject of the claim, a Regulatory Commission will be convened to decide the matter on any relevant documentary and video and/or DVD evidence submitted. The following procedures will be used at a Commission unless the Commission thinks it appropriate to amend them:

The Commission Secretary will produce:

- I.
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements and video and other evidence provided in support of the claim, including details of the Player;
- II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful.
- III. A claim will only be successful under this Regulation where a Claimant satisfies the Commission so that it is sure that –
 - (a) The circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - (b) As a result of the truly exceptional circumstances the standard punishment would be clearly excessive.
- IV. In considering the matters at III above, the Commission shall have regard to:
 - (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
 - (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - (c) Where applicable, the level of force used;
 - (d) Any injury to an opponent caused by the dismissal offence;
 - (e) Any other impact on the game in which the dismissal occurred;
 - (f) The prevalence of the type of offence in question in football generally;
 - (g) The wider interests of football in applying consistent punishments for dismissal offences.
- V. If the Commission's decision is to reject the claim, it will, in every case, go on to consider whether or not the Player's punishment should be increased. If the Commission considers that the rejected claim had no prospect of success and/or amounts to an abuse of process, the Commission shall have the discretion to increase the penalty up to twice the standard punishment set out in this Memorandum.

In all other cases where a claim is rejected, the Player reported by the Referee shall serve the standard punishment as set out in this Memorandum. In all cases where a claim is rejected the fee shall be forfeited.

- VI. If the Commission's decision is that the claim is successful, the standard punishment set out in the Memorandum is withdrawn.

The Commission will then decide on the punishment to be applied to the Player in respect of the dismissal. This shall be in all cases a suspension of at least one match.

In deciding on such punishment, the Commission shall have regard to:

- (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
- (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
- (c) Where applicable, the level of force used;
- (d) Any injury to an opponent caused by the dismissal offence;
- (e) Any other impact on the game in which the dismissal occurred;
- (f) The prevalence of the type of offence in question in football generally;
- (g) The wider interests of football in applying consistent punishments for dismissal offences.

The decision shall be conveyed to the Commission Secretary who shall prepare Minutes of the decision of the Commission and communicate the decision to the Club that day. The Club must provide the Commission with contact details. The fee shall be returned to the Club.

- (j) As a general guide, the following schedule will apply:

Match Day	Notice of Claim	Claim Lodged	Commission
Fri/Sat/Sun	Monday	Tuesday	Thursday

- (k) In the event that a Club submits a notification of their intention to claim but fails to complete the claim or withdraws a complete claim prior to it being considered by a Regulatory Commission, and The Association believes that the notification or claim had no prospect of success or amounted to an abuse of process, The Association may issue a charge of misconduct under FA Rule E3.
- (l) The decision of the Regulatory Commission in relation to a claim under this Regulation is final and binding on all parties and is not subject to appeal.

7. DISMISSALS - CLAIMS THAT THE STANDARD PUNISHMENT IS CLEARLY INSUFFICIENT

- (a) All players dismissed from the Field of Play shall be subject to at least a one match suspension, save only for where a successful claim for wrongful dismissal is brought.
- (b) The Association may seek to increase the disciplinary consequences of the dismissal of a Player from the Field of Play, where The Association is satisfied that the standard punishment that would otherwise apply following the dismissal is clearly insufficient.
- (c) Claims may be brought under this Regulation only for on-field offences which have resulted in a sending off under Law 12(1) (serious foul play) Law 12(2) (violent conduct), or Law 12(3) (spitting).
- (d) Where The Association brings such a claim, a Referee's report showing that a Player was dismissed for serious foul play under Law 12(1), violent conduct under Law 12(2), or spitting under Law 12(3) shall be conclusive evidence that the player has breached the relevant Law and shall not be subject to challenge, save for where any such dismissal is subject to a claim for wrongful dismissal.
- (e) The Regulatory Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee and the

correctness of the dismissal from the Field of Play shall not be subject to any scrutiny by the Commission, will remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a first team sending off.

- (f) Claims brought under this Regulation must be brought by 1pm on the second working day following the game in which the relevant dismissal occurred. Such a claim must include the evidence upon which the claim is founded (which must include the Referee's report and a video and/or DVD recording showing the incident from all available angles).
- (g) A Player must submit any Reply to the claim, including all evidence in support of that response, by 6pm on the second working day following the issue of the claim. If no Reply is received by The Association, the Commission shall consider the claim as if it had been denied by the Player.
- (h) Claims brought under this Regulation shall be determined based on video and/or DVD and written evidence only. The Match Officials, Club and Player are not entitled to be present or represented at the Regulatory Commission.
- (i) If possible, prior to the commencement of the suspension, but in all cases before the second match that the Player would miss were the standard punishment to apply to the dismissal that is the subject of the claim, a Regulatory Commission will be convened to decide the matter on any relevant documentary and video and/or DVD evidence submitted. The following procedures will be used at a Commission unless the Commission thinks it appropriate to amend them:

The Commission Secretary will produce:

- I.
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements and video and other evidence provided in support of the claim.
 - (iii) The Reply and all evidence and submissions provided by the Player in response to the claim.
- II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful.
- III. A claim will only be successful under this Regulation where The Association satisfies the Commission so that it is sure that:
 - (i) The circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - (ii) The standard punishment would be clearly insufficient.
- IV. In considering the matters at III above, the Commission shall have regard to:
 - (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
 - (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - (c) Where applicable, the level of force used;
 - (d) Any injury to an opponent caused by the dismissal offence;
 - (e) Any other impact on the game in which the dismissal occurred;
 - (f) The prevalence of the type of offence in question in football generally;
 - (g) The wider interests of football in applying consistent punishments for dismissal offences.

- V. If the Commission's decision is to reject the claim, it shall deliberate no further on the claim and the Player shall serve the standard punishment.
- VI. If the Commission's decision is that the claim is successful, the standard punishment set out in the Memorandum is set aside.
- The Commission will then decide on the punishment to be applied to the Player in respect of the dismissal.
- In deciding on such punishment, the Commission shall have regard to the matters at 7(i)IV above.
- Any punishment imposed by the Commission shall be limited to a suspension from playing a specified number of matches in addition to the standard punishment ordinarily applicable to the relevant dismissal. The Commission shall not impose any other punishment on the Player.
- The decision shall be conveyed to the Commission Secretary who shall prepare Minutes of the decision of the Commission and communicate the decision to the Club that day. The Club must provide the Commission with contact details.

- (j) As a general guide, the following schedule will apply:

Match Day	Notice and Evidence of Claim	Reply	Commission
Fri/Sat/Sun	Tuesday	Thursday	Friday

- (k) The decision of the Regulatory Commission in relation to a claim under this regulation shall be subject to appeal only (i) in the event that the penalty imposed (in addition to the ordinarily applicable standard punishment) is in excess of three matches; (ii) on the single ground that the additional suspension is excessive; and (iii) in respect of that part of the additional suspension in excess of the additional three matches not accounting for any additional matches included in the penalty as a result of a Player having served a suspension earlier in the same season. For example, where a Player is suspended for 8 matches following a dismissal for violent conduct, he may appeal only in respect of the two matches in excess of the three standard and three additional match suspension. Appeals under this Regulation shall proceed pursuant to Schedule C (Standard Directions for Appeals against decisions of Regulatory Commissions).

The same procedure will apply for every further five cautions received by that Player.
- (viii) Any period of suspension arising from cautions will commence forthwith. - (ix) Any period of suspension or part thereof which remains outstanding at the end of a Season must be served at the commencement of the next following Season.

(h) **Players dismissed from the Field of Play in a FTCM, having previously in the same season been sent off in a FTCM (or suspended under the Standard Directions set out in Schedule A in these Regulations for an incident in a FTCM), will be suspended for one extra match for each such previous sending off or suspension, in addition to the automatic suspension applicable to the dismissal.**

For the purposes of this regulation a previous dismissal in a non FTCM will only be taken into account where it was for violent conduct, serious foul play or spitting.

(i) **OUTSTANDING SUSPENSIONS**

Any suspension or part thereof which remains outstanding at the end of a Season resulting from these Disciplinary Procedures, must be served at the commencement of the next Season within the terms of these Disciplinary Procedures [Section 8 (a) to (h)].

- (c) Where the Club that the player moves to competes at a different level from the Club that the player moves from, any remaining period of suspension at the time that the Player moves shall continue to be served by reference to matches completed by the Club that the Player moves from unless dispensation has been granted in writing by The Association for the suspension to be served with reference to matches completed by the Club that the Player moves to.

For the purposes of this section, Clubs compete at three different levels. Each level is comprised as follows –

- (i) The Premier League, Football League and National League;

This section applies to all moves by Players between Clubs which are completed and evidenced to the satisfaction of the Association, however they occur.

This includes, but is not limited to, all transfers, loans and the expiration of loans, and Players whose registration is cancelled by the Club that the Player moves from, where that Player is subsequently registered by the Club that the Player moves to.

(k) **RULE E1 OF THE ASSOCIATION**

A charge of Misconduct (as defined in and) pursuant to Rule E1 of the Rules of The Association may be brought against a Player in relation to an incident whether or not the same incident has been dealt with by the referee and/or pursuant to this Memorandum. (n) **RE-ARRANGED MATCHES**

9. DISCIPLINARY ACTION AGAINST CLUBS FOR MISCONDUCT BY THEIR PLAYERS

- (a) Any Club that has six or more individual Players cautioned or dismissed from the Field of Play in the same match will be offered a Standard Punishment according to the following table on the first occasion that this happens during the Season:

LEAGUE/DIVISION	FINE
FA Premier League	£25,000
Football League Championship	£5,000
Football League 1	£2,500
Football League 2	£1,000
National League	£750

- (b) For each successive occasion that this happens in the same Season, the Standard Punishment offered will be a fine that is double and then treble etc. the above amount.

All clubs offered a Standard Punishment may either accept it or request the opportunity to mitigate the punishment at a personal hearing before a Regulatory Commission. Following such mitigation the Regulatory Commission may impose, decrease or increase the Standard Punishment as it thinks fit.

- (c) Any Club whose players accumulate a total number of Penalty Points in First Team Competitive Matches between the start of the Season and 31 December (including any First Team Competitive Match played on that day) which is 40% or more above the median number of points per game average in the same League, will be required to appear before the Regulatory Commission to explain the players' conduct.

Following such explanation, the Regulatory Commission may order that a visit be made to the Club by representatives of The Association and/or PGMO or other appropriate body, in order to discuss and/or offer advice on the Club's disciplinary record.

Any Club whose players accumulate a total number of Penalty Points in First Team Competitive Matches during the whole Season which is 40% or more above the median number of points per game average in the same League, will be required to appear before the Regulatory Commission to explain the players' conduct.

If the Club cannot provide a reasonable explanation for such occurrence, the Club will be liable to be warned and/or fined up to £100,000 (FA Premier League clubs), £50,000 (Football League Championship clubs), £25,000 (Football League 1 clubs), £12,500 (Football League 2 clubs) or £6,000 (National League clubs) for having permitted its Players to breach, or not having prevented its Players from breaching, the Laws of the Game in contravention of Rule E1(a) of The Association.

Where any Club's players accumulated a total number of Penalty Points which is between 40% and 50% (inclusive) above the median number of points per game average in the same League, any fine will normally be suspended in whole or in part for a period of one year, unless the Regulatory Commission determines that this is not appropriate, in which case it will be imposed immediately.

Where any Club's players accumulated a total number of Penalty Points which is more than 50% above the median number of points per game average in the same League, any fine will normally be imposed immediately, unless the Regulatory Commission determines that this is not appropriate, in which case it will be suspended in whole or in part for a period of one year.

In addition, the Regulatory Commission shall be entitled to order the Club to pay the cost of the Hearing to The Association. Any action taken by the Club to discipline its Players under Section 8(m) will be taken into consideration by the Regulatory Commission in its findings.

Any Club required to appear before a Regulatory Commission under this regulation must ensure that its first team manager and one of its Directors or Committee members attend the hearing.

- (d) In calculating the number of points accumulated in a Season, for the purposes of this Memorandum, the following scale will apply for each:

Recorded cautions	-	4 Points
Sending off under Law 12 (4)(5) & (7)	-	10 Points
Sending off under Law 12 (1)(2)(3) & (6)	-	12 Points

Where any sending off is subject to a successful claim for wrongful dismissal, no points shall be added to a Club's accumulated points total in respect of it.

- (e) Proceeds of fines imposed under this Section of the Disciplinary Procedures shall be disbursed as decided by The Association.
- (f) A Club required to appear before a Regulatory Commission under this provision of the Memorandum shall be represented by at least one of its Directors and the Manager.
- (g) The Association may prefer a Charge against a Club at any time during the Season arising from Field Offences committed by players of the Club. All records will also be subject to interim review as at the 31st October annually. Clubs may be ordered to attend a Regulatory Commission to discuss a record that is deemed to be poor at that stage of the Season.

SECTION B

DISCIPLINARY PROCEDURES CONCERNING FIELD OFFENCES in Non-First Team Matches (NFTM)

For Players associated with FA Premier League, Football League and National League Clubs

1. **REPORTING OF OFFENCES BY MATCH OFFICIALS** in all matches apart from those played in the FA Premier League, Football League, National League, Football League Cup, FA Challenge Cup, FA Challenge Trophy, Football League Trophy and Play-offs (NFTM) and any match sanctioned or regarded by The Football Association as a Friendly Match.

FA Misconduct – Steps 1 (Conference National) and above.

Non First team misconduct dealt with by The Football Association will be limited to all Male open aged teams, Under 19s, Under 18s and Academy teams. All other cases will be dealt with by the Parent County Football Association of the Club.

- (a) **Caution Offences**
Referees must submit to The Association within two days of the match (Sundays not included) a Report stating the offences and giving a description of the incidents.
- (b) **Sending Off Offences**
Referees and Assistant Referees must submit to The Association within two days of the match (Sundays not included) a Report stating the offence(s) and giving a description of the incident(s).
- (c) If a referee omits to show the appropriate card when taking action against a player, this does not nullify the caution or sending off offence. However, the attention of the Referee should be drawn to the correct procedure.

2. **CAUTION OFFENCES**

A player who has been cautioned in a NFTM, will be notified through his Club by The Association of the offence reported by the Referee, the total number of cautions recorded against the player under these procedures during the current Season and at the same time, will be advised of any punishment resulting from the accumulation of these cautions. An administration fee of £10.00 will be charged for the processing of each report. Any such punishment will take effect regardless of whether or not the notification of it from The Association is received before it is due to take effect in accordance with these Disciplinary Procedures.

3. **SENDING OFF OFFENCES**

A player who has been sent off in a NFTM under the provisions of Law 12 will be notified through his Club by The Association of the offence reported by the Referee, and at the same time advised that he will be subject to the agreed standard punishment (see Section 8). An administration fee of £10.00 will be charged for the processing of each report. Any such punishment will take effect regardless of whether or not the notification of it from The Association is received before it is due to take effect in accordance with these Disciplinary Procedures.

4. **CLAIMS OF MISTAKEN IDENTITY**

In the case of a claim of alleged mistaken identity concerning a player cautioned or sent off in a NFTM, the PLAYERS concerned and the CLUB must within three working days of the match submit in writing to The Football Regulatory Authority particulars upon which the claim is founded, including the right to claim Wrongful Dismissal. If The Football Regulatory

Authority is satisfied that the claim warrants further investigation, a Regulatory Commission shall be convened and will meet within the 14 days before any automatic penalty is due to take effect. If the members of the appointed Regulatory Commission are satisfied that mistaken identity has been proved in a case, the record of the offence will be transferred to the appropriate offender, who will be subject to disciplinary action in accordance with the provisions of the current Procedures.

The relevant fee is **£1,500 for FA Premier League Clubs, £750 for Football League Championship Clubs, £500 for Football League 1 Clubs, £350 for Football League 2 Clubs and £300 for National League Clubs**, which is only payable in the event that the claim is unsuccessful. The Association may collect the fee in any manner it deems appropriate.

5. CLAIMS OF WRONGFUL DISMISSAL.

In the case of a claim of wrongful dismissal for offences with a penalty imposed under the Laws of the Game of an immediate dismissal (this excludes Law S6, the use of offensive or insulting or abusive language/gestures as well as Law S7 – receiving a second caution in the same match), evidence upon which the claim is founded, which must include a video and/or DVD recording showing the incident, must be submitted by the Player concerned and his Club, and **MUST** be received by The Football Association by the close of business of the third **working** day following the match (as below). An indication by fax (0844 980 0626) or e-mail (disciplinary@thefa.com) on the first working day following the game is required to alert The Football Regulatory Authority that a claim is to be submitted.

Saturday	-	Wednesday
Sunday	-	Wednesday
Monday	-	Thursday
Tuesday	-	Friday
Wednesday	-	Monday
Thursday	-	Tuesday
Friday	-	Wednesday

(If Bank Holidays fall within the period, the appropriate number of extra days will be made available.)

Once the claim is lodged with The Football Association it will confirm that the video and/or DVD shows the incident as reported by the Referee/Assistant Referee and the claim has conformed with the criteria. The Club will then be advised whether the claim has been accepted or not.

An accepted claim is placed before a Regulatory Commission, to which the Club, Player and Match Officials will NOT be invited to attend. They will be dealing only with the level of punishment, the dismissal from the Field of Play will always remain on the record of the Club and the Player and be the subject of the administration fee.

The only decisions available to the members of the Regulatory Commission are:-

- (i) The punishment will remain with the fee to become payable;
- (ii) Only where the Commission is satisfied that the Referee made an obvious error in dismissing the Player, the punishment will be withdrawn, no fee will be payable and that Section 8(h) of the procedure will not be invoked if the player is sent off again following the offence.

The relevant fees for players associated with **FA Premier League Clubs is £1,500, Football League Championship Clubs is £750, Football League 1 Clubs is £500, Football League 2 Clubs is £350 and National League Clubs is £300** and is only to become payable in the

event that the claim is unsuccessful. The Association may collect the fee in any manner it deems appropriate.

DISMISSALS – EXCEPTIONAL CIRCUMSTANCES

Regulations 6 and 7 below are intended to apply only in truly exceptional circumstances. Regulatory Commissions considering cases under these Regulations will be specifically instructed to approach them in this way. It is envisaged that, in the vast majority of dismissals, the standard punishments set out in this Memorandum will be appropriate and will be applied.

The facilities available under Regulations 6 and 7 are provided only so exceptional cases may be rectified. They are not intended to encourage or lead to the systematic, regular review of standard punishments, and are reserved for truly exceptional cases.

6. DISMISSALS – CLAIMS THAT THE STANDARD PUNISHMENT IS CLEARLY EXCESSIVE

- (a) A Player and his Club may in very limited circumstances seek to limit the disciplinary consequences of the dismissal of a Player from the Field of Play by demonstrating to The Association that the circumstances of a particular dismissal were truly exceptional, such that the standard punishment applicable to that dismissal (as set out in section 8 below) would be clearly excessive.
- (b) All players dismissed from the Field of Play shall be subject to at least a one match suspension, save for where a successful claim for wrongful dismissal is brought.
- (c) Claims that the standard punishment is clearly excessive brought under this Regulation may be lodged only for on-field offences which result in a sending off under Law 12(6) (offensive or insulting or abusive language/gestures), 12(1) (serious foul play), 12(2) (violent conduct), or 12(3) (spitting).
- (d) The Regulatory Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee and the correctness of the dismissal from the Field of Play shall not be subject to any scrutiny by the Commission, will remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a first team sending off.
- (e) The Club on behalf of the Player must, on the next working day following the game, notify The Association in writing (by fax or e-mail – Fax 0844 980 0626 or e-mail Disciplinary@TheFA.com) of their intention to submit a claim. The claim will NOT proceed if this deadline is not met. The evidence upon which the claim is founded (which must include a video and/or DVD recording showing the incident from all available angles), must be submitted by the Player concerned or his Club by the close of business of the third working day following the incident. The claim must explain why the case is truly exceptional. The relevant fee for clubs in each league is as follows:

FA Premier League	£1,500
Football League Championship	£750
Football League 1	£500
Football League 2	£350
National League	£300

The fee is only payable in the event that the claim is unsuccessful. The Association may collect the fee in any manner it deems appropriate.

- (f) The Claim will be determined based on video and/or DVD and written evidence only. The Match Officials, Club and Player are not entitled to be present or represented at the Regulatory Commission.

- (g) Players and Clubs should note that the time limits set out above are strict. Only complete claims submitted before the relevant deadlines will be considered by The Association.
- (h) Once the claim is lodged with The Association it will confirm that the video and/or DVD shows the incident as reported by the Referee/Assistant Referee and the claim has conformed with the criteria.
- (i) If possible, prior to the commencement of the suspension, but in all cases before the second match that the Player would miss were the standard punishment to apply to the dismissal that is the subject of the claim, a Regulatory Commission will be convened to decide the matter on any relevant documentary and video and/or DVD evidence submitted. The following procedures will be used at a Commission unless the Commission thinks it appropriate to amend them:

The Commission Secretary will produce:

- I.
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements and video and other evidence provided in support of the claim, including details of the Player;
- II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful.
- III. A claim will only be successful under this Regulation where a Claimant satisfies the Commission so that it is sure that –
 - (a) The circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - (b) As a result of the truly exceptional circumstances the standard punishment would be clearly excessive.
- IV. In considering the matters at III above, the Commission shall have regard to:
 - (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
 - (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - (c) Where applicable, the level of force used;
 - (d) Any injury to an opponent caused by the dismissal offence;
 - (e) Any other impact on the game in which the dismissal occurred;
 - (f) The prevalence of the type of offence in question in football generally;
 - (g) The wider interests of football in applying consistent punishments for dismissal offences.
- V. If the Commission's decision is to reject the claim, it will, in every case, go on to consider whether or not the Player's punishment should be increased. If the Commission considers that the rejected claim had no prospect of success and/or amounts to an abuse of process, the Commission shall have the discretion to increase the penalty up to twice the standard punishment set out in this Memorandum.

In all other cases where a claim is rejected, the Player reported by the Referee shall serve the standard punishment as set out in this Memorandum. In all cases where a claim is rejected the fee shall be forfeited.
- VI. If the Commission's decision is that the claim is successful, the standard punishment set out in the Memorandum is withdrawn.

The Commission will then decide on the punishment to be applied to the Player in respect of the dismissal. This shall be in all cases a suspension of at least one match.

In deciding on such punishment, the Commission shall have regard to:

- (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
- (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
- (c) Where applicable, the level of force used;
- (d) Any injury to an opponent caused by the dismissal offence;
- (e) Any other impact on the game in which the dismissal occurred;
- (f) The prevalence of the type of offence in question in football generally;
- (g) The wider interests of football in applying consistent punishments for dismissal offences.

The decision shall be conveyed to the Commission Secretary who shall prepare Minutes of the decision of the Commission and communicate the decision to the Club that day. The Club must provide the Commission with contact details. The fee shall be returned to the Club.

- (j) As a general guide, the following schedule will apply:

Match Day	Notice of Claim	Claim Lodged
Fri/Sat/Sun	Monday	Wednesday

- (k) In the event that a Club submits a notification of their intention to claim but fails to complete the claim or withdraws a complete claim prior to it being considered by a Regulatory Commission, and The Association believes that the notification or claim had no prospect of success or amounted to an abuse of process, The Association may issue a charge of misconduct under FA Rule E3.
- (l) The decision of the Disciplinary Commission in relation to a claim under this Regulation is final and binding on all parties and is not subject to appeal.

7. DISMISSALS - CLAIMS THAT THE STANDARD PUNISHMENT IS CLEARLY INSUFFICIENT

- (a) All players dismissed from the Field of Play shall be subject to at least a one match suspension, save only for where a successful claim for wrongful dismissal is brought.
- (b) The Association may seek to increase the disciplinary consequences of the dismissal of a Player from the Field of Play, where The Association is satisfied that the standard punishment that would otherwise apply following the dismissal is clearly insufficient.
- (c) Claims may be brought under this Regulation only for on-field offences which have resulted in a sending off under Law 12(1) (serious foul play), Law 12(2) (violent conduct), or Law 12(3) (spitting).
- (d) Where The Association brings such a claim, a Referee's report showing that a Player was dismissed for serious foul play under Law 12(1), violent conduct under Law 12(2), or spitting under Law 12(3) shall be conclusive evidence that the player has breached the relevant Law and shall not be subject to challenge, save for where any such dismissal is subject to a claim for wrongful dismissal.
- (e) The Regulatory Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee and the correctness of the dismissal from the Field of Play shall not be subject to any scrutiny by the Commission, will remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a first team sending off.

- (f) Claims brought under this Regulation must be brought by 1pm on the second working day following the game in which the relevant dismissal occurred. Such a claim must include the evidence upon which the claim is founded (which must include the Referee's report and a video and/or DVD recording showing the incident from all available angles).
- (g) A Player must submit any Reply to the claim, including all evidence in support of that response, by 6pm on the second working day following the issue of the claim. If no Reply is received by The Association, the Commission shall consider the claim as if it had been denied by the Player.
- (h) Claims brought under this Regulation shall be determined based on video and/or DVD and written evidence only. The Match Officials, Club and Player are not entitled to be present or represented at the Regulatory Commission.
- (i) If possible, prior to the commencement of the suspension, but in all cases before the second match that the Player would miss were the standard punishment to apply to the dismissal that is the subject of the claim, a Regulatory Commission will be convened to decide the matter on any relevant documentary and video and/or DVD evidence submitted. The following procedures will be used at a Commission unless the Commission thinks it appropriate to amend them:

The Commission Secretary will produce:

- I.
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements and video and other evidence provided in support of the claim.
 - (iii) The Reply and all evidence and submissions provided by the Player in response to the claim.
- II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful.
- III. A claim will only be successful under this Regulation where The Association satisfies the Commission so that it is sure that:
 - (i) The circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - (ii) The standard punishment would be clearly insufficient.
- IV. In considering the matters at III above, the Commission shall have regard to:
 - (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
 - (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - (c) Where applicable, the level of force used;
 - (d) Any injury to an opponent caused by the dismissal offence;
 - (e) Any other impact on the game in which the dismissal occurred;
 - (f) The prevalence of the type of offence in question in football generally;
 - (g) The wider interests of football in applying consistent punishments for dismissal offences.
- V. If the Commission's decision is to reject the claim, it shall deliberate no further on the claim and the Player shall serve the standard punishment.
- VI. If the Commission's decision is that the claim is successful, the standard punishment set out in the Memorandum is set aside.

The Commission will then decide on the punishment to be applied to the Player in respect of the dismissal.

In deciding on such punishment, the Commission shall have regard to the matters at 7(i)IV above.

Any punishment imposed by the Commission shall be limited to a suspension from playing a specified number of matches in addition to the standard punishment ordinarily applicable to the relevant dismissal. The Commission shall not impose any other punishment on the Player.

The decision shall be conveyed to the Commission Secretary who shall prepare Minutes of the decision of the Commission and communicate the decision to the Club that day. The Club must provide the Commission with contact details.

- (j) As a general guide, the following schedule will apply:

Match Day	Notice and Evidence of Claim	Reply	Commission
Fri/Sat/Sun	Tuesday	Thursday	Friday

- (k) The decision of the Regulatory Commission in relation to a claim under this Regulation shall be subject to appeal only (i) in the event that the penalty imposed (in addition to the ordinarily applicable standard punishment) is in excess of three matches; (ii) on the single ground that the additional suspension is excessive; and (iii) in respect of that part of the additional suspension in excess of the additional three matches (for example, where a Player is suspended for 8 matches following a dismissal for violent conduct, he may appeal only in respect of the two matches in excess of the three standard and three additional match suspension). Appeals under this Regulation shall proceed pursuant to Schedule C (Standard Directions for Appeals against decisions of Regulatory Commissions).

(f) **PLAYERS SENT OFF UNDER LAW 12 (6)**

(j) **PLAYERS MOVING BETWEEN CLUBS**

Where a Player moves between Clubs at a time when he is subject to a suspension from playing resulting from either these Disciplinary Procedures or any charge of Misconduct, the following shall apply –

(k) **RULE E1 OF THE ASSOCIATION**

A charge of Misconduct (as defined in and) pursuant to Rule E1 of the Rules of The Association may be brought against a Player in relation to an incident whether or not the same incident has been dealt with by the referee and / or pursuant to this Memorandum.

The direct fax line to the Disciplinary Department is 0844 980 0626. At no time will a suspension start date be deferred. 2. **PUNISHMENTS – Relating to Friendly Matches**
 - (a) **CAUTIONS ADMINISTERED ON THE FIELD OF PLAY**

The Association shall not impose any sanction in respect of cautions administered during Friendly Matches. SECTION D

DISCIPLINARY PROCEDURES CONCERNING FIELD OFFENCES

For Players associated with teams competing in the National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League.

1. GENERAL

- (a) Clubs may participate in an FA pilot programme as set out by Council and will be required to abide by the regulations and terms of that programme.
- (b) The Standard Directions set out at Schedule B and C will also apply to Misconduct Charges brought by The Association under these procedures for teams competing in the National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League, save that any time limits provided for in those Schedules shall not apply.

2. REPORTING OF OFFENCES BY MATCH OFFICIALS

- (a) **Caution Offences**
Referees must submit to The Association within two days of the match (Sundays not included) a Report stating the offence and giving a description of the incident.
- (b) **Sending Off Offences**
Referees and Assistant Referees must submit to The Association within two days of the match (Sundays not included) a Report stating the offence(s) and giving a description of the incident(s).
- (c) If a referee omits to show the appropriate card when taking action against a Player, this does not nullify the caution or sending off offence. However, the attention of the Referee should be drawn to the correct procedure.

3. CAUTION OFFENCES

A Player who has been cautioned in any match, will be notified through his Club by The Association of the offence reported by the Referee, the total number of cautions recorded against the Player during the current Season and at the same time, will be advised of any punishment resulting from the accumulation of cautions. An administration fee of £10.00 will be charged for the processing of each report. Any such punishment will take effect regardless of whether or not the notification of it from The Association is received before it is due to take effect in accordance with these Disciplinary Procedures.

4. SENDING OFF OFFENCES

A Player who has been sent off in any match under the provisions of Law 12 will be notified through his Club by The Association of the offence reported by the Referee, and at the same time advised that he will be subject to the agreed standard punishment (see Section 8). An administration fee of £10.00 will be charged for the processing of each report. Any such punishment will take effect regardless of whether or not the notification of it from The Association is received before it is due to take effect in accordance with these Disciplinary Procedures.

5. SUSPENSIONS

During periods of automatic suspensions the Player is suspended from playing only for Saturday type football (including midweek fixtures). If the suspension is as a result of a Misconduct charge, during the whole period of suspension the Player is suspended

from playing all football (including friendly matches and other Cup Competitions). The categories of football affected by this regulation are Saturday, Sunday, Midweek, Veterans and Representative football. This will be deemed as a suspension from playing only, unless specified otherwise by a Disciplinary Commission.

If an automatic suspension arises from a send-off, or as a result of cautions accumulated under 11(a), a player will remain eligible to play in matches that cannot be used to clear a player's suspension outlined above.

In exceptional cases where an application has been made to The Association by the Participant that the suspension is disproportionately harsh, due to the period taken to serve it, the matter may be reviewed only by The Association and may be amended to a category-specific suspension, at The Association's discretion.

6. CLAIMS OF MISTAKEN IDENTITY

In the case of a claim of alleged mistaken identity concerning a Player cautioned or sent off in a match, the PLAYERS concerned and the CLUB must within three working days of the match submit in writing to The Football Regulatory Authority particulars upon which the claim is founded, including the right to claim Wrongful Dismissal. If The Football Regulatory Authority is satisfied that the claim warrants further investigation, a Regulatory Commission shall be convened and will meet within the 14 days before any automatic penalty is due to take effect. If the members of the appointed Regulatory Commission are satisfied that mistaken identity has been proved in a case, the record of the offence will be transferred to the appropriate offender, who will be subject to disciplinary action in accordance with the provisions of the current Procedures.

The relevant fee is £125 which is only payable in the event that the claim is unsuccessful. The Association may collect the fee in any manner it deems appropriate.

7. CLAIMS OF WRONGFUL DISMISSAL

In the case of a claim of wrongful dismissal for offences with a penalty imposed under the Laws of the Game of an immediate dismissal (this excludes Law S6, the use of offensive or insulting or abusive language/gestures and Law S7 - receiving a second caution in the same match), an indication by e-mail (disciplinary@thefa.com) by 5pm on the second working day following the game is required to alert The FA that a claim is to be submitted. Evidence upon which the claim is founded, which must include a video and/or DVD recording showing the incident, must be submitted by the Player concerned and his Club, and MUST be received by The Football Association by 5pm on the fourth working day following the match (as follows).

Saturday	-	Thursday
Sunday	-	Thursday
Monday	-	Friday
Tuesday	-	Monday
Wednesday	-	Tuesday
Thursday	-	Wednesday
Friday	-	Thursday

(If Bank Holidays fall within the period, the appropriate number of extra days will be made available.)

Once the claim is lodged with The Football Association and it is confirmed that the video and/or DVD shows the incident as reported by the Referee/Assistant Referee and the claim has conformed with the criteria, the Club will then be advised whether the claim has been accepted or not.

An accepted claim will be placed before a Regulatory Commission by the 8th working day following the match and in all cases by 6pm on the day before the commencement of the scheduled commencement of the sanction. The Club, Player and Match Officials will NOT be invited to attend. They will be dealing with the level of punishment only. The dismissal from the Field of Play will always remain on the record of the Club and the Player and be the subject of the administration fee and the appropriate number of penalty points for a sending off.

A claim may be withdrawn at any stage prior to it being heard by a Regulatory Commission without the relevant fee being payable.

The only decisions available to the members of the Regulatory Commission are:-

- (i) The punishment will remain with the fee being payable;
- (ii) Only where the Commission is satisfied that the Referee made an obvious error in dismissing the Player, the punishment will be withdrawn, the fee waived and that Section 11(g) of the procedure will not be invoked if the Player is sent off again following the offence.

The relevant fee is £125, which is only payable in the event that the claim is unsuccessful. The Association may collect the fee in any manner it deems appropriate.

8. NON-FIRST TEAM MATCHES

All misconduct reported from matches not deemed to be a FTCM (First Team Competitive Match) will be dealt with by the County Association to which the Club is affiliated. The Player will have the right to request an Appeal against decisions of County Associations in accordance with The Rules and Regulations of The Football Association.

DISMISSALS – EXCEPTIONAL CIRCUMSTANCES

Regulations 9 and 10 below are intended to apply only in truly exceptional circumstances. Regulatory Commissions considering cases under these Regulations will be specifically instructed to approach them in this way. It is envisaged that, in the vast majority of dismissals, the standard punishments set out in this Memorandum will be appropriate and will be applied.

The facilities available under Regulations 9 and 10 are provided only so exceptional cases may be rectified. They are not intended to encourage or lead to the systematic, regular review of standard punishments, and are reserved for truly exceptional cases.

9. DISMISSALS – CLAIMS THAT THE STANDARD PUNISHMENT IS CLEARLY EXCESSIVE

- (a) A Player and his Club may in very limited circumstances seek to limit the disciplinary consequences of the dismissal of a Player from the Field of Play by demonstrating to The Association that the circumstances of a particular dismissal were truly exceptional, such that the standard punishment applicable to that dismissal (as set out in section 11 below) would be clearly excessive.
- (b) All Players dismissed from the Field of Play shall be subject to at least a one match suspension, save for where a successful claim for wrongful dismissal is brought.
- (c) Claims that the standard punishment is clearly excessive brought under this Regulation may be lodged only for on-field offences which result in a sending off under Law 12(6) (offensive or insulting or abusive language/gestures), 12(1) (serious foul play), 12(2) (violent conduct) or 12(3) (spitting).
- (d) The Regulatory Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee and the

correctness of the dismissal from the Field of Play shall not be subject to any scrutiny by the Commission, will remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a first team sending off.

- (e) The Club on behalf of the Player must, by 5pm on the second working day following the game, notify The Association by e-mail (Disciplinary@TheFA.com) of their intention to submit a claim. The claim will NOT proceed if this deadline is not met. The evidence upon which the claim is founded (which must include a video and/or DVD recording showing the incident from all available angles), must be submitted by the Player concerned or his Club by 5pm on the fourth working day following the incident. The claim must explain why the case is truly exceptional. The relevant fee is £125.

The fee is only payable in the event that the claim is unsuccessful. The Association may collect the fee in any manner it deems appropriate.

Failure to pay the fee in these circumstances will result in disciplinary action against the claimant.

A claim may be withdrawn at any stage prior to it being heard by a Regulatory Commission without the relevant fee being payable.

- (f) The Claim will be determined based on video and/or DVD and written evidence only. The Match Officials, Club and Player are not entitled to be present or represented at the Regulatory Commission.
- (g) Players and Clubs should note that the time limits set out above are strict. Only complete claims submitted before the relevant deadlines will be considered by The Association.
- (h) Once the claim is lodged with The Association it will confirm that the video and/or DVD shows the incident as reported by the Referee/Assistant Referee and the claim has conformed with the criteria.
- (i) If possible, prior to the commencement of the suspension, but in all cases before the second match that the Player would miss were the standard punishment to apply to the dismissal that is the subject of the claim, a Regulatory Commission will be convened to decide the matter on any relevant documentary and video and/or DVD evidence submitted. The following procedures will be used at a Commission unless the Commission thinks it appropriate to amend them:

The Commission Secretary will produce:

- I.
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements and video and other evidence provided in support of the claim, including details of the Player;
- II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful.
- III. A claim will only be successful under this Regulation where a Claimant satisfies the Commission so that it is sure that –
 - (a) The circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - (b) As a result of the truly exceptional circumstances the standard punishment would be clearly excessive.
- IV. In considering the matters at III above, the Commission shall have regard to:
 - (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;

- (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
- (c) Where applicable, the level of force used;
- (d) Any injury to an opponent caused by the dismissal offence;
- (e) Any other impact on the game in which the dismissal occurred;
- (f) The prevalence of the type of offence in question in football generally;
- (g) The wider interests of football in applying consistent punishments for dismissal offences.
- V. If the Commission's decision is to reject the claim, it will, in every case, go on to consider whether or not the Player's punishment should be increased. If the Commission considers that the rejected claim had no prospect of success and/or amounts to an abuse of process, the Commission shall have the discretion to increase the penalty up to twice the standard punishment set out in this Memorandum.
- In all other cases where a claim is rejected, the Player reported by the Referee shall serve the standard punishment as set out in this Memorandum. In all cases where a claim is rejected the fee shall be forfeited.
- VI. If the Commission's decision is that the claim is successful, the standard punishment set out in the Memorandum is set aside.
- The Commission will then decide on the punishment to be applied to the Player in respect of the dismissal. This shall be in all cases a suspension of at least one match.
- In deciding on such punishment, the Commission shall have regard to:
- (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
- (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
- (c) Where applicable, the level of force used;
- (d) Any injury to an opponent caused by the dismissal offence;
- (e) Any other impact on the game in which the dismissal occurred;
- (f) The prevalence of the type of offence in question in football generally;
- (g) The wider interests of football in applying consistent punishments for dismissal offences.
- The decision shall be conveyed to the Commission Secretary who shall prepare Minutes of the decision of the Commission and communicate the decision to the Club that day. The Club must provide the Commission with contact details. The fee shall be returned to the Club if it has already been paid.
- (j) As a general guide, the following schedule will apply:
- | Match Day | Notice of Claim | Claim Lodged | Commission |
|-------------|-----------------|--------------|------------|
| Fri/Sat/Sun | Monday | Wednesday | Thursday |
- (k) In the event that a Club submits a notification of their intention to claim but fails to complete the claim or withdraws a complete claim prior to it being considered by a Regulatory Commission, and The Association believes that the notification or claim had no prospect of success or amounted to an abuse of process, The Association may issue a charge of misconduct under FA Rule E3.

- (l) The decision of the Regulatory Commission in relation to a claim under this Regulation is final and binding on all parties and is not subject to appeal.

10. DISMISSALS – CLAIMS THAT THE STANDARD PUNISHMENT IS CLEARLY INSUFFICIENT

- (a) All Players dismissed from the Field of Play shall be subject to at least a one match suspension, save only for where a successful claim for wrongful dismissal is brought.
- (b) The Association may seek to increase the disciplinary consequences of the dismissal of a player from the Field of Play, where The Association is satisfied that the standard punishment that would otherwise apply following the dismissal is clearly insufficient.
- (c) Claims may be brought under this Regulation only for on-field offences which have resulted in a sending off under Law 12(1) (serious foul play), Law 12(2) (violent conduct), or Law 12(3) (spitting).
- (d) Where The Association brings such a claim, a Referee's report showing that a Player was dismissed for serious foul play under Law 12(1), violent conduct under Law 12(2), or spitting under Law 12(3) shall be conclusive evidence that the player has breached the relevant Law and shall not be subject to challenge, save for where any such dismissal is subject to a claim for wrongful dismissal.
- (e) The Regulatory Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee and the correctness of the dismissal from the Field of Play shall not be subject to any scrutiny by the Commission, will remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a first team sending off.
- (f) Claims brought under this Regulation must be brought by 6pm on the third working day following the game in which the relevant dismissal occurred. Such a claim must include the evidence upon which the claim is founded (which must include the Referee's report and a video and/or DVD recording showing the incident from all available angles).
- (g) A Player must submit any Reply to the claim, including all evidence in support of that response, by 6pm on the third working day following the issue of the claim. If no Reply is received by The Association, the Commission shall consider the claim as if it had been denied by the Player.
- (h) Claims brought under this Regulation shall be determined based on video and/or DVD and written evidence only. The Match Officials, Club and Player are not entitled to be present or represented at the Regulatory Commission.
- (i) If possible, prior to the commencement of the suspension, but in all cases before the second match that the Player would miss were the standard punishment to apply to the dismissal that is the subject of the claim, a Regulatory Commission will be convened to decide the matter on any relevant documentary and video and/or DVD evidence submitted. The following procedures will be used at a Commission unless the Commission thinks it appropriate to amend them:
- The Commission Secretary will produce:
- I. (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements and video and other evidence provided in support of the claim.
 - (iii) The Reply and all evidence and submissions provided by the Player in response to the claim.

- II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful.
- III. A claim will only be successful under this Regulation where The Association satisfies the Commission so that it is sure that:
- (i) The circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - (ii) The standard punishment would be clearly insufficient.
- IV. In considering the matters at III above, the Commission shall have regard to:
- (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
 - (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - (c) Where applicable, the level of force used;
 - (d) Any injury to an opponent caused by the dismissal offence;
 - (e) Any other impact on the game in which the dismissal occurred;
 - (f) The prevalence of the type of offence in question in football generally;
 - (g) The wider interests of football in applying consistent punishments for dismissal offences.
- V. If the Commission's decision is to reject the claim, it shall deliberate no further on the claim and the Player shall serve the standard punishment.
- VI. If the Commission's decision is that the claim is successful, the standard punishment set out in the Memorandum is set aside.
- The Commission will then decide on the punishment to be applied to the Player in respect of the dismissal.
- In deciding on such punishment, the Commission shall have regard to the matters at 10(i)IV above.
- Any punishment imposed by the Commission shall be limited to a suspension from playing a specified number of matches in addition to the standard punishment ordinarily applicable to the relevant dismissal. The Commission shall not impose any other punishment on the Player.
- The decision shall be conveyed to the Commission Secretary who shall prepare Minutes of the decision of the Commission and communicate the decision to the Club that day. The Club must provide the Commission with contact details.
- (j) As a general guide, the following schedule will apply:
- | Match Day | Notice and Evidence of Claim | Reply | Commission |
|-------------|------------------------------|------------------|-------------------|
| Fri/Sat/Sun | Wednesday | Following Monday | Following Tuesday |
- (k) The decision of the Regulatory Commission in relation to a claim under this Regulation shall be subject to appeal only (i) in the event that the penalty imposed (in addition to the ordinarily applicable standard punishment) is in excess of three matches; (ii) on the single ground that the additional suspension is excessive; and (iii) in respect of that part of the additional suspension in excess of the additional three matches (for example, where a Player is suspended for 8 matches following a dismissal for violent conduct, he may appeal only in respect of the two matches in excess of the three standard and three additional match suspension). Appeals under this Regulation shall proceed pursuant to Schedule C (Standard Directions for Appeals against decisions of Regulatory Commissions).

For a second/third/fourth etc. occasion in the same Season, the Standard Punishment on the Club will be a fine of £1000/£500, £1500/£750, £2000/£1000 etc. All clubs offered

a Standard Punishment may either accept it or request the opportunity to mitigate at a personal hearing before the Regulatory Commission.

Following such mitigation, the Regulatory Commission may impose, decrease or increase the Standard Punishment as it thinks fit.

- (b) Any Club whose Players accumulate a total number of Penalty Points in First Team matches between the start of the Season and 31 December (including any First Team match played on that day) which is 40% or more above the median number of points per game average in the same League, will be required to appear before the Regulatory Commission to explain the Players' conduct.

Following such explanation, the Regulatory Commission may order that a visit be made to the Club by representatives of The Association and/or PGMO or other appropriate body, in order to discuss and/or offer advice on the Club's disciplinary record.

Any Club whose Players accumulate a total number of Penalty Points in First Team matches during the whole Season which is 40% or more above the median number of points per game average in the same League, will be required to appear before the Regulatory Commission to explain the Players' conduct.

If the Club cannot provide a reasonable explanation for such occurrence, the Club will be liable to be warned and/or fined up to £1,000 for the Premier Divisions and £500 for all other Divisions for having permitted its Players to breach, or not having prevented its Players from breaching, the Laws of the Game in contravention of Rule E1(a) of The Association.

Where the Club concerned accumulated a total number of Penalty Points which is between 40% and 50% above the median number of points per game average in the same League, any fine will normally be suspended in whole or in part for a period of one year, unless the Regulatory Commission determines that this is not appropriate, in which case it will be imposed immediately.

Where the Club concerned accumulated a total number of Penalty Points which is more than 50% above the median number of points per game average in the same League, any fine will normally be imposed immediately, unless the Regulatory Commission determines that this is not appropriate, in which case it will be suspended in whole or in part for a period of one year.

In addition, the Regulatory Commission shall be entitled to order the Club to pay the cost of the Hearing to The Association. Any action taken by the Club to discipline its Players under Section 11(l) will be taken into consideration by the Regulatory Commission in its findings.

Any Club required to appear before a Regulatory Commission under this regulation must ensure that its first team manager and one of its Directors or Committee members attend the hearing.

- (c) Proceeds of fines imposed under this section of the Disciplinary Procedures shall be disbursed as decided by The Football Association.

- (d) A Club required to appear before a Regulatory Commission shall be represented by at least one of its Directors and the Manager.

13. ASSAULTS ON MATCH OFFICIALS

Assaults on Match Officials are always regarded by The Association as serious and invariably attract substantial periods of suspension. Where a Match Official has reported an assault against him by a Player or official associated with a club in the FA Premier League, Football League or National League, The Association may use the powers set out at Rule E18 of The Association to impose an interim suspension order.

There are three categories of assault for the purposes of the results: -

- (i) MINOR ASSAULTS - for instance, jostling, holding, pushing
- (ii) ASSAULTS CAUSING BODILY HARM - for instance, more forceful degrees of (i) above
- (iii) SERIOUS ASSAULTS - for instance, where serious harm is caused, such as severe bruising or a broken nose.

14. SUSPENSION PENDING MISCONDUCT HEARING

In addition to the power of a Regulatory Commission to issue a suspension before charge pursuant to Rule E16, The Football Association shall have the power under this regulation to order that a Club Official, Club Employee or Player associated with the National League (North and South Divisions)/Isthmian/Northern Premier/Southern Leagues shall be suspended from all or any specific football activity for such period and on such terms and conditions as The Association considers fit (an "Interim Suspension Order").

An Interim Suspension Order issued under this regulation shall apply when the Club Official, Club Employee or Player has been charged by The Association in relation to an alleged act of serious Misconduct or with a criminal offence or by the League in connection with serious disciplinary action pursuant to relevant Regulations of the Leagues.

As soon as reasonably practicable, notification of an Interim Suspension Order shall be advised to the Club Official, Club Employee or Player and/or the Club and will be lifted when the charge of Misconduct is dealt with by a Regulatory Commission or the criminal charges are withdrawn or found not to be proved.

SECTION E

MEMORANDUM OF PROCEDURES

DISCIPLINARY PROCEDURES CONCERNING FIELD OFFENCES

As set out in the Schedule hereto for Players associated with teams in all divisions of Leagues at Steps 5-7 of The National League system and below, including Youth Football.

These procedures also apply to County FA and League Representative Football.

This Memorandum cites procedures as they apply exclusively to Participants who are acting as Players when reported.

Save for serious or repeated proved misconduct, Participants offending in a capacity other than as Players in a match (at all levels) should not be suspended but be subject to any of a reprimand, a warning as to future conduct, a written undertaking not to repeat, a touch-line ban for a period of time, and a Fine (active or suspended for a given period), together with costs in proved guilty cases.

Subject to paragraph 11.5(h) below concerning Players moving between Clubs, for the purpose of these Procedures any referenced to a player's Club means the Club for which the Player was playing when he was cautioned, dismissed or reported for misconduct.

1. DEFINITIONS

- 1.1 In this Memorandum the words **"the Association"** refer to the appropriate County or other Affiliated Association, and the words **"the Association Secretary"** mean and include any person nominated to discharge a part of the regulatory and disciplinary administration of the Association as well as its actual secretary and Disciplinary Commission means a commission established by the appropriate County or other Affiliated Association.
- 1.2 Wherever gender is referred to in this Memorandum, either shall be inferred, as relevant.
- 1.3 All written communications from a player to the Association secretary must be sent by the secretary of the player's club unless the player is no longer registered with that club.
- 1.4 Every Association must set out in its rules or regulations a copy of these procedures, which are to be followed after a player has been cautioned or dismissed from the Field of Play while playing in a match for a club or a particular team of a club not dealt with by The Football Association.
- 1.5 Wherever "written" or "letter" is referred to in this Memorandum this is deemed to include communication by fax, e-mail or any other form of electronic online communication. Where an Association chooses to communicate by fax or e-mail or other electronic means, it must take all reasonable steps to ensure that the address or fax number used is current.
- 1.6 This Memorandum is effective from 1st July 2006 until further notice.
- 1.7 The term **"suspension"** in this Memorandum means the suspension is from playing football ONLY and any other sanction required for the period of suspension must be specified in the decision letter.
- 1.8 Any reference to cautions and sendings off in this Memorandum refers only to those received playing for teams subject to this Memorandum. Those received playing for teams not subject to this Memorandum will be separate and not added to the total received pursuant to this Memorandum.
- 1.9 The accumulation of cautions and sendings off within this memorandum are further categorised as Steps 5 to 7 Football, Saturday Football, Sunday Football, Midweek Football, Veterans Football and Representative Football.
- 1.10 Financial penalties for misconduct must not be imposed on any player in Youth Football. Where a Standard Punishment or Regulatory Commission decision applicable to a Youth

Football player includes any financial sanction then the player's club is liable for the sum imposed.

- 1.11 Youth Football is defined as any match for a team drawn from the age group of Under 18 and below.

2. TIMING

Disciplinary procedures shall commence no later than 90 days, and the outcome determined no later than 180 days from receipt of the report of alleged misconduct, or otherwise be void, unless dispensation is received from The Association in writing to extend or dispense with either or both of these time limits. If deemed reasonable, any period of delay requested or caused by the Participant will not count towards the 90/180 days. For all cases where an interim suspension order has been imposed or for a matter involving an abandoned match or for playing whilst under a suspension, the County must aim to conclude any proceedings within 28 days. The Association must use due diligence to charge and/or finalise cases within the above periods of time and must conform with the requirements set out in this Memorandum, subject to the effects of the adoption by the Association of any of the alternative and optional powers set out in paragraph 19.

3. ADMINISTRATIVE PROCEDURES – MATCH OFFICIAL REPORTS

An Association may reserve the right not to process a caution if the report is deemed to be invalid for any reason.

4. GENERAL

- 4.1 Without prejudice to the foregoing provisions of this Memorandum, an Association shall have the power to delegate to The Football Association or to another Affiliated Association its powers and duties to investigate and/or adjudicate in cases where it may be advantageous so to do.
- 4.2 If a referee omits to show the appropriate card when taking action against a player, this does not nullify the caution or sending-off offence. However, the attention of the referee should be drawn to the correct procedure.
- 4.3 A Participant consents to abide by the Laws of the Game, the Rules and Regulations of The Football Association or an affiliated Association and to reasonable proportionate disciplinary action when playing the game. The issue of a caution is a decision based on a question of fact on the Field of Play upon which the Referee's decision is final. The recording of the caution and the consequences that follow are both reasonable and proportionate. Cautions, not being the subject of appeal, do not breach the Human Rights Act 1998.
- 4.4 When a player is dealt with by a Disciplinary Commission cases must be dealt with on their merits and a punishment awarded consistent with the overall nature and effect of the offence(s); also the player's record of misconduct over the current and previous five seasons.
- 4.5 Associations will impose split suspension periods where matches have to be carried over to the following season. The last day of the first suspension period shall be the Player's team's last competitive match of the season. The suspension will recommence with that same team's start of the following season. Competitive matches are defined in paragraph 11.3.
- 4.6 It is the duty of the club secretary and the player, by the deadline stated on any notification, to ensure that the Association Secretary receives the completed player reply form with such information that includes: -
- (a) The full name and address of the Player.
 - (b) The Player's date of birth (and other personal identification data requested).

- (c) The name of each club for which the player is currently registered or was registered in the previous two seasons.
- (d) The signature of the Player concerned (where applicable).
- (e) The names of any school, college or other educational establishment currently attended by the Player.

If the Player is not available to sign the pro-forma document, the club should complete and return it indicating the reason for the non-completion together with the administration fee and confirmation as to whether or not the Player has been made aware of the contents. Any suspension order resulting from failure to comply with 4.6 (a)–(e) above shall be on the Club and the individual player, subject to Section 17 below.

- 4.7 Clubs may participate in an FA pilot programme as set out by Council and will be required to abide by the regulations and terms of that programme.
- 4.8 Payment of any fine or costs in respect of disciplinary matters (“Disciplinary Monies”) must be paid in accordance with the terms set out by the Association.

5. REPORTING OFFENCES BY MATCH OFFICIALS

(a) *Caution Offences*

Referees must submit to the relevant Association within two days of the match (Sundays not included) a Report stating the offence. Referee reports for all County Representative football must be sent to the appropriate County Association. All FA County Youth Cup matches will be dealt with by the appropriate County, but a copy of the report must be submitted to The Football Association.

(b) *Sending Off Offences and Extraordinary Incidents*

Referees and Assistant Referees must submit to the relevant Association within two days of the match (Sundays not included) a Report stating the offence(s) and giving a description of the incident(s). Referee reports for all County representative football must be sent to the relevant County Association. All FA County Youth Cup matches will be dealt with by the relevant County Association, with a copy of the report to The Football Association.

6. CAUTION OFFENCES

A Player who has been cautioned in a match, will be notified through his Club by the Association of the offence reported by the Referee. At the same time he will be advised of the total number of cautions recorded during the current season and, any punishment resulting from their accumulation. An administration fee of £10.00 will be charged for the processing of each report. Any such punishment will take effect regardless of whether or not the notification of it from The Association is received before it is due to take effect in accordance with these Disciplinary Procedures.

7. SENDING OFF OFFENCES

A Player who has been sent off in a match under the provisions of Law 12 will be notified through his Club by the Association of the offence reported by the Referee, and at the same time advised that he will be subject to the agreed automatic punishment (see paragraph 11). An administration fee of £10.00 will be charged for the processing of each report.

Any such punishment will take effect regardless of whether or not the notification of it from The Association is received before it is due to take effect in accordance with these Disciplinary Procedures.

8. CLAIMS OF MISTAKEN IDENTITY

In the case of a claim of alleged mistaken identity concerning a player cautioned or sent off in a match, the PLAYERS concerned and the CLUB must within three working days of the match submit in writing to the Association particulars upon which the claim is founded, including the right to claim Wrongful Dismissal. If the Association Secretary, or his nominees, are satisfied that the claim warrants further investigation, a Disciplinary Commission shall be convened and will meet within the 14 days before any automatic penalty is due to take effect. If the members of the appointed Disciplinary Commission are satisfied that mistaken identity has been proved in a case, the record of the offence will be transferred to the appropriate offender, who will be subject to disciplinary action in accordance with the provisions of the current Procedures.

The relevant fee which MUST be included with the evidence is £50 for teams at Steps 5-7 in the National League System. For teams outside of the National League system the fee is £30, which may be retained if the claim is deemed to be unfounded and be used in full or in part to cover any costs incurred by a Disciplinary Commission. In the event of the fee not covering the amount of costs charged, an additional amount may be charged by the Disciplinary Commission.

9. CLAIMS OF WRONGFUL DISMISSAL

In the case of a claim of wrongful dismissal for offences with a penalty imposed under the Laws of the Game of an immediate dismissal (excluding Law S6, the use of offensive or insulting or abusive language/gestures or S7, receiving a second caution in a game), evidence upon which the claim is founded, which must include a video cassette recording/DVD showing the incident, if one is available, must be submitted by the player concerned and his Club, together with the relevant fee and MUST be received by The Association by the close of business of the fourth working day following the match (as below*). An indication by fax or e-mail (discipline@[insert name of county]fa.com e.g discipline@essexfa.com) on the second working day following the game is required to alert the Disciplinary Departments of the Association that a claim is to be submitted.

*** Saturday or Sunday game by Thursday**

Monday	-	Friday
Tuesday	-	Monday
Wednesday	-	Tuesday
Thursday	-	Wednesday
Friday	-	Thursday

(If Bank Holidays fall within the period, the appropriate number of extra days will be made available but the claim must still be heard by the scheduled commencement of the automatic penalty arising from the relevant dismissal.)

Once the claim is lodged with the Association and the claim has conformed with the criteria, the Club will then be advised whether the claim has been accepted or not.

An accepted claim will be placed before a Disciplinary Commission as soon as possible but no later than the eighth working day but in all cases before an automatic penalty is due to take effect. The Club, the player and Match Officials will NOT be invited to attend. The Disciplinary Commission will be dealing with the level of punishment only. The dismissal from the Field of Play will always remain on the record of the Club and the Player and be the subject of the administration fee and the appropriate number of penalty points for a sending off.

The only decisions available to the Members of the Disciplinary Commission are:-

- (i) The punishment will remain with the fee being retained;

- (ii) Only where the Commission is satisfied that the Referee made an obvious error in dismissing the Player, the punishment will be withdrawn, the fee returned and that paragraph 11.5(f) of the procedure will not be invoked if the Player is sent off again following the offence.

The relevant fee is £50 for teams at Steps 5-7 in the National League System. For teams outside of the National League system the fee is £30 and will be retained if the case is deemed to be unfounded and returned if any alterations are made to the offence or punishment.

10. DISMISSALS – CLAIMS THAT THE STANDARD PUNISHMENT IS CLEARLY INSUFFICIENT

- (a) All players dismissed from the Field of Play shall be subject to at least a one match suspension, save only where a successful claim for wrongful dismissal is brought.
- (b) The Affiliated Association may seek to increase the disciplinary consequences of the dismissal of a player from the Field of Play, where the Affiliated Association is satisfied that the standard punishment that would otherwise apply following the dismissal is clearly insufficient.
- (c) Claims may be brought under this Regulation only for on-field offences which have resulted in a sending off under Law 12(1) (serious foul play), Law 12(2) (violent conduct), or Law 12(3) (spitting)
- (d) Where the Affiliated Association brings such a claim a Referee's report showing that a Player was dismissed for serious foul play under Law 12(1), violent conduct under Law 12(2), or spitting under Law 12(3) shall be conclusive evidence that the player breached the relevant Law and shall not be subject to challenge, save for where any such dismissal is subject to a claim for wrongful dismissal
- (e) The Disciplinary Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee and the correctness of the dismissal from the Field of Play shall not be subject to any scrutiny by the Commission, will remain on the record of the club and the player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for the sending off.
- (f) Claims brought under this Regulation shall be determined based on written or oral evidence. The Match Officials, Club and Player are entitled to be present or represented at the Disciplinary Commission if the Player elects for a personal hearing.
- (g) If possible, prior to the commencement of the suspension, but in all cases before the completion of the standard punishment applying to the dismissal that is subject of the claim, a Disciplinary Commission will be convened to decide the matter on any relevant documentary, video and oral evidence submitted. The following procedures will be used at a Commission unless the Commission thinks it appropriate to amend them:
 - I. The Commission Secretary will produce;
 - (i) The Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action.
 - (ii) All statements, video and other evidence provided in support of the claim.
 - (iii) The Reply and all evidence and submissions provided by the Player in response to the claim.

- II. After considering the evidence, the Commission will decide whether the claim should be rejected or successful.
- III. A claim will only be successful under this Regulation where The Association satisfies the Commission so that it is sure that:
 - (i) The circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - (ii) The standard punishment would be clearly insufficient.
- IV. In considering the matters at III above, the Commission shall have regard to:
 - (a) The applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
 - (b) The nature of the dismissal offence, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - (c) Where applicable, the level of force used;
 - (d) Any injury to an opponent caused by the dismissal offence.
 - (e) Any other impact on the game in which the dismissal occurred.
 - (f) The prevalence of the type of offence in question in football generally.
 - (g) The wider interests of football in applying consistent punishment for dismissal offences.
- V. If the Commission's decision is to reject the claim, it shall deliberate no further on the claim and the player shall serve the standard punishment.
- VI. If the Commission's decision is that the claim is successful, the commission will then decide on the additional punishment to be applied to the Player in respect of the dismissal. In deciding on such punishment, the Commission shall have regard to the matters at 10(g) IV above.
 - (h) The decision of the Disciplinary Commission in relation to a claim under this regulation shall be subject to appeal only
 - (i) in the event that the penalty imposed (in addition to the ordinarily applicable standard punishment) is in excess of three matches; (ii) on the single ground that the additional suspension is excessive; and (iii) in respect of that part of the additional suspension in excess of the additional three matches (for example, where the Player is suspended for eight matches following a dismissal for violent conduct, he may appeal only in respect of the two matches in excess of the three standard and three additional match suspension). Appeals under this Regulation shall proceed subject to the Regulations for Football Association Appeals.

11. PUNISHMENTS

- A. FRIENDLY MATCHES (any Match sanctioned or regarded by The Football Association or other sanctioning Association as a Friendly Match)

- (a) CAUTIONS ADMINISTERED ON THE FIELD OF PLAY

The Association shall not impose any sanction in respect of cautions administered during Friendly Matches. Where sanctions are imposed in respect of cautions on Participants with their agreement (e.g. as part of tournament rules), any such sanction may only apply

to Friendly Matches and shall not apply to the accumulation of cautions for continuing misconduct under paragraph 11.4 of this Memorandum.

(b) PLAYERS SENT OFF UNDER LAW 12

A player dismissed from the Field of Play will be suspended automatically from Friendly Matches until such time as his Club has completed its next Friendly Match, as decided by the relevant County Football Association.

(c) RULE E1 OF THE ASSOCIATION

A charge of Misconduct pursuant to Rule E1 of the Rules of The Association may be brought against a Player in relation to any incident arising in a Friendly Match notwithstanding that the same incident has been dealt with pursuant to this Memorandum. A Disciplinary Commission considering a charge under Rule E1 in such circumstances shall have regard to any punishment imposed under this Memorandum, and any suspension imposed will be from playing all football.

B. COMPETITIVE MATCHES

11.1 Any period of suspension automatically imposed for a dismissal from the field of play will commence 14 days from the date of the offence irrespective of whether paperwork has been received from the relevant Association. The suspension will be complete once the Player's team has completed the appropriate number of matches, in approved competitions, according to the suspension as defined below under 11.3. In respect to County FA and League Representative football, any suspensions will be from Representative football only and not any other level of football unless a Disciplinary Commission has specified that the suspension is to be from all football.

11.2 Any period of suspension automatically imposed as a result of cautions under 11.4 will commence 14 days from the date of the last offence irrespective of whether paperwork has been received from the relevant Association. The suspension will be complete once the Player's team has completed the appropriate number of matches, in approved competitions, according to the suspension as defined below under 11.3.

11.3 The matches that can be used to clear a Player of suspension are those to be played in a domestic competition organised by The Football Association (including The FA Challenge Cup, and The FA Vase and FA Sunday Cup), the League in which the Team play (including their League Cup(s)) and the Team's County Cup Competitions. In addition, any Competition in which a Club participates may also be considered providing that such a Competition has been designated as a qualifying competition by the sanctioning authority prior to the commencement of the season.

During periods of automatic suspension, the Player is suspended from playing only for the day type category that the Player's team usually plays in (including friendly matches and other Cup Competitions). If the suspension is for a Saturday team, the suspension is from all Saturday team football (including midweek fixtures) only and if for a Sunday team, for all Sunday team football only (including midweek fixtures). If an automatic suspension arises from a send-off, or as a result of cautions accumulated under 11.4, a player will remain eligible to play in matches that cannot be used to clear a player's suspension outlined above. If the suspension is as a result of a misconduct charge, during the whole period of suspension the Player is suspended from playing all football (including friendly matches and other Cup Competitions). The categories of football affected by this regulation are Saturday, Sunday, Midweek, Veterans and Representative football. This will be deemed to be a suspension from playing only, unless specified otherwise by a Disciplinary Commission.

In exceptional cases where an application has been made to the County FA by the participant that the suspension from all football is considered as being disproportionately harsh due to the period taken to serve the suspension in relation to the other categories of

football, the matter may be reviewed only by The Football Association and may then be amended to a category type suspension, at the Football Association's discretion.

Where a Player has to serve more than one suspension at the same time the following criteria will apply:

- (i) Any suspensions awarded under the provisions of these procedures and due to commence on the same date will result in the total number of matches involved running consecutively.
- (ii) Any suspensions that overlap, in that the next one starts before the previous one ends will also run consecutively as above.
- (iii) Matches cannot be used more than once to cover two or more suspensions.
- (iv) Any suspension imposed under the provisions of these procedures that is or will be affected by a period based suspension will automatically commence 14 days from the date of the offence. The matches to be used in relation to this suspension may be before and/or after the period based suspension. The two suspensions cannot run concurrently.

11.4 Cautions Administered On The Field Of Play

- (a)
 - (i) If a Player accumulates five cautions within the same category of football, but receives the 5th caution between the opening day of the Playing Season and the 31st December in the same Season, he will be suspended automatically for a period covering **One match plus a fine of £15**.

This two match suspension will automatically apply in such cases, instead of the one match automatic suspension which would otherwise apply to a player who is sent off for receiving two cautions in the same match.

(f) ADDITIONAL SENDINGS OFF.

Players dismissed from the Field of Play for a second time in the same Season, in addition to the automatic suspension applicable to the offence, will be suspended for one extra match. A Disciplinary Commission, when dealing with a Claim of Wrongful Dismissal (paragraph 9) has the power not to invoke a further one match suspension if it so desires.

- (a) Until the Player moves, the suspension shall be served by reference to matches completed by the Team that the Player moves from;

For the purposes of this section, Clubs compete at four different levels. Each level is comprised as follows –

14. ABANDONED MATCHES

When a referee's report indicates that a match has been abandoned due to misconduct of either team, The Football Association or appropriate Affiliated Association shall without delay investigate the official's report. If after such investigation, the chairman and secretary of the Association, or their nominees, are satisfied that a prima facie case can be made out against the Club/participants, such steps shall be taken as are necessary to ensure that a charge is preferred and that a Disciplinary Commission meets to consider the charge within 28 days of the date of the charge letter.

15. THREATENING OR PHYSICAL OFFENCES AGAINST MATCH OFFICIALS

The following Regulations shall apply at all levels of the game (excluding the 6 designated Leagues):

- 15.1 In addition to assisting a match official who has reported an offence against him, The Football Association or appropriate Association shall without delay investigate the

match official's report and if, after such investigation, the chairman and secretary of the Association or their nominees are satisfied that a prima facie case can be made out against the alleged offender where there has been physical contact, attempted physical contact or an Assault on the referee they shall immediately suspend the alleged offender from all football activities until a Disciplinary Commission has adjudicated on the matter.

They will take such steps to notify him of the suspension, ensure that a charge is preferred and that a Disciplinary Commission meets to consider the charge within 28 days of (the date of) the interim suspension.

15.2 There are three categories of offence:

- (a) Threatening Behaviour: words or actions that cause the official to believe that he/she is being threatened.
- (b) Physical Contact or Attempted Physical Contact: e.g. participant pushes the referee, pulls the referee (or his clothing/equipment), barges, or kicks the ball at the official causing no injury and/or attempts to make physical contact with the official e.g. attempts to strike, kick, butt, barge or kick the ball at the official
- (c) Assault: participant acts in a manner which results in an injury to the official. This category includes spitting at the official whether it connects or not.

15.3 Should the participant accept the charge, the match officials will not be required to attend a Disciplinary Commission. Should the charge be denied, the appropriate match official(s) may be required to attend the Commission.

15.4 All offences against match officials in the above three categories will be monitored by The Football Association. The Football Association may request an explanation for any variation of the recommended punishments set out in 14.5 below. (If a match official who has reported a participant for an offence against him makes a written request for notification of the decision and punishment awarded such must be made available to him at the earliest opportunity).

15.5 Recommended punishments for a person found guilty of an offence against a match official are as follows:

16. ASSAULTS BY PARTICIPANTS ON OTHER PARTICIPANTS

16.1 When a referee's report indicates that a Participant has perpetrated an assault on another Participant causing serious bodily harm before, during or after a match, The Football Association or appropriate Affiliated Association may, as in cases of assaults on match officials, without delay investigate the official's report. If after such investigation, the chairman and secretary of the Association, or their nominees, are satisfied that a prima facie case can be made out against the alleged offender, such steps shall be taken as are

necessary to ensure that a charge is preferred and that a Disciplinary Commission meets to consider the charge within 28 days of the date of the charge letter. The alleged offender shall not participate in any football activity from the date when he is notified of the charge until a Disciplinary Commission has heard and adjudicated on the matter.

- 16.2 The recommended punishments for such offences are set out below: -

<i>Offender</i>		
(a)	Player	A suspension for a minimum of 140 days plus £150 fine for a first offence but, depending on severity, <i>sine die</i> with no review for five years.
(b)	Club Official	As for (a) above but: <ul style="list-style-type: none"> (i) If on a Player or other Official but not a Match Official; suspension from all football and football activities (ii) If on a Match Official – section 10 above will apply.
(c)	Match Official	As for Match Officials assaulted by a Player. But a recommendation will be made to the relevant Referees' Committee that the registration be removed and no request for reinstatement will be allowed until the suspension has been completed or removed.

17. FAILURE TO COMPLY

- 17.1 When the provisions above are not complied with, the Player's right to a Personal Hearing or to make a plea in mitigation is forfeited and the Disciplinary Commission may deal with the reported misconduct on such evidence as is available.

- 17.2 Failure on the part of the Player or his Club Secretary to discharge any of the requirements set out in this Memorandum may constitute misconduct, which may result in a further charge against the Player, his Club, or both. (In any case, save for replies to Misconduct Charges, a late fine, currently £20, will be levied in addition to the original charge and a further seven days given to respond to the charge. Failure to respond within the seven days will result in the Team and Player being suspended from all football activities from the following Monday until the provisions above have been complied with).

The Club Secretary must make the Player aware of the applicable Standard Punishment where an automatic sanction applies. The Club Secretary must sign and return the reply form to the appropriate Affiliated Association by the response date. By signing the form the Club Secretary is confirming that he has made the Player so aware.

Where an individual has been charged with Misconduct both the Club Secretary and the individual will be required to sign and return the form to the appropriate Association.

- 17.3 When dealing with compliance issues the Association must consider the following:-
- (a) whether the Player has responded to his Club;
 - (b) whether the Club has failed to pass on his reply;
 - (c) whether the Club has informed the Association that the Player has failed to respond;
 - (d) whether the Player has left the Club.

18. SUSPENSION PENDING MISCONDUCT HEARING

- 18.1 The appropriate Affiliated Association shall have the power, in consultation with The Football Association to order that an Official of a Club affiliated to or a Player registered with that Association, and not one associated with the 6 designated Leagues, shall be suspended from all or any specific activity for such period and on such terms and conditions

as agreed by The Football Association and the Association considers appropriate (an "Interim Suspension Order").

- 18.2 The Interim Suspension Order shall apply when the Club Official or Player has been charged by the Affiliated Association in relation to an alleged act of serious misconduct, or with a criminal offence, or by a League sanctioned by the Affiliated Association or the Football Association in connection with disciplinary action pursuant to relevant regulations of the League.
- 18.3 As soon as reasonably practicable notification of an Interim Suspension Order shall be advised to the Player and/or the Club and will be lifted when the charge of misconduct is dealt with by a Disciplinary Commission or the criminal charges are withdrawn or found not to have been proved.

19. PERSONAL HEARING

(See also: General Provisions relating to Inquiries, Commissions of Inquiry, Regulatory Commissions of The Association, Other Disciplinary Commissions and Appeal Boards; and Disciplinary Procedures to be used at Personal Hearings before Commissions requested by Participants of Clubs and Clubs dealt with by County and Other Affiliated Associations).

- 19.1 The notification indicating a misconduct charge must inform the player of the right to request a Personal Hearing in respect of the alleged offence and must also indicate that in the event of the charge being proved there will be a liability to be ordered to pay all or part of the costs of the Personal Hearing, which costs may include a part of the overhead expenses of the Association attributable to the hearing. Similarly, in cases where the rules or regulations of the Association require the deposit of a fee for a Personal Hearing, (as determined by the Council - currently £50 for Participants in the National League System and £30 for Participants outside of the National League System), at the time of such request the player must be informed that the fee is liable to be forfeited in full or in part if the charge is proved, in addition to any fine which may be imposed. In an unproved case neither a fee may be retained, nor may Disciplinary Commission costs be levied, either for a Personal Hearing or for any other "non-Personal Hearing" case. (Disciplinary Commission costs cannot be levied in cases where a Player has been instructed to appear before a Disciplinary Commission).
- 19.2 Upon receiving a request for a Personal Hearing in respect of an alleged offence, the Association will appoint a Disciplinary Commission of not less than three nor more than five members to hear and adjudicate upon the charge. In the case of a player under the age of 18 years of age on the date fixed for the hearing, it shall take place either in the presence of a parent or guardian of the player or another appropriate adult.
- 19.3 Fines must not be imposed on children in youth football [Section 1.5(b)]. Any fine and administration charges arising out of misconduct by a child must be levied on the club.
- 19.4 The Player, through his Club Secretary, must be given the date, time and venue fixed for the Personal Hearing and arrangements made for the attendance before the Disciplinary Commission of any witnesses in support of the charge, in particular the match official(s) on whose report the charge has been brought. At a Personal Hearing of a charge a Disciplinary Commission may adopt such procedures as it considers appropriate and expedient for the just determination of the charge brought before it. A Disciplinary Commission shall not be bound by any enactment or rule of law relating to the admissibility of evidence in proceedings before a court of law.
- 19.5 The person charged and the Match Official(s) concerned should be given a minimum 14 days' notice of details of the Personal Hearing. Any written request to the Commission for a postponement of the hearing should be given consideration.

If the reason submitted is considered valid, then a postponement should be granted, and in such circumstances costs may be charged. A request for a second postponement by the same party should not be granted.

- 19.6 If the charge is found not proved, any record of it will be expunged. If the charge is found proved the Disciplinary Commission will decide what punishment, if any, is to be imposed. In so doing, members of the Disciplinary Commission must consider the overall nature and effect of the offence(s) and the Player's previous record and any plea for leniency. If charging costs the Personal Hearing fee must be taken into account.
- 19.7 Except when an Appeal has been lodged, any fines or costs that are ordered must be paid before the expiry of 14 days from the date of the order. Failure to pay within such period is deemed to be misconduct punishable by censure, a further late fine and/or suspension as determined by a Disciplinary Commission. This second Disciplinary Commission shall have the power to consider the matter on 48 hours notice and the power to suspend for continuing non-payment. (In any case, a late fine, currently £20, will be levied in addition to the original charge and a further seven days given to respond to the charge. Failure to respond, the Team and Player being suspended until the provisions above have been complied with.) The Player and his Club are jointly and severally responsible for payment of the fine and costs. The Club shall take such action as may be necessary to recover any sum paid on the Player's behalf. The rules or regulations of an Association must provide for disciplinary action to be taken against a Player who fails to reimburse his Club in accordance with the Football Debt Recovery (Section 20) regulations approved by Council.
- 19.8 A Disciplinary Commission shall comprise members appointed by the Association. The appointed members of such Disciplinary Commissions shall have no previous personal knowledge of the events or any involvement with any of the participants concerned.
- 19.9 Participants shall have the right to appeal decisions of Disciplinary Commissions to an Appeal Board of The Football Association where the sanction imposed is in excess of 2 matches and/or a £25 fine. The Player and/or the Club for which the Player was playing at the time may appeal within 14 days of the sending of the decision notification. The FA shall also have the right to appeal decisions of Disciplinary Commissions to an Appeal Board of The Football Association. There shall be no further right of challenge in respect of decisions of Disciplinary Commissions, which are otherwise final and binding.
- 19.10 The decision of the Association will be sent by first-class post or by e-mail to the Secretaries of all clubs for whom the Player is known to be currently playing and to the Player's home address if known. Each of these secretaries is responsible for informing the Player of the decision.
- 19.11 The commencement date of any suspension imposed on a Player is at the discretion of the adjudicating Disciplinary Commission, subject to the suspension starting on a Monday. Such date must allow for the 14-day period permitted for an appeal.
- 19.12 Referees and Assistant Referees may be told the result of a hearing on the next working day, should they request to be told, subject to the participant being aware of the decision.

20 FURTHER DISCIPLINARY ACTION

 - (b) May have its affiliation suspended or cancelled
- 20.2
- (a) Any other power approved in writing by The Football Association
 - (b) Any optional or alternative power granted to an Affiliated Association in accordance with Section 2(a) shall continue from year to year until such time as the approval is withdrawn. Such approval may be withdrawn by notice in writing from The Football Association given before 30th April, in any year.

FOOTBALL DEBT RECOVERY

This memorandum is applicable to Participants at Steps 2 and below only.

Limited to £50 minimum total claim, except for the recovery of Disciplinary Monies.

- 1 Associations are required to operate a system to collect football debts on behalf of Affiliated Clubs, Affiliated Leagues and Other Associations. Associations cannot use their football debt recovery system in respect of under 18 players of teams participating in under 18 competitions, but may do so in respect of any adult Club Official of any such team's Club.
- 2 Save for disciplinary fines and costs, football debts are defined as those costs where actual monies have been expended arising directly from football activity, and as such would include (but not be limited to), match costs (e.g. Match Fees), playing expenses (e.g. pitch hire) and League costs (repair to Cups, etc). Incidental costs (e.g. fund raising activities, Club Subscriptions) do not fall within the scope of Football Debt Recovery. League fines do not fall within the scope of Football Debt Recovery where a Club remains in membership of the League to which they owe money, or disbands without having played a competitive fixture in that League in the season that any fine accrues.
- 3 Associations may take action against individuals or groups of individuals. Individuals may be pursued where they are refusing to reimburse an individual club for a qualifying debt. Where a Club has folded its qualifying debts may be apportioned against its registered members and officers, and action taken against them individually to recover the club's debt.
- 4 Where a Club's debts are apportioned to individuals they must then be treated as individuals, and any disciplinary action must not be linked to the recovery of the total debt.
- 5 It is incumbent on the creditor to take reasonable steps to recover the debt before asking their parent Association to take action. This would normally include approaching the debtor personally as well as contacting them in writing to seek payment.
- 6 The Parent Association should be approached as soon as it is clear there is a problem. In all cases this should be within 28 days of formal payment being requested, and 112 days of the debt being incurred.
- 7 The Creditor, on presenting a claim for recovery, must pay on advance an administration fee of £25 per debt to be recovered. This figure is added to the total debt to be recovered and forms part of the £50 minimum limit. In addition, the creditor must supply the Full Name, Date of Birth and last known address of the individuals responsible for the debt. The County Football Association must not place a participant under suspension under the Football Debt Recovery scheme without this information.
- 8 Upon receipt the Association must immediately take steps to verify whether the debt is valid and notify the creditor and debtor of its decision.
- 9 Upon being satisfied that a Qualifying debt exists the Association must apportion the debt on a pro-rata basis and notify the individual or individuals concerned. The Association may add an additional Administration Fee of £1 to each individual's pro-rata debt.
- 10 Upon being notified, an individual must pay the debt within 21 days of the issue of the notification letter or appeal in accordance with the appeal procedures. If payment or appeal is not received the individual will be suspended sine die until the debt is paid and he/she is notified that the suspension has been lifted. This suspension will commence from (and include) the 22nd day after the date the notification was issued.

THE DISCIPLINARY PROCEDURES TO BE USED AT PERSONAL HEARINGS BEFORE DISCIPLINARY COMMISSIONS REQUESTED BY PARTICIPANTS OF CLUBS AND CLUBS DEALT WITH BY COUNTY AND OTHER AFFILIATED ASSOCIATIONS.

PERSONAL HEARINGS BEFORE A DISCIPLINARY COMMISSION

- A. Subject to the Rules of The Football Association, a Disciplinary Commission may adopt such procedures at a Personal Hearing of a Charge as it considers appropriate and expedient for the just determination of the Charge brought before it.
- B. A Disciplinary Commission shall not be bound by any enactment or Rule of Law relating to the admissibility of evidence in proceedings before a Court of Law.
- C. A Disciplinary Commission must be chaired by a Chairman that has completed The FA Chairman training and passed the online assessment within the previous 2 years.
- D. A Commission Secretary must attend all Disciplinary Commissions. Neither the Commission Chairman nor any of the Commission Members may act as Commission Secretary.
- E. The Commission Secretary must have completed The FA Secretary training and passed the online assessment within the previous 2 years (this requirement shall become effective from the 2017/18 Season).
- F. A Disciplinary Commission may appoint members from outside of the Affiliated Association Council. Members of the County Local Football Association Anti-Discrimination Panel are eligible for all Commission appointments and are co-opted members to the County Disciplinary Committee.
- G. For all Personal Hearings all case papers must be distributed to the Participant and the Commission Members at least 3 days prior to the hearing.

Attendance of Children at Personal Hearings

CHILDREN

- H. A child aged 13 or under must not appear at a Disciplinary Commission as either a witness or the person charged. An alternative method should be adopted which could include:
 - A meeting - bring the parties together to talk through the issues.
 - County Football Association (CFA) Welfare Officer (CFA WO) to talk to the child to warn them about their behaviour. A parent/carer should be present at any meeting.
 - CFA WO to obtain written statement from child and Disciplinary Commission to then proceed on paper basis only – the CFA WO may need to write the statement in conjunction with the child and parent/carer.
 - Private meeting between child and CFA WO to establish child's version of events, CFA WO to report verbally to disciplinary commission. The CFA WO should make a contemporaneous note of the meeting and a parent/carer should be present throughout.
- I. A child between the ages of 14 and 16 years inclusive can attend a disciplinary commission provided that:
 - he / she understands it is his / her duty to speak the truth.
 - his / her evidence is sufficiently important to justify it being heard.
 - the appropriate procedures relating to minors are adopted. The child must be accompanied by a parent/carer.
- J. When dealing with a Disciplinary Commission involving those aged 16 and 17 years in Adult Football, best practice would be to follow the guidance established for adults, except in cases where the individual has learning development needs. Those with learning development needs should be treated in a manner consistent with their mental capacity.

If the suggestion is that the participant has the cognitive reasoning of a child of a particular age, follow that guidance.

- Where a child is aged 17, consent of the parent should be sought for the child to attend the Disciplinary Commission where possible / appropriate. A 17 year old is still a child and if they choose to have adult representation this should be allowed.

K. Young people as witnesses

- i. Evidence should only be received from young people (accompanied by a responsible adult) in front of the Commission Members, Commission Secretary, Participant Charged and his/her representative.
- ii. All other occupants present at a hearing must remove themselves from the hearing whilst a young person is giving evidence.
- iii. The asking of questions will be restricted to the Chairman only.
- iv. At the end of the questioning the representative or Participant Charged will be asked whether there are any other questions that they believe should be asked of the witness.
- v. If required additional questions may be put to the witness but again by the Chairman only.
- vi. Once all the questioning has been completed the young person will then leave the Commission room and will not be required to remain for the remainder of the hearing.

1. A person must be appointed to The Disciplinary Commission to act as its Secretary, whose duty shall be to call the evidence to be submitted in support of the Charge and generally assist the Disciplinary Commission in its determination of the Charge.
2. A participant may be represented by one individual. (For instance, a player may be represented by a Club Official of a Club with which he/she is associated or by a representative of the Professional Footballers' Association, and a Referee may be represented by a representative of the Referees Association except when he/she is acting as a witness.) A participant appearing before a Disciplinary Commission may be legally represented. Notification of legal representation must be made with at least 7 days notice. An individual acting as representative for a participant shall not be allowed to give evidence at a Disciplinary Commission.
3. The person charged and any representative shall be admitted to the hearing. The Disciplinary Commission shall satisfy itself that the person charged has had details of the Charge.
4. Evidence (including witness evidence) in support of the Charge shall be received by the Disciplinary Commission. In cases concerning a report from a Match Official, that report shall be received in evidence first. This report may have been submitted by email or through a web-site, in accordance with accepted FA procedures.
5. The person charged or his/her representative shall have the right to ask questions relevant to the matters in issue of any witness in support of the Charge.
6. After evidence in support of the Charge has been received by the Disciplinary Commission, any written statement made by the person charged shall be considered by the Disciplinary Commission.

The person charged may then give evidence on his/her own behalf and in such event he/she may have questions asked of him/her by the Disciplinary Commission. The person charged or his/her representative may then submit evidence and call witnesses.
7. At any time the Chairman and members of the Disciplinary Commission, may ask questions of any witness or any representative. The Disciplinary Commission may draw

- such inferences as it considers appropriate from the failure of the person charged to give evidence or answer a question put to him/her.
8. In the event of the evidence submitted in answer to the Charge disclosing a point which the Disciplinary Commission considers was not covered in the evidence of, or not put to, any witness in support of the Charge, the Commission may recall any witness and ask questions of such witness. The person charged or his/her representative may also ask questions as at 5 above.
 9. The evidence having been completed to the satisfaction of the Disciplinary Commission, the person charged or his/her representative shall be entitled to make closing submissions based upon the evidence, but this may not include reference to facts not disclosed in the evidence presented to the Disciplinary Commission.
 10. At the conclusion of the closing submissions, all persons shall withdraw whilst the Disciplinary Commission considers the evidence and submissions presented to it and determines whether the Charge has been proved or not. After reaching its decision, the Disciplinary Commission shall recall the person charged and his/her representative. The Secretary shall announce whether the Charge has been found proved or not proved.
 11. If the Charge is found not proved the hearing will be declared closed.
 12. If the Charge is found proved details of the Misconduct (as defined in and pursuant to the Rules of The Football Association) record of the person charged shall be received by the Disciplinary Commission. The person charged, or his/her representative, may then make a plea in mitigation.
 13. At the conclusion of the plea in mitigation the person charged and his/her representative shall again withdraw and the Disciplinary Commission shall determine what order or orders, if any, shall be made under the provisions of Regulation 6.1 of the Regulations for Football Association Disciplinary Action.
 14. The person charged and his/her representative shall then be re-admitted and informed of the decision of the Disciplinary Commission by the Secretary. This shall subsequently be confirmed in writing. (In cases of an Assault on a Match Referee, the findings of the Disciplinary Commission will be sent to the Match Official if requested by the Match Official, in writing).
 15. As an alternative to the above, a Disciplinary Commission may, where it considers it appropriate, not announce its decision at the meeting but inform the person charged that such decision will be communicated to him/her in writing through his/her Club Secretary.

BOARD HEARINGS

The Appeal Board will be conducted in accordance with the General Provisions Relating to Appeal Boards and the Regulations for Football Association Appeals.

- 5 It shall be a breach of this Regulation where any Participant is found by a court, tribunal or arbitral body to be in breach of a rule, regulation or code, or equivalent, of any sport other than association football, concerning or related to any involvement in the following –

GUIDANCE NOTE ON SAFEGUARDING CHILDREN IN THE DISCIPLINARY PROCESS

This paper has been approved by The FA's Football Regulatory Authority. Enquiries or clarification with regards to this guidance note should be directed to the Football Regulation Department in the first instance.

It forms part of a wider paper - Guidance Note on Managing Young People with Impairments such as ADHD and Tourette Syndrome in the Disciplinary System, amended January 2009.

The football authorities must seek to ensure that, consistent with their policy of Safeguarding Children, they do not put in place case management and disciplinary systems that of themselves cause harm to the very children that are intended to be safeguarded. The same principles apply to County and national associations, although it is obvious that the vast majority of Under 18s football will come under County jurisdiction. Remember they are children first, participants second.

ISSUES

- Difficulties in children giving evidence, as recognised by the Criminal and Civil courts – the process is intrinsically upsetting for many adults and children will be less likely to be emotionally equipped to cope.
- Seldom in child's best interests to be directly involved in disciplinary commissions.
- Child's evidence can often be necessary for proper determination of proceedings.
- Cross examination can be damaging to child.

CHILDREN UNDER THE AGE OF 14

A child aged 13 or under should not appear at a disciplinary commission. An alternative method should be adopted which could include:

- A meeting - bring the parties together to talk through the issues.
- County Football Association (CFA) Welfare Officer (CFA WO) to talk to the child to warn them about their behaviour. A parent/carer should be present at any meeting.
- CFA WO to obtain written statement from child and disciplinary commission to then proceed on paper basis only – the CFA WO may need to write the statement in conjunction with the child and parent/carer.
- Private meeting between child and CFA WO to establish child's version of events, CFA WO to report verbally to disciplinary commission. A parent/carer should be present throughout the meeting.

CHILDREN AGED 14 THROUGH 16 YEARS

A child between the ages of 14 and 16 years inclusive can attend a disciplinary commission provided that:

- he / she understands it is his / her duty to speak the truth.
- his / her evidence is sufficiently important to justify it being heard.
- the appropriate procedures relating to minors are adopted. The child must be accompanied by a parent/carer.

CHILDREN AGED 17 YEARS

- Best practice when dealing with a disciplinary commission involving those aged 17 years would be to follow the guidance established for adults, except in cases where the individual has special needs. Special needs should be treated in a manner consistent with their mental capacity. If the suggestion is that the participant has the cognitive reasoning of a child of a particular age, follow that guidance.

- Where a child is aged 17, consent of the parent should be obtained for the child to attend the disciplinary commission where possible / appropriate.
- By law a 17 year old is still a child and if they choose to have adult representation this should be allowed.

COMMUNICATION GUIDANCE FOR CFAS

- The CFA Disciplinary/Governance staff and the CFA WO should always liaise with regards to cases involving minors. This should include meeting to agree procedures to be adopted on how the case should be heard.
- County Secretary/Chief Executive Officer should be kept up to date.

GENERAL BEST PRACTICE PRINCIPLES AT DISCIPLINARY COMMISSION INVOLVING CHILDREN AGED 14 - 16 YEARS INCLUSIVE

Overriding principles are that the process of appearing in a disciplinary commission should not expose a child to intimidation, distress, a late disciplinary commission or long travelling times during the school week. All possible steps should be taken to assist the child to understand and participate in the proceedings.

PREPARATION FOR A DISCIPLINARY COMMISSION

- Consent of the parent/carer will always be required.
- He/she should be accompanied at the disciplinary commission by an appropriate adult who could be a parent, carer, grandparent, social /care worker or Club official properly in loco parentis. This could be a friend of the family, Club Welfare Officer etc.
- The disciplinary commission should be at a location and time that is convenient to the child.
- Restrict attendance at the disciplinary commission to as small a number of people as possible. This should be restricted to those who need to be present or have the right to be present only.
- Before the disciplinary commission, it may be appropriate to allow the child or young person to visit the room so that they can familiarise themselves with the layout.
- Make sure the young person is aware of the format and process they are about to be engaged in.
- CFA WO should be available at the disciplinary commission to advise/support the child or the disciplinary commission members. They can not support both the child and the commission and their role must be limited to one of them. It must be clear which function they are fulfilling at the disciplinary commission.
- Physical layout of room can affect the proceedings and play a role in the effective engagement with the child – you could arrange chairs in two semi circles facing inward, avoid sitting behind tables.

- The members of the disciplinary commission should sit at the same level as other parties to encourage eye contact.
- Provision should be made for parents/carers to be able to sit next to their children.
- If the child is legally represented, they should be seated in a place that allows easy communication with their representative.

THE DISCIPLINARY COMMISSION

- At the beginning of the case, disciplinary commission members should introduce themselves and those present in the room.
- The Chair should briefly explain the role of each person.
- Address child by first name.
- Be aware of the impact body language can have e.g.
 - folded arms and peering over spectacles = negative
 - occasional nod / leaning forward = positive
- Remain seated throughout proceedings.
- If the disciplinary commission is lengthy, regular breaks should be taken.
- Proceedings should be inquisitorial rather than adversarial.
- Closed questions (those that allow a yes or no answer) and legal jargon should be avoided.
- Rephrase a question to simplify it, if the young person is finding it difficult to answer.
- Questions should be in plain English and at a level the child or young person can understand taking into account their age, maturity and intellectual and emotional development.
- Disciplinary commission members should consider what information they are trying to obtain and how it is relevant to the case.
- The nature and extent of the questioning of any witness is under the control of the Chair.
- The Chair can and should intervene to prevent the child being questioned in a hostile way.
- The Chair should ensure that questions are short, simple and phrased in a language that the child can understand.
- The Chair should also ensure that anyone else present in the room conducts themselves appropriately.
- If a parent/carer has accompanied the child to the disciplinary commission, the Chair should make clear that the parent is there in a supporting role only and should not conduct the proceedings on behalf of the child.
- If the case is proven someone should talk directly to the child, encouraging him / her to confront their behaviour, taking responsibility for it and its consequences. As this is a sensitive area it is recommended that someone with the appropriate training should undertake this e.g. the CFA WO.

THE FOOTBALL ASSOCIATION DISCIPLINE PROCESS FOR SMALL-SIDED FOOTBALL

Introduction

Implementing an effective disciplinary process is an important factor for all formats of football, helping to establish a quality, organised, safe and enjoyable football experience for all players and officials. The issue of discipline is of equal importance in Small Sided Football as it is in the 11v11 football, and subsequently should be shown proper attention and regard by Small Sided Football providers when organising their competitions; particularly if the competitions wish to be appropriately sanctioned and affiliated to The Football Association.

The FA have developed this disciplinary process to accommodate the varied and different needs of Small Sided Football. The FA recognise that applying the same disciplinary processes to Small Sided Football as it does in 11v11 football does not satisfactorily meet the differing demands of this version of the game. However, this does not mean that The FA takes ill-discipline in Small Sided Football any less seriously.

It is important to note for all Small Sided Football providers, that failure or disregard in establishing and effectively implementing these FA disciplinary processes can and will lead to The FA removing affiliation and classifying providers competitions as being unsanctioned by The FA.

For all Small Sided Football providers that affiliate to The FA nationally it is a condition of affiliation to agree to abide by the 'Heads of Agreement' that clearly state that the provider will manage disciplinary issues in accordance with The FA disciplinary process.

It is recommended that County FAs that affiliate local Small Sided Football providers establish similar agreements.

The implementation of this disciplinary process will help create a safer and more enjoyable football environment for Small Sided Football players and officials, but also importantly for the providers it can assist in retaining participants playing in their competitions.

1. Discipline Ownership & Control

All issues of discipline that occur at an FA affiliated Small Sided Football provider fall under the jurisdiction of the local County FA.

The ability for Small Sided Football providers to manage discipline in their competitions for incidents outlined in Table 1 below have been delegated to the provider by the local County FA.

It is at the discretion of The FA to remove this delegated responsibility from a Small Sided Football provider if the provider is unable to demonstrate competence in handling and managing disciplinary issues. In such cases the responsibility for all discipline in that competition will be returned to the local County FA.

2. Affiliation & Provision of Team Information

When affiliating competitions and slots to The FA or County FAs, all Small Sided Football providers must provide the following information for all teams playing in their competitions to ensure that disciplinary cases can be managed appropriately:

- Team Name
- Team Captain/Manager contact details (name, address, email or telephone number)

The Small Sided Football provider must also ensure that The FA or County FA is updated with accurate team information throughout the course of the affiliation period. Small Sided Football providers will not be affiliated unless this team information is provided accurately.

The only exceptions to this rule are outlined below:

2.1. **Disciplinary Agreement:**

On affiliation to The FA or County FA the Small Sided Football Provider signs the Disciplinary Agreement in Appendix B where the provider agrees to operate a comprehensive system of recording and maintaining accurate team and player details. This agreement also requires the Small Sided Football Provider to provide The FA/County FA with team information (team name and team captain contact details) within 48 hours of receiving a request for this information. It also accepts that from time-to-time The FA or County FA may request to undertake a random spot-check of a Small Sided Football providers competition to ensure that the provider has accurate team information for all teams in that competition.

As well as signing this Disciplinary Agreement, at the point of affiliation the Small Sided Football provider must also provide written evidence to The FA or County FA to demonstrate the current systems that they operate and maintain to record accurate team information.

If the Small Sided Football provider is able to comply with these points, the organisation will not be required to provide all team information to The FA / County FAs upon affiliation. If however, the Small Sided Football provider consistently fails to provide accurate team information when requested this privilege can be revoked by The FA.

2.2. **FA Small Sided Football Accreditation**

Small Sided Football providers that have attained The FA Small Sided Football Accreditation have demonstrated through the accreditation process that they have sufficient systems in place for recording and managing team information, and that as part of the accreditation they will provide The FA/County FAs with team details within 48 hours when requested in order for disciplinary cases to be managed. As a consequence, accredited Small Sided Football providers will not be required to provide team information upon affiliation.

3. **Issuing of Cautions and 'Timed Suspensions'**

In Small Sided Football yellow cards and associated cautions are not employed.

Referees should instead issue a blue card for a cautionable offence. The issuing of a blue card indicates that the recipient will serve an immediate 'timed suspension' ('sin bin').

The options for disciplining offenders are therefore as follows:

- Player shown a blue card and temporarily suspended from play
- Player issued with a discretionary second blue card and temporarily excluded from play
- Player issued with a red card and permanently excluded from play

A blue card offence should always be accompanied by a temporary suspension from play.

The period of timed suspension in Small Sided Football shall be two minutes. The release of players from a temporary suspension should be at the direction of the Referee.

3.1. **Recording of Blue Cards**

In Small Sided Football cautionable offences that result in a blue card and a timed suspension from the match shall not be recorded and reported by the match official or Small Sided Football provider.

Blue card offences should not be reported back to the County FA, and no disciplinary fine shall be incurred by the player.

4. **Disciplinary Procedures for Red Card Offences**

4.1. **'Serious' Red Card Offences**

Offences not classified in Table 1 below will be the responsibility of the local County FA. Once the County FA has reviewed the case the Small Sided Football provider along with the player will be informed of the outcome and any disciplinary action.

For these offences match official are required to complete the Disciplinary Report in appendix A and submit a copy to the Small Sided Football provider and the relevant County FA.

4.2. 'Less Serious' Red Card Offences (as outlined in Table 1)

Offences classified within Table 1 should be dealt with by the Small Sided Football provider under the delegated-authority of the County FA covered in Section 1 above.

The match official should complete a 'Disciplinary Report' (appendix A) and ensure that it is sent to the Small Sided Football provider.

The Small Sided Football provider should employ the following disciplinary tariff of suspensions in such cases as outlined in Table 1. The provider shall not fine the player.

Match Suspension Tariff:

Table 1

Offence	Penalty (to be administered by Small Sided Provider)
Receiving a second 'blue card' in the same match	1 Match suspension
Denying a goal or an obvious goal scoring opportunity	1 Match suspension
Use of offensive, insulting or abusive gestures	2 Match suspension
Attempting to kick or strike another player Violent Conduct Serious Foul Play	3 Match suspension

5. Remit of Disciplinary Action

Any suspensions for offences dealt with by the County FA that are not covered in Table 1 apply to all levels of football (i.e. 11 a side and Small Sided Football).

Red cards administered in Small Sided Football for offences within Table 1 are the responsibility of the organiser to deal with according to the FA's recommended tariff of suspensions and are from Small Sided Football only.

6. Personal Liability for 'Serious' Disciplinary Offences

Initial responsibility for a disciplinary issue will be with the individual that committed the offence. If this individual leaves the team but can be accurately identified, this individual shall retain responsibility for the payment of a fine and should be suspended from all forms of football until the fine is paid in accordance with the Football Debt recovery process.

If the individual responsible for the offence cannot be accurately identified, the responsibility for the payment of this fine will be with (in order of responsibility):

- 1) The small sided team that the individual played for when committing the offence.
- 2) The team captain of the team that the individual played for.

7. Implementation of Disciplinary Procedures

A robust disciplinary process can only operate if a record is kept of the identity of participating teams and players.

All Small Sided Football providers should maintain details of participating teams and team contacts prior to the beginning of a competition. Providers should ensure that these details remain updated.

In addition Organisers should identify a system whereby the identity of participating players is recorded prior to a game commencing. These records should be retained by the

Organisers and referred to in the event of a serious incident or on suspicion that a player is playing whilst under suspension.

The existence of these systems (in line with Rule 2 of this policy) shall be a requirement before The FA or County FA will provide sanction to a competition taking place.

In order for an effective discipline, affiliation and referees appointment procedure to exist a good working relationship should exist between the Competition Organiser and the County FA. County FA's and Competition Organisers should establish a 'Heads of Agreement' document which identifies the responsibilities of each party in relation to maintenance of discipline and affiliation processes.

SMALL-SIDED FOOTBALL

LAWS OF THE GAME

Revised February 2012

Introduction

The following laws of the game are The Football Association's recommended laws for use in Small-Sided Football. This includes 5, 6 and 7-a-side games but not Mini-Soccer or Futsal, which have their own specific laws. (These are also available from The FA). These Laws were revised in 2012 based on the following principles;

- A revision of The FA's Laws so that they better reflect the game that it is being played in many venues
- Applying the general principle of the 'normal laws of Association Football with exceptions' and as consequence simplifying the game for both players and referees.
- Improving the technical quality of play in the small-sided game
- To encourage participation and enjoyment in a safe and controlled environment.

Over 1.05 million adults play Small Sided Football every week in over 22000 organised Small Sided Football teams (Sport England Active People Survey 2015). As a consequence Small Sided Football is now the largest form of the recreational game. The laws that people play the game tend to differ from venue to venue and reflect both traditions of play and the constraints of the facility in which the game is taking place. The set of Laws contained in this document are those that the FA will use in its own Small Sided Football competitions and we would recommend their adoption by all organisers of Small Sided Football. However given the diversity of small sided facilities and formats in this country use of these Laws in all circumstances is not mandatory and these revised Laws also allow the FA and the County Football Associations to sanction other formats of Small Sided Football. The principles of any approval by the FA shall be based upon;

- The normal laws of Association Football apply with exceptions
- The game should take into full account the health and safety of the players and officials.

This document contains both a full set of laws, suitable for use by competition organisers and match officials and an abridged version that can be used to advise participants of the laws that will be of greatest interest to them.

Further advice on laws of the game and the affiliation of competitions can be obtained from your local County Football Association.

SECTION ONE

Small-Sided Football - Laws of the Game

General Principle

Where not stated the normal Laws of Association Football apply with exceptions notably that there is no offside in Small Sided Football

LAW 1 - THE PLAYING AREA

The Pitch

Small Side Football may be played with or without barriers.

The playing area must be rectangular. The length of the touchline must be greater than the length of the goal line.

For 5 and 6 – a side football the following dimensions are recommended

Length:	minimum 25 m
	maximum 50 m
Width:	minimum 16 m
	maximum 35 m

For 7 a side football the following dimensions are recommended

Length:	minimum 50m
	maximum 60m
Width:	minimum 30m
	maximum 40m

Area Markings

The playing area is marked with lines. The two longer boundary lines are called touchlines. The two shorter lines are called goal lines.

All lines are 8cm wide.

The playing area is divided into two halves by the halfway line.

The **centre mark** is indicated at the midpoint of the halfway line. A circle with a radius of 3 m is marked around it.

A **penalty area** is defined at each end of the pitch as follows:

A semi circle of 6 m radius shall be drawn from the centre of each goal line. The extremities of these semi-circles should reach the goal line, barrier or wall regardless of whether or not the goal posts encroach onto the playing area.

Penalty Mark

A penalty mark is drawn 6 m from the midpoint between the goal posts and equidistant from them.

The Corner Arc

Where barriers do not surround the playing area a quarter circle with a radius of 25cm from each corner is drawn inside the playing area.

Goals

Goals must be placed on the centre of each goal line.

They consist of two upright posts equidistant from each corner and joined at the top by a horizontal crossbar.

The distance (inside measurement) between the posts is maximum 5m, minimum 3m and the distance from the lower edge of the crossbar to the ground is maximum 2m minimum 1.20m.

Both goal posts and the crossbar have the same width and depth of 8cm. Nets, made of hemp, jute or nylon, are attached to the posts and crossbars behind the goals. The lower part is supported by curved bars or some other adequate support.

Safety

The goals may be portable but they must be anchored securely to the ground during play as per Health and Safety requirements.

Playing Surface

Where natural turf is not used the surface must be smooth and flat and non-abrasive. The use of wood or artificial material is recommended.

LAW 2: THE BALL

Qualities and Measurements

The ball is:

- spherical
- made of leather or other suitable material
- size appropriate to the age group playing

Replacement of a Defective Ball

If the ball bursts or becomes defective during the course of a game:

- the game is stopped
- the game is restarted by dropping the replacement ball at the place where the first ball became defective

If the ball bursts or becomes defective while not in play:

- the game is restarted according to the Laws

The ball may not be changed during the match without the permission of the referee.

LAW 3: THE NUMBER OF PLAYERS

A match is played by two teams, each consisting of not more than the following number of players and substitutes for each format:

5-a-side = 5 players per team and 3 substitutes (total of 8 players)

6-a-side = 6 players per team and 3 substitutes (total of 9 players)

7-a-side = 7 players per team and 3 substitutes (total of 10 players)

Substitution Procedure

The maximum number of substitutes permitted is three.

The number of substitutions made during a game is unlimited. A player who has been replaced may return to the pitch as a substitute for another player.

Substitutions should take place when there is a break in play or during play if the second official is involved in refereeing the game. This will be determined by the Competition Rules.

A substitution is one that is made when the ball is in or out of play for which the following conditions must be observed:

- The player entering the playing area may not do so until the player leaving the playing area has passed completely over the boundary line
- Where barricades are used the players must use the opening onto the playing area
- A substitution is complete when the substitute enters the playing area from which moment he becomes a player and the player he is replacing ceases to be a player

A substitute is subject to the authority and jurisdiction of the referee whether called upon to play or not

Changing Places with the Goalkeeper

Any of the players or substitutes, may change places with the goalkeeper. The following conditions must be observed:

- The referee must be informed before the change is made
- The change may only be made during a stoppage in play
- The replacement goalkeeper must wear a jersey which distinguishes him from all other players

Infringements/Sanctions

If, while a substitution is being made, a substitute enters the playing area before the player being replaced has completely left:

- play is stopped
- the player being replaced is instructed to leave the playing area
- The substitute is 'sin binned' for the agreed period.
- Play is restarted by an indirect free kick to be taken by the opposing team from the place where the ball was situated when the game was stopped. However, if the ball was inside the penalty area, the indirect free kick is taken on the penalty area line, at the place nearest to the position of the ball when play was stopped

Where barricades are used if, while a substitution is being made, a substitute enters the playing area or a player being replaced leaves it from a place other than the recognised opening in the barricades:

- play is stopped
- The substitute is 'sin binned' for the agreed period.
- Play is restarted by an indirect free kick to be taken by the opposing team from the place where the ball was situated when the game was stopped. However, if the ball was inside the penalty area, the indirect free kick is taken on the penalty area line, at the place nearest to the position of the ball when play was stopped

Validity of a Match – Playing Numbers

A match should not be considered valid if the playing strength of either team is permanently reduced by:

- **More than** two players for 5-a-side,
- **More than** two players for 6-a-side
- **More than** three players for 7-a-side.

However this should only apply when players are permanently excluded or lost through injury rather than within the ‘Sin Bin’ for a two minute suspension.

LAW 4: THE PLAYERS’ EQUIPMENT

Safety

A player must not use equipment or wear anything that is dangerous to himself or another player, including any kind of jewellery. Jewellery should be removed.

Basic Equipment

The basic compulsory equipment of a player is:

- A jersey or shirt
- Shorts or track suit trousers
- Socks
- Shinguards
- Footwear – which is subject and appropriate to local conditions and surface type must be worn.

Shinguards

- are covered entirely by the socks
- are made of a suitable material (rubber, plastic or similar substances)
- provide a reasonable degree of protection

Goalkeepers

- the goalkeeper is permitted to wear long trousers
- each goalkeeper wears colours which easily distinguish him from the other players and the referees

Infringements/Sanctions

For any Infringements of this Law:

- The player at fault is instructed by the referee to leave the playing area to correct his equipment or to obtain any missing item of equipment. The player may not return to the playing area without first reporting to the referee, who then checks that the player’s equipment is now correct. The player is only allowed to re-enter the game when the ball is out of play.
- Players can return to play whilst the ball is in play if a second official has checked the equipment. If no second official is present the player must wait for a break in play in order for the referee to check the faulty equipment.

LAW 5: THE REFEREE

The Authority of the Referee

Each game is controlled by a referee who has full authority to enforce the Laws of the Game in connection with the game to which he has been appointed, from the moment he enters the locality where the playing area is situated until he leaves.

Powers and Duties

The Referee:

- Enforces the Laws of the Game
- Allows play to continue when the team against which an offence has been committed will benefit from such an advantage and penalises the original offence if the anticipated advantage does not ensue at that time
- Keeps a record of the match and provides the appropriate authorities with a game report which includes information on any disciplinary action taken against players, and/or team officials and any other incidents which occur before, during or after the game
- Acts as timekeeper
- Stops, suspends or terminates the game for any infringement of the Laws or due to any kind of outside interference
- Takes disciplinary action against players guilty of cautionable and sending-off offences
- Takes action against team officials who fail to conduct themselves in a responsible manner and may, at his discretion, expel them from the playing area and its immediate surrounds
- Ensures that no unauthorised persons enter the playing area
- Stops the game if, in his opinion, upon injury assessment a player is seriously injured and ensures that he is removed from the playing area
- Ensures any player bleeding from a wound leaves the playing area
- Allows play to continue until there is a stoppage in play if a player is, in his opinion, only slightly injured
- Ensures that any ball used meets the requirements of Law 2
- Make use of timed suspensions to exclude temporarily players guilty of infringements of the laws.
- In the absence of a second official, the referee should make excluded players aware of the end of their period of suspension

Decisions of the Referee

The decisions of the referee regarding facts connected with play are final.

LAW 6: THE MATCH OFFICIAL

Duties

The duties of the Match Official are to assist the referee in the control of the game in the following areas: -

- Control of the substitution procedure, ensuring that the player to be replaced has left the playing area before the substitute is allowed to enter the playing area
- Check the equipment of all the substitutes entering the playing area
- Ensure that a player sent from the playing area by the referee, to replace any missing or defective equipment is checked before being allowed back on to the playing area
- If a player has been removed from the playing area by the referee to have a 'blood injury' treated the match official must ensure that the bleeding has stopped before the player is allowed to re enter the playing area
- Keep a full record of the game details
- Act as the timekeeper for any player who has been given a temporary suspension from the game
- Report to the referee any misconduct by any of the team players or officials in the technical / bench / substitute area
- Carry out any other duties as requested by the referee

LAW 7: THE DURATION OF THE GAME

The duration of the game shall be divided into two equal periods of over five and up to 25 minutes each period subject to the following:

- (a) Allowance shall be made in either period for time lost through stoppages as decided by the referee.
- (b) The duration of either half shall be extended to enable a penalty kick to be taken.
- (c) At half time the interval shall not exceed five minutes except by consent of the Referee.
- (d) Competition rules may allow for a game to be played in its entirety without a half time interval or requirement to change ends.

For games ending in a draw, competition rules may state provisions involving extra time or other procedures approved by the International FA Board to determine the winner of the game.

LAW 8: START OF PLAY**Preliminaries**

The choice of ends is decided by the toss of a coin. The team winning the toss decides which goal it wishes to attack in the first half of the game.

The other team takes the kick-off to start the game.

Kick-off

A kick-off is a way of starting or restarting play:

- at the start of the game
- after a goal has been scored
- at the start of the second half of the game
- at the start of each period of extra time, where applicable

A goal may be scored directly from the kick-off.

Procedure

- all players are in their own half of the playing area
- the opponents of the team taking the kick-off are at least 3m from the ball until it is in play
- the ball is stationary on the centre mark
- the referee gives a signal
- the ball is in play when it is kicked and moves forward
- the kicker may not touch the ball a second time until it has touched another player

After a team scores a goal, the other team takes the kick-off.

Infringements/Sanctions

If the kicker touches the ball for a second time before it has been touched by another player:

- An indirect free kick is awarded to the opposing team which has to be taken from the place where the infringement occurred. For any other infringement of the kick-off procedure the kick-off is retaken.

Drop Ball

A drop ball is a way of restarting the game after a temporary stoppage

Procedure

The referee drops the ball at the place where it was located when play was stopped, unless it was in the goalkeeper's possession, when the goalkeeper shall, at the referee's signal; return the ball into play by throwing the ball from any point within the Penalty Area.

Play restarts when the ball touches the ground.

Where barricades are in use and a drop ball is required the referee shall drop the ball 2m from the barricade at the appropriate point.

Infringements/Sanctions

The ball is dropped again:

- If it is touched by a player before it makes contact with the ground
- If the ball leaves the playing area after it makes contact with the ground, without a player touching it

LAW 9: THE BALL IN AND OUT OF PLAY

Ball Out of Play

The ball is out of play when:

- It has wholly crossed the goal line or touch line, whether on the ground or in the air
- Play has been stopped by the referee
- When playing indoors, it hits the ceiling

Ball In Play

The ball is in play at all other times including when:

- It rebounds from a goal post, the crossbar, or the barricades onto the playing area
- It rebounds from the referee when on the playing area

Decisions

When a game is being played on an indoor playing area and the ball hits the ceiling, the game is restarted by an indirect free kick awarded to the opposing team to the one which last touched the ball.

The indirect free kick should be taken from the point at which the ball began to rise. Should this occur in the penalty area, the free kick should be taken from the penalty area line nearest to where the offence was committed. The exception to this rule is when the ball hits the ceiling following a deliberate 'save' (as opposed to a clearance) by the goalkeeper. In this case teams should play on.

Height of ball restrictions – If a height restriction is to be introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team. If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place. The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance. Should another player then play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team

LAW 10: THE METHOD OF SCORING

Goal Scored

Except otherwise provided by these Laws, a goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar, unless it has been thrown, carried or intentionally propelled by the hand or arm by a player of the attacking side, the goalkeeper included.

Winning Team

The team scoring the greater number of goals during a game is the winner. If both teams score an equal number of goals or if no goals are scored, the game is drawn.

Competition Rules

For games ending in a draw, competition rules may state provisions involving extra time or other procedures to determine the winner of a game.

LAW 11: FREE KICKS**Types of Free Kicks**

Free kicks are either direct or indirect.

For both direct and indirect free kicks, the ball must be stationary when the kick is taken and the kicker may not touch the ball a second time until it has touched another player.

The Direct Free Kick

- If a direct free kick is kicked directly into the opponent's goal, a goal is awarded

The Indirect Free Kick

- A goal can be scored only if the ball subsequently touches another player before it enters the goal

Position of Free Kick

- All opponents must be at least 3m from the ball until it is in play
- The ball is in play after it has been touched or played

Infringements/Sanctions

If, when a free kick is taken, an opponent is closer to the ball than the required distance:

- The kick is retaken

If, after the ball is in play, the kicker touches the ball a second time before it has touched another player:

- An indirect free kick is awarded to the opposing team, taken from the place where the infringement occurred.

Signals

Direct Free Kick: the referee keeps one arm horizontal pointing in the direction the kick has to be taken

Indirect Free Kick: the referee indicates an indirect free kick by raising his arm above his head. He maintains his arm in that position until the kick has been taken and the ball has touched another player or goes out of play

LAW 12: FOULS AND MISCONDUCT

Fouls and misconduct are penalised as follows:

Direct Free Kick

A direct free kick is awarded to the opposing team if a player commits any of the following seven offences in a manner considered by the referee to be careless, reckless or using excessive force:

- Kicks or attempts to kick an opponent
- Trips or attempts to trip an opponent
- Jumps at an opponent
- Charges an opponent, even with the shoulder
- Strikes or attempts to strike an opponent
- Pushes an opponent
- Tackles an opponent

A direct free kick is also awarded to the opposing team if a player commits any of the following offences:

- holds an opponent
- spits at an opponent
- Slides in an attempt to play the ball when it is being played or attempted to be played by an opponent (sliding tackle).
- handles the ball deliberately, except for the goalkeeper in his own penalty area

A direct free kick is taken from the place where the infringement occurred.

Penalty Kick

A penalty kick is awarded if a player commits any of the aforementioned offences inside his own penalty area, irrespective of the position of the ball but provided that it is in play.

If the Competition Rules dictate that only goalkeepers are permitted inside their own penalty area then this part of the Law does not apply.

Indirect Free Kick

An indirect free kick is awarded to the opposing team if a goalkeeper commits one of the following offences:

- touches or controls the ball with his hands after it has been deliberately kicked to him by a team-mate
- touches or controls the ball with his hands after he has received it directly from a kick-in taken by a team-mate
- touches or controls the ball with his hands or feet, in the penalty area, for more than four seconds
- Height of ball restrictions (optional modification) – If a height restriction is introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team.
- If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place.
- The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance unless the ball hits the roof when play should be restarted with a drop ball. However should another player play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team.

An indirect free kick is also awarded to the opposing team, to be taken from the place where the infringement occurred, if, in the opinion of the referee, a player:

- plays in a dangerous manner
- deliberately impedes the progress of an opponent when the ball is not being played
- prevents the goalkeeper from releasing the ball from his hands
- commits any other offence, not previously mentioned in Law 12, for which play is stopped to caution or dismiss a player

The indirect free kick is taken from the place where the infringement occurred, unless this was in the penalty area, in which case the indirect free kick is taken from the penalty area line at the point nearest to where the infringement occurred.

Disciplinary Sanctions

The use of temporary time suspensions ('sin bins) and the exclusion of a player arising from the issuing of a red card are the recommended disciplinary sanctions for use in small-sided football. Match officials should employ the use of temporary timed suspensions (blue cards) in all cases traditionally regarded as cautionable offences.

Referees shall also have the discretion to use a second 'blue card' and a further period of suspension for a second minor offence rather than a second blue card automatically resulting in a red card and permanent expulsion.

The options for a match official imposing disciplinary sanctions are therefore;

- Player shown a blue card and temporarily suspended from play
- Player issued with a discretionary second blue card and temporarily excluded from play
- Player issued with a red card and permanently excluded from play

A blue card offence should always be accompanied by a temporary suspension from play.

The period of timed suspension in Small Sided Football shall be two minutes. The release of players from a temporary suspension should be at the direction of the Referee or a Match Official if one is available.

Temporary Timed Suspensions – Procedures

A player temporarily suspended from play will be shown a blue card by the match official and informed that he/she shall be suspended from play for two minutes.

The player is obliged to leave the playing area and remain in a designated 'sin bin' area for the required suspension time. Separate 'sin bin' areas should be identified for each team. If no designated 'sin bin' areas are provided then suspended players should remain in the area where they can be seen by the referee and adjacent to team officials and substitutes.

A player will be informed as to the end of a period of suspension by the referee or match official and invited to rejoin the game. Where barricades are used the players must use the opening onto the playing area.

Temporary Timed Suspensions

A player is shown the blue card and temporarily excluded from play if he commits any of the following offences:

C1 is guilty of unsporting behaviour

C2 shows dissent by word or action

C3 persistently infringes the Laws of the Game

C4 delays the restart of play

C5 fails to respect the required distance when play is restarted with a corner kick, kick-in, free kick or goal clearance.

C6 enters or re-enters the playing area without the referee's permission or infringes the substitution procedure

C7 deliberately leaves the playing area without the referee's permission outside of a substitution

For any of these offences, an indirect free kick is awarded to the opposing team, to be taken from the place where the infringement occurred. If the offence was committed within the penalty area the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred.

Exception to the use of 'Blue Cards' and Temporary Timed Suspensions

The only exception to the use of 'Blue Cards' and Temporary Timed Suspensions is in facilities where if a player is excluded for two minutes they are unable to take up a position which is still in the eye line of the Referee but outside the boundaries of the pitch. This might be the case in an enclosed sports hall or in a complex of caged pitches. In such circumstances safety considerations requires the Referee to employ the use of yellow cards, with all players remaining on the pitch unless excluded permanently. In this situation normal disciplinary sanctions will apply after the game as per the competition rules. If 2 yellow cards are given to an individual the player will be shown a red card and dismissed.

Sending-Off Offences

A player is sent off and shown the red card if he commits any of the following offences:

1. S1 is guilty of serious foul play
2. S2 is guilty of violent conduct
3. S3 spits at an opponent or any other person
4. S4 denies the opposing team a goal or an obvious goal-scoring opportunity by deliberately handling the ball (this does not apply to a goalkeeper within his own penalty area)

5. S5 denies an obvious goal-scoring opportunity to an opponent moving towards the player's goal by an offence punishable by a free kick or a penalty kick
6. S6 uses offensive, insulting or abusive language
7. S7 receives a second blue/yellow card in the same match

If play is stopped for a player to be sent from the playing area without having committed any additional infringement of the Laws, the game is restarted by an indirect free kick, awarded to the opposing team, to be taken at the place where the infringement occurred. However, if the offence is committed in the penalty area, the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred.

Decisions

A player who has been sent off may not take any further part in the game nor may he sit on the substitutes' bench, where provided.

LAW 13

The Penalty Kick

A penalty kick is awarded against a team which commits any of the offences for which a direct free kick is awarded inside its own penalty area and while the ball is in play subject to Competition Rules dictating if other players other than the defending goalkeeper may enter the penalty area.

A goal may be scored directly from a penalty kick.

Additional time is allowed for a penalty kick to be taken at the end of each half or at the end of each period of extra time.

Position of the Ball and the Players

The ball:

- Is placed on the penalty mark

The player taking the penalty kick:

- Is properly identified

The defending goalkeeper:

- Remains on his goal line, facing the kicker, between the goalposts, until the ball has been kicked

The players other than the kicker are located:

- Inside the pitch
- Outside the penalty area
- Behind or to the side of the penalty mark
- At least 3m from the ball

Procedure

- The player taking the penalty kicks the ball forward
- He may not play the ball a second time until it has touched another player
- The ball is in play when it is kicked and moves forward

When a penalty kick is taken during the normal course of play, or time has been extended at half-time or full time to allow a penalty kick to be taken or retaken, a goal is awarded if, before passing the goalposts and under the crossbar:

- The ball touches either or both of the goalposts, and/or the crossbar and/or the goalkeeper

Infringements/Sanctions

If any of the following situations occur:

A player of the defending team infringes this Law:

- The kick is retaken, only if a goal is not scored
- The kick is not retaken if a goal is scored

A team-mate of the player taking the kick infringes this Law of the Game:

- The kick is retaken if a goal is scored
- The kick is not retaken if a goal is not scored

The player taking the kick infringes this Law of the Game after the ball is in play:

- An indirect free kick is awarded to the opposing team, the kick to be taken from the place where the infringement occurred, unless this was in the penalty area, in which case the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred.

LAW 14 - THE KICK-IN

A kick-in is a method of restarting play.

A goal cannot be scored directly from a kick-in.

A kick-in is awarded:

- when the whole of the ball passes over a touch line, either on the ground or in the air, or hits the ceiling
- from the place where it crossed the touch line or 2m into the playing area adjacent to where the ball left the playing area when barricades are in use
- to the opponents of the player who last touched the ball

Position of the Ball and the Players

The ball:

- has to be stationary on the touch line; or 2m into the playing area from the barrier where barricades are in use
- is kicked into play in any direction

The player taking the kick-in:

- has part of each foot either on the touch line or on the ground outside the touch line at the moment of kicking the ball; or
- must stand between the ball and the barricade where in use

The players of the defending team:

- are at least 3m from the place where the kick-in is taken

Procedure

- the player taking the kick-in may not play the ball a second time until it has touched another player
- the ball is in play immediately after it is kicked or touched

Infringements/Sanctions

The kick-in is retaken by a player of the opposing team if:

- the kick-in is taken incorrectly
- the kick-in is taken from a position other than the place where the ball passed over the touch line or where indicated by the referee where barricades are in use
- An indirect free kick is awarded to the opposition if the player taking the kick in plays the ball a second time before it has been played by another player

LAW 15**The Goal Clearance**

A goal clearance is a method of restarting play.

A goal may not be scored directly from a goal clearance.

The goal clearance is awarded when:

- the whole of the ball, having last touched a player of the attacking team, passes over the goal line, either on the ground or in the air, and a goal is not scored in accordance with Law 10

Procedure

- opponents remain outside the penalty area
- the goalkeeper does not play the ball a second time until it has touched another player
- the ball is in play when the ball is thrown or kicked from any point within the penalty area by the goalkeeper of the defending team

Infringements/Sanctions

If the ball is not thrown or kicked directly beyond the penalty area:

- the goal clearance is retaken

If, after the ball is in play, the goalkeeper touches the ball, before it has touched another player:

- an indirect free kick is awarded to the opposing team from the penalty area line from the place nearest to where the infringement occurred

If, after the ball is in play, the goalkeeper picks the ball up after it has been deliberately kicked to him by a team mate:

- an indirect free kick is awarded to the opposing team, to be from the penalty area line from the place nearest to where the infringement occurred
- Competition rules may allow variations to this ruling allowing goalkeepers to receive the ball straight from a team mate.

LAW 16**The Corner Kick**

A corner kick is a method of restarting play.

A goal may be scored directly from a corner kick, but only against the opposing team.

A corner kick is awarded when:

- The whole of the ball, having last touched a player of the defending team, passes over the goal line, either on the ground or in the air, and a goal is not scored in accordance with Law 10

Procedure

- The ball is placed inside the corner arc at the nearest corner
- Opponents remain at least 3m from the ball until it is in play
- The ball is kicked by a player of the attacking team
- The ball is in play when it is kicked or touched
- The kicker does not play the ball a second time until it has been played by or touched another player

Infringements/Sanctions

An indirect free kick is taken by the opposing team if:

- The player taking the corner kick plays the ball a second time before it has been played by or touched another player. The indirect free kick is taken from the place where the infringement occurred

For any other infringement:

- The corner kick is retaken

Where the playing area is surrounded by barricades the corner kick is replaced by a kick-in at a point 2m inside the playing area at the corner nearest the point where the ball left the playing area.

Competition Rules may allow the ball to be returned to the defending goalkeeper once the ball has crossed the goal line.

Kicks From The Penalty Mark Procedure

Taking kicks from the penalty mark is a method of determining the winning team where competition rules require there to be a winning team after a match has been drawn

Procedure

- The referee chooses the goal at which the kicks will be taken
- The referee tosses a coin and the team whose captain wins the toss decides whether to take the first or second kick.
- The referee keeps a record of the kicks being taken
- In principle each team takes five kicks, depending on the circumstances described hereafter
- The kicks are taken alternately
- The names of the players taking the kicks are announced to the referee by the captains of each team before the kicks from the penalty mark are taken and must be among those included on the list of players submitted before the match. Only those players on the pitch at the completion of the game are eligible to take part in Kicks from the Penalty Mark
- Where a player(s) has been sent off by the referee the opposing team must reduce the number of players to equalise the participants in each team prior to the Kicks from the Penalty Mark commencing
- If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken
- If, after both teams have taken five kicks, both have scored the same number of goals, kicks continue to be taken in the same order, until one team has scored one goal more than the other from the same number of kicks
- Any player who has been sent off may not take part in the kicks from the penalty mark
- Any eligible player may change places with his goalkeeper
- Only the eligible players and match officials are permitted to remain on the pitch when kicks from the penalty mark are taken
- All players, except the player taking the kick and the two goalkeepers, must remain in the opposite half to that where the kicks are being taken
- If a goalkeeper is injured during the kicks from the penalty mark procedure he may be replaced by a substitute

Procedures to Determine the Winner of a Match

To determine the winner of a match, tied after fulltime the following procedures or a combination of these procedures may be used,

- Extra time
- Kicks from the penalty mark

Use of these procedures should be detailed in the competition rules

Appendix A: Notes on the Laws for Small Sided Football - Modifications

Provided the principles of these laws are maintained, the Laws may be modified in their application for matches, including for players with disabilities as outlined below.

Any or all of the following modifications are permissible:

- Size of the playing area
- Size, weight and material of the ball
- Width between the goalposts and height of the crossbar from the ground
- The duration of the periods of play
- Substitutions
- Height of ball restrictions – If a height restriction is to be introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team. If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place. The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance. Should another player then play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team
- Access to penalty areas being restricted only to goalkeepers. Entry into the penalty area by a defender results in a direct free kick from the penalty mark; entry into the penalty area by an attacker results in the goalkeeper being given possession of the ball to re-start the game.
- After the goalkeeper has distributed the ball, he/she may only receive a pass if the ball has either touched an opponent or if the ball has been touched by at least two of the goalkeeper's team-mates.
- Goalkeepers can only distribute the ball through underarm throws. Goalkeepers are not allowed to kick the ball deliberately unless in the process of making a save.
- Competition Rules may allow the ball to be returned to the defending goalkeeper once the ball has crossed the goal line
- Players are not permitted to hold onto barriers when in place to shield the ball and should be penalised by the referee for holding and a direct free kick awarded.

Other formats of Small Sided Football

The Football Association has the ability to sanction other formats of Small Sided Football. The principles of any approval by the FA shall be based upon,

- The normal Laws of Association Football apply with exceptions
- The game should take into full account the health and safety of the players and officials

Appendix B Advice to Referees

Affiliated Competitions

To ensure they are covered by their County FA Public Liability Insurance referees should ensure that all games they officiate in are sanctioned by the appropriate authority (The FA or County FA). If in doubt contact your County FA for clarification

Disciplinary Process

Referees should ensure that all offences for which they have dismissed players with a single red card are reported to their County FA within 48 hours of the game being played. Likewise any disciplinary issues with team officials should be reported within the same timescales

SECTION TWO

Small-Sided Football Laws of the Game

Players' Guide

- 1 The players equipment
- 2 The Referee
- 3 Duration of play
- 4 Playing the match
- 5 Making Substitutions and Changes
- 6 Fouls and free- kicks
- 7 Discipline Process
- 8 Returning the ball back into play
- 9 Modifications to the Laws

The Normal Laws of Association Football apply with exceptions:

1 The Players' Equipment

A player must not use equipment or wear anything that is dangerous to himself or another player. All Jewellery must be removed. Shinguards, must be covered entirely by the socks, made of a suitable material (rubber, plastic or similar substances) and provide a reasonable degree of protection.

Goalkeepers are permitted to wear long trousers and must wear colours, which easily distinguish him from the other players and the referees

2 The Authority of the Referee- Each match is controlled by a referee who has full authority to enforce the Laws of the Game in connection with the match to which he has been appointed, from the moment he enters the locality where the playing area is situated until he leaves.

3 The Duration of the Game- the game shall be divided into two equal periods of over 5 and up to 25 minutes each period subject to the following:

- Allowance shall be made in either period for time lost through stoppages as decided by the referee.
- The duration of either period shall be extended to enable a penalty kick to be taken.
- The Half Time interval shall not exceed 5 minutes except by consent of the Referee.
- Competition rules may allow for a game to be played in its entirety without a half time interval or requirement to change ends.

4 Kick-off- is a way of starting or restarting play: at the start of the game, after a goal has been scored, at the start of the second half of the game, and at the start of each period of extra time, where applicable. A goal may be scored directly from the kick-off. All players must be in their own half of the playing area; the opponents of the team taking the kick-off are at least 3m from the ball until it is in play. The ball must be stationary on the centre mark until the referee gives a signal. The ball is in play when it is kicked and moves forward. The kicker may not touch the ball a second time until it has touched another player

Drop Ball- is a way of restarting the match after a temporary stoppage. Play restarts when the ball touches the ground.

Ball Out of Play- The ball is out of play when: it has wholly crossed the goal line or touchline, whether on the ground or in the air, when the referee has stopped play, or when playing indoors, the ball hits the ceiling.

Ball In Play- the ball is in play at all other times including when: it rebounds from a goal post, the crossbar, or the barricades onto the pitch, or if it rebounds from the referee when on the playing area. When a match is being played on an indoor playing area and the ball

accidentally hits the ceiling, the game is restarted by an indirect free kick awarded to the opposing team to the team, which last touched the ball.

Height of ball restrictions – If a height restriction is to be introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team. If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place. The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance. Should another player then play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team.

Offside- There is no offside.

Areas of Play – All players – both attackers and defenders are permitted to play within the penalty area. Goals can be scored within the penalty area. Modified rules may determine that access to the penalty area is restricted except for the goalkeeper.

- 5 **Substitution Procedure**- The maximum number of substitutes permitted is three.

The number of substitutions made during a match is unlimited. A player who has been replaced may return to the pitch as a substitute for another player. Substitutions should take place when there is a break in play or during play if the second official is involved in refereeing the game.

Changing Places with the Goalkeeper- Any of the other players, or substitutes, may change places with the goalkeeper. The following conditions must be observed: the referee must be informed before the change is made; a change may only be made during a stoppage in play, the replacement goalkeeper must wear a jersey, which distinguishes him from all other players, and the referee.

Viability of a match (Playing Numbers) - For 5 or 6- a side if a team loses at any time more than 2 members of their team the match should be abandoned. For 7-a-side this number should be more than 3 members of a team. However for all formats this should only apply when players are permanently excluded or lost through injury rather than within the 'Sin Bin' for a two minute suspension.

- 6 **Fouls and Misconduct**- Fouls and misconduct are penalised as follows:

A Direct Free Kick- A direct free kick is taken from the place where the infringement occurred and can be kicked directly into the opponent's goal to score a goal. The referee keeps one arm horizontal pointing in the direction the kick has to be taken. A direct free kick is awarded to the opposing team if a player commits any of the following offences in a manner considered by the referee to be careless, reckless or using excessive force:

- Kicks or attempts to kick an opponent
- Trips or attempts to trip an opponent
- Jumps at, pushes or charges an opponent (even with the shoulder)
- Strikes or attempts to strike an opponent
- Tackles an opponent (the key words are doing it carelessly, recklessly or with excessive force)

In addition direct free kicks will also be awarded if a player:

- Spits at an opponent,
- Slides in an attempt to play the ball when it is being played or attempted to be played by an opponent (sliding tackle).
- Handles the ball deliberately except for the goalkeeper in his penalty area
- Holds an opponent

A Penalty Kick- is awarded against a team, which commits any of the offences for which a direct free kick is awarded inside its own penalty area and while the ball is in play. Additional

time is allowed for a penalty kick to be taken at the end of each half or at the end of each period of extra time.

Position of the Ball and the Players for a Penalty kick- The ball is placed on the penalty mark; the player taking the penalty kick is properly identified. The defending goalkeeper must remain on his goal line, facing the kicker, between the goalposts, until the ball has been kicked. The players other than the kicker are located: inside the pitch, outside the penalty area, behind or to the side of the penalty mark, at least 5m from the ball. The player taking the penalty must kick the ball forward; they may not play the ball a second time until it has touched another player. The ball is in play when it is kicked and moves forward.

Indirect Free Kicks - An indirect free kick is taken from the place where the infringement occurred, unless this was in the penalty area, in which case the indirect free kick is taken from the penalty area line at the point nearest to where the infringement occurred. An indirect free kick is awarded for the following offences;

- A Goalkeeper touches or controls the ball with his hands after it has been deliberately kicked or thrown to him by a team-mate.
- A Goalkeeper Touches or controls the ball with his hands or feet, in the penalty area, for more than four seconds.
- The ball exceeds the height of ball restrictions (optional modification).
- If in the opinion of the referee, a player: plays in a dangerous manner, deliberately impedes the progress of an opponent when the ball is not being played, prevents the goalkeeper from releasing the ball from his hands, commits any other offence, not previously mentioned for which play is stopped to administer a temporary timed suspension or dismiss a player.

From an Indirect Free Kick a goal can be scored only if the ball subsequently touches another player before it enters the goal. For an Indirect Free Kick: the referee indicates an indirect free kick by raising his arm above his head. He maintains his arm in that position until the kick has been taken and the ball has touched another player or goes out of play.

Position of Free Kick- All opponents must be at least 3m from the ball until it is in play. The ball is in play after it has been touched or played.

- 7 **Disciplinary Sanctions-** The use of temporary time suspensions ('sin bins) and the exclusion of a player arising from the issuing of a red card are the recommended disciplinary sanctions for use in small-sided football. Match officials should employ the use of temporary timed suspensions (blue cards) in all cases traditionally regarded as cautionable offences. Yellow cards are no longer to be used in small-sided football unless the use of temporary timed suspensions is impractical due to the nature of the venue i.e. referees cannot supervise players who have been dismissed. In these cases yellow cards may continue to be used.

The options for a match official imposing disciplinary sanctions are therefore;

- Player shown a blue card is temporarily suspended from play
- Player issued with a discretionary second blue card and temporarily suspended from play
- Player issued with a red card and permanently excluded from play

A blue card offence should always be accompanied by a temporary suspension from play of two minutes in duration. The release of players from a temporary suspension should be at the direction of the Referee or a Match Official if one is available.

Temporary Timed Suspensions- A player is shown the blue card and temporarily excluded from play if he commits any of the following offences: is guilty of unsporting behaviour, shows dissent by word or action, persistently infringes the Laws of the Game, delays the restart of play, fails to respect the required distance when play is restarted with a corner kick, kick-in, free kick or goal clearance. Enters or re-enters the pitch without the referee's permission or infringes the substitution procedure, deliberately leaves the pitch without the referee's permission.

For any of these offences, an indirect free kick is awarded to the opposing team, to be taken from the place where the infringement occurred. If the offence was committed within the penalty area the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred. .

Sending-Off Offences- A player is sent off and shown the red card if he commits any of the following offences: is guilty of serious foul play, is guilty of violent conduct, spits at an opponent or any other person, denies the opposing team a goal or an obvious goal-scoring opportunity by deliberately handling the ball (this does not apply to a goalkeeper within his own penalty area). Denies an obvious goal-scoring opportunity to an opponent moving towards the player's goal by an offence punishable by a free kick or a penalty kick. Uses offensive, insulting or abusive language. Or if a player receives a second/third blue card in the same match.

Decisions- A player who has been sent off may not take any further part in the match nor may he sit on the substitutes' bench, where provided.

- 8 **The Kick-In-** is a method of restarting play. A goal cannot be scored directly from a kick-in. A kick-in is awarded if; the whole of the ball passes over a touch line, either on the ground or in the air, or hits the ceiling. A Kick-in is taken from the place where it crossed the touchline or 2m into the playing area adjacent to where the ball left the playing area when barricades are in use. The kick is awarded to the opponents of the player who last touched the ball.

The player taking the kick-in may not play the ball a second time until it has touched another player. The ball is in play immediately after it is kicked or touched. The players of the defending team must be at least 3m from the place where the kick-in is taken. The feet of the player taking the kick-in must not cross the line.

The Corner Kick- a goal may be scored directly from a corner kick.

- 9 Modifications to the Laws –

Any or all of the following modifications are permissible:

- Size of the field of play
- Size, weight and material of the ball
- Width between the goalposts and height of the crossbar from the ground
- The duration of the periods of play

- Height of ball restrictions
- Access to penalty areas being restricted only to goalkeepers.
- Goalkeeper unable to receive 'pass backs' unless the ball has been touched by an opponent or been touched by at least two of his team-mates.
- Goalkeepers can only distribute the ball through underarm throws.
- Goalkeeper restarts if the ball crosses goal line
- Players are not permitted to hold onto barriers when in place to shield the ball

Modifications to the laws should be detailed in the competition regulations

MATCHES AGAINST FOREIGN CLUBS

Associations, Leagues and Clubs, members of The Association, wishing to play Associations, Leagues or Clubs of another Nationality must apply to The Association for consent at least 28 days before the date of the intended match.

The Association will inform the other Association concerned when consent has been given for matches applied for.

The rules connected with the playing of matches abroad are probably the ones which are broken most. A minimum notice of 28 days should be given, though experience shows that this is not enough. When a request is made for a match to be played against foreign opposition, home or away, the national association of the opponent's club must be approached to see if that club is properly affiliated. This takes time, and at busy periods such as Easter and Whitsuntide, when many junior clubs go abroad, frequently consent is not received until shortly before the match is to be played. More unfortunately, notification is received that the proposed opponents are not affiliated, in which case the match cannot be played. Clubs have been severely punished and banned from foreign touring for periods of time for breaches of this rule.

In the case of senior professional clubs, matches between European clubs may only be arranged by agents who are licensed by the European Federation (U.E.F.A.). Lists of licensed agents are obtainable from The Football Association. It is almost courting disaster to attempt to arrange a match against foreign opposition at short notice, and "short notice" means less than a month.

Clubs should ensure that they follow their safeguarding children policy and procedures at all times and refer to The FA's recommended guidance on Travel Trips and Tournaments via www.thefa.com/football-rules-governance/safeguarding/raising-awareness---downloads-section.

RESPONSIBILITY FOR BEHAVIOUR

On the two types of application form for Tours abroad, The FA states that -"All clubs given permission to play matches abroad are directed to ensure that, both on and off the field members of the party should uphold the prestige of The Association and of their clubs. It is a condition of permission being granted that a Director or Senior Committee Member of the club must travel with the party and must accept full responsibility for the actions and conduct of the party on tour."

Consent is also conditional upon the Laws of the Game being strictly observed. For example, even in friendly matches up to six substitutes may be used. If the matches are to be played outside Europe, clubs are reminded that in their own interest they should forward details of their visit and the matches to be played to the British Embassy in the countries concerned, and The Association will endeavour to assist in transmitting this information. This procedure is always followed in the case of an England or Representative FA side.

TRAVEL LICENCES FOR YOUNG PLAYERS

Since an increasing number of Junior/Youth Clubs are now applying for permission to play matches abroad, The FA some time ago, published information relating to young players travelling abroad.

Recently appointed or inexperienced secretaries should note carefully the following excerpts on Licences and Passports for certain types of player under the age of 18 years.

LICENCES

Under the terms of section 25 of the Children and Young Persons Act, 1933 a young person under 18 years of age needs a licence if he or she is to play or perform abroad for profit. Thus it is an offence for a footballer of less than 18 years of age to be sent abroad to play for his team or country unless he has been granted a licence.

The onus for applying for the licence rests with the Club Manager or in cases of an International match with The Football Association.

To obtain a licence the Club Manager or The Football Association should send to the Bow Street Magistrates Court, London WC2:-

1.
 - (a) a completed 'Application for Licence' (form Q1 obtainable from the Bow Street Magistrates Court).
 - (b) a completed 'Notice to Police' (form Q10 obtainable from the Bow Street Magistrates Court).
 - (c) a copy of the Schedule (obtainable from the Bow Street Magistrates Court).
 - (d) a letter stating that:
 - (i) the player is physically fit to go abroad for the purpose of playing football.
 - (ii) the date of birth of the player is as shown on the 'Application for Licence'
 - (iii) the 'Application for Licence' is made with the consent of the parent or guardian of the player.
 - (e) details of the Club's visit abroad, i.e. dates of the tour and matches also the financial arrangements in so far as the players are concerned.
2. The Club should also send the following to the Police in whose area the player resides:-
 - (a) a copy of the completed 'Application for Licence' (form Q1).
 - (b) a completed 'Notice to Police' (form Q10 Supplied with form Q1).
3. The arrival of the player/s who is/are on licence must be reported to the local Consul in whose area the player/s will be staying while abroad. Details of the Consul's name and telephone number will be given to you by Bow Street when the licence is issued.
4. The return of the player/s who is/are on licence must be reported to Bow Street in writing immediately after he/they has/have returned to England.

PASSPORTS

Applications for passports in respect of footballers of less than 18 years of age going abroad to play football should be sent or taken to the nearest Passport Office. Each application should be accompanied by the Club Manager's written undertaking that the player will not be sent abroad to play for his team without a licence so long as he is under the age of eighteen. These requirements do not apply to players over the age of 18, nor where the passport is required for holiday purposes.

STANDARD CODE OF RULES FOR MINI SOCCER AND YOUTH FOOTBALL COMPETITIONS

This document contains the Standard Code of Rules developed by The Football Association, for Mini Soccer and Youth Football Competitions. Such Competitions may add to the core of the Standard Code, which is mandatory, providing the additions are approved by the sanctioning Association and do not conflict with the mandatory Rules or any relevant principles and policies established by The FA. Guidance from the sanctioning Association should be sought in advance if there is any doubt as to the acceptability of additional Rules.

This Standard Code of Rules is mandatory for all Mini Soccer and Youth Football Competitions. Mini Soccer and Youth Football Competitions seeking sanction must draft their Rules in conformity with the code putting them in the correctly numbered Rule and showing the standard heading. The mandatory element is printed in normal text and the optional elements in italics.

It should be noted that in many cases Rules are so printed because they are alternatives and the procedure to apply should be retained and the others omitted. In all cases where square brackets are shown the necessary name, address, number or wording to complete this Rule must be inserted.

The grade applicable for each Club for the commencement of a Playing Season shall be that existing at the previous 31st March, such grading to be ascertained by an inspection carried out on or before 31st March or as soon as practicable thereafter. Any Club not maintaining the grade set for the Competition may be relegated at the end of the Playing Season to a step determined by The FA.

[Any delay in inspection shall in no way release a Club from its obligation to have its ground ready for inspection. If for any reason a Club's existing ground, or any new ground in which it proposes to play its home matches in the season following inspection, is not available for grading by 31st March prior to commencement of the relevant season then the Club must, by the 31st March, submit to the Board in writing its proposals for a venue for its home matches in the following season ("alternative proposal"), such alternative proposal to be considered (and if appropriate) approved at the next Board Meeting after 31st March. The alternative proposal must, inter alia, contain documentary evidence in support of any ground sharing arrangements and evidence that the proposed ground is demonstrably suitable at a level which the relevant club will be competing. The alternative proposal may not be for a continuation of any ground share arrangement if the Club has had a ground sharing arrangement for the previous 2 seasons, or any part thereof, even if those arrangements have related to more than one ground.

Any approval of the alternative proposal will be subject to the issue of a grading certificate. The Board will use all reasonable endeavours to inspect the ground after receiving the alternative proposal and prior to the Board meeting, but if it is unable to do so then any approval of the alternative proposal will be subject to the issue of a satisfactory grading certificate. In the event of a Club not having received a grading certificate by 31st March and not having had its alternative proposal approved at the relevant Board Meeting, it shall be relegated forthwith at the end of the playing season to a level determined by The Football Association.]

Except with the prior written consent of the Board no person, company or business institution (including insolvency practitioners) may at any time be interested in more than one Club or in a Club and any other club playing in a Competition sanctioned by The FA. The definition of "interested" shall be the same as provided for by the Rules of the FA Challenge Cup Competition in force from time to time.

6. REGISTRATION OF PLAYERS

6.1 A QUALIFYING PLAYER REGISTRATION

The Football Association's rules will apply in respect of all matters concerning players.

6.1.1 A Player is one who has signed a Registration Form supplied by the Competition (such signature to be witnessed by a second person) and where:-

- the form has been completed and signed by an Officer of the Club and
- has been approved and registered by the Competition and
- a registration number has been allotted.

A Player will only be eligible to play in a match organised by the Competition if his registration form; transfer form, or loan transfer form, has been received by the Company not less than four hours before the scheduled kick-off of the match in which the player is required to play and found to be in order, and so registered. It is the responsibility of all Clubs to ensure any player signing a registration form has, where necessary, the required International Clearance Certificate and in the case of Contract Players, including those on loan, must have approval from The Football Association. Clubs are also responsible for all players being correctly registered before fielding any player. Failure to do so constitutes misconduct and the Club will be charged with fielding an ineligible player.

Registration forms will be made available to Clubs by the Competition and charged in accordance with the fees tariff. The status of a player must be clearly stated on the Registration Form. The Registration Form must be received at the Competition Office within five days of having been signed by the Player.

The registration of a Player will be valid from the date of registration to the end of that Playing Season only or, if in the case of a Contract or Loan Player whose contract or loan expires before the end of the Playing Season, for the term of the said contract or loan.

6.1.2 A Player may only play under his correct status. Any change of a Player's status during the currency of a registration must be notified to the Competition within five (5) days of the change of registration being affected.

In the event of a Player changing his status with the same Club either from Contract to Non-Contract or from Non-Contract to Contract then that Player must sign a new registration form and be re-registered. In default the Player re-registering will be ineligible to play in a match under the jurisdiction of the Competition and Rule 6.9 will be applied in such circumstances where a Club is found guilty of playing a Player who has changed status without re-registering.

A Player whose registration under Contract is cancelled by mutual consent and immediately re-registered by the same Club or a different Club on a non-contract basis shall not subsequently be registered as a Contract player with the Club for which his Contract was cancelled, within three months of the date of the cancellation except with the consent of the Board.

- 6.1.3 The Board shall have the power to make application to refuse or cancel the registration of any Player charged and found guilty of undesirable conduct subject to the right of Appeal to The FA or the relevant County Football Association. Undesirable conduct shall mean an incident of repeated conduct, which may deter a participant from being involved in this Competition. Application should be made to the parent County of the Club the Player is registered with.

(Note:- action under this clause shall not be taken against a Player for misconduct until the matter has been dealt with by the appropriate Association, and then only in cases of the Player bringing the Competition into disrepute and will in any case be subject to an Appeal to The Football Association. For the purposes of this Rule, bringing the Competition into disrepute can only be considered where the Player has received in excess of 112 days suspension, or 10 matches in match based discipline, in a period of two years or less from the date of the first offence.)

- 6.1.4 The Board shall also have the power to place an Embargo on the registration, transfer or loan transfer of Players by any Club deemed to be in breach of these Rules. Where a Club has been subject to an Embargo that is ongoing (if applied by the Competition or another) then the Embargo shall continue to apply until the Club can demonstrate to the satisfaction of the Board that the circumstances that resulted in the Embargo no longer apply.

6.2 REGISTRATION PERIOD

- 6.2.1 [In any Playing Season the Registration Period for that season for The National League, National League North and National League South Clubs shall be the period commencing at midnight on the last day of the immediately preceding Playing Season and ending at 5.00pm on the fourth Thursday in March next following.]

After 5.00pm on the [fourth Thursday in March] [31st March] each Playing Season new registrations, new loans, and transfer of registrations will be declined or will be approved subject to such limitations and restrictions as the Board may determine and, if so determined, the Player shall only be eligible to play in the matches for which permission is granted by the Board.

6.3 PLAYER STATUS

The status of a player may be:-

- Contract Player
- Non-Contract
- Work Experience
- Scholar
- Short Term Loan
- Long Term Loan
- Youth Loan

6.4 REGISTRATIONS AND REGISTRATION PROCEDURES

- 6.4.1 A Player will only be eligible to play in a match organised by the Company under these Rules if the appropriate form(s) is (are) received by the Company (including

[by facsimile or] electronically) at least four (4) hours before the scheduled kick-off time of such match. No Player whose registration, including Loan registrations, is received less than four (4) hours before the match organised by the Company in which he is required to play will be eligible. Any loan registration must also be approved by the Football Association before that Player can be considered eligible to play.

Where a registration form is sent to the Company [by facsimile or] electronically, e.g. email, the originating form must subsequently be received by the Company within five (5) days of the sending of the [facsimile or] electronic transmission. In default of this Rule the player shall not be eligible to play in the Competition unless and until a valid registration form is received. The form when received must contain the same information as that received by [facsimile or] email. It is an offence to falsify a competition form.

The registration of a Player by [facsimile or] electronic transmission is not automatically valid and it is the responsibility of the Club to ensure the player is NOT registered with any other Club. When the Player involved was previously registered with another Club it is necessary for that Club to complete the standard Competition transfer form or to have completed the standard Competition cancellation of registration form prior to or at the same as the registration to the new Club.

Any Club found to have been in breach of any part of Rule 6.4.1 will be deemed to have played an ineligible player and will be dealt with in accordance with Rule 6.9.

- 6.4.2 Each Club must have at least eleven (11) Players registered fourteen (14) days before the start of each Playing Season.
- 6.4.3 [A registration form, when submitted to the Competition, must be accompanied by the financial details, i.e. the appropriate page of the contract for Players under written contract or the standard Competition form for Players not under written contract.]
- 6.4.4 In the event of a Player signing registration forms for more than one Club, priority of registration shall decide for which Club he is entitled to play. The Club submitting the latter form shall be notified of the prior registration of the Player, and the circumstances under which the registration forms were signed shall be investigated by the Board. Any Player found to have signed registration forms for more than one Club, or any Club found to have knowingly induced a registered Player of another Club to sign a registration form, shall be dealt with by the Board in such a manner as it shall think fit.
- 6.4.5 Except when specific approval has been given by the Board a Club cannot sign or transfer more than one Player, contract or non-contract, from another Club at any one time unless a period of 14 days has elapsed between each signing.
- 6.4.6 If a non-contract Player also registers for a club not in membership of the Competition, his registration for the Competition may be retained by the Club.
- 6.4.7 A Club may register any number of Work Experience players but only two (2) may play in any one match, in accordance with FA Rules.
- 6.4.8 A Club may name up to a maximum of five (5) players on a Team Sheet who are either Short Term Loan, Long Term, [Youth Loan] or Work Experience.
- 6.4.9 The Company may, at its discretion, refuse any further registration of players, i.e. place under a registration embargo, any Club which has not completed payment of a transfer or loan arrangement made with another Club (or club) or arranged for the payment to be adequately secured. The Club (or club) which holds the Player's Contract will continue to pay the Player in accordance with his Contract.

6.5 TRANSFERS

- 6.5.1 The transfer of a registration of a Player under written Contract from one Club to another must be in writing, on the Competition transfer form, signed by the Contract Player and the two Clubs, and the form must be forwarded to the Company for approval and registration. Such Contract Player does not become a bona-fide Player of the Club seeking his transfer until the form has been approved and registered by the Competition. The registration of a Contract Player whose Contract is cancelled by mutual consent shall be automatically cancelled upon receipt by the Competition of a copy of the relevant FA form.

Where a Club cancels the registration of a Player, Contract or Non-Contract, for any reason whatsoever, the Club must notify the Competition [General Manager] immediately, in writing or on the relevant Competition form. To be valid such notification must be signed by an authorised signatory of that Club.

- 6.5.2 The transfer of a registration of a Non-Contract Player from one Club to another must be in writing, on the Competition transfer form, signed by the Non-Contract Player and the two Clubs, and the form must be forwarded to the Company for approval and registration. Such Non-Contract Player does not become a bona-fide Player of the Club seeking his transfer until the form has been approved and registered by the Competition. A Non-Contract Player whose registration for a Club is cancelled or transferred for any reason whatsoever cannot, without the consent of the Board, return to his original Club until a minimum of fourteen (14) days has elapsed from the date of the cancellation or transfer.
- 6.5.3 A Club cannot register the transfer of a Contract Player or Non-Contract Player unless that Player has been registered with the transferor Club for at least 14 days, unless that Player is a goalkeeper.

6.6 TEMPORARY TRANSFERS (LOANS)

- 6.6.1 Short Term Loans, Youth Loans and Long Term Loans of Contract players shall be allowed to or from Clubs in membership of:-

- The Premier League
- The Football League

For Loan Transfers between Clubs in different Competitions the transfer must be completed on FA Form H3 together with a registration form applicable for the Competition of the transferee club.

The player being taken on loan, [including Youth Loan,] must sign a Competition contract registration form which will be valid for the full period of the loan, including any extension to the loan period. The Competition's standard cancellation form must be used to prematurely end the temporary transfer period. The temporary registration for the borrowing Club will automatically be deemed to be cancelled upon maturity of the temporary transfer period.

Where a Short Term Loan, [or Youth Loan] expires, and is not renewed simultaneously, any subsequent Short Term Loan, [or Youth Loan] of that Player to the same Club will be subject to a minimum duration of 28 days.

No more than four (4) Players (Short Term, Long Term or [Youth]) may join one Club from another Club (or club) in any Playing Season. [An additional Youth Loan Player may be added to this figure.]

- 6.6.2 Short Term Loan Transfers – A Club can have up to a maximum of twelve (12) Short Term Loans during a Playing Season. The minimum period of a Short Term Loan transfer must be twenty-eight (28) days with a maximum of ninety-three (93) days in any one Playing Season.

The Competition shall not approve more than two (2) Short Term Loan transfers to or from any one Club, including Premier League and Football League Clubs, at any one time.

On completing the National League System Temporary Transfer Form or FA form H3, a Club must send the original to the FA, one copy to the Company, and a third copy to the secretary of the League with which the player is registered.

To extend the period of any Short Term Loan transfer a further National League System Temporary Transfer Form or FA form H3 must be completed and copies sent as directed above. If the Short Term Loan transfer is extended only the Club for whom the Player was originally registered will be allowed to cancel the agreement at any time within the extension period, i.e. after 28 days. In the case of a goalkeeper Clubs may mutually agree, if they so wish, to include a recall clause in the agreement to enable the Club for who the Player was originally registered to recall the Player at any time during the loan period. Players other than goalkeepers may not be recalled within the first month, i.e. 28 days, of any loan.

Any Short Term Loan transfer which may terminate after the last day for registrations may be extended for a further period provided the maximum period of 93 days is not exceeded.

Short Terms Loan Transfers which become permanent before their expiry date shall not count against a Club's quota of days or Players.

- 6.6.3 Long Term Loan Transfers – Clubs may have up to a maximum of six (6) Long Term Loan Transfers of any age during a Playing Season.

Long Term Loan Transfers shall be for a full Playing Season; or from any date prior to 31st August to any date between 1st and 31st January; or from any date between 1st and 31st January (the January transfer window) to the end of the Playing Season.

A Player on Long Term Loan may not be recalled, except for a goalkeeper or where the Player is to be transferred permanently by the Club (or club) holding his registered contract. A Player other than a goalkeeper so recalled cannot be permitted to play for the Club (or club) holding his registration after such recall until the end of the Playing Season. Players so recalled can only be replaced by a further Long Term Loan with permission from the Company. Long Term Loan Transfers will not count against the number of Short Term Loan Transfers.

To extend the period of any long term loan transfer a further National League System Temporary Transfer Form or FA form H3 must be completed and copies sent as directed above.

The Competition shall not approve more than two (2) Long Term Loan transfers to or from any one club, including Premier League and Football League Clubs, at any one time.

6.6.4 Youth Loan Transfers

[Youth Loan Transfers apply to:-

6 THE FA GUIDELINES ON HEAD INJURY AND CONCUSSION MANAGEMENT IN PROFESSIONAL FOOTBALL

The rules and regulations surrounding the management of head injury and concussion are based upon a consensus statement, reached after the latest international and inter-sport meeting to discuss these issues. This was held in Zurich in 2012, and the findings of that group were published in 2013.

For reference please see: Consensus statement on concussion in sport: the 4th International Conference on Concussion in Sport held in Zurich, November 2012: Br J Sports Med 2013;47:5 250-258.

Following on from this, the guidelines for management of head injury and concussion in football have been harmonised with those from the consensus meeting.

Emergency Action Plan (EAP)

There should be an EAP in place for management of injury (which includes head injury) for stadia and training grounds. It should include a map of the facility, with emergency exit points, and ambulance siting/arrival points, clearly marked. This should be made available to any visiting teams' staff either prior to arrival via intranet, internet, or email, or given to the medical professional in charge of the visiting team on arrival at the venue. A clear communication pathway for summoning emergency services must be noted. All local hospital telephone numbers, and hosting club staff contact details, should be included.

Pre-season screening

1. Professional players should undergo baseline neuro-psychological testing at the start of each season. This should form part of the normal screening and profiling process undertaken in the pre-season conditioning period.
2. The recommendation is to use a web based neuro-psychological testing programme to profile players at an appropriate time during pre-season. An alternative method is to carry out a SCAT 3 assessment.
3. This pre-season testing acts as a baseline in the event of a player sustaining a head injury. The effects of this injury and the recovery process can be monitored by regular re-testing using the same method utilised during pre-season screening. This forms part of the advice on return to play (see below).
4. Any player with two or more documented concussive episodes in previous seasons should undergo mandatory detailed neuro-psychological testing as well as the routine SCAT 3 assessment.

Head injury management and concussion diagnosis

1. If a head injury occurs, the medical team will enter the field to attend to the player. The referee will signal assent in a match situation.
2. The medical staff will assess the injured player. If there has been a confirmed or suspected period of loss of consciousness, the player must be removed from the field of play, and not be allowed to return. If there is any doubt as to the course of events, elucidation may be sought from officials or other players. In the event that there is video replay available pitch-side or in the players' tunnel, this could be used to clarify the course of events.
3. Where there is a head injury, but no loss of consciousness, an on-field or touchline assessment will take place using the Pocket Concussion Recognition Tool (Pocket CRT): http://www.fifa.com/mm/document/footballdevelopment/medical/01/42/10/50/130214_pocketscat3_print_neutral.pdf). This should be a standard part of any pitch-side medical kit. The decision whether the player is removed from the field should be made by the attending doctor.
4. If there is any suspicion of the player having sustained a concussion, the player must be removed from the field of play, and not allowed to return.
5. If the player has been removed from the field of play because of a suspected or confirmed concussion, they should be monitored until deemed fit and able to leave the venue. If in doubt, further opinion from local hospital services should be sought via the accident and emergency department.
6. If allowed home, the player should not be allowed to drive, and should not be left alone, but with a responsible adult who is instructed that should there be any deterioration in the players' condition, urgent medical attention must be sought.

7. The medical attendant must ensure that the responsible adult is in possession of all contact details of that medical attendant.
8. If there is no medical attendant present, and if there is any suspicion of concussion, the player must be removed from the field of play and not allowed to return. In this case medical advice should be sought from the accident and emergency department.

Return to play guidelines following concussion:

Concussion is a brain injury. There is no blood test or scan currently available that can diagnose it. The diagnosis is made on the basis of history and examination. Return to play after head injury/concussion should be treated as with any other injury. A period of rest, which, in this case, includes mental activity, should be followed by a gradual return to play, closely monitored by medical staff. Serial evaluations using SCAT 3, or whichever pre-season assessment was employed, should be used as an objective adjunct of measure of recovery.

1. The player should undergo a period of physical and mental rest for at least 24 hours after the injury (which includes the playing of video games or similar).
2. The physical return to play 'steps' should follow the course shown below, only progressing to the next step if there are no persistent/recurrent concussion symptoms, such as headache, feeling in a fog, disturbed or blurred vision, sleep disturbance, or unusual emotional behaviour
3. This process should also include serial SCAT 3 assessments, or assessment with whichever pre-season neuro-psychological assessment tool was employed.
4. The chosen neuro-psychological testing should be carried out every 48 hours after the injury, until return to play, and should show a gradual return to baseline. Clinical assessment should be made daily, whilst following the rehabilitation programme as outlined below.
5. Any recurrence or persistence of concussion symptoms such as headache, feeling in a fog, disturbed or blurred vision, sleep disturbance, or unusual emotional behaviour are signs that the player should return to the previous 'return to play step'.
6. An improvement in the serial assessments, both clinical and neuro-psychological, whilst increasing the players' work load, is an indication that they are ready to progress to the next step.

The physical activity 'steps' of rehabilitation should follow this protocol.

- a) No activity
- b) Light aerobic exercise
- c) Sports specific exercise
- d) Non-contact training drills
- e) Full contact practice
- f) Return to play

Each of these steps takes at least one day

7. The player should not be allowed to return to play for at least 6 days after the injury (it often takes longer than this) and in strict accordance with the return to play guidelines (above). This will include a return to baseline of the SCAT 3, or web-based, neuro-psychological criteria. A baseline profile will be available from the pre-season assessment.
8. The player should be examined, and receive the 'all clear' from the club medical officer before returning to play.

9. If progression back to full fitness is delayed in any way, urgent specialist advice should be sought for further assessment.
10. Any player who has suffered two or more concussive episodes during a season should be discussed with a suitably qualified neurological specialist prior to return to play.

Sport Concussion Assessment Tool – 3rd Edition

What is the SCAT3?

The SCAT3 is a standardized tool for evaluating injured athletes for concussion and can be used in athletes aged from 13 years and older. It supersedes the original SCAT and the SCAT2 published in 2005 and 2009, respectively¹. For younger persons, ages 12 and under, please use the Child SCAT3. The SCAT3 is designed for use by medical professionals. If you are not qualified, please use the Sport Concussion Recognition Tool¹. Preseason baseline testing with the SCAT3 can be helpful for interpreting post-injury test scores.

Specific instructions for use of the SCAT3 are provided on page 3. If you are not familiar with the SCAT3, please read through these instructions carefully. This tool may be freely copied in its current form for distribution to individuals, teams, groups and organizations. Any revision or any reproduction in a digital form requires approval by the Concussion in Sport Group.

NOTE: The diagnosis of a concussion is a clinical judgment, ideally made by a medical professional. The SCAT3 should not be used solely to make, or exclude, the diagnosis of concussion in the absence of clinical judgement. An athlete may have a concussion even if their SCAT3 is "normal".

What is a concussion?

A concussion is a disturbance in brain function caused by a direct or indirect force to the head. It results in a variety of non-specific signs and/or symptoms (some examples listed below) and most often does not involve loss of consciousness. Concussion should be suspected in the presence of **any one or more** of the following:

- Symptoms (e.g., headache), or
- Physical signs (e.g., unsteadiness), or
- Impaired brain function (e.g. confusion) or
- Abnormal behaviour (e.g., change in personality).

SIDELINE ASSESSMENT

Indications for Emergency Management

NOTE: A hit to the head can sometimes be associated with a more serious brain injury. Any of the following warrants consideration of activating emergency procedures and urgent transportation to the nearest hospital:

- Glasgow Coma score less than 15
- Deteriorating mental status
- Potential spinal injury
- Progressive, worsening symptoms or new neurologic signs

Potential signs of concussion?

Since signs and symptoms may evolve over time, it is important to consider repeat evaluation in the acute assessment of concussion.

INSTRUCTIONS

Words in *Italics* throughout the SCAT3 are the instructions given to the athlete by the tester.

Symptom Scale

"You should score yourself on the following symptoms, based on how you feel now."

To be completed by the athlete. In situations where the symptom scale is being completed after exercise, it should still be done in a resting state, at least 10 minutes post exercise.

For total number of symptoms, maximum possible is 22.

For Symptom severity score, add all scores in table, maximum possible is $22 \times 6 = 132$.

SAC⁴

Immediate Memory

"I am going to test your memory. I will read you a list of words and when I am done, repeat back as many words as you can remember, in any order."

Trials 2 & 3:

"I am going to repeat the same list again. Repeat back as many words as you can remember in any order, even if you said the word before."

Complete all 3 trials regardless of score on trial 1 & 2. Read the words at a rate of one per second. **Score 1 pt. for each correct response.** Total score equals sum across all 3 trials. Do not inform the athlete that delayed recall will be tested.

Concentration

Digits backward

"I am going to read you a string of numbers and when I am done, you repeat them back to me backwards, in reverse order of how I read them to you. For example, if I say 7-1-9, you would say 9-1-7."

If correct, go to next string length. If incorrect, read trial 2. **One point possible for each string length.** Stop after incorrect on both trials. The digits should be read at the rate of one per second.

Months in reverse order

"Now tell me the months of the year in reverse order. Start with the last month and go backward. So you'll say December, November ... Go ahead"

1 pt. for entire sequence correct

Delayed Recall

The delayed recall should be performed after completion of the Balance and Coordination Examination.

"Do you remember that list of words I read a few times earlier? Tell me as many words from the list as you can remember in any order."

Score 1 pt. for each correct response

Balance Examination

Modified Balance Error Scoring System (BESS) testing¹

This balance testing is based on a modified version of the Balance Error Scoring System (BESS)¹. A stopwatch or watch with a second hand is required for this testing.

"I am now going to test your balance. Please take your shoes off, roll up your pant legs above ankle (if applicable), and remove any ankle taping (if applicable). This test will consist of three twenty-second tests with different stances."

(a) Double leg stance:

"The first stance is standing with your feet together with your hands on your hips and with your eyes closed. You should try to maintain stability in that position for 20 seconds. I will be counting the number of times you move out of this position. I will start timing when you are set and have closed your eyes."

(b) Single leg stance:

"If you were to kick a ball, which foot would you use? (This will be the dominant foot) Now stand on your non-dominant foot. The dominant leg should be held in approximately 30 degrees of hip flexion and 45 degrees of knee flexion. Again, you should try to maintain stability for 20 seconds with your hands on your hips and your eyes closed. I will be counting the number of times you move out of this position. If you stumble out of this position, open your eyes and return to the start position and continue balancing. I will start timing when you are set and have closed your eyes."

(c) Tandem stance:

"Now stand heel-to-toe with your non-dominant foot in back. Your weight should be evenly distributed across both feet. Again, you should try to maintain stability for 20 seconds with your hands on your hips and your eyes closed. I will be counting the number of times you move out of this position. If you stumble out of this position, open your eyes and return to the start position and continue balancing. I will start timing when you are set and have closed your eyes."

Balance testing – types of errors

1. Hands lifted off iliac crest
2. Opening eyes
3. Step, stumble, or fall
4. Moving hip into > 30 degrees abduction
5. Lifting forefoot or heel
6. Remaining out of test position > 5 sec

Each of the 20-second trials is scored by counting the errors, or deviations from the proper stance, accumulated by the athlete. The examiner will begin counting errors only after the individual has assumed the proper start position. **The modified BESS is calculated by adding one error point for each error during the three 20-second tests. The maximum total number of errors for any single condition is 10.** If a athlete commits multiple errors simultaneously, only one error is recorded but the athlete should quickly return to the testing position, and counting should resume once subject is set. Subjects that are unable to maintain the testing procedure for a minimum of **five seconds** at the start are assigned the highest possible score, ten, for that testing condition.

OPTION: For further assessment, the same 3 stances can be performed on a surface of medium density foam (e.g., approximately 50 cm x 40 cm x 6 cm).

Tandem Gait²

Participants are instructed to stand with their feet together behind a starting line (the test is best done with footwear removed). Then, they walk in a forward direction as quickly and as accurately as possible along a 38mm wide (sports tape), 3 meter line with an alternate foot heel-to-toe gait ensuring that they approximate their heel and toe on each step. Once they cross the end of the 3m line, they turn 180 degrees and return to the starting point using the same gait. A total of 4 trials are done and the best time is retained. Athletes should complete the test in 14 seconds. Athletes fail the test if they step off the line, have a separation between their heel and toe, or if they touch or grab the examiner or an object. In this case, the time is not recorded and the trial repeated, if appropriate.

Coordination Examination

Upper limb coordination

Finger-to-nose (FTN) task:

"I am going to test your coordination now. Please sit comfortably on the chair with your eyes open and your arm (either right or left) outstretched (shoulder flexed to 90 degrees and elbow and fingers extended), pointing in front of you. When I give a start signal, I would like you to perform five successive finger to nose repetitions using your index finger to touch the tip of the nose, and then return to the starting position, as quickly and as accurately as possible."

Scoring: 5 correct repetitions in < 4 seconds = 1

Note for testers: Athletes fail the test if they do not touch their nose, do not fully extend their elbow or do not perform five repetitions. **Failure should be scored as 0.**

Sport Concussion Assessment Tool for children ages 5 to 12 years

For use by medical professionals only

What is childSCAT3?

The ChildSCAT3 is a standardized tool for evaluating injured children for concussion and can be used in children aged from 5 to 12 years. It supersedes the original SCAT and the SCAT2 published in 2005 and 2009, respectively¹. For older persons, ages 13 years and over, please use the SCAT3. The ChildSCAT3 is designed for use by medical professionals. If you are not qualified, please use the Sport Concussion Recognition Tool: Pre-season baseline testing with the ChildSCAT3 can be helpful for interpreting post-injury test scores.

Specific instructions for use of the ChildSCAT3 are provided on page 3. If you are not familiar with the ChildSCAT3, please read through these instructions carefully. This tool may be freely copied in its current form for distribution to individuals, teams, groups and organizations. Any revision and any reproduction in a digital form require approval by the Concussion in Sport Group.

NOTE: The diagnosis of a concussion is a clinical judgment, ideally made by a medical professional. The ChildSCAT3 should not be used solely to make, or exclude, the diagnosis of concussion in the absence of clinical judgement. An athlete may have a concussion even if their ChildSCAT3 is "normal".

What is a concussion?

A concussion is a disturbance in brain function caused by a direct or indirect force to the head. It results in a variety of non-specific signs and/or symptoms (like those listed below) and most often does not involve loss of consciousness. Concussion should be suspected in the presence of any one or more of the following:

- Symptoms (e.g., headache), or
- Physical signs (e.g., unsteadiness), or
- Impaired brain function (e.g. confusion) or
- Abnormal behaviour (e.g., change in personality).

SIDELINE ASSESSMENT

Indications for Emergency Management

NOTE: A hit to the head can sometimes be associated with a more severe brain injury. If the concussed child displays any of the following, then do not proceed with the ChildSCAT3; instead activate emergency procedures and urgent transportation to the nearest hospital:

- Glasgow Coma score less than 15
- Deteriorating mental status
- Potential spinal injury
- Progressive, worsening symptoms or new neurologic signs
- Persistent vomiting
- Evidence of skull fracture
- Post traumatic seizures
- Coagulopathy
- History of Neurosurgery (eg Shunt)
- Multiple injuries

Scoring on the ChildSCAT3 should not be used as a stand-alone method to diagnose concussion, measure recovery or make decisions about an athlete's readiness to return to competition after concussion.

Since signs and symptoms may evolve over time, it is important to consider repeat evaluation in the acute assessment of concussion.

INSTRUCTIONS

Words in *italics* throughout the ChildSCAT3 are the instructions given to the child by the tester.

Sideline Assessment – child-Maddocks Score

To be completed on the sideline/in the playground, immediately following concussion. There is no requirement to repeat these questions at follow-up.

Symptom Scale⁸

In situations where the symptom scale is being completed after exercise, it should still be done in a resting state, at least 10 minutes post exercise.

On the day of injury

- the child is to complete the Child Report, according to how he/she feels now.

On all subsequent days

- the child is to complete the Child Report, according to how he/she feels today, and
- the parent/carer is to complete the Parent Report according to how the child has been over the previous 24 hours.

Standardized Assessment of Concussion – Child Version (SAC-C)⁹

Orientation

Ask each question on the score sheet. A correct answer for each question scores 1 point. If the child does not understand the question, gives an incorrect answer, or no answer, then the score for that question is 0 points.

Immediate memory

"I am going to test your memory. I will read you a list of words and when I am done, repeat back as many words as you can remember, in any order."

Trials 2 & 3:

"I am going to repeat the same list again. Repeat back as many words as you can remember in any order, even if you said the word before."

Complete all 3 trials regardless of score on trial 1 & 2. Read the words at a rate of one per second. **Score 1 pt. for each correct response.** Total score equals sum across all 3 trials. Do not inform the child that delayed recall will be tested.

Concentration

Digits Backward:

"I am going to read you a string of numbers and when I am done, you repeat them back to me backwards, in reverse order of how I read them to you. For example, if I say 7-1, you would say 1-7."

If correct, go to next string length. If incorrect, read trial 2. **One point possible for each string length.** Stop after incorrect on both trials. The digits should be read at the rate of one per second.

Days in Reverse Order:

"Now tell me the days of the week in reverse order. Start with Sunday and go backward. So you'll say Sunday, Saturday ... Go ahead"

1 pt. for entire sequence correct

Delayed recall

The delayed recall should be performed after completion of the Balance and Coordination Examination.

"Do you remember that list of words I read a few times earlier? Tell me as many words from the list as you can remember in any order."

Circle each word correctly recalled. **Total score equals number of words recalled.**

Balance examination

These instructions are to be read by the person administering the childSCAT3, and each balance task should be demonstrated to the child. The child should then be asked to copy what the examiner demonstrated.

Modified Balance Error Scoring System (BESS) testing¹⁰

This balance testing is based on a modified version of the Balance Error Scoring System (BESS)⁵. A stopwatch or watch with a second hand is required for this testing.

"I am now going to test your balance. Please take your shoes off, roll up your pant legs above ankle (if applicable), and remove any ankle taping (if applicable). This test will consist of two different parts."

(a) Double leg stance:

The first stance is standing with the feet together with hands on hips and with eyes closed. The child should try to maintain stability in that position for 20 seconds. You should inform the child that you will be counting the number of times the child moves out of this position. If the child stumbles out of this position, instruct him/her to open the eyes and return to the start position and continue balancing. You should start timing when the child is set and the eyes are closed.

(b) Tandem stance:

Instruct the child to stand heel-to-toe with the non-dominant foot in the back. Weight should be evenly distributed across both feet. Again, the child should try to maintain stability for 20 seconds with hands on hips and eyes closed. You should inform the child that you will be counting the number of times the child moves out of this position. If the child stumbles out of this position, instruct him/her to open the eyes and return to the start position and continue balancing. You should start timing when the child is set and the eyes are closed.

Balance testing – types of errors - Parts (a) and (b)

1. Hands lifted off iliac crest
2. Opening eyes
3. Step, stumble, or fall
4. Moving hip into > 30 degrees abduction
5. Lifting forefoot or heel
6. Remaining out of test position > 5 sec

Each of the 20-second trials is scored by counting the errors, or deviations from the proper stance, accumulated by the child. The examiner will begin counting errors only after the child has assumed the proper start position. **The modified BESS is calculated by adding one error point for each error during the two 20-second tests. The maximum total number of errors for any single condition is 10.** If a child commits multiple errors simultaneously, only one error is recorded but the child should quickly return to the testing position, and counting should resume once subject is set. Children who are unable to maintain the testing procedure for a minimum of **five seconds** at the start are assigned the highest possible score, ten, for that testing condition.

OPTION: For further assessment, the same 2 stances can be performed on a surface of medium density foam (e.g., approximately 50cm x 40cm x 6cm).

Tandem Gait⁷

Use a clock (with a second hand) or stopwatch to measure the time taken to complete this task. Instruction for the examiner – **Demonstrate the following to the child:**

The child is instructed to stand with their feet together behind a starting line (the test is best done with footwear removed). Then, they walk in a forward direction as quickly and as accurately as possible along a 38mm wide (sports tape), 3 meter line with an alternate foot heel-toe gait ensuring that they approximate their heel and toe on each step. Once they cross the end of the 3m line, they turn 180 degrees and return to the starting point using the same gait. A total of 4 trials are done and the best time is retained. Children fail the test if they step off the line, have a separation between their heel and toe, or if they touch or grab the examiner or an object. In this case, the time is not recorded and the trial repeated, if appropriate.

Explain to the child that you will time how long it takes them to walk to the end of the line and back.

Coordination examination

Upper limb coordination

Finger-to-nose (FTN) task:

The tester should demonstrate it to the child.

"I am going to test your coordination now. Please sit comfortably on the chair with your eyes open and your arm (either right or left) outstretched (shoulder flexed to 90 degrees and elbow and fingers extended). When I give a start signal, I would like you to perform five successive finger to nose repetitions using your index finger to touch the tip of the nose as quickly and as accurately as possible."

Scoring: 5 correct repetitions in < 4 seconds = 1

Note for testers: Children fail the test if they do not touch their nose, do not fully extend their elbow or do not perform five repetitions. **Failure should be scored as 0.**

CHILD ATHLETE INFORMATION

Any child suspected of having a concussion should be removed from play, and then seek medical evaluation. The child must NOT return to play or sport on the same day as the suspected concussion.

Signs to watch for

Problems could arise over the first 24–48 hours. The child should not be left alone and must go to a hospital at once if they develop any of the following:

- New Headache, or Headache gets worse
- Persistent or increasing neck pain
- Becomes drowsy or can't be woken up
- Can not recognise people or places
- Has Nausea or Vomiting
- Behaves unusually, seems confused, or is irritable
- Has any seizures (arms and/or legs jerk uncontrollably)
- Has weakness, numbness or tingling (arms, legs or face)
- Is unsteady walking or standing
- Has slurred speech
- Has difficulty understanding speech or directions

Remember, it is better to be safe.

Always consult your doctor after a suspected concussion.

Return to school

Concussion may impact on the child's cognitive ability to learn at school. This must be considered, and medical clearance is required before the child may return to school. **It is reasonable for a child to miss a day or two of school after concussion, but extended absence is uncommon.** In some children, a graduated return to school program will need to be developed for the child. The child will progress through the return to school program provided that there is no worsening of symptoms. If any particular activity worsens symptoms, the child will abstain from that activity until it no longer causes symptom worsening. Use of computers and internet should follow a similar graduated program, provided that it does not worsen symptoms. This program should include communication between the parents, teachers, and health professionals and will vary from child to child. The return to school program should consider:

- Extra time to complete assignments/tests
- Quiet room to complete assignments/tests
- Avoidance of noisy areas such as cafeterias, assembly halls, sporting events, music class, shop class, etc
- Frequent breaks during class, homework, tests
- No more than one exam/day
- Shorter assignments
- Repetition/memory cues
- Use of peer helper/tutor
- Reassurance from teachers that student will be supported through recovery through accommodations, workload reduction, alternate forms of testing
- Later start times, half days, only certain classes

The child is not to return to play or sport until he/she has successfully returned to school/learning, without worsening of symptoms. Medical clearance should be given before return to play.

If there are any doubts, management should be referred to a qualified health practitioner, expert in the management of concussion in children.

Return to sport

There should be no return to play until the child has successfully returned to school/learning, without worsening of symptoms.

Children must not be returned to play the same day of injury. When returning children to play, they should **medically cleared and then follow a stepwise supervised program**, with stages of progression.

For example:

Rehabilitation stage	Functional exercise at each stage of rehabilitation	Objective of each stage
No activity	Physical and cognitive rest	Recovery
Light aerobic exercise	Walking, swimming or stationary cycling keeping intensity, 70 % maximum pre-dicted heart rate. No resistance training	Increase heart rate
Sport-specific exercise	Skating drills in ice hockey, running drills in soccer. No head impact activities	Add movement
Non-contact training drills	Progression to more complex training drills, eg passing drills in football and ice hockey. May start progressive resistance training	Exercise, coordination, and cognitive load
Full contact practice	Following medical clearance participate in normal training activities	Restore confidence and assess functional skills by coaching staff

Return to play Normal game play

There should be approximately 24 hours (or longer) for each stage and the child should drop back to the previous asymptomatic level if any post-concussive symptoms recur. Resistance training should only be added in the later stages.

If the child is symptomatic for more than 10 days, then review by a health practitioner, expert in the management of concussion, is recommended. Medical clearance should be given before return to play.

Notes:

CONCUSSION INJURY ADVICE FOR THE CHILD AND PARENTS / CARERS

(To be given to the **person monitoring** the concussed child)

This child has received an injury to the head. A careful medical examination has been carried out and no sign of any serious complications has been found. It is expected that recovery will be rapid, but the child will need monitoring for the next 24 hours by a responsible adult.

If you notice any change in behavior, vomiting, dizziness, worsening headache, double vision or excessive drowsiness, please call an ambulance to transport the child to hospital immediately.

Other important points:

- Following concussion, the child should rest for at least 24 hours.
- The child should avoid any computer, internet or electronic gaming activity if these activities make symptoms worse.
- The child should not be given any medications, including pain killers, unless prescribed by a medical practitioner.
- The child must not return to school until medically cleared.
- The child must not return to sport or play until medically cleared.

GOALPOST SAFETY GUIDELINES

Updated May 2015

The Football Association, along with the Department for Culture, Media and Sport, the Health and Safety Executive and the British Standards Institution, would like to draw your attention to the following guidelines for the safe use of goalposts.

Several serious injuries and fatalities have occurred in recent years as a result of unsafe or incorrect use of goalposts. Safety is always of paramount importance and everyone in football must play their part to prevent similar incidents occurring in the future:

1. For safety reasons goalposts of any size (including those which are portable and not installed permanently at a pitch or practice field) must always be anchored securely to the ground or have a weighted back bar.
 - Portable goalposts must be secured as per the manufacturer's instructions; this is also a requirement for the Laws of the Game.
 - Under no circumstances should children or adults be allowed to climb on, swing or play with the structure of the goalposts;
 - Particular attention is drawn to the fact that if not properly assembled and secured, portable goalposts may overturn; and
 - Regular inspections of goalposts must be carried out to check that they are properly maintained.
2. Portable goalposts should not be left in place after use. They should be either dismantled and removed to a place of secure storage, or placed together and suitable fixings applied to prevent unauthorised use at any time.
3. The use of metal cup hooks on any part of a goal frame was banned from the commencement of season 2007-08 and match officials have been instructed not to commence matches where such net fixings are evident for safety reasons. Nets may be secured by plastic fixings, arrow head shaped plastic hooks or tape but not by metal cup hooks. Any metal cup hooks should be removed and replaced. New goalposts purchased should meet the relevant British Standards.
4. Goalposts which are "home made" or which have been altered from their original size or construction should not be used under any circumstances as they potentially pose a serious safety risk
5. There is no BS/CEN standard for wooden goals and it is unlikely that wooden goals will pass a load or stability test. The FA recommends that wooden goals should be replaced with British Standard compliant metal, aluminium or plastic goalposts. All wooden goals previously tested by independent consultants have failed strength and stability tests.

For reference, you should note that The FA and BSI, in conjunction with the industry, have developed two standards for goalposts – BSEN 748 (2013) BS 8461:2005 +A1: 2009 and BS 8462: 2005 +A2: 2012. It is strongly recommended that you ensure that all goals purchased comply with the relevant standard. A Code of Practice BS 8461 has also been completed and copies of all of these three standards are available from the BSI.

Funding for the replacement of unsafe goals is available via the Football Foundation and eligibility criteria and further details can be obtained from their website.

The FA together with representatives from the industry, sports governing bodies and Government have prepared guidance notes for pitch users and pitch providers, which summarise the key priorities of the BSI's Code of Practice and provide further details on the information included above. These details are featured within the facilities section of The FA's website – www.TheFA.com

REMEMBER TO USE GOALPOSTS SAFELY AT ALL TIMES

GOALPOST AND PITCH SIZES

The FA receives many enquiries around pitch and goal sizes suitable for all age groups and therefore recommends the following should be applied where possible:-

Age grouping	Type	Recommended size of Goal Posts		Maximum Recommendation without runoff		Recommended size including runoff (Safety area around pitch)	
		(Height x width) ft	(Height x width) ft	(Length x width) yds	(Length x width) yds	(Length x width) yds	(Length x width) yds
Mini-Soccer U7/U8	5 v 5	6	12	40	30	46	36
Mini Soccer U9/U10	7 v 7	6	12	60	40	66	46
Youth U11/U12	9 v 9	7	16	80	50	86	56
Youth U13/U14	11 v 11	7*	21*	90	55	96	61
Youth U15/U16	11 v 11	8	24	100	60	106	66
Youth U17/U18	11 v 11	8	24	110	70	116	76
Over 18 Senior Ages	11 v 11	8	24	110	70	116	76

Note: County FAs and Leagues may have defined rules for their own competitions and reference should always be made to their handbooks for additional guidance and compliance.

The FA recommends that run-off's for natural grass pitches should be a minimum of 3 yards (or 3 metres) all around the pitch. For those clubs playing in the football pyramid the minimum safety run off is 1.83 metres (6 feet) but ideally at least 2 metres.

The run-off must be of natural grass and must not be of tarmac or concrete construction, with no barriers or obstructions evident within the run-off area. If Football Turf (3G) is to be used as a run-off, this should be constructed to meet the performance standards of full size pitches and be green in colour.

Where pitches neighbour others within a confined area, the minimum run-off between both pitches should ideally be 6 yards to allow for spectators watching either match.

The Laws of the Game may be modified in their application for matches for players of under 16 years of age, for women footballers, for veteran footballers (over 35 years) and for players with disabilities.

Any or all of the following modifications are permissible:-

- (a) the size of the field of play
- (b) the size, weight and material of the ball
- (c) the width between the goalposts and the height of the crossbar from the ground
- (d) the duration of the periods of play
- (e) substitutions

* If a pitch is to be provided for U13/14 it is recommended that 7 x 21 goalposts are provided. However, it should be noted that 8 x 24 would also be acceptable as not all sites will be able to provide specifically for this age group

THIRD GENERATION (3G) FOOTBALL TURF PITCHES

There continues to be significant interest in the use of Third Generation Football Turf Pitches (3G) for clubs in the National League System and below.

Much of this interest, both from leagues and clubs within the non-League pyramid, seeks to understand The FA's position regarding the sanction of these pitches, particularly in FA Competitions.

The FA Board and Council have now approved the use of such pitches in all FA competitions.

- FA CUP
- FA Trophy
- FA Vase
- FA Youth Cup
- FA Women's Super League, FA Women's Premier League, FA Women's Cup and FA WSL Continental Cup
- FA Sunday Cup
- FA County Youth Cup

The use of such pitches is however dependent on compliance with conditions of use – a copy of these is available for download and should be read in association with these notes.

It has been agreed that matches for steps 3 - 7 of the National League System, Womens Super League 1 and FA competitions may be played on 3G Football Turf Pitches that conform to the FIFA 1 star/Quality performance standard, or the equivalent International Artificial Turf Standard (IATS)/ International match standard (IMS). (see specific notes in the league rules relating to steps 1 and 2 and the FA Cup competition rules relating to first round 'proper' fixtures involving professional clubs)

To qualify for use, the pitch must be certified annually as meeting the FIFA 1 Star/Quality or IATS/IMS Standard and listed on the FA's Register of 3G Football Turf pitches. The relevant certificate or report must be supplied to The FA and relevant competition before play is allowed.

3G Football Turf pitches are also allowed to be used for matches below Step 7 (including youth competitions) subject to the pitch meeting the correct performance criteria (relaxed from the FIFA 1 star /Quality standard) and appearing on the FA 3G register. A pitch must be tested (by an accredited test institute) every three years and the certificate or report passed to the FA. The FA will give a decision on the suitability for use and add the pitch to the Register.

Clubs should make their own risk assessment of whether such an installation is plausible or not given their individual circumstances and depending on the volume of use. There is a risk that pitches may deteriorate over time and may not achieve the required standards at each period of retesting especially if the pitch has significant use.

It is suggested that clubs negotiate suitable longevity warranties from the pitch manufacturers to ensure that the pitch will last in line with the club's business plan and intended usage levels. A sinking fund should be established to ensure sufficient funds are available when the surface needs replacing.

Clubs are encouraged to understand the full maintenance required, which may be necessary to validate any warranty. The FA have found that most pitches that fail the performance test have insufficient maintenance. These pitches are not maintenance free and it is recommended that 1 hour maintenance is provided for every 10 hours use. This should increase for high activity use such as youth competitions or school use.

The FA together with representatives from the industry have prepared information regarding the design, installation, construction, maintenance and testing of Football Turf Pitches and The FA Facilities and Investment team can also offer advice to clubs considering installation. This information can be accessed within the facilities section of The FA's website www.TheFA.com.

GUIDANCE NOTES ON LINE MARKING OF FOOTBALL PITCHES

Various practices have been used in the past for the application of white, or other coloured, lines to football pitches. The objectives of such practices has been to both reduce labour and materials costs whilst endeavouring to keep the lines visible for a greater length of time. Some of these practices have lead to injury and subsequent court action being taken against managers and clubs. You are therefore advised to study the following notes carefully.

A. LEGISLATION

The main governing factors for marking out white lines are the same as that for other routine tasks in the workplace.

1. Duty of Care

Under the Health & Safety at Work Act 1974 every employer has a duty of care to ensure the workplace is safe for their employees, contractors, visitors, players, and spectators.

2. The Control of Substances Hazardous to Health Regulations 2002 (COSHH)

Regulations to prevent ill health from exposure to any hazardous substances present in the workplace.

3. Risk Assessment

You are required to carry out assessments on all tasks carried out in the workplace in relation to the nature of hazard, worst outcome, person(s) at risk, current precautions, estimated risk and further precautions.

If a risk assessment is correctly carried out this will ensure an appropriate line marking material is applied, ensuring best practice and, above all, safety of the groundsperson and players.

It is the duty of all Managers to ensure that all the regulations are adhered to as they are ultimately responsible in the eyes of the law. If line marking is carried out by contractors then a specification should be drawn up to include all the safeguards outlined in these guidance notes. This might also extend to include specifying a particular product however, the contractor should also provide a written risk assessment on the day of the line marking activity.

B. SUITABLE LINE MARKING COMPOUNDS

1. Permanent paints

Based on pigmented viscous liquid. These “paints” can be applied either in a diluted form or neat.

2. Powders

There are various non-toxic whiting powders available which are based on ground natural calcium carbonate and can be used wet or dry. They are safe to use provided COSHH regulations are adhered to. Under COSHH the user would eliminate the risk as much as possible, although in practice this might require the user to wear gloves and eye protection and to wash off any contact with the skin as a precautionary measure. Most powders are supplied in a fine form.

Only materials approved for use as a line marking material on a grass surfaces can be used on football pitches. An example of an illegal material is hydrated Lime (Calcium hydroxide). This should never be used for line marking. It is toxic and can give rise to chemical skin burns and irritations. It can cause serious damage to the eyes and skin on contact in both its dry or wet form. Its use is not approved or recommended under any circumstances.

C. USE OF HERBICIDES TO REINFORCE LINE MARKINGS

Until **The Food and Environment Protection Act, 1985 (FEPA)** was introduced many groundsmen and club members used various herbicides mixed in with whitening compounds to keep the lines in longer and more visible during the winter playing season.

It is, however, only permissible to use a herbicide which is approved for use on sports turf, and this is likely to be a total herbicide. COSHH and a suitable Risk Assessment must be carried out prior to any application. A further legal consideration is that the user must have successfully obtained his/her Certificate of Competence in the Safe Use of Pesticides (PA1, PA2A or PA6A).

Any herbicide product for line marking must be used within the conditions of approval granted under The Control of Pesticide Regulations, 1986 (COPR), and subsequent amendments, and as outlined on the product label. There should be no risk to players by contact or transfer of the active herbicide to any part of the body. A Risk Assessment must always be carried out prior to any use of these materials to a grass surface.

The addition of herbicides to whitening materials is not a recommended practice however, there may be approved products available which might be considered in some circumstances.

Play safe – use only safe and approved materials. Do not use old materials as they may no longer be approved for use.

D. MACHINES AVAILABLE TO MARK LINES

Marking machines fall into the following categories.

1. Dry Line Markers

As the name implies, these are for applying dry powder compounds.

2. Pressure Pump Markers

A wheel driven pump forces marking fluid through a jet or spout directly onto the turf surface.

3. Electric Pump Markers

These are battery driven to constantly maintain the required pressure and direct the liquid onto the turf surface.

4. Belt Feed Markers

These have a moving belt system which conveys a continual supply of liquid onto the turf surface by contact

5. Wheel Transfer Markers

These convey the liquid via rotating wheel onto a tray and then via a sponge wheel directly onto the turf surface.

All of the above markers are obtainable from most sports ground suppliers. Before purchasing any marker have a demonstration first, and ensure you get the right marker for your requirements.

LINE MARKING

Multi-line Marking on Single Pitches

FIFA rules stipulate (Law 1 The field of play) that where 3G Football Turf pitches are being used 11v11 adult pitch should be marked in white. Other lines are permitted provided that they are of a different colour and clearly distinguishable. The lines must be of the same width which must not be more than (12cm) 5 inches. The FA have produced guidance documents for natural and football turf pitches that include recommended colours and how pitch dimensions and layouts can be implemented. These documents are available on The FA website.

As a quick guide the following colours are recommended when marking pitches:

Red Mini Soccer U7 & U8 (5v5)

Yellow Mini Soccer U9 & U10 (7v7)

Blue U11 & U12 (9v9)

White other age groups & adult (11v11)

RESPECT

Respect is The FA's response to a clear message from throughout the game that the health of football depends upon high standards of behaviour on and off the pitch.

- **Respect** is a behavioural code for Football
- **Respect** is about recognising that the integrity of the game is more important than the result of the match
- **Respect** is about creating an understanding of what is acceptable and unacceptable behaviour in Football
- **Respect** is about those involved taking responsibility for the consequences of their own actions
- **Respect** is about supporting match officials to do their job. Without them we don't have a game
- **Respect** is not a slogan. It is a collective responsibility of those involved in football to create a fair, safe and enjoyable environment in which the game can take place.

The following Respect Codes of Conduct outline the types of behaviour that will support a fair, safe and enjoyable game in this country. They also identify a range of sanctions which may be taken if these codes are not abided by.

YOUNG PLAYERS – RESPECT CODE OF CONDUCT

When playing football, I will:

- Always play to the best of my ability and for the benefit of my team
- Play fairly – I won't cheat, dive, complain or waste time.
- Respect my team-mates, the other team, the referee or my coach/team manager.
- Play by the rules, as directed by the referee
- Be gracious in victory and defeat – I will shake hands with the other team and referee at the end of the game
- Listen and respond to what my coach/team manager tells me
- Understand that a coach/team manager has to do what is best for the team and not one individual player
- Talk to someone I trust or the club welfare officer if I'm unhappy about anything at my club.

I understand that if I do not follow the Code, any/all of the following actions may be taken by my club, County FA or The FA:

I may:

- Be required to apologise to my team-mates, the other team, referee or team manager
- Receive a formal warning from the coach/team manager or the club committee
- Be dropped or substituted
- Be suspended from training
- Be required to leave the club

In addition:

- My club, County FA or The FA may make my parent or carer aware of any infringements of the Code of Conduct
- The FA/County FA could impose a fine and suspension against my club

SPECTATORS – RESPECT CODE OF CONDUCT

We all bear a collective responsibility to set a good example and help provide a positive environment in which children can learn and enjoy the game.

Play your part and observe The FA's Respect Code of Conduct for spectators at all times

I will:

- Respect the Referee's decisions even when you don't agree with them
- Appreciate good play from whatever team it comes from
- Remain behind the touchline and within the Designated Spectators' Area (where provided)
- Let the coach do their job and not confuse the players by telling them what to do
- Encourage the players to respect the opposition, referee and match officials
- Support positively. When players make a mistake offer them encouragement not criticism
- Never engage in, or tolerate, offensive, insulting, or abusive language or behaviour

I understand that if I do not follow the Code, any/all of the following actions may be taken by my club, County FA or The FA:

I may be:

- Issued with a verbal warning from a club or league official

- Never engage in or tolerate any form of bullying
- Encourage each player to accept responsibility for their own behaviour and performance
- Ensure all activities I organise are appropriate for the players' ability level, age and maturity
- Co-operate fully with others in football (e.g. officials, doctors, physiotherapists, welfare officers) for each player's best interests

I understand that if I do not follow the Code, any/all of the following actions may be taken by my club, County FA or The FA:

I may be:

- Required to meet with the club, league or County Welfare Officer

MATCH OFFICIALS

We all have a responsibility to promote high standards of behaviour in the game.

The behaviour of the match officials has an impact, directly and indirectly, on the conduct of everyone involved in the game – both on the pitch and on the sidelines.
