The rules and criteria set out in this document will apply for the remainder of the 2020/21 season and will be effective from 1 January 2021. The criteria will be reviewed in early 2021 in order that revised criteria can be issued (if necessary) in respect of the 2020/21 season.

For any queries regarding these criteria or the application process, please contact Freddie Carter (Player Status Department) at Freddie.Carter@thefa.com (or registrations@thefa.com) or on 0844 980 8200 # 4818.

Please note that this guidance should be reviewed in conjunction with the relevant advice issued by the Home Office. The FA is not registered to give advice on immigration routes or processes or to advise on an individual’s immigration status and clubs should fully apprise themselves of their duties and responsibilities as sponsors. Information on aspects of immigration policy and law can be found on the Home Office website at www.gov.uk/browse/visas-immigration. You may also wish to seek advice from an Office of the Immigration Services Commissioner (OISC) registered advisor or someone who is appropriately qualified but otherwise exempt from such a registration requirement, for example, a qualified solicitor. The UK Visas and Immigration Centre can be contacted on 0300 123 2241.

Clubs are advised to allow sufficient time for entry clearance or leave to remain to be granted. The time taken may vary depending upon where the player is making her application from. A guide to visa processing times is available on the Home Office website at: www.gov.uk/visa-processingtimes.

Please note that an individual’s personal and immigration history may be taken into account when their application is being considered.

GOVERNING BODY ENDORSEMENT REQUIREMENTS

GBE STATUS

1. A club must obtain a GBE from The FA before a Player is permitted to undertake any employment duties for the club (including participation at training and in friendly matches). A Player can register for a club without a GBE but, in order to play any football, she must have obtained a GBE, been assigned a Certificate of Sponsorship by that club and secured leave to remain under Tiers 2 or 5 of the PBS (subject to satisfying any other eligibility requirements of The FA and any competitions the club participates in).
2. A club can apply for a GBE for a Player at any time during the Season. In order to apply for a GBE, a club must hold a valid Sponsor’s Licence under Tier 2 and/or Tier 5 of the PBS. In order to apply for and obtain a valid Sponsor’s Licence, a club must have obtained an endorsement letter for a Sponsor’s Licence from the FA. If a Club’s Sponsor’s Licence is revoked, any Player who has obtained a GBE in order to play for the Club may have her leave curtailed and may have to make a change in employment application which must be granted before the Player can undertake any employment duties for the new club.
3. Clubs in the FA Women’s Super League or FA Women’s Championship are eligible for a Sponsor’s Licence. Clubs in other leagues within the women’s football pyramid are not permitted to field Players unless:
 - a) The Player has obtained a visa outside the GBE system which permits them to play football (on such terms as they in fact play); and
 - b) The Player’s employment by the club complies with the terms and conditions of their visa and any relevant immigration law, including the Immigration Rules (or any successor legislation), and including but not limited to in relation to the requirements regarding professional sportspersons.
4. If The FA grants an application for a GBE for a Player in accordance with these criteria, the club is permitted to assign a Certificate of Sponsorship to the Player for the period covered by the GBE. The GBE must be presented to the Home Office when the club applies for entry clearance on behalf of a player, which must be done within 3 months of a Certificate of Sponsorship being assigned. Any Certificate of Sponsorship and a copy of the player’s biometric residence permit must be submitted to The FA by the club within 3 months of being assigned. Clubs must keep a copy of the relevant page of the Player’s passport evidencing their entitlement to work and contact details for the Player, which must be provided to The FA upon request. The club will also have to comply with any other criteria set by the Home Office in order to secure leave to remain under Tier 2 (Sportsperson) or Tier 5 (Temporary Worker – Creative and Sporting) of the PBS.
5. A GBE under Tier 2 of the PBS will be granted for three years or the length of the player’s contract (whichever is shorter) and a GBE under Tier 5 of the PBS will be granted for twelve months or the length of the player’s contract (whichever is shorter). A Player will not be eligible to play for the club beyond the expiry date of the GBE unless the club has applied for and obtained an Extended GBE before the existing GBE has expired in accordance with these criteria and the PBS.

Extensions to or transfers of a GBE

The Football Association – Governing Body Endorsement Requirements for Women’s Players

6. An Extended GBE under Tier 2 of the PBS can be obtained for three years or the length of the player’s contract (whichever is shorter). If a GBE was granted for less than twelve months under Tier 5 of the PBS, an Extended GBE can be obtained to extend the period of the Player’s GBE to a total of twelve months and the application can be made within the country. If a Club wishes to grant an Extended GBE under Tier 5 of the PBS to extend the period of the Player’s GBE to over twelve months, the Player must leave the country before the expiry of the twelve month period and make an application for an Extended GBE under Tier 5 of the PBS.
7. A Player who has been granted a GBE under Tier 5 (Temporary Worker – Creative and Sporting) of the PBS can apply (in country) to transfer to a GBE under Tier 2 (Sportsperson) of the PBS, provided that application is made within twelve months of the Tier 5 GBE being granted. The club must submit a new application for a GBE and provide a pass certificate, or other written confirmation containing an appropriate reference number, from an accredited English language test centre that the Player has passed the English language test required to secure leave to remain under Tier 2 of the PBS (in addition to the documents listed in paragraph 18).
8. A Player who has been granted a GBE must submit a new application for a GBE if she wishes to permanently transfer (or has permanently transferred) to another club. If the GBE is granted, the player must submit a change of employment application to the Home Office, which must be granted before the Player can undertake any employment duties for the new club.
9. Any application for an Extended GBE (in accordance with paragraph 6), a transfer of a GBE (in accordance with paragraph 7) or a new club application for a GBE (in accordance with paragraph 8) shall be considered as follows:
 - a) If the Player’s International Appearances meet the Auto Pass Percentage set out in Table 1 of the criteria, a new or Extended GBE will be granted (as appropriate).
 - b) If the Player’s International Appearances do not meet the Auto Pass Percentage set out in Table 1 of the criteria, the club must submit details of the Player’s Domestic Available Minutes for the last 12 months and any other information which it considers to be relevant to its application to The FA. The FA will then provide this information to the Relevant Interested Parties by email. The FA and the Relevant Interested Parties shall consider this information, and any other information which they deem to be relevant in their absolute discretion, to determine whether the player remains of sufficient quality to be awarded a GBE. The FA and the Relevant Interested Parties shall make a decision by simple majority and if a majority of The FA and the Relevant Interested Parties recommend that the player should be awarded a GBE, a new or Extended GBE will be granted (as appropriate).
 - c) The player shall not have a new or Extended GBE granted (as appropriate) other than in accordance with paragraphs 9.a) or 9.b) above.
10. If a Player:
 - a) does not turn up for employment;
 - b) is absent for more than 10 working days without permission;
 - c) has her contract terminated during the period that a GBE is effective;
 - d) is no longer sponsored by the club for any other reason; or
 - e) experiences significant changes in her circumstances (such as a change in job title, salary or location of employment),

the club must inform the Home Office within 10 days.

The Football Association – Governing Body Endorsement Requirements for Women’s Players

11. The club must also inform the Home Office if there is a change of circumstances at the club within 20 working days. A change in circumstances might include changes of name, address or contact details, changes in structure (including mergers, takeovers and de-mergers), changes in financial circumstances (such as administration, receivership, company voluntary arrangement, debt arrangement scheme, liquidation or sequestration)

Temporary Transfers/Loans

12. If a Player who has been granted a GBE in accordance with these criteria is loaned to another club during the period of validity of the GBE, the Player’s club must notify the Home Office of the loan and change of location via the Sponsor Management System within 10 working days (regardless of the jurisdiction in which the loanee club is based). The loaning club will retain responsibility as the Player’s sponsor.
13. If a Player is loaned from an English Club to another English Club (a “**Domestic Loan**”), no GBE application will be required by the loanee club. If the Player is loaned from an English Club to a club affiliated to another Home Association, or another National Association, the governing body endorsement process of that association will have to be satisfied by the loanee club.
14. If a Domestic Loan is made permanent, the new club will be required to submit an application for a GBE (which must comply with the requirements set out in these criteria). If the GBE is granted, the player will need to make a change of employment application. Provided the Domestic Loan continues until the date on which the change of employment application is granted, the Player can continue to play for the new club in the interim period.
15. If a Player is loaned from a club affiliated to another National Association (including any Home Nation) to an English Club, a GBE application will be required (which must comply with the requirements set out in these criteria).
16. When a Player returns to her parent club after a loan period, no GBE application will be required by the parent club (provided the GBE remains valid beyond the date of the Player’s return).
17. GBEs will not be issued in respect of Players who are trialling with an English Club. If a Club wishes to trial a Player, it should contact the Home Office.

APPLICATION PROCESS

18. A club must submit any application for a GBE to The FA’s Player Status Department along with any evidence in support of the application, including:
 - a) A fully completed application form (see Appendix 1).
 - b) A fully completed application spreadsheet (see Appendix 2).
 - c) Written evidence to support any claim made by the applicant club that a Player was Unavailable for Selection for a particular match, including the reason(s).
 - d) Written evidence to support any claim made by the applicant club that exceptional circumstances prevented the Player from achieving 24 points (where appropriate, in accordance with paragraph 25 below).
19. If a club claims that a Player was Unavailable for Selection for any reason other than injury, on-field suspension, pregnancy or maternity leave, the matter will be referred to a legally qualified chair of the Exceptions Panel to determine whether the Player shall be deemed

The Football Association – Governing Body Endorsement Requirements for Women’s Players

Unavailable for Selection for the relevant matches and/or period. Any decision made by a chair of the Exceptions Panel under this paragraph shall be final and binding.

20. The club must also pay an administration fee of £500 plus VAT for each application within 14 days of the date on which the decision is communicated to the club. Each club shall bear its own costs in respect of any application.
21. If any information submitted as part of the GBE application process is amended (including the terms and conditions of a Player’s contract):
 - a) before a GBE has granted and before the Player is registered with The FA, the club must inform The FA who may require a new application to be submitted (and a new fee to be paid);
 - b) after a GBE has been granted but before the Player is registered with The FA, the club must inform The FA who may require a new application to be submitted (and a new fee to be paid);
 - c) after a GBE has been granted and after the Player is registered, the club must inform the Home Office via the Sponsorship Management System. The Home Office will confirm whether they require a new application to be submitted (and a new fee to be paid).
22. If a new application is required in accordance with paragraphs 21.b) or 21.c), it will be assessed by reference to the criteria set out in this document and the Club must comply with paragraphs 18-20 of these criteria in respect of the new application. The FA may also inform the Home Office who may curtail the Player’s right to work.

CRITERIA

23. The FA will grant a GBE if the Player’s International Appearances meet the Auto Pass Percentage set out in Table 1 of the criteria.
24. If a Player is not granted a GBE in accordance with paragraph 23 above, The FA will grant a GBE if a Player achieves 24 points in accordance with paragraphs 29 to 33 below.
25. The Club may request that an Exceptions Panel consider the application in the following circumstances only:
 - a) A Player achieves between 20-23 points in accordance with paragraphs 29 to 33 below, and the Club can evidence that exceptional circumstances prevented the Player from achieving 24 points.
 - b) A Player was Unavailable for Selection for the full International Reference Period.
26. If the Club requests an Exceptions Panel, the procedure in paragraphs 34 to 42 shall apply.
27. If a Player is not granted a GBE in accordance with paragraphs 24, 25, or 34 to 42, she will have no further opportunity to apply for a GBE unless her circumstances change and will not be eligible to play for the applicant club.
28. If the calculation of a Player’s International Appearances, Player’s Domestic Minutes or Player’s Continental Minutes (or any other percentage) results in:
 - a) a decimal number of .5 or higher, the number will be rounded up to the next whole number; or

The Football Association – Governing Body Endorsement Requirements for Women’s Players

EXCEPTIONS PANELS

Please note that Exceptions Panels will not be available after the Winter (January) Transfer Window in 2021.

The Football Association – Governing Body Endorsement Requirements for Women’s Players

34. If a club requests an Exceptions Panel on the basis that exceptional circumstances prevented the Player from achieving 24 points in accordance with paragraph 24, the application form and written evidence supplied under paragraph 18 will be provided to a legally qualified chair of the Exceptions Panel. The chair will determine whether the application evidences reasonable grounds that exceptional circumstances applied and prevented the Player from achieving 24 points and therefore that the application should be considered by an Exceptions Panel. Any decision made by a chair of the Exceptions Panel under this paragraph shall be final and binding.
35. If a club requests an Exceptions Panel on the basis that the Player was Unavailable for Selection for the full International Reference Period or a chair of the Exceptions Panel has determined that the application should be considered by an Exceptions Panel in accordance with paragraph 34, The FA will appoint an independent panel of three members, which shall include one legally qualified chair and two panel members who have relevant experience of English professional football (the “**Panel Members**”). For the avoidance of doubt, the chair of the Exceptions Panel who has made an initial determination under paragraph 34 may be one of the Panel Members in respect of the application.
36. A fee of £5,000 plus VAT will be charged for every Exceptions Panel, which must be paid by the club in accordance with paragraph 19.
37. The club will be notified of the identity of the Panel Members and have the opportunity to challenge the appointment of any Panel Member on the basis of an actual or perceived conflict of interest. Each Panel Member shall also have the opportunity to declare an actual or perceived conflict of interest (of him or herself or any other Panel Member) to the Chair or, if the conflict of interest relates to the Chair, to The FA. The Chair, or The FA respectively, shall then determine whether the Panel Member should be excluded from participating in the application. If the Panel Member is excluded from participating in the application, The FA will appoint a replacement Panel Member (to whom this paragraph shall also apply).
38. The Exceptions Panel can request any further information from The FA’s Player Status Department or the applicant club that it deems necessary, in its absolute discretion, in order to make its decision. If an Exceptions Panel meeting has been convened or is in progress when a request for further information is made, the Chair may adjourn the meeting to allow the information to be gathered. Where it is able to do so, the applicant club or The FA’s Player Status Department will supply the further information to the Exceptions Panel within a reasonable timescale.
39. The Exceptions Panel shall only recommend to The FA that a GBE be granted if it is satisfied that either:
 - a. exceptional circumstances prevented the Player from achieving 24 points, and if those exceptional circumstances did not apply, the Player would have achieved 24 points; or
 - b. although the Player was Unavailable for Selection for the full International Reference Period, and if the Player had not been Unavailable for Selection for the full International Reference Period, the Player would have achieved 24 points.
40. The Exceptions Panel will make its decision, based on the papers submitted to it, at an in-person or virtual meeting at which The FA will provide appropriate secretarial support. Each Panel Member has one vote and the decision will be made by a simple majority, with the chair having a casting vote.

The Football Association – Governing Body Endorsement Requirements for Women’s Players

41. If the Exceptions Panel recommends to The FA that a GBE be granted, The FA will consider whether to grant a GBE (but is under no obligation to do so).
42. Written reasons for the decision will be supplied by the Exceptions Panel to the applicant club. An anonymised summary of each decision will be made available (on a confidential basis) to all Stakeholders and Stakeholders may make these summaries available to clubs in the FA Women’s Super League or the FA Women’s Championship.
