

Appendix 2 to The FA Transgender Inclusion Policy

Transgender and Non-Binary Player Eligibility Assumption of Risk Form

NAME:

I wish to play football in the Men's Game in accordance with The FA's Policy on the Inclusion of Transgender and Non-Binary People in Football.

I have read and understood and agree to comply with The FA's Policy on the Inclusion of Transgender and Non-Binary People in Football.

I acknowledge and accept the possible increased injury risk associated with (a) female-to-male transgender individuals, (b) male-to-female transgender individuals if gender-affirming hormone treatment has been commenced, (c) non-binary individuals assigned female at birth, and (d) non-binary individuals assigned male at birth if gender-affirming hormone treatment has been commenced, participating in the Men's Game alongside individuals assigned male at birth who are statistically likely to be stronger, faster, and heavier than the individuals listed at (a) to (d), above.

I acknowledge and agree that it is my sole personal responsibility to determine whether or not I possess the physiological attributes to safely participate in the Men's Game (at the time I sign this form and on an ongoing and continuous basis thereafter for as long as I wish to participate in the Men's Game).

I understand and acknowledge that The FA strongly recommends that prior to signature of this form I consult a qualified medical specialist to identify and discuss my physiological attributes relative to individuals assigned male at birth who would also participate in the Men's Game, and to ensure that I understand the attendant risks (if any).

I acknowledge and agree that I am voluntarily assuming the risk that I might suffer loss, injury, death, or other damage as a result of my participation in the Men's Game, including (without limitation) any possible increased risk due to my status as a transgender or non-binary player. I hereby waive and release The FA and all persons and entities involved in any way in football under The FA's jurisdiction (including, without limitation, the respective members, directors, officers, employees, volunteers, contractors, and agents of The FA and all such persons and entities) from any claim of liability in respect of such loss, injury, death, or other damage.
