

- 1. What is the FA's safeguarding position on one-to-one coaching for under 18s?**
One-to-one coaching for under 18s is not allowed as there must always be at least 2 DBS-checked people present and supervising.
- 2. Can schools football outside of a school setting at the weekend still take place (i.e. school district teams, County Schools Association representative teams)?**
The Government has confirmed that while school sport can continue, no grassroots sport can take place outside of the school setting during the lockdown period.
- 3. Can education programmes run at colleges in partnership with club academies still deliver the football elements?**
We are waiting for the Department for Education to publish their guidance to confirm this point.
- 4. Is there an exemption for 16-18-year olds in college and university to play football?**
At present the Government has not confirmed any exemption for college or university students to allow them to play football. If there are any further developments or changes to the Government's position, we will update our statement accordingly.
- 5. Can football facilities stay open?**
To reduce social contact, the Government has ordered certain businesses and venues to close. These include indoor and outdoor sports facilities.
